ENTERED as second-class matter at the post office at Fulton, Mo. Acceptance for mailing at special rate of postage provided for in the Act of February 28, 1925, embodied in paragraph 4, section 412 P. L. and R., authorized February, 15, 1926.

A QUARTERLY MAGAZINE devoted to Fraternity and college interests. The official organ of $\Delta T \Delta$ Fraternity. Subscription rate, \$1.50 per year.

PUBLISHED at 1201-5 Bluff Street, Fulton, Mo., and issued four times during the year, the four numbers of each volume appearing in November, February, May, and August, respectively.

SUBSCRIPTIONS and death notices should be sent to 1201-5 Bluff Street, Fulton, Mo., or to the Central Office, 333 North Pennsylvania Street, Indianapolis, Ind.

ALL CHAPTER LETTERS, alumni chapter letters, news stories, pictures, and manuscripts for publication, etc., should be sent to the Editor.

HARRY G. GREEN, Editor
P. O. Box 693, Lynchburg, Va.

THE DISTINGUISHED SERVICE CHAPTER

Delta Tau Delta summons to membership in its Distinguished Service Chapter, an honorary organization, those members of the Fraternity who have shown extraordinary loyalty and devotion.

Written nominations for citations, accompanied by specific information as to the services rendered, may be made by any member of the Fraternity to any member of the committee.

It is suggested that nominations be limited to those at least fifteen years out of college and that consideration be given to those whose inconspicuous and quiet labors have not become generally recognized.

The Price of Free World Victory

By Henry A. Wallace, *Gamma Pi (Iowa State)*, '10

Vice President of the United States

An address before the Free World Association, New York City, May 8, 1942

WE, WHO in a formal or an informal way represent most of the free peoples of the world, are met here tonight in the interests of the millions in all the nations who have freedom in their souls. To my mind this meeting has just one purpose—to let those millions in other countries know that here in the United States are 130 million men, women, and children who are in this war to the finish. Our American people are utterly resolved to go on until they can strike the relentless blows that will assure a complete victory, and with it win a new day for the lovers of freedom, everywhere on this earth.

This is a fight between a slave world and a free world. Just as the United States in 1862 could not remain half slave and half free, so in 1942 the world must make its decision for a complete victory one way or the other.

As we begin the final stages of this fight to the death between the free world and the slave world, it is worth while to refresh our minds about the march of freedom for the common man. The idea of freedom—the freedom that we in the United States know and love so well—is derived from the Bible with its extraordinary emphasis on the dignity of the individual. Democracy is the only true political expression of Christianity.

THE GROWTH OF LITERACY

The prophets of the Old Testament were the first to preach social justice. But that which was sensed by the prophets many centuries before Christ was not given complete and powerful political expression until our Nation was formed as a Federal Union a century and a half ago. Even then, the march of the common people had just begun. Most of them did not yet know how to read and write. There were no

public schools to which all children could go. Men and women cannot be really free until they have plenty to eat, and time and ability to read and think and talk things over. Down the years, the people of the United States have moved steadily forward in the practice of democracy. Through universal education, they now can read and write and form opinions of their own. They have learned, and are still learning, the art of production—that is, how to make a living. They have learned, and are still learning, the art of self-government.

If we were to measure freedom by standards of nutrition, education, and self-government, we might rank the United States and certain nations of western Europe very high. But this would not be fair to other nations where education has become widespread only in the last 20 years. In many nations, a generation ago, nine out of ten of the people could not read or write. Russia, for example, was changed from an illiterate to a literate nation within one generation and, in the process, Russia's appreciation of freedom was enormously enhanced. In China, the increase during the past 30 years in the ability of the people to read and write has been matched by their increased interest in real liberty.

Everywhere, reading and writing are accompanied by industrial progress, and industrial progress sooner or later inevitably brings a strong labor movement. From a long-time and fundamental point of view, there are no backward peoples who are lacking in mechanical sense. Russians, Chinese, and the Indians both of India and the Americas all learn to read and write and operate machines just as well as your children and my children. Everywhere the common people are on the march. Thousands of them are learning to read and write, learning to think together, learning

HENRY A. WALLACE

to use tools. These people are learning to think and work together in labor movements, some of which may be extreme or impractical at first, but which eventually will settle down to serve effectively the interests of the common man.

THE WORLD MOVES AHEAD

When the freedom-loving people march—when the farmers have an opportunity to buy land at reasonable prices and to sell the produce of their land through their own organizations, when workers have the opportunity to form unions and bargain through them collectively, and when the children of all the people have an opportunity to attend schools which teach them the truths of the real world in which they live—when these opportunities are open to everyone, then the world moves straight ahead.

But in countries where the ability to read and write has been recently acquired or where the people have had no long experience in governing themselves on the basis of their own thinking, it is easy for demagogues to arise and prostitute the mind of the common man to their own base ends. Such a demagogue may get financial help from some person of wealth who is unaware of what the end result will be. With this backing, the demagogue may dominate the minds of the people, and, from whatever degree of freedom they have, lead them backward into slavery. Herr Thyssen, the wealthy German steel man, little realized what he was doing when he gave Hitler enough money to enable him to play on the minds of the German people. The demagogue is the curse of the modern world, and, of all the demagogues, the worst are those financed by well-meaning wealthy men who sincerely believe that their wealth is likely to be safer if they can hire men with political "it" to change the sign posts and lure the people back into slavery of the most degraded kind. Unfortunately for the wealthy men who finance movements of this sort, as well as for the people themselves, the successful demagogue is a powerful genie who, when once let out of his bottle, refuses to obey anyone's command. As long as his spell holds, he defies

God Himself, and Satan is turned loose upon the world.

RELIGION OF DARKNESS

Through the leaders of the Nazi revolution, Satan now is trying to lead the common man of the whole world back into slavery and darkness. For the stark truth is that the violence preached by the Nazis is the devil's own religion of darkness. So also is the doctrine that one race or one class is by heredity superior and that all other races or classes are supposed to be slaves. The belief in one Satan-inspired Fuehrer, with his Quislings, his Lavals, and his Mussolinis—his "gauleiters" in every nation in the world—is the last and ultimate darkness. Is there any hell hotter than that of being a Quisling, unless it is that of being a Laval or a Mussolini?

In a twisted sense, there is something almost great in the figure of the Supreme Devil operating through a human form, in a Hitler who has the daring to spit straight into the eye of God and man. But the Nazi system has a heroic position for only one leader. By definition only one person is allowed to retain full sovereignty over his own soul. All the rest are stooges—they are stooges who have been mentally and politically degraded, and who feel that they can get square with the world only by mentally and politically degrading other people. These stooges are really psychopathic cases. Satan has turned loose upon us the insane.

MAN ON THE MARCH

The march of freedom of the past 150 years has been a long-drawn-out people's revolution. In this Great Revolution of the people, there were the American Revolution of 1775, the French Revolution of 1792, the Latin-America revolutions of the Bolivarian era, the German Revolution of 1848, and the Russian Revolution of 1918. Each spoke for the common man in terms of blood on the battlefield. Some went to excess. But the significant thing is that the people groped their way to the light. More of them learned to think and work together.

The people's revolution aims at

peace and not at violence, but if the rights of the common man are attacked, it unleashes the ferocity of a she-bear who has lost a cub. When the Nazi psychologists tell their master Hitler that we in the United States may be able to produce hundreds of thousands of planes, but that we have no will to fight, they are only fooling themselves and him. The truth is that when the rights of the American people are transgressed, as those rights have been transgressed, the American people will fight with a relentless fury which will drive the ancient Teutonic gods back cowering into their caves. The Götterdämmerung has come for Odin and his crew.

The people are on the march toward even fuller freedom than the most fortunate peoples of the earth have hitherto enjoyed. No Nazi counterrevolution will stop it. The common man will smoke the Hitler stooges out into the open in the United States, in Latin America, and in India. He will destroy their influence. No Lavals, no Mussolinis will be tolerated in a Free World.

The people, in their millennial and revolutionary march toward manifesting here on earth the dignity that is in every human soul, hold as their credo the Four Freedoms enunciated by President Roosevelt in his message to Congress on January 6, 1941. These Four Freedoms are the very core of the revolution for which the United Nations have taken their stand. We who live in the United States may think there is nothing very revolutionary about freedom of religion, freedom of expression, and freedom from the fear of secret police. But when we begin to think about the significance of freedom from want for the average man, then we know that the revolution of the past 150 years has not been completed, either here in the United States or in any other nation in the world. We know that this revolution cannot stop until freedom from want has actually been attained.

A FREE MAN'S DUTIES

And now, as we move forward toward realizing the Four Freedoms of this people's revolution, I

would like to speak about four duties. It is my belief that every freedom, every right, every privilege has its price, its corresponding duty without which it cannot be enjoyed. The four duties of the people's revolution, as I see them today, are these:

1. The duty to produce to the limit.
2. The duty to transport as rapidly as possible to the field of battle.
3. The duty to fight with all that is in us.
4. The duty to build a peace—just, charitable, and enduring.

The fourth duty is that which inspires the other three.

We failed in our job after World War I. We did not know how to go about it to build an enduring world-wide peace. We did not have the nerve to follow through and prevent Germany from rearming. We did not insist that she "learn war no more." We did not build a peace treaty on the fundamental doctrine of the people's revolution. We did not strive wholeheartedly to create a world where there could be freedom from want for all the peoples. But by our very errors we learned much, and after this war we shall be in position to utilize our knowledge in building a world which is economically, politically, and, I hope, spiritually sound.

Modern science, which is a by-product and an essential part of the people's revolution, has made it technologically possible to see that all of the people of the world get enough to eat. Half in fun and half seriously, I said the other day to Madame Litvinoff: "The object of this war is to make sure that everybody in the world has the privilege of drinking a quart of milk a day." She replied: "Yes, even half a pint." The peace must mean a better standard of living for the common man, not merely in the United States and England but also in India, Russia, China, and Latin America—not merely in the United Nations but also in Germany and Italy and Japan.

Some have spoken of the "American Century." I say that the century on which we are entering—the century which will come out of this war—can be and must be the century of the common man. Perhaps

it will be America's opportunity to suggest the freedoms and duties by which the common man must live. Everywhere the common man must learn to build his own industries with his own hands in a practical fashion. Everywhere the common man must learn to increase his productivity so that he and his children can eventually pay to the world community all that they have received. No nation will have the God-given right to exploit other nations. Older nations will have the privilege to help younger nations get started on the path to industrialization, but there must be neither military nor economic imperialism. The methods of the nineteenth century will not work in the people's century which is now about to begin. India, China, and Latin America have a tremendous stake in the people's century. As their masses learn to read and write, and as they become productive mechanics, their standard of living will double and treble. Modern science, when devoted wholeheartedly to the general welfare, has in it potentialities of which we do not yet dream.

And modern science must be released from Germany slavery. International cartels that serve American greed and the German will to power must go. Cartels in the peace to come must be subjected to international control for the common man, as well as being under adequate control by the respective home governments. In this way, we can prevent the Germans from again building a war machine while we sleep. With international monopoly pools under control, it will be possible for inventions to serve all the people instead of only the few.

AN ECONOMIC PEACE

Yes, and when the time of peace comes, the citizen will again have a duty, the supreme duty of sacrificing the lesser interests for the greater interest of the general welfare. Those who write the peace must think of the whole world. There can be no privileged peoples. We ourselves in the United States are no more a master race than the Nazis. And we cannot perpetuate economic warfare without planting

the seeds of military warfare. We must use our power at the peace table to build an economic peace that is just, charitable, and enduring.

If we really believe that we are fighting for a people's peace, all the rest becomes easy. Production, yes—it will be easy to get production without either strikes or sabotage; production with the wholehearted cooperation between willing arms and keen brains; enthusiasm, zip, energy geared to the tempo of keeping at it everlastingly day after day. Hitler knows as well as those of us who sit in on the War Production Board meetings that we here in the United States are winning the battle of production. He knows that both labor and business in the United States are doing a most remarkable job and that his only hope is to crash through to a complete victory some time during the next six months.

And then there is the task of transportation to the line of battle by truck, by railroad car, by ship. We shall joyously deny ourselves so that our transportation system is improved by at least 30 per cent.

I need say little about the duty to fight. Some people declare, and Hitler believes, that the American people have grown soft in the last generation. Hitler agents continually preach in South America that we are cowards, unable to use, like the "brave" German soldiers, the weapons of modern war. It is true that American youth hates war with a holy hatred. But because of that fact and because Hitler and the German people stand as the very symbol of war, we shall fight with a tireless enthusiasm until war and the possibility of war have been removed from this planet. We shall cleanse the plague spot of Europe, which is Hitler's Germany, and with it the hell-hole of Asia—Japan.

The American people have always had guts and always will have. You know the story of Bomber Pilot Dixon and Radioman Gene Aldrich and Ordnanceman Tony Pestula—the story which Americans will be telling their children for generations to illustrate man's ability to master any fate. These men lived for 34 days on the open

sea in a rubber life raft, 8 feet by 4 feet, with no food but that which they took from the sea and the air with one pocket knife and a pistol. And yet they lived it through and came at last to the beach of an island they did not know. In spite of their suffering and weakness, they stood like men, with no weapon left to protect themselves, and no shoes on their feet or clothes on their backs, and walked in military file because, they said, "if there were Japs, we didn't want to be crawling."

THE COMING CRISIS

The American fighting men, and all the fighting men of the United Nations, will need to summon all their courage during the next few months. I am convinced that the summer and fall of 1942 will be a time of supreme crisis for us all. Hitler, like the prize fighter who realizes he is on the verge of being knocked out, is gathering all his remaining forces for one last desperate blow. There is abject fear in the heart of the madman and a growing discontent among his people as he prepares for his last all-out offensive.

We may be sure that Hitler and Japan will cooperate to do the unexpected—perhaps an attack by Japan against Alaska and our Northwest coast at a time when German transport planes will be shuttled across from Dakar to furnish leadership and stiffening to a German uprising in Latin America. In any event, the psychological and sabotage offensive in the United States and Latin America will be timed to coincide with, or anticipate by a few weeks, the height of the military offensive.

We must be especially prepared to stifle the fifth columnists in the United States who will try to sabotage not merely our war material plants but, even more important, our minds. We must be prepared for the worst kind of fifth-column work in Latin America, much of it operating through the agency of governments with which the United States at present is at peace. When I say this, I recognize that the peoples, both of Latin America and of the nations supporting the agencies

through which the fifth columnists work, are overwhelmingly on the side of the democracies. We must expect the offensive against us on the military, propaganda, and sabotage fronts, both in the United States and in Latin America, to reach its apex some time during the next few months. The convulsive efforts of the dying madman will be so great that some of us may be deceived into thinking that the situation is bad at a time when it is really getting better. But in the case of most of us, the events of the next few months, disturbing though they may be, will only increase our will to bring about complete victory in this war of liberation. Prepared in spirit, we cannot be surprised. Psychological terrorism will fall flat. As we nerve ourselves for the supreme effort in this hemisphere we must not forget the sublime heroism of the oppressed in Europe and Asia, whether it be in the mountains of Yugoslavia, the factories of Czechoslovakia and France, the farms of Poland, Denmark, Holland, and Belgium, among the seamen of Norway, or in the occupied areas of China and the Dutch East Indies. Everywhere the soul of man is letting the tyrant know that slavery of the body does not end resistance.

There can be no half measures. North, South, East, West, and Middle West—the will of the American people is for complete victory.

No compromise with Satan is possible. We shall not rest until all the victims under the Nazi yoke are freed. We shall fight for a complete peace as well as a complete victory.

"The people's revolution is on the march, and the devil and all his angels cannot prevail against it. They cannot prevail, for on the side of the people is the Lord.

"He giveth power to the faint; to them that have no might He increaseth strength. . . . They that wait upon the Lord shall . . . mount up with wings as eagles; they shall run, and not be weary; they shall walk and not faint."

Strong in the strength of the Lord, we who fight in the people's cause will never stop until that cause is won.

Distinguished Service Chapter Citation

ALVAN EMILE DUERR
Chi (Kenyon), '93
Sigma (Williams), '93

The highlight of the New York Alumni Chapter's 1942 Founders Day Banquet, March 6, 1942, was the presentation of a Distinguished Service Chapter Citation to Alvan Emile Duerr. Bishop Edwin Holt Hughes, acting for the Distinguished Service Chapter Committee and the Fraternity, presented the Citation.

The text of the Citation is:

Secretary 1892-93 and President 1893-94, Eastern Division; General Secretary of the Fraternity 1893-95; Editor of our secret publications 1893-95; Treasurer and the stabilizer of our finances 1897-1906; First Supervisor of Scholarship 1923-25 and its pioneer advocate; President of the Fraternity 1925-27; Originator of the National Interfraternity Conference Scholarship Committee; twice Chairman of the Interfraternity Conference, 1930-31; Editor of Baird's Manual in 1940. In length, variety and faithfulness of fraternal services he stands without a superior in the history of Greek-letter societies.
Given under our seal, February 20, 1942.

Delta Tau Delta in Congress

By Ralph M. Wray, *Beta Kappa (Colorado)*, '20

IN A world spasm of great magnitude, as in an ordinary family crisis, the hopes and prayers of the members gravitate toward the point of greatest strength. For several years this natural law has been making Washington more and more the focal point of the supporters of liberty, until today it is not only the Capital of the United States but also quite factually of the World.

It is a time when all men, especially the big and little leaders, are put to test. Some will grow smaller, finding their true position, but, inevitably, some will grow greater, as latent powers respond to the demands put upon character.

The Congress of the United States is inherently the most interesting division of government to the people, because it is a mirror of themselves. Its strength and weaknesses are those of the people, running the gamut from pompous emptiness to sincere intelligence. Here is the breeding ground from which come many of our fine leaders, and here is where flash those who reach up but can not gain a hold.

Editor's Note: The author of this article, Ralph M. Wray, will be remembered by many Deltas as the Fraternity's first field secretary. Ralph wrote, "It has been a long time since I have had to worry about the deadline of THE RAINBOW." You readers will enjoy Ralph's contribution and join us in the message, "Greetings, Ralph, and thanks!"

Watch these men on the floor of the Senate or House, talk to them in their offices, and talk about them to the "Little Congress," that large group that does the actual office work for them, and the realization comes that here is a very human conglomeration. They are very much like the man who lives next door, or on the next street, except that in the majority of cases something in their makeup has pulled them a little above the average. Some are destined to stay that way, while a few grow with the years and experience, attaining heights that are denied the average man. A great man is only an average one who exercised his character and talents until they developed the strength necessary to climb the hill.

At this time the members of Delta Tau Delta should be particularly interested in those members who have gone before, and are now on these slopes leading upward. They have a say in decisions that are becoming more momentous every day. It is rather a coincidence that there should be an equal number in the Senate and the House. Four members of each are Delta Tau Deltas, plus, of course, our Vice-President, who is the presiding officer of the Senate. Let us meet them:

Henry Agard Wallace, Gamma Pi (Iowa State), '10, was born on a farm in Adair County, Iowa, October 7, 1888. His grandfather, Henry Wallace, was a member of President Theodore Roosevelt's Country Life Commission, while his father, Henry Cantwell Wallace later became Secretary of Agricul-

ture, from 1921 to 1924. Mr. Wallace married Ilo Browne, of Indianola, Iowa, in 1914, and they have three children; Henry B. Wallace, Robert B. Wallace, and Jean B. Wallace. Starting in editorial work on his father's paper, *Wallace's Farmer*, he became the editor in 1924. In 1929 this became *Wallace's Farmer and Iowa Homestead*, of which he held the editorship until 1933. Mr. Wallace's activities for agriculture were manifold, beginning in 1915, when he devised the first of corn-hog ratio charts, which indicated the probable course of markets. He wrote many articles, and was chairman of the Agricultural Round Table at Williams-town in 1927. Later he was a delegate to the International Conference of Agricultural Economists in 1929. From 1913 to 1933 he carried on experiments in breeding high-yielding strains of corn.

In the early days of the depression, this young man's work and theories caught the ear of Franklin D. Roosevelt, and their meeting was one of destiny for Mr. Wallace. They became close friends, with the

HENRY A. WALLACE

ALBEN W. BARKLEY

BENNETT CHAMP CLARK

result that after the election of 1932, the office of Secretary of Agriculture was offered to him. His acceptance started him on the road with President Roosevelt which led them, closer and closer together, to the precedent-breaking election of 1940, when Henry A. Wallace was elected Vice-President of the United States. He is one of the few men who has not found himself on the President's ferris wheel, instead, acquiring more and more power and voice in matters of state. The climax, up to the present, came with the delivery of his New York speech. Many authorities are acclaiming this one of the master papers of the present crisis. (See page 175 of this number.)

Alben W. Barkley, Beta Epsilon (Emory), '00, was born in Graves County, Kentucky, November 24, 1877. After attending the county schools, he received an A.B. degree from Marvin College, Clinton, Kentucky, in 1897. He then attended Emory College, where he became a Delt, and the University of Virginia Law School. After being admitted to the bar in Paducah, Kentucky, in 1901, he married Miss Dorothy Brower of that city. They have three children, one of whom is now married to Max Truitt, a Delt from Gamma Kappa (Missouri), '25, Gamma Eta (George Washington), '29, and formerly a

member of the Maritime Commission. Mr. Barkley was elected prosecuting attorney for McCracken County in 1905, and, following this term, was elected County Judge. He served in this office until 1913, when he was elected to the House of Representatives. This was the beginning of a service in Congress that is still in process. Until 1927 he was in the House. Elected to the Senate that year, he has been re-elected continuously since.

He served as chairman of the Kentucky State Democratic Conventions in 1919 and 1924, and served as delegate to National Conventions at San Francisco, 1920; New York, 1924; Houston, 1928; Chicago, 1932; Philadelphia, 1936, and, as Chairman at Chicago, 1940. In 1937, he was elected Majority Leader of the Senate to succeed the late Joseph T. Robinson of Arkansas, and still holds this position. He is Chairman of the Committee on the Library, U. S. Senate, and serves on the following Committees: Banking and Currency, Expenditures in the Executive Departments, Finance, Foreign Relations, Interstate Commerce, and Government Organization.

Bennett Champ Clark, Gamma Kappa (Missouri), '13, was born at Bowling Green, Missouri, January 8, 1890, the son of Champ Clark, Theta (Bethany), '73, who later became speaker of the House, and was defeated by Woodrow Wilson for the Democratic nomination for President in 1912, and Genevieve (Bennett) Clark. He was educated in Bowling Green, Washington, D. C., later getting his A.B. degree from the University of Missouri, and an LL.B. from George Washington University. He has received LL.D. degrees from the University of Missouri, Marshall College, Bethany College, and Washington and Lee University, and is a Trustee of George Washington University and Bethany College. From 1913 to 1917 he was Parliamentarian of the House of Representatives.

In 1917 he received a commission as Captain after attending Officer's Training Camp at Ft. Meyer, Virginia, and was elected Lieutenant Colonel of the Sixth Regiment Missouri Infantry, which became the One Hundred Fortieth U. S. In-

PRENTISS M. BROWN

fantry. He became assistant chief of staff of the Eighty-eighth Division in September, 1918, serving until March, 1919, at which time he took the same rank with the Thirty-fifth, where he remained until discharged in May, 1919. One of the seventeen charter members and an incorporator of the American Legion, he was chairman of the Paris caucus which formally organized it. He is a past National Commander of the Legion, a past commander of the Thirty-fifth Division Veterans' Association, and ex-president of the National Guard Association of the United States. He is also a member of the Veterans of Foreign Wars.

Upon discharge from the Army he practiced law in St. Louis. He was a delegate at large and member of the resolutions and platform committee at the Houston Democratic Convention. At the Philadelphia National Democratic Convention in 1936 he was delegate at large and chairman of the committee on rules and order of business, which reported out the repeal of the two-thirds rule. He was chairman of the Missouri delegation at the Chicago convention.

The Senator is the compiler of several manuals on parliamentary law, the co-author of Social Studies, and the author of *John Quincy Adams—Old Man Eloquent*. The treasurer of the Democratic Na-

tional Committee in 1916 and 1920 was the Hon. Wilbur Marsh, of Waterloo, Iowa, and on October 5, 1922, Mr. Clark married Mr. Marsh's daughter, Miriam. They have three sons, Champ, Marsh and Kimball. Champ, the eldest, is now at the University of Missouri, where he has already made a reputation as a ball player. On November 8, 1932, Mr. Clark was elected to the United States Senate, was then appointed to fill the unexpired term of his predecessor, the Hon. Harry B. Hawes, and was reelected in 1938 for his present term, which expires in 1945. He is chairman of the Committee on InterOcean Canals, and a member of the following committees: Commerce, Finance, Foreign Relations, Territories and Insular Affairs, and a special committee on the Conservation of Wildlife Resources.

Prentiss M. Brown, Epsilon (Albion), '11, Beta Upsilon (Illinois), '14, was born at St. Ignace, Michigan, June 18, 1889, the son of James J. and Minnie Brown. After graduating from the city schools in 1906, he attended Albion College, graduating in 1911 with an A.B. degree. He received a scholarship in political economy, and went directly to the University of Illinois. An LL.D. was added to his name in 1937 by Albion. In 1914 he returned to St. Ignace and entered the practice of law, and on June 16, 1916, married Marian E. Walker, a home-town girl. They have seven

children, Marianna, Ruth, James, Barbara, Patricia, Prentiss, Jr., and Paul, all of whom are away from home except the latter. He corresponds with the six by writing one letter and making five carbons.

From 1914 to 1926 Mr. Brown served as prosecuting attorney of Mackinac County. On the recommendation of the Supreme Court in 1930, he was appointed by the Governor as a member of the State Board of Law Examiners, receiving reappointments in 1931 and 1936. Albion College chose him as one of her Trustees. In 1924, 1932, 1934, 1936, 1938, and 1940, he was chairman of the Democratic State Conventions. The Eleventh District of Michigan made him a member of the Seventy-Third Congress, and reelected him to the Seventy-Fourth. Then, on November 3, 1936, he was elected to the Senate, and appointed to fill the unexpired term of the late Senator Couzens. In 1938, he was chairman of the Democratic senatorial campaign committee, and was chairman from 1938 to 1940 of the Senate Special Committee on Taxation of Governmental Securities and Salaries. He made a fine reputation for himself on this committee, which handled a highly controversial subject. He is a member of the powerful Senate Democratic Committee, which directs the legislative program of the Senate, and, as vacancies arise, selects Senators for appointment to regular standing committees. Senator Brown is chairman of the Senate Claims Committee, and a member of the following committees of the Senate: Banking and Currency, Commerce, Finance, Manufacture, and a Special: Investigate Executive Agencies of the Government.

Tom Stewart, Epsilon (Emory), '13, was born in Dunlap, Tennessee, January 11, 1892. He received his education at Pryor Institute, Emory College, and Cumberland University. He is a member of the Methodist Church, and a Mason. On December 19, 1914, he married Helen Turner, of Jasper, Tennessee. They have five children, Tom, Betty Ann, Mary Helen, Lawrence F., and Paul Turner. In addition to the practice of law, the Senator was district attorney general of the

eighteenth circuit of Tennessee, from September, 1923, until his election to the United States Senate, November 8, 1938. This was to fill the vacancy caused by the death of Senator Bachman. Senator Stewart is up for reelection this fall, and has made such a favorable record with his constituents that he is practically unopposed.

House of Representatives

Dewey Short, Gamma Theta (Baker), '19, was born in Galena, Missouri, August 7, 1898, and the date gives away the reason for the first name. An Admiral had gained fame in taking the first step for us that was to lead to the glory of Bataan. Dewey was a preacher in his early days, and has built color into his career as the "Ozark Hill-billy," but take a look at his record of education. He was graduated from Marionville College in 1917, and received an A.B. degree from Baker University in 1919. In 1922 he was made a Frank D. Howard fellow by Boston University. From 1922 to 1925 he studied abroad, at the Universities of Berlin, Heidelberg, and Oxford. He was professor of Philosophy and Psychology at Southwestern College, Winfield, Kansas, from 1923 to 1924, and from 1926 to 1928. In 1930 Drury College, Springfield, Missouri, granted him an LL.D.

Dewey was elected representative the first time in 1928. After one term, he was gone for two terms, but was elected again in 1934. This

A. T. STEWART

DEWEY SHORT

ANDREW EDMISTON

time he stuck, and was reelected in 1936, 1938 and 1940. The year 1940 also brought him added recognition beyond his own state and district, for he was strongly supported from several angles as a Vice-Presidential candidate on the Republican ticket. *Time* Magazine, October 9, 1939, etched Dewey quite well, and some excerpts will help those who have never seen him in action.

"There were once two Irishmen who lived in Missouri. One was named Joe Long, the other John Short. They never knew it, but they were the grandfathers of a nominee for the Vice-Presidency of the U. S.

"The little shaver had something, right from the start. At ten he had a nice business as a jenny driver, was getting a reputation as the boy orator of the Ozarks. . . . Served as pastor in a Springfield, Mo., church, finally got to Congress.

"During the last three of his four terms he was the only Republican Representative from Missouri. Baby of the Congress in 1929, he acquired a pretty young wife in 1937, turned forty-one last April. With a whirling-dervish delivery, a mastery of alliteration, invective, wit, he packed them in. When proponents of the Reorganization bill were attempting to convince the House that Mr. Roosevelt did not seek to be a dictator, he rose to answer them in his best form: 'Assurances are not worth a continental when they come from men who care no more for their word than a tomcat cares for a marriage license

in a back alley on a dark night.'"

Andrew Edmiston, Gamma Delta (West Virginia), '16, was born at Weston, West Virginia, November 13, 1892. He received his education at Kentucky Military Institute and the University of West Virginia. From the University he returned to Weston, where he engaged in the glass manufacturing business, and became editor of the *Weston Democrat*, which position he still holds.

When we entered the war in 1917, Mr. Edmiston was one of the first to attend Officers Training Camp, at Fort Benjamin Harrison. At completion of the course, he was offered a commission as Captain, National Army, or Provisional Second Lieutenant, Regular Army. He chose the latter, was assigned to the 39th Infantry, Fourth Division, and arrived in France in May, 1918. On June 20, the Division went into the line with the French Sixth Army for training, and the Germans soon started the great Soissons push, which so nearly succeeded. On the 21st of July, Andy's Division was pulled out, after having attacked on the 18th, only to come back in again on the 29th. The Division again attacked, driving the Germans from the Ourcq River to the Vesle. During this attack, on August 2, 1918, Andy was severely wounded. He found himself the only officer left with his unit, and remained with it until it was relieved. For this he was awarded the Distinguished Service Cross with Purple Heart, and the West Virginia Distinguished Service Medal.

After returning to Weston, he served as Mayor, was delegate to the Democratic National Convention, and was chairman of the Democratic State Committee from 1928 to 1932. A permanently disabled arm never stopped his activities. When Congressman Lynn S. Horner died, Mr. Edmiston was elected to the unexpired term, in November, 1933, and has been reelected in 1934, 1936, 1938, and 1940. It is natural that he has concentrated on the problems of National Defense and Veteran's Welfare. He was Post Commander of the Weston Post of the American Legion, State Commander of the Department of West Virginia, is a member of the

RICHARD M. SIMPSON

Veterans of Foreign Wars and of the Army and Navy Legion of Valor.

He is a member of the Military Affairs Committee, and Chairman of Sub-Committee No. 4, to which is referred: All questions relating to the general question of National Defense; all general questions relating to the regular army, not otherwise assigned; all questions relating to the mobilization of the Army of the United States and its components, and all questions relating to the drafting of man power and national resources.

Richard M. Simpson, Gamma Sigma (Pittsburgh), '23, was born in Huntingdon, Pennsylvania, where his ancestors have lived since before the Revolution, on August 30, 1900. He was educated in the local schools, and then attended the University of Pittsburgh, where he made history in football, and was a member of the Championship team of 1922. Before that he had enlisted at the age of eighteen, in the tank corps at Camp Polk, North Carolina, and served during the World War. He is a member of the American Legion, and is a past Deputy District Commander of the 18th District.

He engaged in the insurance business and operated a stone quarry at Huntingdon following his graduation. In 1934 he was

elected to the State Legislature, and reelected in 1936. He married Grace Metz, and they have two daughters, Susan and Barbara. On May 11, 1937, at a special election to fill the place of the late Benjamin K. Focht, he was elected to the House of Representatives, and has been reelected to the Seventy-sixth and Seventy-seventh Congresses. He is a member of the very important Committee on Interstate and Foreign Commerce, where he has as a colleague George Paddock of Illinois.

Despite the pressure of strongly organized minority groups, Dick has kept his independent, realistic thinking, and, through this type of integrity has won the confidence of the majority of his constituents. It looks as if he is in Congress to stay a long time.

George A. Paddock, Beta Iota (Virginia), '06, was born in Winnetka, Illinois, March 4, 1885, the son of George Laban Paddock and Caroline Matilda (Bolles) Paddock. He attained his education at Chicago Manual Training School, the University of Chicago, and the University of Virginia, after which he was admitted to the Illinois bar in 1907. In 1910, he went to Florida, where he entered the real estate business. He was president of the South Florida Investment Company, a member of the Florida bar, a bank director, and secretary of the Miami Chamber of Commerce.

In 1912 George married Elsie M. Mauritzon, daughter of a prominent Chicago realtor, and she was later as active in sorority work and civic improvement from the feminine angle, as her distinguished husband was in Delta Tau Delta and crime prevention. They have one son, George A., Jr., who graduated from Yale in 1940, and proved an efficient and valuable aid to his father until Uncle Sam beckoned him this spring. He is now in camp in Illinois. A tribute to both the son and the father is found in the fact that neither tried to use position to change the course of events.

Twenty-six years ago the father, with vision, attended the second Plattsburg Camp, winning a commission as Second Lieutenant in the Officers Reserve Corps. He was al-

GEORGE A. PADDOCK

so secretary of the Civilian Naval Cruise Committee in 1916, which did for water what Plattsburg did for land. When war was declared, he was made one of a group in charge of all New York City enrollments to O.T.C. He was then sent to the first camp at Ft. Sheridan, Illinois, coming out a Captain. In August of 1918 he was promoted to Major, and transferred to the 76th Infantry at Camp Lewis, Washington, from where he received an honorable discharge in December of 1918. He was a member of the St. Louis convention in 1919 that founded the American Legion, and is a charter member of the Evanston Post, as well as a past Commander.

He returned to Chicago, where he engaged in the practice of law, and entered the securities business. He is now vice-president of Rogers and Tracy, Inc., 120 S. La Salle Street. Business did not take from him his interest in civic problems, and his path is strewn with accomplishments in this field. For ten years he was a director of the Chicago Crime Commission, and is the originator of the phrase, "Public Enemy." As chairman of the finance committee, he raised nearly a million dollars to fight crime. He was a director of the Legislative Voters' League of Chicago, of the Citizen's Association, and an organizer of the Minute Men of the Constitution. He succeeded General Charles G.

Dawes as president of this latter organization.

Six years of service on the Evanston City Council occurred, where he was chairman of the police and finance committees. Twice he was commissioner of the North East Park District of Evanston. In 1934 he was chairman of the Illinois Republican Finance Committee; in 1936 was secretary of the Illinois Republican Citizen's Organization. In this same year he directed the Republican National Committee's Participation Certificate campaign, raising \$406,000 from 237,000 contributors. This was a record. He served as precinct committeeman in Evanston, being elected in 1938 Township Committeeman and Evanston Member of the Cook County Republican Central Committee. In 1939 he was treasurer for the Cook County Judicial Campaign, and was appointed treasurer for the Central Committee.

When, in 1940, he ran for Congressman from the 10th District, he was elected by the second largest majority in the history of the District. He was made a member of the Interstate and Foreign Commerce Committee, an important one in the House, ideal for his background and experience. He has quietly made progress, learning the ropes as a freshman, but, more important, he has made friends. In speaking to many members, of both parties, nothing but regret that George suffered defeat in this spring's primary has been heard.

An unusual tribute was paid him at the time of his maiden speech, when member after member interrupted him for the purpose of getting into the record the high regard in which he, as a man and member of the House, was held. They hope to see him back some day. As George says, though, it is the fortunes of war. It should be of interest to Delts that the man who defeated him in the primaries is being opposed by a Delta Tau Delta Democrat, Jack E. Bairstow, Beta Upsilon (Illinois), '24. Whatever course is the future for George Paddock, we can rest assured that it will be honorable, pursued with high purpose, and admired by his many brothers and friends.

THE DELT AUTHORS

FAMILY HONEYMOON. By Homer Croy, *Gamma Kappa (Missouri)*, '07. 313 pp. New York: Harper and Brothers. \$2.50.

Reviewed by PAGE COOPER

HONEYMOONS as a rule are supposed to be singularly uninteresting interludes in the march of human affairs—uninteresting, that is, to everyone except the two participants. But not so the honeymoon of Hetty Armstrong and Gram Jordan. Aunt Jo, the faculty of the agricultural college, and Minna Fenster, Gram's old flame, in fact, the entire Mid-Western town were fascinated by the possibilities of drama. And well they might be, for this honeymoon was different. It was a family affair.

Hetty was a pretty young widow with four darling children, Gram, a young professor of botany. "He was on the tall side and on the good-looking side and had a sturdy ruggedness any person in the world would like." Hetty couldn't understand why people said "I hope you'll be happy" in such a funny way.

"It's the children they're thinking of, Miss Hetty," volunteered Phyllis, the colored maid. "If I had four children and was taking on a new husband, I'd be nervous, too."

"But I'm not nervous," declared Hetty. "I've discussed that thoroughly with Mr. Jordan. He loves the children and they're going to love him."

"Yessum."

"More than that, he appreciates what a joy it will be to watch them grow up."

"Yessum," agreed Phyllis doubtfully.

When Hetty and Gram decided on a trip to the Grand Canyon, she planned to

HOMER CROY

leave the children with Mrs. Taylor, but during the announcement party she found the woman pulling Charlie's hair. There was nothing left to do but take the children along. Gram was not wholly enthusiastic. He believed that in a town of 5,000 inhabitants there should be some one with whom Hetty could trust the children, but then after all, they were darlings and if Hetty wanted it!

Aunt Jo was against the idea. She had taken care of the children. But Hetty was adamant.

"I'm going to take them and that's all there is to it."

"That's only the beginning of what's to

do," answered Aunt Jo, and how right she was.

The children ranged from twelve to five, darlings all of them, of course. Maudie at twelve had tremendous dignity and was always being humiliated by her family.

"Do you like Mr. Jordan?" Hetty asked hopefully.

"I think he dresses like an oaf," answered Maudie with a superior air. Abner thought Mr. Jordan "swell." He was ten, with faded hazel eyes and dark hair and such an interest in airplanes, as witness the broken window panes.

Charlie thought Mr. Jordan "swell" too. Charlie was eight and his eyes were a fine blue. Maudie called him an ape and was always being mortified by his manners, but Hetty knew that he was a darling, too.

Then there was baby Zoe, who at five spent her time asking questions and kissing her toy Panda. It went on the honeymoon, too. She was an unusually intelligent child.

The six of them started on the honeymoon—seven counting the panda. To tell you what happened to the boys on the Pullman or to the Indian in the Grand Canyon or the man who got murdered at the golf course would spoil some of the most hilarious fun that has been compressed between book covers for several seasons. Try to think of three hundred and some odd pages of incidents that might keep lovers apart, and no matter how you strain your imagination you will most likely fall short of the fantastic obstacles that Mr. Croy strews in the path of true love. It is not until page 313 that Gram and Hetty look into each other's eyes with perfect peace and understanding and say those tender words, "Don't you think it is about time to go up?"—New York *Herald Tribune*.

▼ DELTS IN THE SERVICE ▼

One member of Delta Tau Delta arrived here recently to represent his fraternity at Enid Army Flying School located on the colorful "Old Chisholm Trail."

He is Aviation Cadet Charles F. Sanborn, son of Mr. and Mrs. Richard S. Sanborn, 24 Madison Ave., East Orange, N. J. He attended Duke University, Durham, N. C. (1937-41), where he received an A.B. degree, won two varsity letters in swimming and diving and two for cheer leading.

He was president of Delta Kappa and columnist for the college newspaper. In civil life he was a Junior Executive Trainee for the Michigan Alkali Company at Wyandotte, Mich.

★

Gamma Sigma at the University of Pittsburgh has fifty-one of its sons in the Armed Forces of the Nation. Among them are many who have served the University and the Fraternity well.

In the far-flung Pacific theater of the war is Captain Charles A. Bucher, Jr., who received his degree and his Commission as Second Lieutenant in Coast Artillery in 1936.

After working for Gulf Oil Corporation, Bucher entered the Army in February, 1940, when Congress passed the first Army expansion bill. He was stationed at Fortress Monroe and participated in maneuvers at Fort Storey, Virginia. He trained recruits at Fort Screven, Georgia, and was among the first to officer the new Camp Stewart in Georgia.

In April, 1941, Bucher received orders to proceed to the American Far Eastern Forces in the Philippine Islands. After an eventful automobile trip across the United States, Bucher sailed from San Francisco and landed at Manila in June, 1941.

Bucher was among the American officers who trained and perfected the Philippine Constabulary into the powerful fighting force which has won the admiration of the

Editor's Note: This department is introduced in this number to present the news releases on men in the various branches of the Service. It is planned to continue the department for the duration of the war.

When news releases are made available through the public relations offices of branches of the Armed Forces, locations may be used, otherwise such information will be omitted.

In cooperation with the Office of Censorship it will be the policy in editing all letters and manuscripts submitted for publication to delete references to address and unit designations of members who are in combat zones, or elsewhere outside the United States.

world and which is still resisting the Japanese.

Following the declaration of war, Bucher was made a Captain. "Still going strong" was Bucher's message to his parents, Mr. and Mrs. C. A. Bucher of Pittsburgh, from his post in Mindanao.

★

To the Delts of Gamma Sigma, well-dressed, dynamic, sales-engineer W. Scott Turner, III, is a familiar and colorful figure. As house manager in 1934-35, Turner was responsible for reconditioning and refurbishing the Shelter and putting the Chapter on a solid, paying basis. For his exceptional talents as house manager, Turner received Gamma Sigma's honored Parmelee Award for conspicuous and outstanding service to the chapter.

In addition to his office at the chapter, Turner found time to participate in campus activities. In the chorus of Cap and Gown for two years, Pitt's all men's musical show, a member of the Undergraduate Cap and Gown Club, Engineering Council, and Manager of the University's famous Pitt Band, Turner also completed the Reserve Officers Training Corps program and was a Cadet Captain and received his commission as Second Lieutenant at graduation in 1935.

After several years at Mesta Machine Company, Turner entered

the Sales Department of A. M. Byers Company, manufacturers of wrought-iron pipe, and was there when he received his orders for active duty. Lieutenant Turner was assigned to Fort Eustis, Virginia, and for seven months was Adjutant of his battalion. At the present time he is Commanding Officer of a Battery in Anti-Aircraft Training.

★

John William Padberg, Delta Alpha (Oklahoma), son of Mrs. Ida Padberg, Choctaw, Okla., graduated May 18, 1942, from the Naval Air Station, Corpus Christi, and was commissioned an ensign in the United States Naval Reserve.

A graduate of Oklahoma University, Ensign Padberg was active in the city manager's office in Oklahoma City. He received C.A.A. training and, upon enlistment in the Naval Reserve, was sent to the Aviation Base at Dallas, Texas, for preliminary flight instruction. He was then transferred to the Navy's "University of the Air," Corpus Christi, where he received his coveted "wings."

★

Robert Cole, son of Mr. and Mrs. G. K. Cole, 7206 Oglesby Avenue, Chicago, Ill., graduated May 29, 1942, from the Naval Air Station, Corpus Christi, and was commissioned a second lieutenant in the United States Marine Corps Reserve.

Lieutenant Cole attended Wabash College and received his degree in 1941 from Loyola University. After being employed by Inland Steel Co., and Marshall Field Co., he enlisted in the Naval Reserve and was sent to the Aviation Elimination Base at Glenview, Ill., for preliminary flight instruction. He was then transferred to the Navy's "University of the Air," Corpus Christi, where he received his "wings."

★

FORT SILL. . . . Two Delts from Oklahoma City are reported at Fort Sill according to the August 2, 1942, issue of *The Daily Oklahoman*. They are Major Richard E. Buchanan, '33, and Major M. Tench Tilghman, '31, both of Delta Alpha (Oklahoma). They are taking the field artillery officers course at the Fort Sill school.

News items on "Delts in the Service" will be welcomed from our readers. Due to the rapidity in the various training programs and the resulting changes of location it must be understood that much of the information as to location may be inaccurate at press time.

▼ FROM THE EDITOR'S MAIL BAG ▼

Immediately after the baccalaureate services at Sewanee, June 7, a plaque in memory of Stella Farnsworth Lewis was presented by the members of Beta Theta Chapter to the University. The services were opened by an invocation from the Chaplain.

Robert Vreeland presented the tablet to the Vice-Chancellor who received it on behalf of the University, after which followed a brief speech of commemoration delivered by General Jervev. The closing prayers and benediction were given by the Rt. Rev. HENRY D. PHILLIPS, *Beta Theta*, '03, and the Rt. Rev. FRANK A. JUHAN, *Beta Theta*, '11.

REMARKS OF THE VICE CHANCELLOR IN ACCEPTING THE TABLET IN MEMORY OF MRS. LEWIS

"It is a great pleasure to receive this tablet on behalf of the University of the South from the Delta Tau Delta Fraternity in memory of Mrs. Stella Farnsworth Lewis. It is a fitting tribute. Her house was always an open house for the students. Her daily hospitality was a continuing expression of her deep love for the young men of Sewanee. Her gracious and gentle life was an adornment of our campus. This tablet will remain on this Chapel wall as a constant reminder of one whose deeds and whose spirit have become a part of our rich heritage."

DONALD F. EBRIGHT, *Gamma Theta (Baker)*, '32, who contributed that fine article "No Black Umbrella," for the November, 1941,

JOEL W. REYNOLDS

number of *THE RAINBOW*, is now back in the United States. He wrote, "Our fifty-day trip home (from India) dodging submarines was quite a thrill. But we are glad to be home."

★

JOEL W. REYNOLDS, *Beta Mu (Tufts)*, '23, vice-president of the Eastern Division, Member of the Distinguished Service Chapter, of Swampscott, Mass., was signally honored by the Tufts Alumni Council at the annual alumni day exercises and dinner by his election to the offices of president of the Tufts College Alumni Association and chairman of the Tufts Alumni Council. This is the first time the two offices have been held by the same person.

Mr. Reynolds has been a member of the council for a number of years and has served on that body as chairman of the Organization and Public Relations Committees.

★

ASHBY SUTHERLAND, *Beta Theta (Sewanee)*, '42, graduating senior of Sewanee and a major in Economics, has been awarded a National Fellowship of one thousand dollars at the Harvard School of Business Administration. The fellowship is awarded on the basis of previous scholarship and upon recommendations from the major professor.

The competition is of a national scale and it is a distinguished honor to obtain this award.

★

JOSEPH P. JENNINGS, *Nu (Lafayette)*, '04, advanced from vice-president to president of the General Alumni Association. He will also serve as a member of the Alumni Council, ex officio.

As an undergraduate he was elected to both Phi Beta Kappa and Tau Beta Pi, highest scholastic societies. He worked for a number of years before entering college and upon his graduation renewed his association with the Pennsylvania Coal and Iron Co. and was later named general superintendent. In 1928 he resigned that position to take up the general practice of engineering.

Mr. Jennings whose home is in Scranton, Pa., has long been active in Lafayette affairs and has served as president of the Northeastern Pennsylvania Alumni Association.

★

FREDERICK J. WALTZINGER, *Nu (Lafayette)*, '21, of Maplewood, N. J., and an attorney at Newark, N. J., for the last two years chairman of the Lafayette College Alumni Council, has been elected an alumni trustee of the college for a term of six years. He took office May 16, after tabulation of ballots from the general alumni association.

Waltzinger has been active in alumni affairs since his graduation. He has been an officer both of the New Jersey and the New York Associations. He was present at the Annual Reunion of Nu chapter, May 15, at which a portrait of JAMES G. SIGMAN, *Nu (Lafayette)*, '05, was dedicated. The dedicatory address was made by the REV. DR. THERON LEE, *Nu*, '04, of Philadelphia.

★

DEAN WESSEL, *Beta Upsilon (Illinois)*, '42, was presented the \$1,000 annual award of the Mary McClell-

land fellowship for achievement in the College of Fine Arts at the University of Illinois.

★

In the "Letters" department of *Time*, May 23, 1942, was printed the following letter from NORMAN J. WRIGHT, *Delta Eta (Alabama)*, '39.

HAM OR HOMICIDE

Sirs:

TIME, April 13, arrived in the mails today, and the reference to the production of *Ten Nights in a Barroom* at Camps Lee and Eustis has been read with great interest by the members of the Honolulu Community Theater who have been touring the camps on Oahu with the same melodramatic masterpiece ever since the war started. However, we have come to the conclusion that the experiences of this rival company must be pretty small potatoes compared with ours.

About a week after the Pearl Harbor incident, a group of Honolulu Community Theater veterans assembled to get the play in shape. Dramatic careers being strictly extracurricular in Hawaii, the cast includes several university professors, a protégé of Martha Graham, and even a couple of censors. . . .

Nightly rehearsals were held in a windowless prop room, and because of the strict blackout and curfew or-

ders, special passes had to be issued to get the actors through a line of itchy-fingered sentries each night.

Early in the run, we gave a performance in the open-air theater at Pearl Harbor. Throughout the entire show, heavy bombers flew at an altitude of about 75 yards directly over the heads of the audience and landed across the road at Hickam Field. For another performance, the cast had to travel part way by jeep, by motor launch across Pearl Harbor, then a jaunt by miniature railroad, and finally by army trucks. Once arrived . . . we gave the show on a stage made of dinner tables.

When we do a show at night we usually travel in a convoy of army trucks and have a blanket night pass for the whole troupe. Several weeks ago, returning from Wheeler Field, the truck in which I was riding got lost in the blackout and strayed from the convoy. We were soon stopped and hauled into the Pearl City jail and held as decidedly suspicious characters.

Last Sunday we gave our 23rd performance of *Ten Nights*, with others booked for the near future. Next Sunday, through the courtesy of Messrs. Lindsay and Crouse to the men in the front line of defense, 2,000 sailors will see practically the same cast give the first nonprofessional production of *Arsenic & Old Lace*. Now when some branch of the Armed Services in Hawaii wishes to be entertained, we rub our hands with servile glee and say, "What'll it be, boys—ham or homicide?"

NORMAN J. WRIGHT
Honolulu, T. H.

★

ROBERT S. BARRETT, *Beta Theta (Sewanee)*, '98, is the Grand Master of Virginia Masons for the 1941-42 year.

★

H. H. Rogge, manager of the Westinghouse Government Office, has announced the appointment of WILLIAM H. SULLIVAN, *Beta Beta (DePauw)*, '30, *Beta Kappa (Colorado)*, '31, to the Marine Section of the Company's Washington staff. Mr. Sullivan was transferred from the Pacific Coast district, where he was steam specialist in the Westinghouse San Francisco Office.

He joined the Westinghouse Electric & Manufacturing Company in 1936, serving his first year on the graduate student training course at East Pittsburgh, Pa. Since then he has been a sales correspondent for the Steam Division at South Philadelphia, a steam specialist for the Middle Atlantic Sales District and the Pacific Coast District.

★

Appointment of SEWALL E. VORAN, *Gamma Tau (Kansas)*, '29, as advertising manager of Pump Engineering Service Corp., of Cleveland, has been announced by R. J. Minshall, president.

For the last thirteen years Mr. Voran has been associated with the Detroit and Cleveland offices of Capper Publications, Inc.

Pump Engineering Service Corp., a division of the Borg-Warner Corp. of Chicago, manufactures aircraft accessories and is one hundred per cent on war production.

★

Formation of a new unit within the Chicago regional office of the WPB to give war industries the assistance of 7,000 scientists, technologists and production engineers has been announced by Thomas N. Wynne, Chicago manager of the WPB production division.

The new unit is called the tech-

ROBERT S. BARRETT

SEWALL E. VORAN

nical development section. It will be headed by ROBERT C. BROWN, JR., Beta Pi (Northwestern), '26, vice-president of the Physics Club of Chicago, whose selection as consulting director of the section was announced. Wynne said nineteen technical and engineering societies are backing the new unit "as a liason group which will permit the WPB and the scientific minds of the midwest to work together on war production problems."

The unit was described by Wynne as the first of its kind in the nation. Its functions were outlined as follows:

1. The section will receive from industry, particularly war contractors, technical problems that are impeding production.
2. It will act as a focal point for consideration of suggestions, plans and technical developments that might help boost war output.
3. It will study and develop use of substitutes to relieve shortages in materials.

The nineteen scientific groups will coordinate their war efforts through a newly organized associated defense committee organization.

Brown said the scientists will work on problems of developing new machinery, improving old machinery, finding new ways to speed production and uncovering new sources of war materials.

"The quick change from peacetime economy to a war basis created a myriad of technical problems for industry," Brown said. "The new organization will permit quick mobilization of engineers and scientists into a gigantic technical field organization for effective assistance to war goods producers and governmental agencies."

★

"Living Art," a new weekly program that ranges from the art of the advertising poster to the paintings in the National Gallery, and that aims to spell the word art with a small "a," made its debut over CBS Tuesday, July 7. (WABC-CBS, 4:30 to 4:45 p. m., EWT.)

The program takes the place on Columbia's schedule heretofore filled by "Living History."

The new series will be presented

JOHN D. MORSE

in conjunction with New York City's Metropolitan Museum of Art. JOHN D. MORSE, Beta Upsilon (Illinois), '28, of the Museum staff and former instructor at the Detroit Institute of Arts, conducts the program. The producer is Leon Levine, assistant CBS education director.

The opening broadcast July 7 was typical of the new series. Morse brought William Gropper, noted painter, and Otis Shepard, who does the posters for Wrigley's chewing gum, to the microphone for an argument on "Easel Versus Billboard."

Later programs include a "vox-pop" broadcast from the front hall of the Metropolitan, "Why Visit a Museum?" in which the public supplies the answers; an interview with Wallace R. Deuel, noted journalist, and George Grosz, contemporary artist, on "Art Under Hitler," and a debate between Barbara Morgan, photographer, and Reginald Marsh, painter, on "Photography Versus Painting."

In announcing the new series, Lyman Bryson, CBS education director, emphasizes that "the problem of translating the plastic arts into words is one which has been puzzling educators since long before radio came into use."

"But men have talked about the arts in ways that have aroused interest and enthusiasm," adds Bry-

son, "and we believe that radio can help to increase appreciation of things that are beautiful to the eye."

"We are not going to talk about pictures only on 'Living Art,' but also about those things which the cunning hands of men have made, whatever they are, to please the eye of anyone who takes the trouble to look."

The program's purpose is "simply to expand the meaning of the word art, to spell the word with a small 'a,' so to speak. We want to remind people that art exists outside of museums as well as in them."

Morse, the Museum official who conducts "Living Art," is a veteran in his field. In addition to this work at the "Met" and at the Detroit Institute of Arts, he served as instructor in art history at Wayne University and edited *The Art Quarterly*. He is writing a *Wartime Guide to the Collection of the Metropolitan Museum of Art* which is to be published this summer.

★

FRANCIS F. PATTON, Gamma Alpha (Chicago), '11, member of the Distinguished Service Chapter, and chairman of that honorary organization's committee, has resigned his position as chairman but will retain membership on the committee. This Good Delt is on leave of absence from the A. G. Becker Co., Chicago, of which he is vice-president, to accept the important assignment of Executive Manager of the United States Victory Fund Committee for the Seventh Federal Reserve District.

FRANCIS F. PATTON

▼ THE DELT ALUMNI CHAPTERS ▼

Ashtabula

At a recent meeting of the Ashtabula Chapter, the following officers were elected: David Sheldon, President; Richard Baldwin, Secretary and Treasurer; and Lee Belding, Vice-President.

The June meeting was held at the home of Brother Sheldon, Friday, June 26, with fourteen members in attendance. At the business meeting all members were asked to recommend to the officers the names of any prospective men attending school this fall and also advise the names of the members who are now in the Armed Forces. These members were as follows: Ensign Forde S. Martin, Cadet John L. Sheldon, Private Richard P. Regner, and Corporal Wm. S. Hewins, Jr.

From time to time as other members of our group enter the Armed Forces, we will let you know.

RICHARD BALDWIN

Boston

Like many alumni chapters we have lost a good many members to the various Services. Because of this we are not holding any meetings, other than our weekly Thursday luncheons, during the summer months. We urge all Deltas in and around Boston to join us at Pattons for these luncheons.

Our next dinner meeting will be held in the fall so that we may get set for the Eastern Division Conference in December. Boston Deltas are all very interested in this meeting. We regret that the war will prevent the Karnea from being held in Boston in 1943 . . . but there will come a day.

One item in the way of "Personals" is well worthy of mention. Demonstrating the recognition of Delt interest in college alumni affairs, three Boston Deltas from Beta Mu (Tufts) are top officers in the Tufts College Alumni Council. Joe Reynolds, Vice-president of the Eastern Division and Member of

the Distinguished Service Chapter, is chairman of the Tufts Alumni Council and president of the Tufts Alumni Association; and Paul Wren and Joe Morton are vice-president and secretary, respectively, of the Tufts Alumni Council.

RICHARD B. PARKS

Chicago

Art Rooney, a loyal Delt, acted as chairman of our annual golf outing, held this year at the Rolling Green Country Club, June 24. A goodly number turned out for golf followed by a fine steak dinner. A silver cup was put up by the Chicago Alumni Association on which C. Wallace Johnson, Beta Gamma, won the first leg. Best of luck, Wally, on the remainder two legs to go.

Luncheons are being held through the summer, the same place, the same gang, every Monday.

We are at the present, formulating plans for our annual Rushing Party to be held in the fall. If you are acquainted with any rushee attending college this fall, send the name to Merrill Dwinell, Merchandise Mart Building, Chicago. Brother Dwinell is acting as chairman to this rush-party.

Following is a list of names of Deltas from the Chicago area who are in the Armed Services. This is by no means a complete list, but are the only names we have available.

Peeples, Edward T., Capt. Coast Artillery.

Begland, Walter C., Lt. Army Air Corps.

Cranston, Don, 1st Lt. Military Police.

Dewey, Orville, Lt. Commander.

Smith, Gilbert A., FBI.

Bills, Geo. H., Staff & Faculty, Quartermaster School.

Browning, Albert J., Chief of Purchases Branch, Procurement & Distribution Div. War Department.

Fabry, Robt. A., Lt. Signal Service.

McDonell, W. L., Personnel Office.

Wenger, Bill, 1st Lt.

Yeager, W. F.

Cowing, Maurice.

Johnson, James L., Enlisted with U. S. Coast Guard Reserve.

McLean, Murray H., Jr., Aerial Base Squadron.

STUART K. FOX

Cleveland

The activities of the Cleveland Alumni Chapter have been limited to the Friday luncheon meetings during the past couple of months. However, two social events are on the calendar at this time. The annual family basket picnic will be held in August and a golf tournament is slated for September—providing of course that gasoline rationing does not hit this section of the country prior to that time.

We are proud to say that our ranks are being depleted by the entrance of a number of the brothers into the Armed Forces, and at the suggestion of Karl Ertle we have started an Honor Roll wherein will be inscribed the names of all Cleveland Deltas who are in the service. Ertle and Bill Barry will be the custodians of this book. They are making a careful check of our records and preparing as much material as they can obtain. When the next issue of THE RAINBOW is published we hope to be able to include the service list in our letter.

In order that you may know what some of the Delt gang has been doing we give you the following "Brief Bits":

Bill Hecker has been commissioned a Captain in the Army Air Forces.

Harry Howland is attending an Air Force school.

Bill Watts is now manager of the Colonnade Restaurant in the Rockefeller Building.

Ray Hanks becomes a vice-president of the McCann-Erickson Company.

William Ganson Rose suggested that a War Service Center be erected on Cleveland's Public Square. Bill not only made the suggestion of the need for such a building, but also outlined the type of building, what should be in it and where it should be located. Said War Service Center is now under construction.

Must be at least ten Delts employed in the Ordnance Department in Cleveland—the delegation being headed by Fred Meyer, "Babe" Morley, Lieut. Greer, Howard Bowie, etc.

"Frenchy" Bell recently named to head the important Cleveland Bar Association Judicial Campaign Committee.

Ertle getting his cabin cruiser in ship-shape for the season to sail the waters of Lake Erie—that is, if he can find time for his personal hobby. As attorney for the Stadium Yacht Basin in Cleveland, Ertle is assisting in pushing the production of ships for the Navy. Karl's company is building mine sweepers.

Lieut. Richard R. Lehr was featured in a recent Paramount News film as one of the flying heroes of Midway Island.

Two items of interest about Bob Weaver—(1) He was recently elected President of the Play House, Cleveland's little theatre group; and (2) was given the honorary degree of Doctor of Ceramics by Alfred University, Alfred, N. Y.

Ohio's Attorney General, Tom Herbert, making numerous high school commencement addresses.

Lieut. Charles Fitzgerald reported taken prisoner at Bataan.

Lawrence Robishow commissioned a 1st Lieutenant in the Army Ordnance.

Dr. Geo. W. Crile receives the distinguished service award from the American Medical Association for outstanding work in 1942.

Frank Aldredge named as "crack-down chief" for the Cleveland regional office of the War Production Board.

We could go on and on with the "Brief Bits," but due to our regard for space limits will call a halt to this item.

A number of Delts have come to Cleveland with government agencies and war industries. We sincerely hope that they will become

active in our affairs and attend the Friday luncheon meetings and our social functions. To the newcomers to Cleveland we can only say—you are welcome and we will be most happy to place your name on our mailing list and will send you the *Bulletin* if you will notify the secretary.

RANDALL M. RUHLMAN

Columbus

The annual summer picnic and round-up of Central Ohio Delts was held Monday afternoon and evening, June 22, at the John W. Galbreath (Ohio U., '20) farm on Koeble Road twelve miles west of Columbus. The affair was a success by every test. Tennis, swimming and shuffleboard proved to be the favorite sports. Galbreath Lodge was open to us for the day and every hospitality extended by our charming hostess, Mrs. Galbreath, and her lovely daughter, Joan. We express to them our sincere thanks—it was a gala occasion. We regret that our host, Brother John Galbreath, could not be there.

About forty undergraduates, mostly from Beta Phi Chapter at Ohio State, were present, with an equal number of freshmen who were entertained as guests. About twenty alumni were present, and except for the rain earlier in the day, the number would easily have doubled.

The fine horses raised and trained on the farm were exhibited by Brother Fritz Howard. It is safe to say that the 800-acre Galbreath farm is one of the real show places of Ohio.

At the picnic on the 22nd, and the last three regular Wednesday noon (12 o'clock sharp) luncheon meetings at the University Club, the following Delts were present: A. Ross Alkire (Ohio U., 1913) of Mt. Sterling; A. Ross Alkire, Jr. (Ohio U., 1942) of Mt. Sterling; Fred M. Young (Ohio U., 1913) of Mt. Sterling; W. W. Wheaton (Ohio State, 1915); Richard E. Riley (Miami, 1920); Clemens R. Frank (Western Reserve, 1919); Walter F. Heer, Jr. (Dartmouth, 1937); Robert H. Campe (Cornell, 1934); Raymond C. Bracken (Washington & Jefferson, 1915); John M. Collins (Ohio U., 1926); Attorney General

Thomas J. Herbert (Western Reserve, 1915); Charles O. Dunn (Kenyon, 1914); Ralph S. Fallon (Ohio State, 1917); Robert L. Dudley (Ohio State, 1923); Robert K. Zimmer (Ohio State, 1924); John C. Winter (Ohio State, 1937); Don C. Van Buren (Western Reserve, 1911); Lowell Christman (Ohio Wesleyan, 1930); Howard S. Sterner (Purdue, 1917); W. Edgar West (Ohio Wesleyan, 1925); Thomas S. Reed (Washington & Jefferson, 1934); Downie W. Moore (Ohio State, 1915); George R. Schoedinger (Ohio State, 1906); C. Curtiss Incho (Ohio State, 1933); Prof. John N. Hart (Ohio State, 1931); Judge Henry L. Scarlett (Ohio State, 1901); E. J. Scarlett (Ohio State, 1912); Harold R. Frankenberg (Ohio State, 1923); Robert J. Kegerreis (Ohio State, 1943); and William Eick (Ohio State, 1945).

PERSONALS

Private Robert E. Gibbs, U. S. A. (Ohio State, 1935), writes: "I was transferred June 5 to a new A. D. G. and left for the west coast on the 6th. I will let you know when I arrive at my next station. I appreciate your weekly news letters which you sent me at Patterson Field, Dayton. I want them again and will give you a more permanent address shortly. Regards to all my Delt friends—and who comes late to Wednesday luncheons now that I'm away?"

Present address of Brother Gibbs is 406 Q.M.C. Platoon, 6th Air Depot Group, A.A.F., Camp Murray, Tacoma, Washington.

Russell C. Davies (Miami, 1915) has moved from Upper Arlington (Columbus) to Detroit, Michigan, where he is employed as buyer for the national office of the S. S. Kresge Company. His new address is 917 Glenhurst Drive, Birmingham (Detroit), Michigan. Brother Davies has been a loyal member of the Columbus Alumni Chapter. Our loss will be a gain for the Detroit Alumni Chapter.

John B. Davin (Western Reserve, 1931) of the Allied Corporation, 714 Keith Bldg., Cleveland, was in Columbus a week ago on business.

Garth B. Slater (Miami, 1938), Field Secretary of Delta Tau Delta

Fraternity, has had a busy month. He was married on the seventh of June to Miss Nell Anderson of Indianapolis. We learned recently that he has been inducted into the Army.

Lieut. Kenneth Womack, U. S. A. (Miami, 1930) is now an instructor in the Q. M. School. When living in Columbus he was associated with the Pure Oil Company. According to "Dutch" Frankenberg, Brother Womack was married recently to a Cincinnati girl.

World War II—Fort Hayes, Columbus, Ohio, is the headquarters of the Fifth Corps Area. The *Cleveland Plain Dealer* has recently published a series of stories on the Fifth Corps Area command. They recount the many preventive measures being taken in this area for internal security. A large staff of specially trained men has been organized under the *corps provost marshal* to investigate the activities of aliens and maintain an active check of all plants where serious domestic unrest may develop. The *Plain Dealer* of Thursday, June 25, 1942, reports: "These activities, as well as the military police battalions, are directed by Lieut. Col. Harry E. Gibbs, corps provost marshal. The battalions are charged to act when civil authorities are unable to cope with emergencies. Trained for a variety of trouble-shooting jobs, these picked troops are on the alert 24 hours a day for possible action in wartime."

Lieut. Col. Gibbs was initiated into Delta Tau Delta by Zeta Chapter, Western Reserve University, Class of 1911. He served overseas in World War I.

DON C. VAN BUREN

Dallas

The Dallas Alumni Chapter held its May meeting at the Melrose Hotel and Judge John Rawlins was the principal speaker. Judge Rawlins talked about the prospects for this fall at the different colleges and every member of the Dallas Chapter pledged to keep on the alert and watch out for prospective Delt material. The Dallas Chapter is planning to have a Rush Party the early part of September for prospective Delts and are hoping to secure a

nice group of prospective material for the Delt Chapter at Texas.

Lloyd Birdwell, our former secretary, is now in the United States Navy and W. Frank Know has been elected to take his place as secretary of the Dallas Chapter.

LEAKE McCauley

Fox River Valley

These Delt alums in the Fox River Valley are beginning to stir out of their nests around radios, and are thinking and talking about plans for Fall Rushing and Alumni Activity during the coming school year. Plans are now being formulated for a picnic and possibly a golf match at one of the local golf courses to entertain prospective Delts. President Maesch, and able assistants, Fred Leech, Jack Benton, and Si Kloehn are the "header-uppers" on this rushing program.

The Fox River Valley Delts are also contributing many of their members to the Armed Forces. A recent migration into the Army was Dr. Ralph Landis. His name is in addition to several other Delta Nu's—Norman Faleide, '40, "Red" Hirst, '40, Harry Jackson, '40, Clark Nixon, '40, Dan Wolterding, '38, Fletcher Mulkey, '38, Lloyd Delsart, '35, Bob O'Boyle, '37, and of course, there is Dan Hardt.

Well, by the next issue, there will probably be additional names on this roster, but we know that in whatever field these fellows apply themselves, they'll make a good showing. These Delts are going to help disprove the theory that the world revolves on the Axis.

CLIFF BURTON

Kansas City

Our worthy secretary, "Ernie" Whitney, has been called into the Service. I am therefore serving in the role of "pinch hitter" until a new secretary is elected.

During the past month two Rush Parties have been held for the benefit of the active chapters in this area. On June 13, we entertained a fine group of boys at the home of Charlie Daniel at Lake Lotawana. The afternoon activities of swimming, ping-pong and horseshoe pitching were followed by a picnic

lunch on the lake shore. Everyone had a fine time and "Charlie" has invited us to come out again later in the summer.

Dr. Harold Holter recently entertained a group of twenty-five actives and rushees at his summer home at Lake Tapawingo. This party was held for the boys who plan to attend Baker University next fall and from all reports a large number of them will be given serious consideration when Rush Week rolls around.

Bill French is now in the Service.

Tom Carr, who just recently completed his second year in the Law School of Northwestern University is now taking special training in Naval Reserve School.

Charlie Miller is very busy in doing his bit with the Civilian Police but so far he has not given us the opportunity of seeing how well he looks in his new uniform.

John Bruce is now with the Cornhusker Ordnance Plant in Omaha, Nebr.

F. "Ebbie" Whyte recently returned to Kansas City and is with the Office of Facts and Figures.

Paul Jordan was recently elected president of the Brockett Cement Co. and has been very busy with a large number of war contracts throughout the Middle West.

Our weekly luncheons at the Pine Room, 1110 Baltimore Avenue, are still quite lively affairs and the Keno game is still as "redhot" as ever. We are always glad to have visiting Delts with us.

WALTER R. HAUSMANN

Los Angeles

The most important event on our calendar is the annual rushing barbecue scheduled for Saturday, August 8, 1942. The affair is to be held at the lake portion of the old Lucky Baldwin Estate at Santa Anita Oaks. Festivities are to commence at noon and continue until the last Delt or rushee is willing to give up.

We have tried to make this occasion an annual event in order to serve two purposes: First an impressive rushing party and secondly an outing for all who attend at one of the most attractive places in Southern California. All actives

from the chapters in Southern California and from Stanford and California are to be invited and of course rushees regardless of where the rushee intends to matriculate.

"Dutch" Zimmerman, our president, has appointed the following committee, which has charge of the outing, entertainment and the rushing activities: Ben McNeill, Jerry Stewart, Frank Field, Henry Rivers, and Zeb Terry.

Last year more than one hundred and fifty attended the outing, of which twenty were rushees. Although the war has scattered our membership the committee reports the gathering will be as large as last year with more rushees on hand.

This letter is brief as I expect our next letter to be a long one, giving a description and the result of the barbecue and some interesting details concerning the various men who have joined the Naval and Military Forces.

EARL C. ADAMS

Louisville

A note came from Mrs. Alfred O. Miller, telling that her husband, secretary of the Louisville Alumni Chapter, is now in the Service.

New York

The Alumni Chapter of metropolitan New York held a meeting June 10, 1942, at Stouffer's Restaurant. This was a dinner meeting to close the activities for the year. It was entirely social, the Delts meeting solely for a good time together.

At our luncheon meeting, May 20, 1942, the annual election of officers was held. The new officers are: John M. Montstream, president, Delta Beta (Carnegie Tech), '21; Ralph Lochner, secretary, Beta Omicron (Cornell), '20, and Bruce Bielaski, treasurer, Gamma Phi (Amherst), '31.

The past year terminated an active year for the New York alumni under the capable leadership of John Tynan, Upsilon (Rensselaer), '27. During his term of office members of the alumni gave short talks, at the luncheon meetings, on their particular fields of activity. The talks so far have covered a wide va-

riety of subjects, including the "History of Insurance" by Jack White; "Patents" by your correspondent; "Blackout Lighting" by Jim Hodges; "Asbestos" by J. W. Hemphill; and "Sterilization of Telephones" by Walter Morris. These talks were so informative, and interesting, that they will be continued for the luncheon meetings next year. We have found that our alumni are engaged in a wide field of business activity and are experts in their particular field.

JOHN M. MONTSTREAM

Omaha

No meeting of the Omaha Alumni Association of Delta Tau Delta has been held since the Founders Day dinner, March 30, which was held at Hotel Fontenelle, and attended by twenty-five Omaha alumni, together with the active Beta Tau chapter, their initiates and a number of out-of-state alumni. Meetings will be resumed in August to prepare to aid Beta Tau in its rush campaign. The regular meeting place of the Omaha Alumni Chapter is the Elks club restaurant and the days of meeting are the first and third Mondays of each month at luncheon.

ROBERT H. MANLEY

Philadelphia

Most of the Philadelphia alumni have either gone on vacations or are tied up in war work and do not get out, hence the secretary does not see them anymore.

Another Delt has been located at the Cramp Shipbuilding Company. He is Earle Bates, M.I.T., and lives at Merion, Pa. We now have four Delts in that company.

In June the writer spent an evening at Franklin Field viewing the Army War Show. Conditions were somewhat different that night from the normal visits to the stadium during football season. The lads who thought they had ripped up the turf on seventy-yard runs last fall should have seen what an army tank can do. One thing was missing following the show and that was a visit to the Delt house at the U. of Pennsylvania.

Those who know Thomas M. Peirce, III, (Dartmouth), will be interested to learn that Tom is in the Navy. A good many of the men are in the Service, as indicated by the many changes in addresses which have been received. If any Delts from out of town are sent to Philadelphia we would like a phone call or notice from them to get them on our mailing list while they are here.

CHARLES C. GRAY

St. Louis

Will Beck, Lawrence College, writes that he is in good health and enjoying his work in Central America. He does miss United States food.

Bill Gentry, Missouri, had as his guest at one of our recent luncheons, Major Swanson, U. S. A., who entertained us informally with some very interesting descriptions of various phases of Army activities.

William R. Stevens, Lehigh, is in line for congratulations on the addition to his family of a baby girl, April 19.

William Fletcher, North Carolina, was transferred from St. Louis, May 1. His new home will be in Terre Haute, Indiana, where he will continue his work with the Pennsylvania Railroad.

Paul A. Johnson, Missouri, was commissioned 1st Lt. in the Provost Marshal's Department May 28.

George Seielstad, Albion, has completed the Officer's Training Course.

Don Holt, North Carolina, is endeavoring to join the U. S. Navy, and hopes to have favorable news shortly.

G. H. BUCHANAN, JR.

Rochester

Brother Edward Johnson, our alumni chapter president, has joined the Navy. He is a lieutenant, j.g.

A new Delt to Rochester is S. G. Hall, Pittsburgh, '24, who is with the Eastman Kodak Company.

Ray M. Clark, Syracuse '25, is the new manager for the Rochester office of the United States Fidelity and Guaranty Company.

RICHARD A. WILBUR

(Continued on page 195)

Paid Loyalty Fund Memberships Pass Twenty-Six Hundred Mark

ADDITIONAL members of $\Delta T \Delta$ who now have Paid Loyalty Fund Memberships, by completing dollar-a-month contracts which were begun when the men were undergraduates, thereby entitling them to receive THE RAINBOW for life, are as follows:

2493. Allen, George Aaron.....	Delta Xi, '36
2494. Baker, Joel Robert, Jr.....	Upsilon, '41

The Delt Alumni Chapters

(Continued from page 194)

Wilmington

Situated as it is, in a territory devoted almost one hundred per cent to war effort, and with practically every member connected with concerns totally engaged in war work, the Wilmington Alumni Chapter's activities have been greatly curtailed these last few months. It has been found impossible for any considerable number of members to

plan ahead for any specific date and as a result we have had no special meetings or "Get-togethers" recently, and so far have none planned for the summer months. We are still holding our Monday luncheon hour at the Hob, but would like to see more members present.

Among the personals, we might mention that Alexander Abrahams, Jr., Washington & Lee, '37, is now

an Ensign in the U. S. Navy. George W. Cochran, Jr., Ohio Wesleyan, '31, has joined the duPont Company as traveling auditor. W. Murray Metten, our vice-president, who is the Promotion Manager of the News-Journal Company, has recently been elected treasurer of the National Newspaper Promotion Association. John W. Eckelberry, Ohio, '08, is now first vice-commander of the Delaware Post of the American Legion.

EVERETT W. ROWE

THE DELT CHAPTERS

Beta—Ohio

INTRAMURALS

A highly successful rushing program heralded the beginning of a new year at Beta with the garnering of twenty-four pledges. The intramural football team started things off by winning second place, losing in the playoff for the first time in three years. However, the active basketball team reckoned this defeat by taking a first. The pledge basketball team and the bowling team both placed in their brackets. Volleyball season found Beta walking away with two firsts thus winning the year-around intramural cup before the season had closed.

SCHOLARSHIP

Intellectual as well as athletic, the active and pledge chapters of Beta once more led the campus in scholarship, thus adding another cup to our already crowded mantle.

ATHLETICS

Delts Bill Heinz, John Zarndt, Jack Clark, and Bob Hess helped the Ohio University football team turn in a winning season. Ross Alkire was head manager of the team. Harley Hosch was Beta's high-scoring contribution to the basketball team.

CAMPUS

On the campus we were well represented with our "Prexy" Don Davis being president of the Senior Class and of Torch, Senior men's honorary. Dwight Riley was elected to Phi Beta Kappa which gave the house its customary "Phi Bete." Beta boasts five men in Torch—Len Farmer, Don Davis, Dwight Riley, Ed Umbarger, and Bill Heinz—more than any other group on the campus can claim. Bill Heinz who was acknowledged in the All-Ohio Football Selections was elected President of Varsity "O." In the Military Department we find Dick Banks is captain of Scabbard and

Blade with George Volenik as first lieutenant. Milt Norris is captain of the Pershing Rifles.

PUBLICATIONS

The boys have been busy on publications as well as the other campus activities. Dick Foster and Ed Umbarger were sports editors and Joe Foster was associate editor and gave many a plug to the chapter in his writings. Pledge Rey Brune was a feature writer and the chapter is expecting big things from him next year.

Beta mourned the death of one of her pledges, Dick Hughes, son of M. D. Hughes, Beta '12, who has long been active in Delt functions.

Many of the boys of Beta have enlisted in various branches of the Service which will enable them to complete their schooling, so we are looking forward to another successful year.

DONALD L. COOVERT

Gamma—W. and J.

Since the last chapter letter was written the Shelter has been humming with activity. Gamma added ten new actives to its membership list February 7. Although inclement weather prevented a large turnout of alumni, a good time was had by all who attended the initiation and the banquet following. The address of the evening was given by Dr. Muir, Gamma alumnus and pastor of the Bellfield Presbyterian Church of Pittsburgh. Since that time three men have been pledged—Tom Horner, Bob Mills and Warren Ketler.

SCHOLARSHIP

The close of the first semester found the chapter leading the campus scholastically for the third successive semester. The House also received the scholarship plaque of the Eastern Division for 1940-41, the second year in a row. Of the nine graduating from Gamma, one, Watson Sherrard, graduated *Magna*

Cum Laude with honors in economics and was elected to Phi Beta Kappa. Two others, Alex Fricke and Andy Margileth graduated *Cum Laude*.

ATHLETICS

Nor has all of Gamma's energy been turned toward scholastic lines; athletics and extracurricular activities have also kept the brothers busy. Wally Kettlewell, member of the Senior Class, was elected captain of the basketball team. On the newly organized baseball team, Craig Moore, Warren Ketler, and Gene Weimer have secured positions. George Redding is manager of varsity tennis, and Fred Wilson of golf.

INTERFRATERNITY

In interfraternity athletics Gamma has put forth teams in all competitions, but failed to capture any first places. The end of the race, however, has not found the chapter at the bottom of the list.

DRAMA

In dramatics, George Redding played the lead in *The Male Animal*, the Buskin Club's production of the second semester, and Jim O'Leary took the part of Michael Barnes. Andrew Margileth was manager of the stage crew with Harry Butson acting as one of his assistants.

PUBLICATIONS

Of particular interest to the actives and alumni of Gamma was the field of publications, for *The Gamma Record*, the chapter publication, was revived with John Murrar as editor. Ken Cushman was elected to the editorial staff of the *Red and Black*, and Harry Butson received a position on the business board of the paper. *The Pandora*, the college yearbook, has John Vester on its staff for next year.

HONORARIES

Chrest, the honorary of honoraries on the campus, has George

Redding and Bill Headly among its members. Bill Robinson and Tom Fread were elected to Kera, the honorary whose members receive their election because of outstanding work in fraternities. Pi Delta Epsilon, journalism, received three new members from Gamma, John Murry, Tom Fread, and Bob Macfadden. Watson Sherrard and George Redding were elected to Pi Sigma Alpha, political science honorary, of which Bill Dickie was president. Don Soxman and Bob Macfadden are candidates for the biology honorary, Pi Sigma.

Elected to administer the affairs of the chapter through the summer term and the ensuing year were: Fred Wilson, president; George Redding, vice-president; Harry Butson, recording secretary; and Alex Sherrard, corresponding secretary.

A number of actives attended the Founders Day Dinner at the Roosevelt Hotel in Pittsburgh. The speaker of the evening was Dr. Ralph C. Hutchison, president of W. and J. At the dinner a service flag bearing a star for each member of the chapter in the Service was presented to the House.

The chapter house is to be kept open this summer for those attending summer school. The actives all realize that the coming year will be a difficult one because of the depletion of the ranks by the draft, but all are looking forward to a year better and more promising than the one just completed.

ALUMNI NEWS

John J. Sherrard of Steubenville, Ohio, Gamma '13, was elected president of the W. and J. Alumni Association at the annual banquet, May 23.

ALEX SHERRARD

Epsilon—Albion

Since its first semester was on the gloomy side, Epsilon has now amended this by forging ahead under the new leadership of our president, Bruce Stevens. As is to be expected, the war has had some effect, but it has mostly been in the taking of two of the fellows, Bill McGeagh, active, and Max Sorenson, pledge who have gone into the Air Corps. Several of the

other brothers are in various reserve programs, and still others feel the draft.

OFFICERS

The election of new officers gave Epsilon Bruce Stevens, Detroit, president; David Taylor, Birmingham, vice-president; James Young, Mason, recording secretary, and Frank Schoch, Grosse Pointe, corresponding secretary. Our new treasurer, James Harrington, Detroit, was elected last February.

ATHLETICS

Summing up the year's sports accomplishments in the chapter, we have the following lettermen in varsity sports. Football: Bruce Stevens, 1943, and Millis Peet, 1945; basketball: Paul Meli, 1943; and track: Glenn Mathias, 1944, make up the list. Leon Markley, 1945, and Robert Duncan, 1944, received their numerals in football. In the field of interfraternity competition, Epsilon has come in first in football, fourth in basketball, first in bowling, and baseball is still going.

SCHOLARSHIP

Scholastically, it will suffice to say that we finished third of all the fraternities, and this was above the all-men's average.

CAMPUS

Several personal honors have come to the chapter in the past semester. Daniel Siler, Big Rapids, was elected to the National Forensic Society of Delta Sigma Rho on May 1, 1942. He also won the college interclass speech contest for the fourth consecutive year. Our president, Bruce Stevens, was elected to the presidency of the Interfraternity Council.

FIRST IN SING

On the campus, we are pleased to say that in the Interfraternity Sing, Epsilon, under the fine direction of Howard Ellis, Dundee, came in first. Since this is his senior year, it is an added triumph for Howie. We opened with the song, "I See Your Face Before Me," and closed with "The Shelter."

FRANK SCHOCH

Kappa—Hillsdale

With the summer session in full sway and the brothers at last settled down to three months of books *sans* women (the sisters all seem to have departed for greener pastures), Kappa is continuing to take the lead in campus activities.

Following a banquet and sere-nade for Ex-president Mauck (Delta Tau Delta's supervisor of scholarship) who has resigned his presidency to take a diplomatic post with the government, and the end of the spring semester, Kappa swung into the summer's curtailed social life with a vim.

ATHLETICS

In athletics we held our own during the last year with the two Manby brothers winning all-conference berths in football and three boys, Dave Fry, Tom Reese, and Marty Atkins holding down regular positions on the baseball team. The intramural football pennant now hangs above our mantle in the trophy room, while the basketball and softball awards are missing only because of let-downs by the boys in the last games of the respective seasons; the softball championship being lost 1-0 despite Dick Emmons' two-hit hurling.

PUBLICATIONS

The *Collegian*, college paper, is graced by a regular column written by Oscar Kuhlman, who, with Ned Havens, recently appointed publicity director for the college, is carrying on Kappa's campus reputation as a literary chapter.

SERVICE

To turn from the frivolous to the deeply serious, Kappa has offered a large proportion of her boys to the Armed Services and is batting practically 1000 per cent on her graduating seniors with Bob Manby in the Coast Guard Intelligence service, Dave Fry in the Field Artillery, and Dick Emmons waiting for a call from the Air Corps. Dick Taylor, Stu Wagner, Burr Manby, and Andy Hoigard have enlisted in the Air Corps and are only waiting to complete college before going into training.

With the house's mortgage to be retired in February, and with a

very promising group of Freshmen coming in the fall, we look forward to 1942-43 with great hopes for an outstanding year, financially, scholastically, and socially.

Mu—Ohio Wesleyan

ACTIVITIES—ATHLETICS

Well, another school year draws to a close and it finds Mu on one of the top steps of Ohio Wesleyan's Hellenic ladder. It's been a pretty well-balanced year too. We started off by taking the university intramural football trophy with a perfect record. We have stuck right in the intramural field by being one of the top four fraternities in the race having taken the league softball title. Then we have given our share of men to the varsity teams of the University. Ed Diekman, Ralph Copp, Dave Rayburn, and John Secrest, saw plenty of action on the gridiron last fall and in spring practice our Freshmen Jack Quinn, John Knapp, Fred Bright, and Art Doak showed starting material for next year's eleven. In basketball it was no uncommon sight to see pretty much of a Delt team on the floor with Prexy Ed Hughes, Bob Milbourne, Chuck Ireland, Ralph Copp, and John Secrest being on the squad. Chuck MeeKs did the running for Mu on the school's track squad and did a darn swell job of it while Frank Rickey came through as one of the mainstays on the Bishop nine. Bruce Myers and Dick Hiedkamp were our contribution to the tennis team. Doing the behind the scenes work were Mu's managers. Jim White headed the basketball managers and Art McElfish has been appointed head football manager for the coming year. Appointed to the sophomore staff are Roy Wissinger, Bob Kurtz, and Gordy Newell.

MUSIC

In the field of music, Brother Ez Luessen was head drum major of Wesleyan's marching band supported by Ron Tollafeld, and Roger Turrell. Initiated into Phi Mu Alpha were Ron Tollafeld, Bob Rahn, Jack Frieg and Don Fetrow. In the lighter vein, Ez Luessen, Fred Morr, and Bob Sinclair gave plenty of stuff to the campus dance band.

DRAMATICS

It seems as though a play just can't be given around here without a bunch of Delts having a lot to do with it. Take the latest play for instance, *King Lear*. Fred Nissen ended four years of very active theatrical work in the title role as did Kelly Danford in the part of Oswald. Art McElfish and Grady Lynch also took part in the production. Helping with the technical end of things were Henry Strachan, head of the light crew; Ron Tollafeld, head of the stage crew; and Art McElfish, head building carpenter. Nissen and Danford moved over to make room in Theta Alpha Phi for Brother Tollafeld while Brother McElfish became a member of Wesleyan Players. Our new prexy, Norm Scrimshaw, was tapped into ODK and was elected vice-president of said honorary and holds the same office in Delta Sigma Rho. In the recent campus elections John Secrest was elected president of the class of 1944 under the direction of political boss Chuck Stegman.

SERVICE

To the Armed Services of the country Mu has sent her share—Jim Vergon, Chuck White, Martin Johnson, and Dick Grose, with Fred Nissen leaving in the very near future. Several of the fellows are enlisted in the various branches of the services and are awaiting their call at the completion of their scholastic work. Under the capable leadership of Bob Rahn, who has been elected president of the Y.M.C.A., Walker League, and Interfraternity Pledge Master's Council, our rushing committee hopes to keep our chapter at the maximum number next fall in spite of the draft that falls on no small number of the brothers.

Yes, next year is indeed going to be a tough one for us all but "we have done it before and we can do it again."

ART McELFISH

Nu—Lafayette

LEADERSHIP

Spring brings much news from Nu. The newsiest item from the chapter comes from the fraternity

elections held recently, in which Calvin Eells of Red Bank, N. J., was elected president. Eells, a leader both in the House and on campus since his Freshman year is a member of Brainerd Cabinet, a member of the choir and student correspondent for the local newspaper. Lending strong support to Eells are the other new officers, Jack Bolton, vice-president; Warren Hampe, treasurer; Emil Sommer, recording secretary; Howie Williams, corresponding secretary; and Jack van Roden, rushing chairman.

SCHOLARSHIP

At the close of last semester the Delts were awarded the Dean's Cup which is given to the fraternity with the highest scholastic standing. Dean's-list men Thomas Woolaver, Eells, Sommer and Kraushaar helped in boosting the scholastic average of the House. The Delts were also honored in having "Shorty" Woolaver elected to Tau Beta Pi and Bob Montgomery elected into Phi Beta Kappa.

This semester Nu lost three Juniors to the Armed Forces. Clint Everett, two-letter athlete and holder of many intramural medals, enlisted in the Naval Air Corps. Bill Sears, former editor of *Nu's News* and assistant editor of *The Melange*, enlisted in the Army Air Corps. Bill Morris, another Junior and a member of the soccer team, enlisted in the Medical Corps.

ATHLETICS

Spring sees many Delts active both on the drill field and on the athletic fields. R.O.T.C. Cadet Captain Rick Hohnbaum and Cadet Lieutenants Bill Bull and Phil Richardson are on the field every afternoon practicing for the active duty that they will see next year in the Army. Spring football practice finds three Delts fighting for positions on the Lafayette eleven for next fall. They are Bill Greenip, Howie Williams, and Pledge Bob Smith. Greenip and Williams were both members of last year's squad while Smith of Paterson, N. J., is up from the Freshman squad and making a very impressive showing with his fine blocking and passing. On the cinders we find veteran Bill Kraushaar doing his early training

for the coming track season. Also Jack Bolton is bidding for the place in the javelin throw left open by Clint Everett, who recently joined the Navy Air Corps. On the lacrosse field, Bob Montgomery is busy preparing himself for the coming season. Howie Williams, veteran of last year's golf team is on the golf course practicing golf shots for the coming season.

ACTIVITIES

To mention a few of the other Delt activities, we find Jack Bolton taking over the managership of the swimming team left vacant by Andy Bulser who graduates in May. Bill Devoe has been elected vice-president of the Freshman class and was selected chief air-raid warden by the Student Defense Council. Bill Greenip, social chairman of Nu, arranged very successful house dances March 21, and April 24-25. Luke Graves, a Junior and varsity football player for the last two seasons, expects to enlist in the Army Air Corps after his completion of the present C.A.A. course which he is now taking. Emil Sommer and Bill Greenip hold the honors for being the first in the house to be accepted into Officer's Training Schools. Sommer was accepted into the V-7 class of the Naval Reserve while Greenip has pledged his service to the Marines.

This is all from Nu at this time, but I might say that if any alumni know of any students entering Lafayette this fall who would make good $\Delta T \Delta$ material we would appreciate very much having their names. I am appealing to all Delts to send in recommendations to Jack van Roden as soon as possible so contacts with these men can be made.

HOWARD L. WILLIAMS

Omicron—Iowa

ACTIVITIES—ATHLETICS

Omicron looks back upon what we consider a successful year. One of the reasons we feel it was a success was the fact that we were blessed this year with a number of outstanding pledges. Of these Ray Winders, pledge president, was in-

strumental in organizing an interfraternity pledge council among the fraternities on the Iowa campus and was also elected its first president. Howie Wicke received numerals for Freshman swimming and should easily win a varsity squad position next year. Roger Kane won numerals in Freshman football as a tackle and is looked upon as a possible first stringer for next fall. Art Flint was handicapped somewhat by an injured shoulder in his efforts on the gridiron but still managed to secure numerals in recognition of his prowess. Art also accumulated enough points in Freshman track to warrant numerals in that sport. In the latter field, Bob Kenworthy was also successful in winning his numerals. Great things are expected of Bob next year in varsity competition.

SOCIAL

Omicron's spring formal was held the evening of April 11. The social committee chose the theme of a country garden for the biggest party of the year. The chapter selected goblets adorned with the Delt crest as favors. During the evening the group gathered around the fireplace, drank a toast to the Fraternity, sang a serenade to the girls, and then presented them with the goblets as a remembrance of the party.

A GOOD IDEA

The table in the dining room of the Shelter is fast becoming a field of flags. Whenever one of the brothers leaves for Service with the Armed Forces a miniature American flag is placed upon the table with his name inscribed upon the base. These flags serve as a constant reminder of those who have left the Shelter to serve our country. So far there are flags for seven men, two in the Army, one Navy man, and four men in the Air Corps. Probabilities are that several more banners will appear upon the table before the fall semester starts. However, a large number of the men in the chapter are young enough to anticipate at least another year of school, so we are looking forward to another successful year in 1942-43.

Rho—Stevens

Rho started its fall season with the initiation of Jim Stilwell and Dick Diaz and the pledging of Walt Mahnken and Leo Maciejewski. Next came the formal rushing season in which six worthy Freshman were pledged.

SOCIAL

Pleased with the new members and pledges, the chapter swung into the social season. The first event was a dinner and get-together which was held at the house before the Autumn Carnival. Some of the successive weekends were taken up with record dances which proved to be very pleasant.

FATHERS' NIGHT

A colorful Fathers' Night was held in December with the Dean and the Director of the Chemical Department as guests. New Year's Eve found the Delt House aglow with the gaiety of the brothers and their guests.

In January the Annual Formal was held in conjunction with the local Theta Xi chapter at the Park Central Hotel in New York City. The music was furnished by Harold Graham and filled the Hawaiian Room until three in the morning.

Our next social event took place Spring Sports Weekend (an annual Stevens Day). The girls took over the House for the weekend. There were sports all day Saturday and dances were held Friday and Saturday nights, the Friday night dance being the Interfraternity Ball with Mitchell Ayers' orchestra. This weekend ended with a picnic on Sunday where everyone said so long until Commencement.

COMMENCEMENT

In connection with Commencement we held a Delt Homecoming Day for the alumni. This was our last social program for the year ending our season very successfully.

DAVID J. RESCH

Tau—Penn State

SUMMER SCHOOL RUSHING

The Delts at Penn State are now in the heart of a regular school semester, with regular schedules and

the temptations of summer to bear. Scarcely had a few weeks passed, when the boys of Tau were confronted with problem of "rushing" incoming Freshmen and trying to study for "blue books" at the same time. However, with the help of interested alumni and friends, the Delts were able to pledge nine fine boys after a week of intensive and exhausting rushing. The pledge training program is in full swing, and plans are being made for the annual pledge dance.

ACTIVITIES

The mush ball team is fighting hard to win its place in the interfraternity competitions. Clark Dougherty, vice-president and pledge master, is on the mound for the Delts. You'll find pledges Jim Freeman and Bob Carter on the tennis court trying to outdo each other with good prospects of the varsity in view. John Csaklos and Al Bollinger, Blue Key, are varsity swimming and wrestling managers, respectively. Bill Prichard, Parmi Nous, plays varsity soccer.

SERVICE

Several of the boys have not returned this summer, but will be back for the fall semester. One who will not return is now a plebe at Annapolis. He is Jim Foust. The fellows all miss him and wish him the best of luck.

Of course Tau is doing its share for Uncle Sam. Several of the boys in the house have enlisted in the Air Corps, and others are planning to do the same. House manager Jack Whitlinger, and recording secretary Bix Lahner, are in advanced R.O.T.C.

Phi—W. and L.

INTRAMURAL

For the fourth time in six years, Phi captured the annual intramural trophy with an approximate fifty-point lead over our nearest rival. Led by Freshman Bobby Gaines and Senior Ed Cuttino, the Delts captured team trophies in swimming, ping-pong, wrestling, and tennis, and reached the semifinals in football and swimming. Bob Gaines took high-point individ-

ual honors for the season, winning the tennis title and setting new records in the 100-yard free style, in the medley relay with Lee Redmond and Ed Cuttino, and in the 400-yard relay with Redmond, Cuttino and Don Welch.

SCHOLARSHIP

The Delts finished among the first five fraternities in scholarship both semesters, placing thirteen men on the Dean's List and four on the Honor Roll, according to figures for the two terms. Freshmen Holly Smith and Jack Crist succeeded in making Phi Eta Sigma to join Delts Larry Sullivan, Jimmy O'Connor and Don Garretson in that scholastic fraternity.

ATHLETICS

University athletic teams found a number of Delts on their rosters. Sophomore Dave Russell starred in the backfield on the varsity football squad while Bob and Ray Norman were starting members of the frosh squad, with Ray being named all-state end. The Normans also starred in track and Ray found a place on the frosh basketball team. Ed Cuttino captained the varsity basketball team and proved to be one of the mainstays on the cage squad with his stellar guarding. Merman Billy Webster, the only member of this year's swimming team to be awarded a major monogram was honored with election to next year's captaincy. Don Garretson, Billy McKelway and Lynch Christian were other members of the swimming team, making quite a Delt representation on that squad. In spring sports, Jim O'Connor and Joe Keelty held starting berths on the varsity lacrosse squad, with Jim being invited to play for the South in the annual North-South all-star game in Baltimore early in June. Bill McKelway was a member of the baseball team while Gordon Sibley held down the number-two spot on the golf team and led the W and L shooters in the Southern Conference tourney. Dick Spindle ended his tennis career at W and L by winning his third letter, to round out the aggregation of Delt varsity athletes. Freshmen Harry Brown, Bob and Ray Norman, Jack Crist, Holly Smith, Roger Kimball, Lee

Redmond, Bobby Gaines, Dick Corbin, and Bo Barger won freshman numerals in various sports and will be around next year to vie for varsity sports.

POLITICAL

Phi pulled down two major political offices in the spring elections when Bill McKelway won the post of junior Executive Committee member and Holly Smith triumphed in the voting for Sophomore class president. Billy Webster was also named to the Assimilation Committee to round out a trio of campus leaders and point to an even more successful season than this year's, which saw Dick Spindle presiding over W and L's famed Fancy Dress Ball.

HONORARIES

Honorary fraternities found the Delts well represented last year, Dickie Spindle leading the list with his ODK key. The Graham-Lee literary society found Cal Bond, Jimmy O'Connor, and Charlie Rowe among its members, while Billy McKelway was a member of Chi Gamma Theta, chemistry fraternity. Biologists Bill Webster and Bobby Boatwright were Tau Kappa Iota members, and Boatwright served as secretary of Societas Praemedita. In class honorary societies, Bob Boatright, Billy Webster, Dick Spindle, Cal Bond, and Lynch Christian were members of the Cotillion Club, Jim Funk, Dick Spindle, Bill McKelway, and Joe Keelty were Pi Alpha Nu members, Bobby Boatwright, Larry Sullivan, and Don Welch were members of the White Friars.

MUSIC

In the Southern Collegians, university dance band, three musical Delts represented the house, Bob Boatwright playing the drums, Al Dudley blowing first saxophone, and Gordon Sibley serving as pianist. The two other musical organizations saw 11 Phi members participating, Ken Puller playing in the school band, and Norman Cole, Don Garretson, Harry Brown, Jack Crist, Jimmy O'Connor, Bobby Gaines, Roger Kimball, Bill McKelway, Gordon Sibley, and Bill Searle being admitted to the school

glee club, which won the regional Fred Waring contest and a trip to New York this past spring.

JOURNALISM

Phi was also well represented along journalistic lines, outstanding being Cal Bond, who assumed a rare distinction in being named editor of the *Calyx*, yearbook, in his junior year. Other Deltas serving on the *Calyx* staff were Jack Hempel, photographic editor, Jack Crist, and Bobby Gaines. On the staff of the *Ring-tum Phi*, university paper, Charlie Rowe, Bob O'Leary, and Gordon Sibley took over duties, with the latter scheduled to become a junior editor this year. Lynch Christian, House president for the coming year, served on the business staff of this organization. Harry Brown and Don Welch served on the Southern Collegian literary magazine staff. In the Forensic Union, Charlie Rowe was named treasurer for the ensuing year, while Larry Sullivan and Holly Smith were elected vice-president and secretary of the Christian Council in last spring's elections. These two, along with Cal Bond and Billy McKelway, served as officers of the past year's council.

SOCIAL

Highlight of the Delt social year was the party given at Fancy Dress and presided over by Dick Spindle, set president. Other social activities included two house parties and an affair at Finals.

Phi will miss the graduating seniors and their creditable record but the new class has given indications that it will more than take the place of the six graduates. Summer school and the speed-up program has given us a chance to do more cooperative and organized rushing under prexy Lynch Christian's direction and we hope to have a very productive rush week in September.

Chi—Kenyon

Chi ended its most successful year in a considerable period of time under the very able leadership of Student Assembly president Jim Logan. Summer term has already begun under the new accelerated program.

Again the chapter controlled every publication on the campus with John Goldsmith as editor-in-chief of the college newspaper, *Collegian*; Bob Weaver as editor of *Reveille*, the college yearbook, and business manager of *Hika*; the literary magazine, and Bud Southward as editor of *Hika*. For the coming year all the publications on the campus have been combined under the management of *Hika* with Deltas Ben Roselle, business manager, Bud Southward and Gil Collyer editors. With two exceptions the entire staff of the combined publications is composed of Deltas; Bill Lane is circulation manager, Murray Smith is Comptroller and ten other members serve on either the editorial or business staffs.

ATHLETICS

Chi has for two years maintained a record of not having a bid turned down. After rushing, the football season got under way with six Deltas in the starting line-up. Paul Herrick was the outstanding player of the season and was elected as an all-time Kenyon back, also making all-state with Deltas Weaver and Chamberlain. This year Chi has six lettermen returning and three strong candidates from last year's Freshman squad, Don Knapp, Art Vail and Andy Morgan. Other members who have already reported for summer practice include Lane, Ross, Collyer, Long, D. Hoffman, L. Hoffman, Lincoln and Broadhurst.

Winter athletics found Bob Davis, Jim Logan and Dave Cannon prominent on a very excellent basketball team; while Ken Knopf starred for his second year on the Kenyon swimming team. Bob Weaver and Bill Lane won honors in the winter jumping contest (horses) helping Chapter Adviser Captain Eberle defeat the crack Culver team.

Spring sports found Paul Herrick as captain of baseball and supported by Bud Southward's efforts on the mound. Don Ross and Ben Roselle also were prominent members of the team. Gil Collyer ran four events for the Kenyon track team, was high-point man for the season and Captain in his Sophomore year. Ken Dalby captained the victorious

Ohio Conference tennis team and won the Ohio Conference title for the second year in succession—a worthy successor to Don McNeill.

Chi in spite of her unequalled representation in varsity athletics carried off the intramural championship due to the strong support of all her freshmen.

HONORS

The opening of the new year found Ken Dalby vice-president of the student assembly, Don Knapp as president of the Sophomore class, Paul Herrick president of the Kenyon Klan, the lettermen's honorary society, and Gil Collyer as chairman of the Chapel Committee and vice-president of the International Relations Club.

SPEECH AND DRAMATICS

In speech and dramatics Chi had her full share of the honors. Kuhl held the leading role in *Don Juan*, Gil Collyer an important part in *Brother Orchid*, while Bill Lane, Ken Knopf and Ben Roselle were active members of the debate team. In the oratorical contest Chi was represented by Don Hoffman and Gil Collyer, and in the annual Tau Kappa Alpha contest Collyer placed second and Kuhl third.

All in all, Chi claims that the past year has been one of the most successful in her history, and with the Delt Development Program now well under way we look forward to even greater things here at Kenyon.

Omega—Pennsylvania

SUMMER SCHOOL

Well, here is it July again, the time of the year that we usually had a vacation from school. But this year due to the accelerated system, twenty-nine of the thirty-five brothers of Omega are back to summer school. However, no one seems to mind it and everyone is looking forward to a very successful summer.

The chapter is running very successfully under the leadership of our new officers who were elected last February. Le Herron, a civil engineering student, member of the Compass and Chain Society and Army R.O.T.C., is our president;

while Ed Hoffman, a cheerleader and member of many publication boards, occupies the position of vice-president. Our crew man Ed Dewey is treasurer, while Penn's intramural manager, Carl Stauffer is secretary. If Le and his officers are as successful in the future as they have been in the past, the House is sure to go to new heights.

SWIMMERS

This year, our swimmers did a fine job in intramural sports. Because of their fine work Omega was able to win the intramural swimming contest. Since our chapter had already obtained two legs on this cup, the winning of it this third time gives us permanent possession.

DRAMATICS

Rai Senior, who did fine work as a member of the cast in last year's Mask and Whig Show, was recently elected to the Junior Honorary Society. Besides being one of the directors of the Freshman Mask and Whig Show, he has done excellent work on the *Penn Picks* and *Pennsylvanian*. A few weeks ago Rai was elected assistant manager of the baseball team.

MANAGERS

Other managerial competitions have also resulted in the election of Omega men to key posts. Bill Myers was elected assistant manager of the lacrosse team, while Mike Cataldo holds the same position on the track team. Carl Stauffer is now manager of the intramural sports.

SOCIAL

Social functions have been very numerous and very successful this term. House dances were held on the interfraternity weekend and Sophomore weekend. Picnics and informal parties have been given quite regularly. Our social season was closed with our Annual Spring Formal held at the Manufacturers Country Club, May 8.

SERVICE

Our Chapter like others has felt the effects of the war. Three men left college in February to join the Army. Bob Johnson is now a second lieutenant, Larry Layton and Bob Lane are attending officer's

training school. Many of our Seniors went into the service directly upon graduation. Bill Chadwick is a second lieutenant in the Army. Bill Scheeler will become an officer in the Navy Supply Corps, and Don Stockdale is entering the Navy Air Reserve Corps while Charles Troup is in the Marine Reserve Corps.

BOB LOWD

Beta Alpha—Indiana

Beta Alpha starts the third session of the new wartime program here at Indiana with twenty-seven new and old members. The boys returned to the House after a short weekend between semesters to find many new improvements, including new furniture and new rugs.

PLEDGING

We have seven new pledges with us this semester, three of whom have had excellent scholastic grades throughout their high school career. Our congratulations to pledge captains Bill Pierce, Jack Morris, and John Glover. All three of them did a swell job, and we came out with seven of the finest men entering school this semester. Along with the new members, an old alum, Gordon McLaughton, returned to act as chapter proctor.

OFFICERS

We begin the third part of the year with an entirely new administration. George Foley was elected president; Jack Morris, vice-president; John Anderson, secretary; and John Glover, treasurer. George is a member of the Falcon Club and an officer in the advanced R.O.T.C. He is an all-round good guy, and we think he will make a very competent executive.

HONORARIES

Sandy Muir, past vice-president of the House, made Board of Aeons last semester; Bob Lucas, big rod of the Delt house, was selected for that position next year. Bob was also elected president of the Union Board, which is one of the highest offices on campus. Ben Shera, Junior football manager, made Blue Key, honorary fraternity. John Glover and Lee Rust were our candidates for Skull and Crescent, sph-

omore honorary. Pledge Dick Retterer was named secretary of the Interfraternity Council.

SERVICE

Several of the men have gone to the Army and the Air Corps. Bob Johnson, Bob Henderson, and John Chappell left during last semester, while Bob Smith and Ed Ragsdale left just after the close of the school year.

Despite the prevailing war conditions, Beta Alpha is looking forward to a most successful summer session.

JOHN R. ANDERSON

Beta Beta—DePauw

The past school year has been one to remember for the DePauw Deltas, for under the masterful guidance of our prexy, Charles Landis, and the always sympathetic hand of our housemother, Mrs. Bundy, Beta Beta has soared to new heights.

PLEDGE SCHOLARSHIP

The chapter got off to a whirlwind start in fall rush and emerged from the fracas with the largest Freshman class on campus. By the end of the first semester this class of '45 had justified its position by boasting a second-place finish in the Freshman scholastic race. This achievement entitled seventeen out of twenty pledges to receive the gold badge at the March initiation.

SPORTS

In sports the boys were constantly on the go. The Beta Beta intramural standing experienced a step-up over past years. Although not actually winning any one sport, the chapter managed to bunch enough seconds and thirds to finish well up in the first division. Seven Freshmen were awarded their numerals and five Deltas received their block D's.

PUBLICATIONS

Twelve Delta Taus did their all for campus publications. Represented were such positions as city editor of the paper, business manager of the yearbook, official photographer for the yearbook, and numerous minor positions. Several

men were outstanding in the school's dramatic productions, and looking down the list we find Deltas in such honoraries as Sigma Delta Chi, Gold Key, Alpha Delta Sigma, Alpha Phi Omega, Phi Eta Sigma, and Delta Omicron Chi.

SOCIAL

Nor was Beta Beta's social calendar for the year lacking. Outstanding events included the Homecoming open house which honored our beloved Mrs. Blackstock, benefactor to DePauw and a Delt through and through; a formal and informal dance; the annual state dance which saw the DePauw Deltas win the stunt prize for the fifth straight year, the annual Christmas party at the House, alumni day, steak fries, Mother's Day, and Dad's Day.

The chapter's outlook for the future is certainly not one of gloom. With only seven Seniors graduating and many of the fellows in Uncle Sam's deferred branches, it looks like Beta Beta will be "rarin' to go" when September rolls around.

BOB GLASS

Beta Gamma—Wisconsin

SPORTS

Beta Gamma entered into all interfraternity sports and made a good showing in each. During the season of football and softball we were beaten by the teams which pushed forward to become the champions and so were put out of the playoffs fairly early in the season. However when interfraternity bowling opened our boys had been practicing and had a championship team in the making. During this first semester of play we won every game in interfraternity competition to gain the divisional championship. The final playoff took place during the early part of the second semester but due to first semester graduations our team's personnel was greatly changed and the new team, inexperienced as it was, finished in fourth place. Frank Davies of Madison, a sophomore and now an Army pilot, participated in varsity swimming during the year and Allen D. Everitt, Sophomore from

Milwaukee, made a very fine showing on the varsity track team as a hurdler.

SOCIAL

Socially speaking, we were active during the year with informal parties after all the football games, our annual "Spook" party, our formal dinner and dance given in the fall for our pledges, our Christmas formal party and our annual spring formal. The University Interfraternity Ball was in the charge of Bill Deerhake of Beta Gamma, the president of the Interfraternity Board. The music was furnished by orchestras directed by Deltas, Bob Strong of Chicago, and Eddy Saltz, undergraduate on the Wisconsin campus. At various times throughout the year we gave exchange dinners with various sororities. Among the sororities with which we had these exchanges are Delta Gamma, Pi Beta Phi, Alpha Chi Omega, and Kappa Kappa Gamma. Sunday night buffet suppers proved to be popular social events.

After the initiation of several pledges at the close of the first semester, our second was started with only two pledges. With concentrated effort the pledge class was increased to nearly thirty by the year's end.

INTERCHAPTER PLANS

This year at the suggestion of Gordon Jones and Stuart Fox a closer relationship was started between Delta Nu at Appleton and Beta Gamma. We entertained twenty-five Appleton Deltas for a weekend at Madison this spring; the convention getting under way with a Friday night meal and an afterdinner smoker and stag party, Saturday morning a combined meeting of both actives and pledges to exchange ideas, particularly on summer rush and its technique and general procedure, and also on all other common problems. A softball game was played in the afternoon and a dance was held in the evening. In the future on even-numbered years we will entertain Delta Nu here while on the odd-numbered years we will be their guests at Appleton.

With a large pledge class and a

good active nucleus we are looking forward to a very successful year in Deltism, social events, and athletics. At present two of the fellows are arranging songs both new and old to be used for competitive fraternity singing and general use throughout the year.

BRACKEN L. SNOW

Beta Delta—Georgia

ACTIVITIES

Beta Delta loses three men this year through graduation, George Vincent, Bill Hamilton, and Eugene Hubbard. George, a Senior in law school, served as president in 1941-42, representative in interfraternity council in 1941-42. Bill is taking pre-med and served as vice-president in 1940-41 and assistant treasurer in 1941-42. He was vice-president of the Freshman class, member of the zoology club, and manager of the boxing team. Bill is going to enter the University Medical School in the fall. Eugene is majoring in music. He served as corresponding secretary in 1941-42. Eugene was a member of the University Little Symphony Orchestra, director of the University High School glee club, secretary and treasurer of the Music Club, member of Zeta Sigma Pi, and technical designer of the University Theater.

INITIATION

Beta Delta initiated four men this quarter; George Bruce, Bobby Tanner, Osgood Bateman and Phil Hamrick. George, a Freshman, is working for an A.B. degree. He was one of our first pledges to distinguish himself by being among the high scorers in the Freshman entrance examinations. He is a member of the University DeMolay. Bobby is a Junior having transferred from Emory Junior College. He is majoring in finance. Osgood, a Sophomore, is also a transfer, having attended Middle Georgia College last year. He is majoring in animal husbandry in the School of Agriculture. He is a member of the Saddle and Sirloin Club and Demosthenion Literary Society. Phil is a Freshman and is taking pre-dentistry work.

On February 20 Beta Delta gave its formal of the year. Irving Mel-

scher's orchestra furnished music for the occasion. The music was fine and a large crowd attended. It was one of the most successful dances held on our campus this year.

Gordon Jones visited us the weekend of April 19. He gave a swell talk in chapter meeting and I think it gave the boys quite a bit of inspiration. We certainly hope he enjoyed his visit to Beta Delta as much as we did.

IMPROVEMENTS

The coming of spring seems to have given the boys new vigor and vitality. The boys got together and did a wonderful job of face-lifting on the living room and hall. Beautiful new draperies were put up; the floors were sanded and polished; the walls and woodwork were painted and the lighting fixtures were worked over. Several of the bedrooms were repainted, too. All of this work was done by the boys and I think this fact is a good illustration of the energy and determination the boys of this chapter possess.

Beta Eta—Minnesota

ATHLETICS

Beta Eta continues to have athletics as one of its major activities, both as a group and individually. The Deltas added two new cups with the winning of the bowling and volleyball fraternity championships this year. Bill Ewens, an outstanding backstroker, easily obtained his letter in swimming, and Jerry Kollander was awarded a letter in baseball. Jim Rude, who leads the Deltas in most of the interfraternity competition, was a member of the Minnesota bowling team which won the state college championship.

CAMPUS

The chapter also was active on the campus. Bob Larson and Bob VanNest were elected to Silver Spur, an honorary Junior men's organization. Bob Sullivan, a new Beta Eta pledge, was chosen as next's year's business manager of the *Gopher*.

SERVICE

The University of Minnesota has organized Gopher squadrons for university naval air corps enlistments. Seven men represent Beta Eta's part in the big job ahead of us.

CHAPTER GROWS

As a result of coöperation and effort, Beta Eta grew from a chapter of nineteen last September, to over fifty by the end of the school year. This is truly a fine summary statement of a chapter which has worked hard.

Beta Theta—Sewanee

GRADUATES

Beta Theta ended a successful year by having its seven members in the class of '42 carry off many of the honors. Those graduating were: Ashby Sutherland, E. N. Zeigler, Jr., Louis Lawson, James Sirmans, Robert Donaldson, Brown Hawkins, and Fred Morton.

Sutherland, besides being chapter president, was president of the student body, Editor of the *Sewanee Purple*, permanent class president, and a member of Phi Beta Kappa, O.D.K., Blue Key, Scholarship Society, Pi Gamma Mu, Sopherim, and the Pan-Hellenic Council. He was valedictorian of his class and upon graduation was awarded a National Fellowship of one thousand dollars at the Harvard School of Business Administration.

Zeigler recently distinguished himself by an original satire on *Sewanee*, set to the music of Gilbert and Sullivan's *Mikado*, which he wrote and helped produce. The production was hailed by all for its unusual cleverness and originality. Zeigler is a member of Phi Beta Kappa, O.D.K., Blue Key and Scholarship Society, and was President of both Pi Gamma Mu and Sopherim, a literary organization for which he edited a magazine this spring. He won the Guerry Medal for English, awarded annually to the outstanding student in that field.

Lawson was Business Manager for the *Purple*, a member of Blue Key and Pan-Hellenic Council.

The chapter is inactive during

this, *Sewanee's* first summer session. But, as in the winter, the home of "Señor" Lewis, our chapter advisor, is the real center of chapter life. We gather there daily for after-dinner coffee and pleasant relaxation from classes.

MEMORIAL

Following the baccalaureate services on June 7, Beta Theta dedicated a marble plaque in the chapel to the memory of "Señor's" mother, Stella Farnsworth Lewis, who was our beloved chapter mother. Robert Vreeland presented the tablet to the Vice-Chancellor, who received it on behalf of the University, after which followed a brief speech of commemoration delivered by General Jervey. The closing prayers and benediction were given by the Rt. Rev. Henry D. Phillips, and the Rt. Rev. Frank Juhan.

We are glad to have with us for the summer session Brother John Owen who is a Delt at Westminster in Missouri. We also welcome David Allen Summers, who was initiated in May.

BILL DONOHO

Beta Iota—Virginia

SERVICE

Here in college, as in every other society at the present time, the war is the subject in everybody's mind. Many of the members of Beta Iota have chosen to enroll in the V-5 or V-7 classes or in the Marine Reserve Candidate's Class. Lloyd Curtiss, Ed Tierney, and Victor Salvatore have chosen the latter course, while Al Allen, Bob Murray, and Jim Olney are in the V courses. Walt McClelland is now an air raid warden and is taking a course in first aid in conjunction with his duties. "Tank" Gorin and Sam Graham have volunteered as airplane spotters, operating from a nearby mountain. Word comes from Pensacola that Bill Kimmel, who resigned from school in the fall in order to join the Naval Air Corps, is soon to sport his wings.

ACTIVITIES

Beta Iota was fortunate in having the captain of the First Year swimming team, Mark Hannan, while Arch Ogden, state titleholder

in the one hundred and two-twenty-yard free-style, has been elected co-captain for next season. Hal Tufty went out for the back-stroke late in the season, but he learned fast and amassed enough points to make his letter. Don Douglas earned his numerals by holding down the 145-lb. position on the First Year boxing team, and Sam Graham was a member of this past season's basketball team. Victor Salvatore was a mainstay on the soccer team. Newell Woodworth, by his performance last fall, has made a place for himself on the exceptionally strong First Year tennis team. Not so successful in winter intramurals, Beta Iota looks forward to a more pleasant season in softball.

SOCIAL

The past term at Virginia has seen some gay social activity. Practically all the members had "dates" down for the Mid-Winter Dances, and the weekend is said by many to be the best in their memories. Several meetings of the newly formed Twelve Squared Society have been held at the House. Al Allen, Lloyd Curtiss, and Clay Goss, by their wholehearted efforts, have been instrumental in insuring the success of this new social club at the University.

SCHOLARSHIP

Scholarship has not been forgotten: Bill Allen, Peter Francis Lake, Walt McClelland, per usual, and Hal Tufty have made the Deans' Lists in their various departments.

STANDIFORD R. GORIN

Beta Kappa—Colorado

ACTIVITIES—ATHLETICS

Beta Kappa had its share of leadership last year through the office of president. Three different brothers served a term of a quarter each. This can be blamed upon the war emergency. The president elected for the first two quarters was Lloyd Oliver. He was quite proficient also in athletics, therefore the Army decided they could use him to advantage. He was drafted after serving the first quarter of last year, thereby leaving the post open to the vice-president, Vern Lockard.

Incidentally, the latter was the biggest man on the C. U. Campus last year, attaining practically every honor possible. He excelled in athletics, grades, and leadership.

When his term of the one remaining quarter was over, the election was held for the new officers. The new President-elect was Leonard Tripp, who they say is the smallest president in years. What he lacks in physical stature, he hopes to make up in other ways.

Beta Kappa enjoyed a most successful year leading in athletics, social affairs, and campus activities. Vern Lockard was the student body president, Paul Rich performed as the dance commissioner, Joe Hawley as law school representative. These three men were members of the school commission which consists of about twelve members. The Delts were certainly well represented in the student government.

AWARDS

Representation was excellent in varsity and intramural sports. Fifteen men were awarded numerals or varsity letters. The intramural teams copped the tennis, both singles and doubles, volleyball, and water polo championships.

CONFERENCE

Beta Kappa was host to the Western Division Conference this year, and showed all the delegates Beta Kappa hospitality. The Conference activities were culminated by a formal at the Cosmopolitan Hotel, which is still regarded as THE formal of the year at C. U.

The war emergency indirectly will help Beta Kappa in that the newly pledged Freshmen will be permitted to live in the chapter house, a condition that has heretofore been impossible. The Navy has taken over the Men's Dormitory which in the past has housed all the incoming Freshmen.

SERVICE

Approximately twenty of last year's chapter roll have either enlisted in some branch of the service or have been drafted. A memorial plaque is being prepared for the brothers who have died in the service.

Advance reports seem to indicate that at least thirty old members plan to return in the fall, and a pledge class of at least twenty-five is anticipated.

The Delts are still on top on the Colorado campus and have no intention of relinquishing that position.

LEONARD TRIPP

Beta Lambda—Lehigh

CHAPTER OFFICERS

House elections occupied the limelight at Beta Lambda during the latter part of March. The new president is Bob Whipple, who has been president of his class for the past two years, and was just elected for the third time to the Senior class presidency in the recent elections. In addition to this, Bob was elected president of Arcadia, the student governing body; this is the biggest and toughest job in school, but we know "Whip" will do a good job. Besides all this, "Whip" is president of the Chemical Society, he plays varsity basketball and baseball, is an intercollegiate debater, a member of Cyanide, the junior honorary society, and a member of Arcadia for the past two years.

Jim Morris is our new vice-president, and Bill Taylor is our re-elected treasurer. The new administration was inducted recently, and has been running smoothly ever since. Other new officers in the chapter are: Phil Powers, guide; Bill Binder, sergeant-at-arms; Bud Kingman, recording secretary; Marty Taylor, assistant treasurer; and Hugh Boyd, corresponding secretary and interfraternity council representative.

CAMPUS

Since the recent elections late in April, Beta Lambda seems to be tops on the campus as far as activities are concerned. Bob Whipple, as we mentioned above, is president of the Senior class, president of the student council, and president of the Chem society. Frank Brower is president of Tau Beta Pi, national honorary engineering society, and president of Eta Kappa Nu, honorary electrical engineering society. Phil Powers is a member of Omi-

cron Delta Kappa, national senior honorary society, a member of Pi Tau Sigma, honorary mechanical engineering society, and a member of Pi Delta Epsilon, national journalism fraternity. Bill Peck is a member of Lambda Mu Sigma, honorary marketing society. Hugh Boyd is the new president of Cygnide, Junior honorary society, president of the debating council, and a member of Arcadia. Recently Don Diggs won first place in the Freshman extempore speaking contest, and he and Bob Mussina later won the intramural debating prize.

SPORTS

Beta Lambda is well represented in varsity and Freshman sports. Bill Binder is next year's captain of the basketball team, while Bill Taylor will be the Freshman basketball manager. Bob Whipple is one of the pitchers on the baseball squad, and Quin Raney, who won his numerals in that sport, will probably see varsity action next year. The track team, with Bruce Thayer in the sprints, was managed by Jim Gordon, and Bud Kingman is a Junior manager next year. Al Wolff and Bill Taylor just finished their second season with the tennis team, with Marty Taylor as one of their managers. John Loughran managed the lacrosse team, and Bill Day earned his numerals as a manager of the Freshman lacrosse squad.

INTRAMURALS

In addition to intercollegiate sports, Beta Lambda is active in intramural and interfraternity contests. We took fourth place out of twenty-nine fraternities in the interfraternity swimming meet. We were third in the interfraternity wrestling meet, which is always a popular and hotly contested event. Bob Mussina was the champion in the 130-lb. class, and Bill Belser was runner-up in the 135-lb. class. Our baseball team lost the league championship when it dropped a close game toward the end of the season.

Since Lehigh is on an accelerated program, a little less than half the brothers will be at school this summer. Because of this, and because of the gas rationing, rushing will have to be done almost entirely on

the campus. Therefore I would like to repeat my predecessor's appeal to all Deltas, actives and alumni, to recommend to us prospective Lehigh Freshmen. Please send any rushing information to Bill Taylor, our rushing chairman, at the Beta Lambda chapter house.

HUGH BOYD

Beta Mu—Tufts

RUSHING

Beta Mu may well be proud of its successful rushing campaign this past year. Twenty-two new men were pledged, and they have not only "fitted" into the chapter, but they have done so well that Beta Mu's upperclassmen had to stay on their toes to keep ahead of them.

INTERFRATERNITY COMPETITION

This year's interfraternity sports program provided keener competition than usual, with the athletic leadership among fraternities in doubt until the very end. Beta Mu won first places in squash and tennis, second places in golf and wrestling, and fourth place in baseball. The outcome showed Beta Mu a close second among eight fraternities in all sports.

The cup awarded for first place in the intramural sing went to Delta Tau Delta. The fame of our glee club has grown so that it has been asked to appear at non-Delt functions.

DELTS AROUND CAMPUS

John Gehling, 1943, chapter president, co-captain of soccer, 1943 class secretary, basketball, interfraternity council, representative to *Who's Who in American Colleges*, member of Senior honorary society. . . . Bruce Watkins, 1943, chapter vice-president, captain of track, member of Junior honorary society. . . . Sandy Tredinnick, 1943, co-editor of *Tufts Weekly*, editor of *Tuftonian*, Tufts literary magazine, vice-president of honorary dramatic society, interfraternity council. . . . Bob Reed, 1943, co-editor of *Tufts Weekly*, member of *Tuftonian* staff. . . . Don Abbott, 1944, chapter guide, managing editor of *Tufts Weekly*, business manager of honorary dramatic organ-

ization, staff of *Tuftonian*. . . . Brenner Brown, 1944, vice-president of 1944 class, Junior honorary society. . . . Larry Kennedy, 1945, football, vice-president of 1945 class, member of Sophomore honorary society. . . . Nels Fontneau, 1942, president of honorary dramatic organization, president of honorary Biology organization, representative to *Who's Who in American Colleges*, Phi Beta Kappa. . . . Jack Allen, 1942, president of economics club, member of honorary dramatic organization. . . . Bob Clark, 1942, past president of chapter, member of dramatic honorary society, school organist. . . . Dave Ashton, 1942, assistant in music department, director of Tufts Band, Student Council.

SOCIAL ACTIVITIES

Although this coming year will see a change in our social activities, we can look back on a very successful year socially. Included were two big formals at nearby country clubs, banquets for initiates and alumni, teas for alumni, parents and faculty, smokers, and many informal and novel house parties.

M. COLTON HUTCHINS

Beta Omicron—Cornell

SERVICE

The first year of our entry into World War II has seen many changes at Beta Omicron. The chapter faces several serious problems as high losses of men at mid-year, and enlistments in the Armed Services have dwindled the active membership. Five Seniors graduated into the Army and the Navy; many Juniors, Sophomores, and even some Freshmen have enlisted outright or have joined the Army and Navy Reserve programs which allow them to finish school. Fifteen men remained in Ithaca to attend the accelerated summer session. All this has necessitated a tightening of our financial belt and establishment of improved scholastic and rushing programs, for the coming school year. The success of our rushing program depends largely on immediate recommendations from alumni followed by effective contact by the actives during the summer.

DELTA *Doings*

Above, Gamma Mu's third initiation banquet of the year celebrated the Washington chapter's thirty-fourth anniversary. Left to right: KEN BRAZIEL, MOTHER JOHNS, JOE ADAIR, JR., Chapter President BOB WHITELEY, and ELVIN CARLSON.

Right, BOB VREELAND and GUERNEY COLE of Beta Theta are president and treasurer, respectively, of the Sewanee chapter.

Above, "Ace" golfer Ed STUCHELL, Seattle alumnus, presents new trophy to Gamma Mu president, BOB WHITELEY.

Left, JACK WHITLINGER, Tau's house manager at Penn State.

Below, Beta Delta's president, BILL KEITH, and treasurer, DOUG THORNTON, talk things over in front of the Georgia chapter house. Both are interfraternity representatives.

Below, Delta Epsilon's new house manager and intramural manager. These Kentucky men are HARRISON DIXON and MAHLON HARLAN.

Below, VERN HART of Beta Rho is a Stanford track star. He is shown approaching a 6 ft. 5 in. jump—he cleared the bar.

Above, Advanced R.O.T.C. men of Delta Epsilon at Kentucky.

Below, Catcher WARD WALKUP and outfielder CARL KELLENBERGER of Beta Rho

Left, GIVENS DIXON of Delta Epsilon, Kentucky, is member of Tau Beta Pi and ODK. DIXON has a long list of campus activities to his credit.

Above, SHELLY PARKER, Beta Rho president; BILL LANE, business manager of "Chaparral"; and JIM HAUGH, president of Stanford's Interfraternity Council.

Above, The "Victors" and the "Vanquished" after the annual Gamma Mu undergraduate-alumni golf match. Left to right: GENE SMITH, undergraduate; "NICKY" NICKOLS and ED STUCHELL, alumni; and ART CARLSON, undergraduate.

Below, BOYD MCKINNEY of Delta Kappa and his Duke University award for contributing to the advancement of aviation.

Below, Delta Gamma men in Phi Eta Sigma. TED THOMSEN and CHANDLER BLACK. BLACK was chosen most representative Freshman at South Dakota.

Right, Three sons of Beta Upsilon Deltas standing in front of the Illinois chapter's famous fireplace. These Deltas are PERRY SMITHERS, JR., editor of the "Daily Illini"; JAMES K. STALKER, secretary of the chapter; and ERNEST H. POOL, junior business manager of the "Illio."

Chapter House

PROGRAM

Welcome ----- Bud Ebert
Toastmaster ----- Sonny Herman
Introduction of Visiting Delts

ADDRESS

Martin B. Dickinson
Vice-Pres. Western Division

Presentation of Awards
House Corp. Meeting 3:00 p. m.

Left, STANLEY JUNG and BILL MACNAUGHTON of Gamma Iota are section editors of the Texas "Cactus." JUNG was elected the outstanding member of the famous Longhorn band.

Above, Delta Gamma alumni who returned to the chapter for Founders Day program at South Dakota.

Left, Gamma Iota's Phi Beta Kappa members at Texas: BOB HOBBS, TOM LAW, and I. E. CLARK.

Below, Naval R.O.T.C. men at Texas. These Gamma Iota men are BILL KITTRELL, BEN BRITAIN, and JIM BASKINS.

INTRAMURALS

The spring was highlighted at Beta Omicron by the winning of the coveted All-Interfraternity Trophy climaxing two years of spirited participation in Intramural sports on campus during which twelve cups and trophies have been added to the Library mantelpiece. Almost the entire chapter, actives and pledges, turned out to win firsts in swimming, track, volleyball, and 4-man crew, with seconds in golf, 8-man crew, softball, mile relay, and badminton.

RUSHING

Eight secondary school men were entertained at the house over Cornell Day weekend. Professor Bristow Adams, better known as B. A. during his twenty-eight years as friend and advisor to countless Cornellians, gave a brief talk to the subfrosh at the Saturday night banquet in the chapter dining room.

Spring Day found the Delts entertaining some twenty-odd guests at a very informal house party featuring the Navy Ball and a picnic at Treman Lake. There were no crew races on Lake Cayuga for the first time in many years. Plans will soon be announced for a large alumni reunion to be held some football weekend in the fall. We are expecting a record turn out of Beta Omicron Delts.

In closing, may we extend an invitation to all Delts to visit us at any time in Ithaca. The doors are always open.

JOHN WESTBERG, JR.

Beta Pi—Northwestern

PUBLICATIONS

In the most complete sweep in recent years, Beta Pi took four of the six important leaders of Northwestern publications for the coming year.

Jim Vynalek was elected editor-in-chief of the 1944 *Syllabus*, yearbook, by the Board of Publications. At the same time it was announced that Jack Zahringer was elected business manager of the *Syllabus* and Paul Larson was elected business manager for two years of the *Purple Parrot*, monthly campus magazine. The next week Will

Micklish was named editor of the Northwestern *Directory* for next year.

Bill Stevens will continue to act as managing editor of the Northwestern *Engineer*. The *Engineer* is the latest campus publication, and Bill is one of the members of the original staff.

Taking important subordinate positions on Northwestern publications are three Freshmen. Jo Walker is to be circulation manager of the *Syllabus*, George Black is advertising manager of the *Purple Parrot*, and Bill Cecil is to be a night editor of the *Daily Northwestern's* sports staff.

NEW OFFICERS

Just after Easter vacation Tom Hutton, Memphis, Tenn., Junior, was elected to the presidency of Beta Pi. Other officers include Taylor Alexander, vice-president; Robert Habicht, treasurer; Jack Zahringer, recording secretary; and Bill Cecil, corresponding secretary.

Hutton's appointments included Paul Larson, steward; George Freeman, house manager; and George Gregg, social chairman.

ATHLETICS

Spring means baseball, and that was enough to encourage George Gregg and Vern Force to get busy and do their part for Northwestern's ball team. George spent his time shifting back and forth from short-stop to third base, while Vern was in centerfield. Stu Force followed his brothers' footsteps by winning his numerals in baseball.

For the third consecutive year a Delt will be captain of the wrestling team. Dave Allen, 175-pounder, will be the head man this coming year. Retiring Captain Dick Trubey was again high-point winner. Bob Hedges won his Freshman numerals in wrestling.

Bob Nixon, Bill Curry, Jack Koon, and Bob Gleason were responsible for the record-breaking performance of the Delts in the intramural golf-driving tournament. All previous marks were shattered by twenty-four yards when this quartet started shooting. The intramural track team placed second in the All-University meet with Ralph Van Petten, Junior Franck,

Dick Habicht and Jim Bopp pacing the Delts.

HONORARIES

Elected to Phi Beta Kappa last semester as a credit to his outstanding scholarship over a period of three and a half years was Bill Otto. Forrest Williams will be another Beta Pi addition to Phi Eta Sigma, Freshmen scholastic honorary. Jim Vynalcik and Dave Allen are initiates to Purple Key, Sophomore honorary. Tom Gobble is an initiate to the Dolphins, honorary swimming fraternity.

BILL CECIL

Beta Rho—Stanford

DISTINGUISHED ALUMNI

Headlining social events at Stanford's Beta Rho chapter this year was a formal testimonial banquet at the house in May to honor fourteen "Distinguished Delts," the first of a projected "traditional" series of such affairs. In its almost fifty years of continuous existence, Beta Rho has contributed its share of prominent men to the business and professional life of the nation. A "court of distinguished alumni" was created by the banquet and additions will be made from year to year.

Ten of the initial fourteen selected were able to appear at the banquet and along with all the actives and many other "alums" made a sizable group. Shelly Parker, '43, house president, was master of ceremonies, and Hans Jepsen, '22, Western Division president, who did the major share of the planning for the affair, was toastmaster and presented the honored guests. Featured speaker was Neil Petrie, '19, one of the honorees, president of Barker Brothers in Los Angeles and recently appointed Southern California head of the OPA. He outlined the objectives and methods of price fixing liberally sprinkled with his personal experiences in working with Administrator Leon Henderson. "All of us in the OPA may become unpopular," he said, "but this plan is going to succeed because it has to succeed."

Members of the distinguished group present in addition to Petrie included:

Jud Crary, '03, President, Palo Alto National Bank.

Roland E. Tognazzini, '24, President, Union Sugar Company, San Francisco.

Donald Russell, '21, Vice-President, Southern Pacific Railroad, President, Northwestern Pacific Railroad.

Sennett W. Gilfillan, '12, Partner, Gilfillan Brothers, Los Angeles.

Harvey W. Mudd, '10, engineering expert on mines, Los Angeles.

Dr. Seeley G. Mudd, '17, Dean, School of Medicine, University of Southern California.

Neill C. Wilson, '12, San Francisco author and advertising man.

Asa Dimon, '14, Vice-President, Bank of America, Bakersfield.

Dr. Charles M. Richards, '03, Surgeon and Roentgenologist, San Jose.

Not present but also honored were:

Dr. Hans Barkan, '04, nationally known San Francisco physician and eye surgeon.

Graeme Howard, '17, Vice-President, General Motors, now in the Army Quartermaster Corps.

Dr. Wayland A. Morrison, '10, Chief Surgeon, Atchison, Topeka, and Santa Fe Railroad.

Lucius Ward Bannister, '93, Denver Corporation Counsel and national authority on water rights.

OUTING

The next day was Delt Ranch Day at Quail Hollow. Bill Lane's ranch, attended by all the actives as well as several grads. Guests spent a busy day swimming, riding, pistol shooting, playing horseshoes and football and tossing darts, topping it off with a tremendous turkey dinner.

SOCIAL

Several firesides were held during the quarter topped off with a Beachcomber Dance in May. One of the most successful dances of the year, the dance took campus honors in decorations. Directed by Jimmy Thurmond, '42, and Ward Walkup, '44, the committee scoured the countryside for "props." Fish nets covered all the ceilings; murals, palm branches and trees covered the walls, anchors, outrigger canoes, paddles, ships' bells and lights, and

many other articles added to the effect. Several hundred guests enjoyed the affair.

RUSHING—SPORTS

Beta Rho operating under the deferred rushing plan, which defers all rushing until winter quarter, took a pledge class of seventeen, which should add to the list of Delt activity men. Ten won their letters in Freshman sports, four of them in football. Don Zappetini, star of the 1940 Piedmont High School "wonder team" played first-string Freshman fullback and is making a strong bid for varsity honors. Freddy Parsons was a standout at halfback as well as playing first-string basketball. Bob Hall, first-string basketball and football player, earned a second-string varsity end berth in spring practice. Although comparatively light, Hall is a smart, aggressive player and should see lots of action.

Dick Williams, Frosh diver; Bud Carpenter, breast stroke swimmer; Bobby Rosecrance, golfing ace; Bob Brodie, rugby; Burt Avery, football; George Grimes, track; and Harry Mason, baseball, won their numerals. Mason was such a standout on the Freshman team that he took over starting honors on the mound for the varsity after the regular season was over to form an all-Delt battery with Ward Walkup, outstanding catcher. Carl Kellenberger played in the outfield.

Vern Hart, one of the bright spots in a weak Stanford track team, tied for first in the high jump in the Conference track meet and then went back East to win his event against the Big Ten.

Ferris Boothie, head copy editor on the *Stanford Daily*, was elected president of the Junior class for next year, while Shelly Parker, House prexy, was defeated for student body president. Burt Avery ran a close second in a field of ten for Sophomore class president.

Bill Lane's outstanding work as business manager of the *Chaparral*, outstanding humor magazine, earned a commission in Naval Public Relations after his graduation. Jim Haugh, '42, retiring Interfraternity Council president, surprised everyone by teaming with ranking intercollegiate golf star Bud Brown-

ell to hand their opponents a trouncing in the matches against California. Other men also did good work in campus activities.

SERVICE

Like many other chapters, almost the entire Senior class entered the Armed Forces shortly after graduation. In addition, some six Juniors went into the Army or Navy. Despite the many new problems duplicated in fraternities throughout the country, Beta Rho looks forward to a successful year.

FERRIS BOOTHE

Beta Phi—Ohio State

SPORTS

Beta Phi took bold strides this year to improve its prestige on the Ohio State University campus. Returning residents to the Shelter were greeted in the fall by a newly re-decorated house. The fall football season found Beta Phi contributing its share of the Buckeye gridiron stars, among whom were Fritz Howard, Les Horvath, Don McCafferty and Bill Vickroy. In addition to the above-mentioned athletes, Ed Moeller and Johnny Schenk pushed that ball around "in the winter cage." Beta Phi was also represented in activities by Jack Archer, Student Senate; Ken Lucas, Fraternity Affairs Office; and Tom Dean in the Y.M.C.A. Romophos, Sophomore Men's Honorary, chose two of Beta Phi's men: Ken Lucas and Jack Archer. Les Horvath was elected to Sphinx, Senior Men's Honorary, and Jay Smith, to Phi Eta Sigma, Freshman Men's Scholastic Honorary. Not to be outdone in social activities, an active pledge class entertained the active chapter by sponsoring a super 'Lil Abner dance, complete with a hay-loft.

SOCIAL

Always active in fraternity affairs, Men-About-Town Bob Hutchinson, John Oliver, Bob Hamman, Don Mossbarger, George Tifft, and Advisor Robert K. Zimmer attended the Delt Northern Division Conference at Hillsdale, Michigan. As for a planned social program, there have been band dances at the Shelter after the home football

games, and record dances in the recreation room each weekend throughout the year. Three formal dances held at local country clubs are included in the program. The social climax of the past year was the Annual Founder's Day Banquet held at the University Club.

CHAPTER

At a time when many other fraternities are facing a somewhat uncertain future, Beta Phi feels secure about its position as a top fraternity at Ohio State. One of the reasons for this sense of security is the fact that at the close of the school year in June, the chapter numbered sixty-three men, one of the largest fraternities on the Ohio State campus. Beta Phi started the summer quarter off with a "bang" by pledging twelve men in the first week of school—thus making a chapter numbering seventy-five men. The highlight of the summer rush week was a rushing party at Brother John Galbreath's farm. Badminton, swimming, shuffleboard, tennis, and cards filled the docket for an afternoon of pleasure. Besides the entire chapter, twenty-five alumni and forty rushees attended.

ALUMNI

The chapter played host to the Columbus alumni and rushees at a recent informal smoker. The highlight of the evening's entertainment was motion pictures of the Ohio State University football team in action and a talk by Paul Brown, O. S. U. Football Coach, on the chances of our team in competition this fall. With an excellent year behind us, Beta Phi sees an even better year ahead.

KENNETH C. LUCAS

Beta Chi—Brown

INTRAMURAL

The highlight of the year for the members of Beta Chi was the presentation of the Lanpher Cup to the chapter. This cup is awarded annually at Brown to the fraternity scoring the highest number of points in intramural competition through the school year. It was also announced that we had main-

tained the highest percentage of participation in intramural events that had ever been recorded in the history of the cup.

VARSITY

Seven men received varsity letters during the year, two in football and one each in soccer, fencing, golf, track, and baseball. Three Freshmen received their numerals for swimming, basketball, and soccer.

Falcon John, past president, was co-captain of the fencing team and Irving Patterson was captain of the golf team. There were four members of the House managing various varsity teams.

CAMPUS

During the year Stanley Taylor was elected to associate membership in Sigma Xi, and William Roberts was elected to Phi Beta Kappa.

Roberts was the managing editor of the *Brown Daily Herald*. Also on the paper's staff were Stephen Dolly, sports editor, John Lyman, news editor, and Briggs Hoffman, reporter.

George Giraud was elected president of the John Hay Club and made a member of the Sphinx Club during the school year.

Austin McCabe, co-leader of the band, and Don Marshall track manager, were elected to the Cammarian Club, the student governing board.

The Brown Key, the Junior Class activities honorary society, had Horace Harding, assistant swimming manager and Glee Club member, John Pattee and Bruce Remick, varsity football players elected to its ranks.

The Beta Chi house is remaining open all summer because of the accelerated program, with twenty members back. Leading the Delt activities will be the new chapter officers: Don Marshall, president, John Lyman, vice-president, Austin McCabe, treasurer, and Clark Budlong, secretary.

RUSSEL M. WILSON

Beta Omega—California

Pregnant with honor bearers in academic, athletic, and student activities, Beta Omega opens what,

from all intents and pretenses, will be another star-spangled year.

For the second consecutive year, a Beta Omega Delt was elected president of Skull and Keys, most highly honored University of California interfraternity society. George Parrish, '42, succeeds Lev Sacre, '42, to the highly prized post.

SERVICE

Appointments to the Reserve Officers' Training Corps were commissioned, in the infantry unit, to Doug Thompson, '44, new house manager, and Sam Shannon, '43, house vice-president, and in the coast artillery battalion to Russ Pearce, '43.

SPORTS

Marty Hoffman, '44, continued his sensational development on the gridiron, moving up from the Frosh squad to the Ramblers and winning his Circle C and a starting position at end. On the track Baker Lee, '45, won his Frosh numeral; and on the basketball court Dick Vieille, '42, now commissioned second lieutenant in the Coast Artillery, won his varsity letter. Jack Cain, '42, at present a second lieutenant in the Air Corps, won his Circle C in rugby. And Russ Pearce, '43, won his letter on the Cal crew, the sport dear to the heart of every Californian.

Ed Merrill, '45, was promoted from Sophomore to Senior manager on the rugby squad. Ward Madeira, '43, was appointed Senior basketball manager.

Perhaps the most distinguished honor of the chapter was received by Bob Brock, '43, who was asked to join the staff working on the University of California cyclotron.

GRADUATES

Much as we hate to see good men leave the house, we can but be proud of the appointment of Jim Heyden, '44, to the West Point Military Academy and of Ralph Miller, '42, to the Harvard Business School and Quartermasters' Corps. And to last year's class of Beta Omega Seniors now serving in the Armed Forces—and to every Delt everywhere who is protecting and strengthening the ideals of a good Delt and a good American—we

give our most sincere, smartest salute!

INVITATION

To all other Delt chapters: we're taking good care of all your old members who are now in the Armed Forces and stationed on the West Coast. When you write the alumni, tell them to visit the Delt chapter nearest them. We'll keep them entertained in royal Delt fashion.

FREDERICK DUTTON

Gamma Delta—West Virginia

The past year was an exceptionally fine one for Gamma Delta. The school year started off with a rush week under the able guidance of our present prexy, Harry W. Adams. The close of the week found us with nineteen of the best boys in the class of '45. We used a new system of rushing entirely different from any used in previous years. We devised it with the assistance of Field Secretary Garth Slater and plan to use it again this coming year, hoping for the same splendid success.

HOMECOMING

By the time that Homecoming rolled around the chapter was going great guns. We won second place with our house decoration for the weekend. The motif was an "Extra" edition of the school paper, covering the entire front of the house, telling of W. V. U.'s victory over the Jayhawks of Kansas State University.

SOCIAL

In just a few weeks Gamma Delta played host to the campus at our annual "Hobo Hop." This was handled by the pledge class under the direction of President John Bell. The dance was another feather in our hat. The weekend before the Christmas holidays we had our party for the actives and pledges at the chapter house.

SPRING ACTIVITIES

We swung into spring with the usual activities. We copped second place in softball and took the winner's laurels in horseshoes. From these triumphs we went to our last activity of the school year, our

spring formal. This was perhaps the best formal in the history of the chapter.

After looking back over the past year each man can truthfully say that it was one of our best years. We have been fortunate in the fact that the war has not reduced the strength of the chapter to any great extent. We have been honored by the fact that Brother Bob Gibson was the first American officer to step on Irish soil.

As we look toward a new and very doubtful year, we can only hope for one as pleasant as the year just past.

H. F. WINTER, JR.

Gamma Iota—Texas

Gamma Iota has continued to stand at the top this last semester despite the loss of many key men to the Services.

SING

We won second place in the Interfraternity Sing led by Marshall Miller who was ably coached by Col. Geo. E. Hurt, one of the most sincere friends of the chapter. With our first place last year this makes us the only fraternity lately to be in the top two places for two consecutive years.

ATHLETICS

Athletically we have had an excellent year. Mal Kutner, All-American right end, won his third letter, this in track, making him the only three-letterman on the campus. Recently he was awarded the Norris Trophy which is awarded each year to the athlete voted highest by a student poll. Bob Strelsky, our past intramural manager, left a probable first place in the race for the leading intramural athlete to go out for varsity baseball. With a startling rise he became a first-string pitcher in a few months. Among his other honors he was recently elected to the "T" association, an honorary athletic association. Also, two of our new actives are showing up well. Grady Hatton was elected captain of the varsity baseball team for next year. Billy Andrews, popular water-boy for the football squad, has been elected co-captain of the Freshman baseball team.

Bill Roden, a new pledge, won second place in conference golf.

SCHOLARSHIP

Gamma Iota is also well represented in the scholastic side of school life. Bob Hobbs was elected to Phi Beta Kappa bringing the number of active members in this honorary scholastic society to three. Also, Gamma Iota won first place in scholarship in the Western Division.

CAMPUS

Jack Chewning has rounded out a full year by being elected president of Phi Eta Sigma and also Alpha Epsilon Delta, honorary pre-medical fraternity.

Stanley Jung was elected the most outstanding Band member of the Longhorn Band and was presented the Byrd Senior Band award—a four-year award. He is the second fraternity man in a lengthy band history to receive this award. The other man was also a member of Gamma Iota. Stanley was also awarded a gold medal for his fine work on the fraternity section of the University's yearbook.

DEBATE

Tom Law, abbot of the Friars, highest honor a Senior may hold, was awarded the \$100 Lutchter Stark Prize for the best debater in Texas University. Last year he was debate captain. Gamma Iota has more men on the debate squad than any other fraternity. Brothers West, Law, Sneed, and McLaurin are very active on the squad.

MORE CAMPUS

Robert Sneed was elected to Cowboys, honorary service organization, bringing the number of Deltas in that organization to four.

A pledge, Dick Hardin was elected co-president of the Sophomore Club. Theo. Painter was recently appointed co-sponsor of the Freshman Fellowship Club. He was president of that organization last year and holds the distinction of being the only Sophomore to hold this office. Also, he is the first fraternity man to hold this position.

At our annual Founders Day banquet the principal speaker was

Col. Claxton Parks, an alum. At the banquet Bill Dunham received a plaque for being the most outstanding pledge, Carl Lauer, a cup for the best big brother, and Bob Hobbs, the scholarship plaque.

Our house manager, Joe Nash, is vice-president of the student co-operative buying association for all houses on the campus. This is the highest position a student may hold in this organization.

SOCIAL

However, the above list of accomplishments must not be construed as to mean Gamma Iota is not active socially, for the Delt house party was acclaimed the best social function of the year. The members and their dates spent three days at a camp in the hills beside a mountain stream, swimming, dancing, boating, etc. Also, a ranch party held at the chapter house was a big success. Numerous Sunday lunches for members and their dates have rounded out a full social semester.

Not content with resting on our laurels we are determined to uphold our standards next fall, by planning an eventful rush week, despite the loss of many men to the Army, Navy, Army Air Corps, Navy Air Corps, and Marine Corps.

THEO. S. PAINTER, Jr.

Gamma Zeta—Wesleyan

START

Gamma Zeta began its fall activities by pledging twelve of Wesleyan's most promising Freshman. Bill Marsh and his committee deserve a great deal of praise, for their efforts brought the chapter a truly fine delegation. The Freshmen were at once started on the Delt development program under the direction of Bob Boynton, who was the president of the House for the first half of the year. Both the Freshmen and the upperclassmen received the program with enthusiasm, and we heartily recommend it to all the other Delt chapters.

ACTIVITIES

In the fall Stan Lewis held the position of business manager of the *Cardinal* and was succeeded in February by Len Pfeiffer. Tom Sitt

was circulation manager of the *Argus*; Vinnie Allison was leader of the Wesleyan Glee Club and Choir, Musical Director of the Field Band, and in February was elected vice-president of the college body; Stan Benham was appointed manager of the swimming team; Bill Marsh was captain of the squash team, ably assisted by Bass Wilson and Bob Musil; Dick Neuffer, following in his brother's footsteps, shone for Wesleyan both on the gridiron and track; Charlie Roberts was an important member of both the basketball and baseball teams. Several of our Freshmen, including Bud Chamberlain, Ed Roberts, Bill Thompson and Johnnie Lydecker give promise of becoming leaders for Wesleyan in the next couple of years. Our House football team, led by Captain Jerry Harmon, won the interfraternity championship.

Of course with the country at war and so many of the country's young men entering the Armed Services all chapters are faced with serious membership and financial programs and the coming year will at best be a difficult one. However, Gamma Zeta intends to carry on as best as possible and feels sure that all problems can be met successfully.

SOCIAL

The chapter's season closed officially with an enjoyable banquet with our alumni at which time Bill Thompson was presented with the Ralph Osborne Memorial Trophy. This was the first presentation of this award which is given in memory of Ralph Osborne, member of the class of '44 who was killed in the summer of 1941. It is to be given to the outstanding member of the Freshman class.

OFFICERS

The officers of the chapter for the coming year are Hal Murray, president; Vinnie Allison, treasurer; Len Pfeiffer, vice-president; and Don Leinback, secretary.

HAL MURRAY

Gamma Theta—Baker

With a good start on fall rushing the Deltas from Gamma Theta

have four new men pledged for next year. Prospects are the finest around Baker in the past few years, and this year's pledge class promises to be a good one.

INTRAMURALS

For the second consecutive year, Gamma Theta has been the all-sports champions, as well as participation champions in the Baker intramural program. This year the champs won first in five of the seven events on the program, being runner-up in the other two.

SCHOLARSHIP

Again, Gamma Theta lead the fraternities on the campus in scholarship for the first semester. The averages for the second semester have not yet been totaled, but the chapter average will be better than that of the first semester.

ACTIVITIES

Delts were again the leaders on the campus in extracurricular activities, with the business managers of the *Orange* and *Wildcat*, and several members on both staffs. Jim Strickler, president this year, was voted popularity king of the campus by the women students. Bob Ridgway, Freshman, was selected by the "B" club as the most outstanding athlete of the year. He was awarded the Goetz athletic trophy.

ANNOUNCEMENTS

Several Gamma Theta Deltas chose the Spring Formal to announce their engagements. Seven men took the first step toward the gate of matrimony, five of whom were Seniors.

HELPING UNCLE SAM

This year Gamma Theta has been doing her part in the war effort by furnishing men for every part of the service. Earl Wait, U. S. Army; Kenny Jackson, U. S. Marines; Rod Starmer, U. S. N. Air Corps; Dick Worl, U. S. Army Air Corps; Jim Strickler, Joe Peters, and Wright Seely, U. S. Navy. Of the boys returning to school next year, two are in the Service, the "V" program of the U. S. Navy, Lyman Bulkley and Kenny Schmutz.

ALUMNI

Gamma Theta held its annual Stag banquet for the alumni this year May 30, at the Shelter. A larger number of alums attended than were expected. A. C. "Cap" Runyan was the toastmaster and several of the old-timers made very interesting talks. Highlight of the Stag was the pledging of Bill Runyan, son of "Cap."

KENNETH M. SCHMUTZ

Gamma Kappa—Missouri

SCHOLARSHIP

Gamma Kappa ended the 1941-42 year with its one big objective accomplished. The scholarship average of the active members of the House is once again among the ten high on the University of Missouri campus, and although the official tabulation has not been published as yet, we hope and believe that the scholarship will rank among the first five.

SENIORS

Four members of the Senior class received their diplomas in June and August. Brother Bill McGinness will graduate in August with a degree in Business and Public Administration. Brothers Kenneth Crabb and Edwin Stokely each graduated from the school of journalism and Lile Hopkins received an A.B.

ACTIVITIES

Many members of the active chapter took their places in the extracurricular activities. Bud Burchard was active in war speaking among the many Columbia clubs and groups. Jack Stevenson, the chapter president, was elected vice-president of Sigma Delta Chi, journalistic fraternity.

SPORTS

Jim Austin won Freshman numerals in both football and basketball, Marion Waltner was student manager of the varsity baseball team, and Hugh Cort was an outstanding member of the Freshman polo team. All in all the chapter was well represented in campus activities this year.

IMPROVEMENTS

Actives are all looking forward to the opening of school next fall to see how the newly decorated front room of the chapter house will look. We plan to have pictures of the outstanding Gamma Kappa Deltas as decorations in the front room. The alumni also plan to give the chapter some other improvements before the opening of rush week, September 21.

SERVICE

Uncle Sam will undoubtedly take many of our actives but we expect a large enough group to return to carry out the improvements in the chapter which have been so well begun this year.

Brother Branch Rickey is heading the active group of alumni who are helping with summer rushing and those of you who are acquainted with Brother Rickey know that on the Missouri campus, Gamma Kappa will have one of the outstanding pledge classes next fall.

Gamma Mu—Washington

Looking in retrospect over the past ten months filled with the activities and pleasures which become all Delt chapters plus the shock of war accompanied by innumerable blackouts and defense activities, we find Gamma Mu proud of her past accomplishments and eager to improve and make them worthy of greater merit next year.

NEW MEN

Breaking all previous records, Gamma Mu initiated nineteen men this year with two more pledges who are eligible and will be initiated at the opening of school next fall. Perhaps our success may be attributed to a well-planned rushing program followed by pledge training which included use of the Delt Development Program to the extent that Gamma Mu was acclaimed at the Western Division Conference to have ranked first in the country in its administration.

SCHOLARSHIP

Certainly one of our most conspicuous and worthwhile achievements for the past year has been in

the field of scholarship. At the conclusion of winter quarter, the active grade-point average was rated first among thirty-four fraternities, and the House average was rated second. Although the averages have not as yet been computed for spring quarter, we are certain of again being at the top or very near the top. Our present scholastic standing on the campus gives us virtual certainty of being placed on the Dean of Men's Achievement List for Outstanding Organizations on the University of Washington campus. Delegates returned from the Western Division Conference with the information that the chapter ranked second in the Division in scholarship for the previous year—we are out for first place this year!

SOCIAL

Including the innovations provided by affiliate Bob Mosher, former social chairman at Delta Pi, our social program kept the fellows "datin' and dancin'." We all remember the pledge informal as being the social highlight of the year at which time 1,200 inflated balloons literally covered the walls and ceiling of the house along with poems describing each of the pledges. Another event which promises to find its way into the schedule of next year's social program for a return engagement was the Memory-Lane Open House. Campus friends of both the actives and pledges were invited to attend and the music played was that of the old favorites of the members. With all the efficiency and graciousness characteristic of the Mother's Club, there was held on that fateful day of December 7, an open house under their sponsorship at which about one hundred and fifty couples were in attendance. These highlights combined with a number of smaller afternoon and sorority exchange dances made possible an enlarged social program for 1941-42 with plans already underway for a complete and thoroughly satisfying social schedule for next year.

ACTIVITIES

Gamma Mu has also done much this year in establishing a loftier position in University of Washing-

ton activities. Starting off the year by winning second place in all-fraternity competition for her Homecoming sign, she continued by placing more members than ever before throughout the campus in numerous extracurricular activities. Ben Lindsay and John Nelson both achieved positions on the Interfraternity Council, Lindsay taking the presidency of the house managers organization and Nelson achieving chairmanship of the pledge training committee. Lindsay has been treasurer of Alpha Kappa Psi for the past year and was offered the Phi Beta Kappa Scholarship for the coming year. Burt Waldo has been elected to the position of Relations Council on the Interfraternity Council which has direct control over all fraternity rushing activities for this coming fall. Ken Brazil was chosen as the outstanding underclassmen from among all students taking basic military training in the Coast Artillery Division. Dick Tucker who was head of the arrangements for the annual Interfraternity-Sorority Song Fest, has been very active in the University men's service organization, Malamutes. Dick Dunnington served on the Junior Interfraternity Council for the past year and has been appointed assistant business manager of the University magazine, *Columns*. Dick Pfeiffer has earned an award as intramural manager for the past year. Tom Sill has acted as assistant business manager of the University annual, *Tyee*, for the past year. In athletics, Gamma Mu has taken first award in volleyball, bowling, and golf in the intramural schedule.

ALUMNI

Starting the year by entertaining the alumni at an open house during homecoming festivities, numerous activities, including smokers, open houses, and initiation banquets, were carried on throughout the entire year. The grand finale being the alumni golf picnic held this spring at the Sand Point Golf Club. The picnic provided a good time to the large gathering of alumni and actives and featured the raffling off of the chapter's prize radio which was given by the winner, Ray Trowbridge, to the USO,

the presentation of a beautiful new trophy by ace-golfer alum Ed Stuchell, and his challenge to house and University intramural champion golfers Art Carlson and Gene Smith for a best ball match the following weekend. The next Sunday found a large gallery composed of a majority of the chapter and an alumni representation which included the scorekeeper, watching Ed Stuchell sink a twenty-two-foot putt on the fifteenth to give him and his partner, "Norry" Nickols, a slim margin of victory when the match ended with refreshments at the club house. Much to the relief of chapter members, Ed Stuchell saved the chapter's budget by contributing the trophy which is to be awarded to the winners of the annual active-alumni grudge match to be incorporated into the annual alumni golf picnic program.

SERVICE

Familiar faces now in the service of our country as officers are Boyd Morrison, Emil "Skid" Hanson, George Forbes, Jack Dierlein, Bob Yancey and Mickey Griswold. In officers training at the University are three men in the Quartermaster's Corps, four in Advanced R.O.T.C., two in Naval R.O.T.C., and almost the entire remainder of the chapter in some form of Naval, Marine, or Army deferment plan in preparation for officer's training after graduation.

SUMMER

Summer session finds Gamma Mu playing host, entertaining and mothering Delts from all over the country who come to Seattle to work, to attend school, to enter the Quartermaster's Corps, or to ship to the hotbed of battle, Alaska. In spite of as yet unrealized bombing threats, tanker torpedoings, and submarine sinkings off the Pacific Coast, nearly half the chapter has returned to attend summer school, and an informal chapter is in operation with activities and organization carried on much the same as during the formal school year.

RICHARD A. DUNNINGTON

Gamma Nu—Maine

Twenty-eight Delts returned last fall to live in the new Shelter. Most

of the year was spent unifying the chapter and attempting to boost the name of $\Delta T \Delta$ on campus. In spite of the year in which we had no Shelter, in spite of the many difficulties encountered in entering a partially completed and partially furnished house, and in spite of the hindrances imposed by the war, we can now safely say that we have achieved our objective and that Gamma Nu is once more back on its feet.

RUSHING

Probably the most important event this year was rushing. We pledged thirty-four Freshmen, four Sophomores, and one Junior, giving us second place on campus for the number of pledges. We used maps showing the locations of Gamma Nu alumni and of the undergraduate and alumni chapters of $\Delta T \Delta$. These, combined with the competent direction of Rushing Chairman Bob Harlow and his committee and the coöperation they enjoyed from the other Delts were responsible for our success. Garth Slater was the toastmaster at the pledge banquet which our new chef, Jack Cowan, prepared. We inaugurated the Delt Development Program at that time and it has surpassed all our expectations.

SCHOLARSHIP

Gamma Nu established itself scholastically in a very definite way, by winning the Senior Skull Scholarship Cup, which was awarded to the chapter with the highest scholastic average for the calendar year of 1941. We also took first place in scholarship for the fall semester. Two of our pledges, Jim Carter and Stan Murray, received scholarships.

INTRAMURALS

In intramural sports, we took second place in bowling. With our scholarship average secure and with our large number of pledges we will now be able to concentrate more on sports and other activities.

SUMMER—SERVICE

The special summer session at Maine resembles a Delt gathering with eleven Delts and pledges attending. Last year, several of the Delts served on volunteer defense

posts. Dick Day, Mac Day, Ellis VanHoesen, and Hal Lacroix are in the Advanced Course of the R.O.T.C., while Harry Honeyman, Bob Foye, and Charlie Markee were selected to take the course next year.

DELTS ON PARADE

Johnnie Bower, recording secretary, captain and star of winter sports team which annexed the eleventh state title in twelve years and moved into the senior division of the I. S. U. for next winter, varsity second baseman, Pale Blue Key, elected to Tau Beta Pi . . . Dick Day, president of Gamma Nu for second term, Scabbard and Blade, office of censor in Alpha Zeta (honorary agricultural fraternity), Men's Senate, Student Senate, Interfraternity Council . . . Mac Day, sergeant-at-arms, Phi Kappa Phi, Scabbard and Blade, Alpha Zeta . . . Scates French, Senior English Essay Prize . . . Ed Geary, treasurer for second term, Phi Beta Kappa, honors course, Phi Kappa Phi . . . Jim Kenney, varsity football, Der Deutsche Verein . . . Joe Albert, golf team . . . Lee Richards, Der Deutsche Verein . . . Bub Coons, second place in singles bowling tournament . . . Cal Conant, Intramural Association, *Prism* staff . . . Herb Roberts, Der Deutsche Verein . . . Lee McCobb, *Maine Campus* staff, concert band . . . John Tracy, Maine Masque, steward . . . Norm Mosher, newly elected corresponding secretary, treasurer Maine Outing Club, Pack and Pine . . . Dit Mongovan, newly elected vice-president, letter in winter sports . . . Marlowe (Perk) Perkins, newly elected president of Gamma Nu, assembly committee of Men's Student Senate, Interfraternity Council, Student Senate, Maine Masque . . . Don Innes, newly elected steward, concert band . . . Ed Piper, newly elected treasurer of Gamma Nu, office of chronicler of Alpha Zeta, *Prism* staff . . . George Fuller, title role in Saroyan's *Jim Dandy* . . . Bob Harlow, sergeant-at-arms, rushing chairman, Pale Blue Key (athletic organization), *Maine Campus* . . . Charlie Markee, newly elected assistant treasurer, varsity second baseman . . . Dick Bloom, business man-

ager of Maine Masque . . . Sam Collins, news editor of *Maine Campus* . . . Ralph Emerson, Maine Masque, *Maine Campus* staff . . . Art Geary, Frosh cross country manager . . . Bob Krause, numerals in Frosh cross country, tennis . . . Russ Libby, Frosh basketball . . . Bob Merchant, star Frosh pitcher . . . Stan Murray, numerals in Frosh cross country, glee club accompanist . . . Carl Ring, Frosh football numerals . . . Bob Smyth and Diddy Thibodeau, tennis . . . Clem Vose, *Maine Campus* staff.

SOCIAL

Gamma Nu's social events the past year were all successes, thanks to the efforts of Hal Lacroix, social chairman, and his committee. We tried a novel idea in the form of a "49-er" party for rushing which was very successful.

We had an open house in order to display our new Shelter in connection with the fall house party. At a banquet we entertained President Hauck, the deans of the colleges, and others who had helped us over our lean years. Mother Vickers, our new housemother, contributed greatly to the success of the spring house party. Commencement found the house empty of undergraduates and full of friends and parents of Seniors. This year, we have also tried several buffet suppers, and they have turned out surprisingly well.

At the last meeting of the year, our retiring president, Dick Day was presented with a gavel in recognition of his two difficult years in office. Bob Atkinson was married this year.

SERVICE

Herb Roberts and Joe Albert went into the Navy upon graduation and Lee Richards is enrolled in Tufts Medical. In the next letter, there will be a list of Gamma Nus in service. If anyone has any information which would help in compiling this list, please send it to us.

FUTURE

We have passed our hardest year. With our large number of fine pledges our success seems assured.

We can now devote more time to a well-rounded program.

NORMAN W. MOSHER

Gamma Xi—Cincinnati

"Dear Joe,

"Well fella, we showed 'em again this year. Remember that enormous Five-year Intramural Trophy that's been knocking around since 1929? They now need a new trophy, because the Delts here in Cincinnati showed a marked superiority and annexed the cup for the fifth time. We had previously won the cup in 1933, 1934, 1935, 1940, and now in 1942. Boy! What a celebration at the Spring Formal when the Trophy was presented.

"Besides the big cup, we also walked away with a majority of the cups given for individual sports. For the fourth consecutive year the Delts are the volleyball champs at Cincinnati. We won free throw, both singles and doubles in badminton, golf, doubles in handball, and doubles in horseshoes. Individual champions were Carl Weisshaar and Bill Wolf in badminton, Ralph Flohr in golf, Bob Reiman and George Dawson in handball, and Dick Reiman and Bob Reiman in horseshoes. We were runner-up in football, basketball, bowling, and baseball. I could say more but those cups speak for themselves.

"The spirit of coöperation and real friendship that is unique with Delts not only showed itself in intramurals, but also in other functions throughout the campus. Delta Tau Delta was well represented in student administration. Karl Keck, George Dawson, and Ken Heuck were members of Student Council. In Men's Senate were George Dawson, Walter Ismael, Lint Vorwerck, Ken Heuck, and Rick Nielsen. Karl Keck was on the Liberal Arts Tribunal, while Bob Reiman represented the Civil Engineers on the Engineering Tribunal. In the Glee Club were Rick Nielsen, George Bruestle, Al Vontz, and Lou Thomas.

"Walt Ismael was president of the Y.M.C.A. while Karl Keck was one of two men who made an extensive tour of the eastern states debating against such teams as Harvard, Rutgers and Tufts. Social Board

had Walt Ismael as chairman and George Dawson as one of its members.

"The Delts made an ample contribution to varsity sports. Jud Hall was first string end, while Joe Babcock, Doc Coburn, and Jack Hunt, members of the Freshman squad are sure starters for next year. Ken Heuck starred on the swimming team, and Bill Wolf captained the gym team. Three Delts, Ray Klaus-ing, Jack Hunt, and Bub Vorwerck played varsity baseball. Bub Vorwerck also found time to be the intramural manager.

"And Joe—take a look at this list of Delts in the honoraries. Phi Beta Kappa had Bob Toepfer and Charles Holling. George Dawson, Ed Dinkelaker, Walter Ismael, Karl Keck, and Bill Wolf were members of Omicron Delta Kappa. George Dawson was elected president of Tau Beta Pi, and Ed Dinkelaker was honored by membership in Beta Gamma Sigma.

"Oh well, Joe, there are lots more but its getting to be a long list. You can see that we did all right.

"Then there were our parties, Wow! Old Clothes Parties that couldn't be topped, picnics that had everything, a swell Pledge Formal, our grand Christmas Formal, the party we gave for the Mothers and the innumerable ones they gave for us, each one better than the previous one, and finally to top it off, that super Spring Formal. Believe me, there wasn't any beefing about our Social Calendar.

"It's been a rather sad year in some cases. Those old familiar faces of guys who are now in the Army are really missed. Bill Freeman, Sam Henney, Herb Sonnenberg, and "Tiny" Johnson are now in the Air Corps. Jim Matson, Jud Hall, and Walt Ismael have been drafted, while George Dawson and Ken Heuck are ensigns in the Naval Reserve. We'll really miss those fellows.

"No, Joe, we're not kicking. You know that old Delt spirit. Yep—we'll carry on. Bob Reiman is our new president, since Bill Wolf has gone to the R.O.T.C. Training Camp, and we're behind him all the way. The Freshmen have been swell, and everyone is getting ready

for another successful rushing season headed by Jack Strubbe.

"I guess that's about all, Joe. We've got lots of work yet before rushing starts and there aren't any slackers. Good luck to you, and we'll carry on from here."

BOB REIMAN

Gamma Tau—Kansas

Despite the loss of the chapter's president, treasurer, and corresponding secretary to Uncle Sam's Army during the first month of school, Gamma Tau with the Hill's outstanding pledge class of twenty-two men went ahead after a slow start and ended the year with an enviable record.

SCHOLARSHIP

The 1941-42 fraternity grades have not been computed as yet but the Delt average has taken a sudden upturn and is the best in recent years. Judging from the averages made by the other fraternities on the campus last year $\Delta T \Delta$ should rank at least fourth out of seventeen fraternities with a good chance at first place. Seventeen of our pledges made their grades and have been or will be initiated at the start of the next school year.

Dick Goheen received an award for being the honor graduate in the School of Pharmacy at the University. Bob Riederer and Richard Green were cited as honor men in the School of Medicine.

Gamma Tau had three men elected to honorary engineering fraternities, including Warren Thomas who graduated fourth in his mechanical engineering class with keys indicating his membership in Pi Tau Sigma, Sigma Tau, and Tau Beta Pi.

ACTIVITIES

The close of the fall semester found Gamma Tau in fifteenth place out of thirty-four organizations in the intramural sweepstakes, but led by Bill McIntire, a rejuvenated chapter "cleaned up" during the spring sports and ended in sixth place for the year. We annexed the tennis team title, were second in golf, and second in horseshoes. Our fifth place in softball was the lowest position we held in any spring

sport. First place in intramurals is our goal for next year.

Bill Perdue, our vice-president, is on the executive committee of the Interfraternity Council. Four Delts on the "Inner Circle" of Pachamac, Hill political party, keep us with our "finger in the political pie." Bill McIntire is secretary of the Engineering School Council and Laurie Russell is Senior Representative, completing the Delt contingent on this professional fraternity-dominated twelve-man council. These two Delts are the only social fraternity men on the council.

SOCIAL

Recognized as "best" in the social department for the last four years Gamma Tau again was credited with having the best fraternity party of the year in its winter formal dinner-dance held in the Union Building. Decorated by Howard Babcock, honor man in the Fine Arts School, we used an "Americanized" scheme of golden eagles on a red, white and blue indirect lighting background. This party was the highlight of our four parties during the year.

Gamma Tau takes pride in its *Keltz*, edited last year by Preston Johnson, and judged to be the campus' best fraternity publication.

With its new rushing system designed to meet the rubber and gasoline situation and consisting of zone rush captains situated in different sections of the state and controlled by a five-man rushing committee located at the chapter house, Gamma Tau is looking forward to getting the Hill's outstanding pledge class again next year. Charlie Elder is our rush captain and we are looking forward to a still bigger and better year in 1942-43.

As a special note to the something over sixty Gamma Tau men in the Armed Forces, we wish you fellows luck and while you're serving your country we'll be making your chapter back at K. U. better than ever.

V. L. CLINE, JR.

Gamma Upsilon—Miami

SCHOLARSHIP

During the school year of 1941-42 the Miami Delts set as a special goal

a higher scholastic ranking among fraternities on the campus. This goal was not entirely gained, but the records show substantial improvement. It is felt by the chapter that next year will better show the fruits of our labors. We are proud of our representation among the various scholastic honoraries on the campus, including Phi Beta Kappa, Sigma Pi Sigma, Delta Sigma Pi, Les Politiques, Sigma Delta Pi, and certain other local groups.

PUBLICATIONS

Brother "H" Feldmaier held the enviable position as associate business manager of the *Recensio*, Miami University yearbook. Now chapter treasurer, "H" found himself at the bottom of the pile of anxious brothers who wanted to see his *Recensio*, the first in the House. At the same time Jim Davies, retired vice-president, spent his free afternoons in the *Student*, University newspaper, office, heckling the new sports editor. Pledge Brother Foote told us he was late for pledge meeting one night because he had to cover a story; we later learned that we should have believed him.

ATHLETICS

With the trophy for fall softball resting conveniently on our mantle, we went out to get the title in the same sport this spring. Due to the loss of our stellar hurler, Wayne Clapp, we lost out near the end of the season. In both basketball tournaments our two teams came so close, even so far as the overtime in the finals, that we could picture the cups in the cabinets. Our defeats have only made us more determined to send pictures of the champions to THE RAINBOW next year. Concerning varsity sports, Gamma Upsilon is proud to have been represented on every team. Led by Jack Meier, Bob Gehlker, Jim Buzzard, Teddy Migdal, and Gene Woodworth of varsity football, Baldy Williamson as football manager, Wayne Clapp and Andy Vonovich of varsity basketball, Juny Hunter, Pop Edgar, and Jim Buzzard of varsity track, Hank Olson and Al Josselyn of varsity baseball, and Hal Feldmaier of varsity tennis, our pledges have taken it upon themselves to keep up the chapter standing in

regard to athletics. As at other chapters it will be only after the first day of school next year that we will be able to say how many of our athletes will be on future squads. Noteworthy was the work of John Gillespie and heavyweight champ Jack Meier during the boxing tournament.

ACTIVITIES

During the year, Herb Williamson, chairman of the Senior Ball, Oliver Hunter, and Harold Feldmaier were initiated into O.D.K. Noteworthy among the work of the pledges was John Griffith's stage success. Concerning the chapter itself, the brothers really enjoyed the social activities which were under the capable direction of Bert Stohman. It is impossible for us to sit back and think of the work we did and the fun we had last year without some expression of gratitude for the sincere kindness of our house-mother, Mrs. Young.

DICK LEININGER

Delta Alpha—Oklahoma

The first week of March brought fourteen new Delta Alpha initiates into the fold—the result of a fine rush last fall. On March 8, Joseph A. Brandt, founder of Delta Alpha and now president of the University of Oklahoma, made a speech at our annual Founders Day banquet on "Delta Tau Delta in National Defense." Mr. Dee German, banker-alumnus from Porter, Oklahoma, also made a short speech to alumni, actives, and pledges present.

ACTIVITIES

Delta Alpha has made a name for herself again on the O. U. campus in the field of activities. The *Sooner Shamrock*, Oklahoma's new engineering magazine, has had two editors since its start last spring and both of them have been Delts. Claude Gordon was the first editor and Herbert Keener, who was named to the post this spring, is the present editor.

Joe Enos was named president of Scabbard and Blade, national honorary military science fraternity. The Oklahoma Delts have sixteen men in this organization, the largest representation of any fraternity

on the campus. Joe Boucher was named president of Delta Sigma Pi and was selected for membership in Toga, national professional leadership fraternity. Jim Thacker was selected as treasurer of Delta Sigma Pi. Harold Kirkpatrick was admitted to Beta Gamma Sigma, national honorary business fraternity, and Checkmate and Pe-et. Bill Bender was selected as a Junior Phi Beta Kappa and was admitted to Checkmate and Pe-et. Buck Cartwright holds down the presidency of the Senior law class and a membership in Phi Delta Phi, honorary law fraternity.

ATHLETICS

Jim Thacker served as athletic director for the second semester and did a fine job. Delta Alpha teams went to the finals in intramural volleyball, softball, and tennis. Joe Enos occupied the position behind the plate on Jack Baer's O. U. baseball squad. Walter Moore, who won the state high school singles championship in tennis last year for Class A, is on the Freshman tennis team and is in line for a position on the varsity next year.

SOCIAL

A party was held in the chapter house on March 1. The lounge was decorated to resemble a bar room, food and drinks were served to the boys and their dates at special tables. This party was one of the best ever given. April 17, was the date for our annual spring formal. It was held in the university club and a good time was had by Delts and their dates.

One of our proudest accomplishments was winning the Interfraternity Sing cup this year. Delta Alpha has won this cup for six years out of seven it has been offered. The songsters were under the able direction of Jack Harlow and it was our second victory under his direction. On Mothers' Day, the tired, but happy Delt glee club serenaded all the sorority houses on the campus to finish up the year vocally. The Onyx Club minstrel show, put on by Delts at the Sooner Carnival in May, was one of the best shows on the "midway."

The O. U. glee club was chosen as one out of eight university glee

clubs to try for the national championship in Fred Waring's contest at Carnegie Hall in New York City. Claude Gordon, Bill Bender, and Wayne Smith are three songbirds in the glee club who will make the trip. On May 14, our annual senior banquet was held for fourteen graduating seniors.

SCHOLARSHIP

Bill Bender, our scholarship chairman, showed his Phi Beta Kappa key to members and pledges as an added incentive for them to hit the books. At the end of the first semester, Delta Alpha finished in the top six out of nineteen fraternities on the campus. We now claim nine members in Phi Eta Sigma, national honorary scholarship fraternity for Freshmen. Bill Price is president of this organization.

We now look forward to an even better year in regards to rush, activities, social standing, athletics, and scholarship.

GEORGE ANTHONY

Delta Gamma—South Dakota

Though Delta Gamma's outlook for the past year looked rather glum when we started out, due to the changes in world conditions, the Army and school enrollments, we really went to town and left behind us this spring an impressive record.

HONORS

We started out the new year with a bang by getting twenty-two new pledges, about a week after that we captured our first trophy, the most original float in the Dakota Day parade. We also captured a plaque for the highest average to be made by a pledge class of the fraternities on the campus. In keeping with that scholarship award, Chan Beach and Ted Thomsen were both elected to Phi Eta Sigma, honorary Freshman scholastic fraternity. In the military department, we had a number of boys in Pershing Rifles and several in Scabbard and Blade. Martin Weeks, Leland Hayes, and Don Doohen were on the school's rifle team, and Gil Paulton was in the Pershing Rifles crack squad. This summer session, we already have ten men in advanced Military.

PUBLICATIONS

Bob Erickson was made assistant editor of the *Volante*, the school newspaper; Clair Harding was business manager of the *Wet Hen*, humor magazine; and Bob Christol was assistant business manager of the *Coyote*, the University's yearbook. Though hardly of an entirely journalistic nature, Bob Severance was awarded the prize for the best costume at the annual dance sponsored by Alpha Chi Alpha, journalism sorority.

CAMPUS

When elections rolled around, Charles Austin was voted a member of the Union Board of Control, and chapter president Bud Ebert became a member of the Athletic Board. Among the activities, Bob Schwab was vice-president of the Spanish Club and Bob Merrick was vice-president and captain of the University band.

SPORTS

Sports always play a big part in the chapter's activities. We walked away with first place in the swimming matches. Bud Ebert, Don Doohen and Sed Stuart were letter winners on the varsity basketball team. Bob Miller, Johnny Manning and Sed Stuart were on the University track team. In football we had five huskies in Willard Van DerAarde, Eugene Graham, Lewis Turner, Edwin Brown, and Max Oviatt.

HONORARIES

Among the honorary organizations on the campus, Bud Ebert was elected to Dakotans—this organization sponsored the annual Interfraternity sing in which we took third place; Chuck Berg, Bob Christol were both made members of Strollers, the organization which sponsors the yearly Strollers Vaudeville show—Bob Christol is vice-president, Bud Ebert is secretary-treasurer of the organization. Bud is also vice-president of the Interfraternity Council.

FOUNDERS DAY

Probably the highlight of the Delt doings for the year was the very successful Founders Day. This

was made a success because of a very swell Delt, Martin B. Dickinson, who came way out to South Dakota to be with us. We are very thankful to the Central Office for help in bringing Brother Dickinson to us.

We have high hopes for a successful new year, we are a young chapter and are expecting quite a few boys back. We are not taking any chances, we already have a large rush list, and we are going to keep Delta Gamma on top.

BOB SCHWAB

Delta Delta—Tennessee

Although time and the elements of graduation and the Selective Service were not the kindest in the world to us last year, Delta Delta has survived and has not fared at all badly.

SCHOLARSHIP

First in the hearts of Delta Delta men has always been scholarship. Proud that Delt has ever ranked high not only as a national fraternity but also as an individual chapter, Tennessee Deltas have sought to uphold the intellectual traditions. Our pledges have won the campus Pledge Scholastic Trophy for three consecutive quarters. This trophy is a cup presented each quarter by Phi Kappa Phi. The active chapter ranked second among the fifteen fraternities on the campus last winter.

WHO'S WHO

Who's Who in American Colleges and Universities made a visit to our chapter this year to call on Bedford Transou Berry. Bedford, a Senior this year, has been quite outstanding on the campus, especially in politics. He has been called the Father of the Rebel Party, one of the political factions.

SOCIETY

At Tennessee $\Delta T \Delta$ has always been noted for its cordial hospitality. The Delt formal dance, although given on an evening on which it conflicted with another dance on The Hill, was a great success, for as the Dean was heard to say, "They always turn out for the Delt dances." Climaxing a great so-

cial year, Delta Delta was host to the Nahheeyayli Governing Board, the campus big wigs, and Tony Pastor's orchestra at an intermission party during the Nahheeyayli Spring Formals.

DRAMATICS

Mack Scott has had the leads in two productions of the Playhouse and was a guest actor with the Faculty Players this year. Mack is the business manager for the Playhouse and is a member of Alpha Psi Omega, national honorary dramatics fraternity.

HONOR SOCIETIES

Other honorary fraternal organizations on the campus have claimed $\Delta T \Delta$'s men. John Edmundson is a member of Delta Sigma Pi, commerce fraternity; Hugh Shackelford and Walter Gentry are in Scabbard and Blade, a fraternal order for advanced students in military science; and Mack Scott is in Pershing Rifles, the same as the above for basic military students.

MUSIC

Robert Gilbert, who was awarded the chapter cup as best pledge, and who is now one of our best actives, is concert-meister of the University Band. Robert has been awarded nine medals in solo and ensemble work in music.

SPORTS

Not only in cultural things has Delta Delta shown its mettle. Intramural sports are also in our field. We rank thus far about fourth among the Greeks on the campus with a good opportunity of coming out even higher before the end of the term. Joe Carden, a Delt pledge, was awarded a University key in volleyball. Tandy Wilson has been appointed cheerleader for the University sports.

POLITICS

Judge Dulane Dunlap, the chapter adviser here, was elected vice-president of the Southern Division at the recent convention in Atlanta. Ben Rogers served the University as vice-president of the Junior class for 1941-42. He was also a representative on the All-Students Club. Hugh Shackelford was president of

the Beaver Club. George Gleaves, prexy-elect of Delta Delta, is the new vice-president of Circle and Torch.

CIRCLE AND TORCH

Circle and Torch is a local honor society accepted by the national ODK. In it are Delt George Gleaves, Ben Rogers, Hugh Shackelford, and Bedford Berry.

CARNICUS

Near and dear to the hearts of Tennessee Delt has always been the Carnicus, a fun frolic held each spring. Bedford Berry was Carnicus manager this year, and on the staff every Delt in the chapter held a position of some importance. We had assistant managers, committee chairmen, and committeemen. For the stunt this year we presented a takeoff on *The Man Who Came to Dinner*.

Since Delta Delta initiated eleven men and is losing only two this year, she is expecting a season next year crowded even fuller with honors and "Big Men on the Campus."

MACK H. SCOTT, III

Delta Epsilon—Kentucky

RUSHING

When rush week was over September 20, 1941, we had a pledge class of thirty-one men, the largest of any fraternity on the campus. This success was due mainly to the efforts of our president, Earle Fowler, who conducted a statewide rushing campaign which included a personal tour to all the large towns of Kentucky.

SOCIAL

On Halloween a costume dance was held at Delta Shelter. The house was appropriately decorated.

On December 16 we won the Omicron, Delta Kappa Cwens All-Campus Sing for the sixth time in seven years.

A reception was held for Brother James Melton at Delta Shelter December 18, after his concert in Lexington. Governor Keen Johnson and Mrs. Johnson were in the receiving line.

A "Blitzkrieg" Ball was held in April. The costumes were uniforms

of nurses, women's auxiliary forces, and the Armed Forces. The House was decorated as a night club with an air raid shelter in the basement.

Brother Hugh Shields was the principal speaker at our Founders Day banquet, May 10.

The fraternities and sororities of the University combined May 8, to give a carnival, the proceeds of which were donated to the Red Cross. Although we got a late start that night, the Delt had the highest receipts among the fraternities with a side show which included a minstrel, a magician, and Hawaiian hula dancers.

SCHOLARSHIP

Delta Epsilon placed third out of eighteen fraternities in scholarship for the year.

During the year we also established a blood bank with the Red Cross, to be used for the Armed Forces.

HONORS

Honors and offices gained by members of Delta Epsilon were:

Tau Beta Pi—Givens Dixon and Dunham Short.

Phi Beta Kappa—Bernard Stoll and Earle Fowler.

Omicron Delta Kappa—Givens Dixon and Robert Ammons.

Sigma Pi Sigma and Student Government Treasurer—Givens Dixon.

Interfraternity Council President—Jack McNeal.

Vice-President of Keys and winner of the Scabbard and Blade Trophy for Individual Competitive Drill in R.O.T.C.—Jack McNeal.

Editor of the student paper, the *Kentucky Kernel*—Robert Ammons.

Winners of varsity letters—Carlisle Myers, Edward Lander, and Jack Casner.

HARRISON DIXON

Delta Zeta—Florida

ENROLLMENT

Delta Zeta climaxed a year of steady development and since its portals will open to probably the largest group of actives in the chapter's seventeen-year history, an even more brilliant record is anticipated in the coming year.

SPORTS

The Delts continued to keep pace in the top brackets of the Intramural sports competition, taking the cup for touch football, badminton singles and badminton doubles. Jerry Toms and Merrill Carraway were among the top ten high-point men in the fraternity league. On varsity teams Carl Severin ran for Florida, and Ray Carroll played center on the basketball team.

SCHOLARSHIP

Lamar King, Jack Gruber, James Wattenbarger, Clem Crossland, Max Cobbey, and Grady Drake held up the scholarship, all being placed on the Dean's list.

POLITICS

Delta Tau Delta was affiliated with the strong political party on the campus and received three nominations for top campus offices.

SOCIAL

In addition to functioning during all the big University weekends, the chapter staged a number of informal dances and Delta Zeta was extremely fortunate in being able to play host to Alvan E. Duerr when he came to the campus to be principal speaker at Florida's Greek Week. Mr. Duerr was also guest speaker at the Jacksonville alumni meeting, where some sixty alumni and undergraduates met to celebrate the Fraternity's Founders Day. The Delts had one of the largest and finest homecoming celebrations in many years. Over a hundred Delts and their guests dropped by the chapter house during the weekend. To cap the affair, $\Delta T \Delta$ received a large silver cup for having the best decorated fraternity house on the campus.

GRADY DRAKE

Delta Theta—Toronto

Last year, as in previous years, Delta Theta was successful academically, fraternally and socially.

SPORTS

In the sports line, this year, Johnny Northwood surpassed himself in swimming—Johnny is one of the school's outstanding swimmers

and was manager of the Junior swimming team. On the track Johnny Feldhans piled up a substantial number of points for the honor of the dear old "Schoolhouse" while Bob Stewart on the ski team did more than his part in that winter sport. "Stew" Graham and Fred Bell represented Delta Theta on the football field; Dave Craig turned out for "gym" again and is still one of the school's most outstanding gymnasts.

SOCIAL

Social activities began with the rushing parties, made up of evening dances, smokers, bowling parties, tea dances, and a wiener roast. Following these came the annual Hard Times Party. At Christmas before the boys went home for their Holidays, the Christmas Banquet was held and such a dinner was never before eaten. The Mothers' and Wives' Club party deserves special mention as does the initiation banquet and the party at Alex Harvey's home following it. Then came February 14, the date of the Fraternity Formal where all the best gals with their Delts turned out, and a grand dance was held at Crofton Villa. Later on in the year, just prior to the examinations, the Grads' Annual Banquet was held and many of us had the supreme pleasure of hearing Alvan E. Duerr give an inspiring talk on the Fraternity. It is a shame that under the pressure of impending examinations some of the actives could not show up. These events, mingled with the odd house party, formed a very full and enjoyable social calendar.

SERVICE

This year the chapter lost a great number of favorite brothers, when they graduated, many of whom have already joined the Canadian Army and have either just finished or are in the process of completing their training course at Brockville, Ont. Last year's president, Murray Kilpatrick, Bill Cranford, Jack Fowlie and Angus Brown are training as lieutenants in the Signals while George Crase and Jim Alexander have been training with the Engineers and should be granted their commissions shortly.

This sums up fairly accurately the most important points of the doings at Delta Theta during 1941-42, and may we wish that all chapters have a successful year next year.

W. EDWARD BESSANT

Delta Iota—U.C.L.A.

SERVICE

As the first school year of World War II comes to a close, Delta Iota has not as yet felt the brunt of the struggle, although we can boast of men in every branch of the Service. It is still hard to realize that we are a country at war, for at the time of this writing we have a house filled to capacity. Much of our good fortune is due to the fact that we have seven men in the advanced corps of the military department, also eight men in the Naval unit which defers them until graduation. We plan on initiating eight men this summer, and have already started rushing for a new pledge class.

SPORTS

During this last year our chapter has kept her position as one of the leading Houses on the campus. We have acquired three new trophies in football, track, and tennis. In school athletics, Stu McKenzie played varsity football until injured in the middle of the season. John Fryer, Ains Bell and Jack Baddley were on the basketball squad while Fred Hilker played regularly on the Frosh team. Tom Duddelson and Jim House were on the track team. Of our pledges Warren Morton played soccer, Bill Laub was on the Frosh baseball team, and Bob Reber rowed in the Frosh boat.

MANAGERS

In the managerial field we also distinguished ourselves having Clark Tinch as Senior manager of football, Gordon Hewson and Charlie Hutchinson Senior and Frosh managers of basketball and football, Dick Harris and Paul Rich as Senior and Junior managers of basketball.

CAMPUS

For the coming year, Phil Hutchins has been appointed executive secretary for the Interfraternity

Affairs Office. Dick Horton is the new chairman of the Cal Club while Stu McKenzie has been elected president of Associated Men.

DELT-DELTA GAMMA

Despite the war, we held our traditional Delt-Delta Gamma Ball with Sonny Dunham and his orchestra furnishing the music. It was a big success. In the last few weeks four more Delts have left for training in the Armed Forces. Frank Cookson, to the Army Air Corps; Tom Neely to the Naval Air Corps, Matt Mahana and Frank Hintze to serve as officers in the Army.

There is no doubt but what Delta Iota will continue to do her share in loaning her men to Uncle Sam, but I feel confident in saying that there will always be enough of us left to keep our chapter going so that after the battle is won we will have a chapter to come back to.

ALVIN GRIESEDECK

Delta Kappa—Duke

Delta Kappa's record for the past year was one of outstanding achievement in all fields.

ATHLETICS

Both in varsity and intramural athletics Delts were active. The football, lacrosse, track, cross country, and swimming squads claimed members of this chapter, while managerships were held in track and cross country. The one and four spots on the rifle team were manned by Delts; and we were represented in the Duke Varsity Club and on the cheerleading squad.

Intramural championships were taken in volleyball, bowling, and bridge, while Dick Sanborn splashed his way to high-point honors and to a new school record in the swimming meet.

PUBLICATIONS AND HONORARIES

Bill Thomas was editor of the *Archive*, and other Delts were active on the staffs of the *Duke 'n' Duchess* and *Chronicle*.

Members of the following honorary organizations wore the Delt badge: Pi Mu Epsilon, Kappa Delta Pi, Tau Psi Omega, Bench and

Bar, Hesperian Union, Polity Club, Pre Med Society, American Society of Mechanical Engineers, American Institute of Electrical Engineers, Beta Omega Sigma, and Omicron Delta Kappa, while the presidency of Theta Alpha Phi was held by a brother.

ACTIVITIES

Five Delts were on the Freshman Advisory Council, while others cavorted with the Duke Players, and took the leads in all major productions. We had men on the Freshman and Sophomore "Y" Councils, and in the Forestry Club.

Leading in campus politics were Dick Sanborn, elected Sophomore SGA representative, and Bill Thomas as a member of the War-time Student's Activity Board.

Three brothers made the Dean's List, while Bill Dackis made the highest marks in his class and was elected to Phi Eta Sigma.

SOCIAL AND RUSHING

Our rushing efforts proved highly successful and twenty-one men were pledged, insuring Delta Kappa of continued prominence on the campus and in all activities. In a hotly contested ball game a pledge class nine defeated the actives' team, and the losers threw a stag party for the pledges which proved a tremendous success.

The spring initiation was followed by the Founders Day banquet, and we were honored by the presence of several visiting Delts.

Many cabin parties, open houses, picnics, and chicken fries were enjoyed by the chapter throughout the year.

ELECTIONS

Chapter officers for the year were Jerry Smith, president; Boyd McKinney, vice-president; Tom Moore, corresponding secretary; John Snyder, recording secretary; Tress Pitenger, treasurer.

Those men elected as officers for the coming year are Dick Haines, president; Boyd McKinney, vice-president; Morris Pitts, corresponding secretary; Al Farley, recording secretary; John Mills, treasurer. When the chapter reopens in the fall, these men will endeavor to lead

Delta Kappa through another successful year and to new heights.

MORRIS PITTS

Delta Mu—Idaho

SERVICE

The past year has seen a great deal of changing activity at Delta Mu, the war being the main factor. In the fall there was a large class of over twenty pledges which made a rosy picture for the future. But at mid-year two members and eight pledges left school, most of them going into the Armed Services. By late spring though, we had filled this deficiency by an intensive rushing program and the House was running normally again.

DEVELOPMENT PROGRAM

All in all, Delta Mu has had a very successful year. We've had some tough going but we've surmounted our difficulties and come out well in the running. We owe a great deal to the leadership and efforts of our chapter adviser, Al Janssen. The Delt Development Program has been put into practice under the direction of Bill Leonard and the pledges have derived many benefits from it.

HONORS—SOCIAL

Many of the fellows have held key positions on the campus and many belong to honorary societies. We have had many successful social events including Pledge Dance, Russian Ball, Spring Formal. Under the leadership of Roy Keuhner and Bob Walkley we enjoyed a very novel "Spook Party" on a Friday the 13th, which included a treasure hunt, a tunnel of perils, and dancing. We hope to make this an annual event. The last main events of the year were a trip to Lake Chautolet and the Senior Banquet. Last February, Delta Mu had a large delegation at the Western Division Conference held at Boulder, Colorado.

GRADUATES

Nine members finished their education here at Idaho, and will be in many different places by now. Robert Ingraham, mining engineer, goes to Westinghouse this fall; Roy

Keuhner, forestry, is now working for the Nevada Forestry Service; Wayne Rodeback, physics, will be at the Research Radiation Laboratories of M.I.T. in the fall; Richard Still, economics, is soon to be inducted into the Army; Steve Utter, mining engineering, is assuming a position for a mining company in Chile, South America; and Stan Varner, mechanical engineer, is in the Testing Division of Curtis Wright Institute at Paterson, New Jersey.

The others whose positions are as yet unknown or undecided are Kinsley Brown, chemical engineer; Bill Leonard, mining engineer; Bob Swisher, mechanical engineer and past house president. Delta Mu will miss these men and all are looking forward to a "homecoming after the war."

We are losing several more of our men to the Armed Services who ordinarily would be back this fall. Newly elected house president, Wesley Evans, expects to enter the Army this summer. Also in the Army will be Bob Korman of Chicago, Eli Schwalbe, and Dee Gray.

Although our ranks are depleted we are looking forward to a successful year. We expect to receive a fresh impetus from the new men entering the University of Idaho this fall. This year fellows will have more definite plans for the future and the activity of the House will not be so uncertain.

WAYNE RODEBACK

Delta Xi—North Dakota

The past school year was kind to Delta Xi and its members. Delta Xi men were found throughout the University's academic and social life.

ACTIVITIES

Some of the activities and organizations in which North Dakota Deltas participated were: Homecoming chairman, Homecoming ball chairman, Y.M.C.A. cabinet, Phi Delta Kappa, Sigma Xi, Captain of Scabbard and Blade, secretary-treasurer of the Interfraternity Council, Sigma Tau, A.I.Ch.E., Madrigal Club, Dakota Student, A.I.M.E., and Beta Alpha Psi.

SCHOLARSHIP

Not neglecting one of the primary aims of Delta Tau Delta, Delta Xi men coöperated and brought the coveted scholarship cup into the Shelter with the highest fraternity average on the campus.

SERVICE

This chapter has contributed her share of men to the war industries and the Armed Forces all over the world.

The coming years will be a test for our men trained the Delt way, the winning way.

CLIFFORD M. ANZJON

Delta Omicron—Westminster

Now that the 1941-42 year is past we can pause and look over her accomplishments. During the three years of existence on the Westminster campus we have been steadily assuming a position of foremost prominence. We believe that our last year has been most successful.

SCHOLARSHIP

Delta Omicron has risen to the top scholastic position on the Westminster campus. The average for the second semester was 86.7. Over one-third of the members of the active chapter made either the honor roll or the honor list. We are very proud of this record, since Delta Omicron was the lowest on the campus three years ago at its founding. Frank Winters, scholarship chairman, has been largely responsible for this record.

HONORS

Dick Booth, our retiring president, was vice-president of the student body, and Ted Zickos was elected secretary-treasurer of the Senior class. Our new president, Robert Ehrenberg, has been elected secretary-treasurer of the student body for the coming year; Erlandson was tapped for the "Skulls of Seven," honorary college disciplinary board. John Bondurant and Frank Winters are holding assistantships in the Biology laboratory for the second and third years, respectively, while O. T. Bloomer is the new Chemistry assistant; Bondurant is also vice-president of Phi

Rho, honorary pre-medical fraternity. One of our pledges, Jack Carson, has been president of the Freshman Literary Society.

ATHLETICS

Due to the graduation of most of our lettermen, we had to be satisfied with a fourth for the year's intramurals. However, we did tie for the basketball championship, and two new men, McCrory and Titus, made varsity teams. The spirit of the men in regard to athletics is commendable, and we all look forward to next year's prospects.

SOCIAL

You alumni know what it is. It hasn't changed a lot. There are the Saturday night "Vic" parties, and Sunday dinner dates. There was the pledge formal, and then the Christmas formal, for which Zickos, Fisher, and Payne coöperated to produce some of the most distinctive decorations this campus has ever seen. The Spring Formal topped them all, what with rock garden, dancing on the veranda, and a full moon. We were happy to welcome the alumni back to the Shelter for this occasion.

ALUMNI

It is becoming increasingly difficult to keep track of our many alumni in the Service. We earnestly request that those with whom we are not now in contact will get in touch with us. Mother Owen has been doing a splendid job of keeping in touch with many of our alumni.

PLEDGES

During the 1941-42 year nineteen men were initiated out of a class of twenty-one pledges. This being the best pledge class in Delta Omicron's three-year history.

SUMMER SESSION

Delta Omicron is now in the midst of the summer session at Westminster College. Although many men have taken jobs for the summer, enough actives have returned to insure a successful semester financially, academically, socially, and intramurally. Four new men have been pledged.

O. T. BLOOMER

Delta Pi—U.S.C.

Delta Pi continues on its way toward establishing itself as a leader on the U.S.C. campus.

SCHOLARSHIP

The scholastic average of Delta Pi for the first semester of the year 1941-42 was 1.505, the highest average for several years of any fraternity on campus. As the fraternity scholarship cup is awarded on an annual basis, the chapter must repeat this achievement in the current semester—something which it is confident it can do. A complete surprise came when it was announced that Delta Pi had won the Balfour Scholarship Cup. This cup was presented to the chapter for having the highest percentage of fellows receive scholarship keys. This is a perpetual trophy and is another which we hope to have in our possession for some time to come.

MUSIC

Delta Pi has again distinguished itself as an organization containing much musical talent. It is now the proud possessor of the award for first place in the Sweet Song division of the annual Interfraternity Song Contest. The winning song was "My Delta Tau Girl," arranged in four-part harmony by brother Don Ralke, past president of the School of Music. Another cup was awarded Delta Pi for its singing at the annual Alumni Association banquet held in Los Angeles.

DEBATE

The chapter is proud of its three debaters. Potter Kerfoot, teaming with his colleague, won the Senior Men's Division in debate at the Western Association of Teachers of Speech held in March at Pepperdine College here in Los Angeles. He repeated this victory by winning the Los Angeles City College Tournament. Brothers Bob Oliver and Bob Meyer teamed together to tie for first place in the Lower Men's Division in the same tournament.

ATHLETICS

Delta Pi has been well represented on the field of athletics.

John Biewener, the University's flashy high hurdler, has continually defeated all available opposition here on the Pacific Coast. Due to the lack of competition his times have not been up to the standards which he set last year, but he hopes to hit his stride in the coming eastern meets. Dave Dow, one of our pledges, has successfully completed the season in both gymnastics and water polo, receiving letters in both sports. Paul Barker earned his second letter in fencing, and Lance Mason was one of the mainstays on the U.S.C. ski team.

SERVICE

The Army made its first visit to Delta Pi when it called Zack Farmer into the service. Zack, who was to be one of the school's top javelin throwers, looks plenty snappy in his 2nd lieutenant's uniform. The only other call from the Army thus far was directed at Rex Ragan, one of our faculty members. We of Delta Pi now greet him as "Major Ragan."

HONORARIES

The chapter is indeed proud of the number of Delts who have been received into the various honorary groups on campus. Jim Brown, our new president, has been accepted into the Knights, the Trojan Service organization. Ken Morse has been given the bid of Blue Key, the National Service Honorary on campus. The Squires, lowerclassmen's service organization, called Dave Dow and Eddie Cacka into its fold.

MOTHERS' CLUB

The mothers' club of Delta Pi is doing wonders with the chapter house. A short time ago they presented the boys with a new card table set, and followed that by new drapes for the living rooms. Their latest contribution was a set of new rugs for three of the rooms downstairs.

The night of May 1 featured the annual Mothers and Fathers Banquet. It was attended by more than one hundred fifty parents and members. The evening's entertainment included a trio of promising musicians who presented the gathering with some of that thing called "corn."

OFFICERS

The new officers for the coming year are as follows: president, Jim Brown; vice-president, Allan Brown; recording secretary, Bennett Priest; corresponding secretary, Kenyon Crawford; guide, S. M. Hufstедler; guard, Paul Barker.

THE DELT INITIATES

BETA—OHIO

- 738. Milton Ross Norris, '43, 3091 Yorkshire, Cleveland Heights, Ohio
- 739. Richard Clary Randall, '44, 1021 Beatty Ave., Cambridge, Ohio
- 740. Charles Dale Sampson, '45, 1475 N. Euclid Ave., Dayton, Ohio
- 741. Edmund A. Wanner, Jr., '45, 2978 Neil Ave., Columbus, Ohio
- 742. Glenn Edward Humphrey, '45, 483 W. Walnut St., Painesville, Ohio
- 743. James Edward Kerman, '45, 1447 Cory Drive, Dayton, Ohio
- 744. Charles Robert Hanna, '45, 455 Jayson Ave., Mt. Lebanon, Pa.
- 745. Roger Gene Hunter, '45, P.O. Box 197, South Charleston, Ohio
- 746. Richard Harding Schmidt, '45, 223 N. Firestone Blvd., Akron, Ohio
- 747. Thomas Caleb Dula, Jr., '46, M.C. 37, Warren, Ohio
- 748. George Norman Berger, '45, 3496 Brookline Ave., Cincinnati, Ohio

DELTA—MICHIGAN

- 656. Maxwell Carpenter Huntoon, Jr., '45, 88 Cooke St., Providence, R.I.
- 657. Paul Edward Morgan, '45, 327 North Morgan, Rushville, Ind.

EPSILON—ALBION

- 587. Roy Albert Corwin, '44, 221 Chippewa, Pontiac, Mich.

ZETA—WESTERN RESERVE

- 414. Ranny Carl Osterthaler, '46, 2870 Ludlow Rd., Cleveland, Ohio
- 415. Harold Gustav Centini, '45, 17015 Fernway Rd., Shaker Heights, Ohio
- 416. Oliver Paul Kimball, '45, 3667 Traver Rd., Shaker Heights, Ohio
- 417. Andrew John Uhrain, '45, R.F.D. No. 4, Youngstown, Ohio
- 418. Robert Elmer Barner, '45, 2220 Maplewood, Cleveland Heights, Ohio

MU—OHIO WESLEYAN

- 617. Richard Harvey Heidkamp, '43, 348 Corona Ave., Dayton, Ohio
- 618. Dean Blinn Johnston, '45, 6409 Grand Vista, Cincinnati, Ohio
- 619. Henry Arthur Strachan, '45, 55 N. Washington, Delaware, Ohio
- 620. Jack Freeman Brooks, '45, 537 Kolping Ave., Dayton, Ohio

PI—MISSISSIPPI

- 94. Jesse Barry Lee, '42, Etta, Miss.
- 95. James Elmer Merritt, Jr., '45, 230 School St., Clarksdale, Miss.
- 96. Paul Jones Brannon, '43, Utica, Miss.
- 97. Lloyd Hunter Gates, Jr., '45, 1582 W. Capital St., Jackson, Miss.

RHO—STEVENS

- 401. Malcolm Douglas Widenor, '45, Bassett Park, Dover, N.J.

This department presents the chapter number, full name, class, and home address for initiates, reported to the Central Office by the undergraduate chapters from April 10, 1942, to July 16, 1942.

- 402. Edward Joseph Farley, '45, 184 Mountain Way, Rutherford, N.J.
- 403. John Wesley Cornwell, III, '45, 1308 Ditmas Ave., Brooklyn, N.Y.

PHI—WASHINGTON AND LEE

- 338. Roger Rogers Kimball, '45, 57 Gayland Rd., Needham, Mass.

CHI—KENYON

- 417. Wilbur David Cannon, '45, 602 Summit St., Iowa City, Iowa
- 418. James Grantham, Jr., '45, 2115 Lincoln St., Evanston, Ill.
- 419. Donald Marshall Knapp, '45, 102 Riddell St., Greenfield, Mass.
- 420. John Willard Shepherd, '45, 3600 Mooney Ave., Cincinnati, Ohio
- 421. James Frederick Toy, III, '45, 1914 Jackson Blvd., Sioux City, Iowa

BETA ALPHA—INDIANA

- 654. Robert LeRoy Vittoz, '43, 625 Scott St., Covington, Ky.

BETA GAMMA—WISCONSIN

- 506. Allen Davis Everitt, '45, 2974 N. Frederick Ave., Milwaukee, Wis.

BETA DELTA—GEORGIA

- 291. Gordon Philip Hamrick, Jr., '45, Jasper, Ga.

BETA EPSILON—EMORY

- 424. Claude Hayes Sullivan, '44, Perkins, Ga.
- 434. Jephtha Edward Campbell, III, '45, Box 100, Norcross, Ga.

BETA ZETA—BUTLER

- 547. Robert Brown Dreesen, '43, 423 W. 46th St., Indianapolis, Ind.
- 548. Joseph Gerald Wick, '43, 500 Front St., Washington, Ind.
- 549. William Calvin Wildman, '45, 5608 University Ave., Indianapolis, Ind.
- 550. Harry O. McGee, '45, 6602 N. Michigan Rd., P.O., New Augusta, Ind.
- 551. Frank William Parkhurst, '43, 6062 Central Ave., Broad Ripple Post Office, Indianapolis, Ind.
- 552. Glenn Raymond Booker, '45, 124 N. Gladstone, Indianapolis, Ind.
- 553. Eugene Paul Graham, '45, 1908 N. Oak, Danville, Ill.

- 554. James Phillip Morrow, '45, 225 W. 46th Ave., Gary, Ind.
- 555. Ross Paul Richards, Jr., '45, 4435 College Ave., Indianapolis, Ind.
- 556. Walton Gauntlett Wilson, Jr., '45, R.R. 16, Box 366-B, Indianapolis, Ind.

BETA ETA—MINNESOTA

- 476. Robert Hayes Eaton, '45, 4204 Oakdale Ave., Minneapolis, Minn.
- 477. Ludwig Rutherford Wallgren, '43, 5124 Emerson Ave. S., Minneapolis, Minn.
- 478. James Walter Gebhard, '45, 5032 Morgan Ave. S., Minneapolis, Minn.
- 479. John Esterbrook Date, Jr., '44, 3737 Colfax Ave. S., Minneapolis, Minn.
- 480. Jack Winston George, '45, 1720 West Lake St., Minneapolis, Minn.
- 481. John Arthur Peterson, '45, 4313 West 42 St., Minneapolis, Minn.
- 482. Paul William Haas, '44, 732 W. Wheelock Parkway, St. Paul, Minn.
- 483. George Howard Swanson, '45, 243 Linden Ave., Wilmette, Ill.
- 484. Leon John Frost, '43, Le Sueur, Minn.
- 485. John Harry Zoller, '45, 5207 Humboldt Ave. S., Minneapolis, Minn.
- 486. Robert William Johnson, '45, 241 Sheridan S., Minneapolis, Minn.

BETA THETA—UNIVERSITY OF THE SOUTH

- 431. David Alan Summers, '45, 311 Joliet St., San Antonio, Tex.

BETA IOTA—VIRGINIA

- 395. Lloyd Curtiss, Jr., '45, 19 Badeau Ave., Summit, N.J.
- 396. Joseph Dorst Patch, Jr., '45, Hotel Martinique, Washington, D.C.

BETA KAPPA—COLORADO

- 604. William Earnest Martin, '45, 607 Jackson, Denver, Colo.
- 605. Robert Frank Bigelow, '45, 2017 Hudson St., Denver, Colo.
- 606. Charles Gordon Callard, Jr., '45, 900 N. Capitol, Lansing, Mich.
- 607. Robert Ashley Shattuck, '44, 107 University Ave., Shenandoah, Iowa
- 608. James Edward Lynn, '45, 163 Lakeside Manor Dr., Highland Park, Ill.

BETA XI—TULANE

- 290. Edward Lewis Clements, '45, 201 Watkins St., Lake Charles, La.
- 291. Edward Langhoff Emling, '45, 1518 Lowerline St., New Orleans, La.
- 292. Richard Frotscher Muller, Jr., '45, 290 Palmer Ave., New Orleans, La.
- 293. Walter Flower Plauche, '45, 4433 St. Charles Ave., New Orleans, La.
- 294. William Floyd Williamson, Jr., '45, 960 Richland Ave., P.O. Box 843, Baton Rouge, La.

BETA RHO—STANFORD

469. Harold Eugene Patterson, II, '42, 5915 N. Moore, Portland, Ore.
 470. William Richard Channell, '44, 51 Orchard Rd., Orinda, Calif.
 471. Duane Edward Zamzow, '43, 638 Weldon, Fresno, Calif.

BETA UPSILON—ILLINOIS

625. James Reid Gardiner, '45, 10028 S. Oakley Ave., Chicago, Ill.
 626. Robert Joseph Boyle, '44, 715 Plainfield Rd., Joliet, Ill.
 627. John Alan Reese, '45, 3401 E. Calhoun Blvd., Minneapolis, Minn.
 628. Robert Calvin Snyder, '45, 8143 Rhodes Ave., Chicago, Ill.
 629. Glen Givens Yankee, '39, 1619 Northern, Independence, Mo.
 630. James Roderick Chisholm, '43, 638 Fayette Ave., Springfield, Ill.
 631. Arthur Edward Pickens, Jr., '44, 7745 Del Mar Blvd., University City, Mo.

BETA PHI—OHIO STATE

517. John Francis Archer, '45, 3256 Indianola Ave., Columbus, Ohio
 518. David Nichols Early, '45, R.R. 3, Loveland, Ohio
 519. William Franklin Eick, '45, 428 Potter St., Toledo, Ohio
 520. James Claude Ferguson, '45, R.D. 2, Avella, Pa.
 521. George Andrew Harmon, Jr., '45, 1784 Guilford Rd., Columbus, Ohio
 522. Charles Russell Henry, '45, R.F.D. 1, Pataskala, Ohio
 523. David Baine Johnston, '45, 906 Kreis Lane, Cincinnati, Ohio
 524. William Clinton Love, '45, Somerset, Ohio
 525. Kenneth Charles Lucas, '45, 1478 Cohasset Ave., Lakewood, Ohio
 526. Clifford Samuel Zuhars, '44, 1040 25th St., Portsmouth, Ohio
 527. Harry Harrison Holloway, Jr., '42, 2940 Lee Rd., Shaker Heights, Ohio

BETA PSI—WABASH

362. Robert Uhrig Houts, '45, 6635 Yale Ave., Chicago, Ill.

GAMMA BETA—ILLINOIS TECH

435. Richard John Michalek, '45, 2327 S. Austin Blvd., Cicero, Ill.
 436. James Frederick Decker, '45, 444 Englewood Ave., Chicago, Ill.

GAMMA GAMMA—DARTMOUTH

665. Eugene McDonald Kinney, '44, 48 Beard Ave., Buffalo, N.Y.
 666. Roger Atherton Clark, Jr., '44, 319 Juniata Ct., East End, Pittsburgh, Pa.

GAMMA DELTA—WEST VIRGINIA

445. George Leathwhite Roberts, Jr., '45, 1569 Lee St., Charleston, W.Va.
 446. Richard Howard McElwee, '43, 10th Ave., Marlinton, W.Va.
 447. Claude Ross Cytlip, '45, 1605 Covert St., Parkersburg, W.Va.
 448. William Madison Barnhart, '45, 121 Park Ave., Clarksburg, W.Va.

449. Burton Earl Bridge, Jr., '45, 723 Mulberry Ave., Clarksburg, W.Va.

The names of the undergraduate chapter corresponding secretaries are given in this chapter roster.

Southern Division

- PHI—WASHINGTON AND LEE UNIVERSITY, Gordon L. Sibley, Jr. ΔTA Fraternity, Box 915, Lexington, Va.
- BETA DELTA—UNIVERSITY OF GEORGIA, Gordon P. Hamrick, Jr. ΔTA House, 248 Prince Ave., Athens, Ga.
- BETA EPSILON—EMORY UNIVERSITY, T. Gray Fountain ΔTA House, No. 1, Fraternity Row, Emory University, Ga.
- BETA THETA—UNIVERSITY OF THE SOUTH, Robert G. Donaldson ΔTA House, Sewanee, Tenn.
- BETA IOTA—UNIVERSITY OF VIRGINIA, Standiford R. Gorin ΔTA House, University, Va.
- BETA XI—TULANE UNIVERSITY, Clyde K. Brown ΔTA House, 496 Audubon St., New Orleans, La.
- GAMMA ETA—THE GEORGE WASHINGTON UNIVERSITY, T. Robert Valliant ΔTA House, 1832 16th St., N.W., Washington, D.C.
- GAMMA PSI—GEORGIA SCHOOL OF TECHNOLOGY, Martin L. Van Buren ΔTA House, 227 4th St. N.W., Atlanta, Ga.
- DELTA DELTA—UNIVERSITY OF TENNESSEE, Mack H. Scott, III ΔTA House, 1501 Laurel Ave., Knoxville, Tenn.

- DELTA EPSILON—UNIVERSITY OF KENTUCKY, John H. Dixon ΔTA House, Forest Park Rd., Lexington, Ky.
- DELTA ZETA—UNIVERSITY OF FLORIDA, Grady W. Drake ΔTA House, Gainesville, Fla.
- DELTA ETA—UNIVERSITY OF ALABAMA, Banks E. Eudy, Jr. ΔTA House, 721 Tenth Ave., Tuscaloosa, Ala.
- DELTA KAPPA—DUKE UNIVERSITY, Morris W. Pitts ΔTA Fraternity, P.O. Box 4671, Durham, N.C.

Western Division

- BETA KAPPA—UNIVERSITY OF COLORADO, Robert E. Wehrli ΔTA House, 1505 University Ave., Boulder, Colo.
- BETA RHO—STANFORD UNIVERSITY, John D. Carpenter ΔTA House, Stanford University, Calif.
- BETA TAU—UNIVERSITY OF NEBRASKA, Bernard F. Weygint ΔTA House, 348 N. 14th St., Lincoln, Neb.
- BETA OMEGA—UNIVERSITY OF CALIFORNIA, Robert L. Brock ΔTA House, 2425 Hillside Ave., Berkeley, Calif.
- GAMMA THETA—BAKER UNIVERSITY, Donald W. Selzer ΔTA House, Baldwin City, Kan.
- GAMMA IOTA—UNIVERSITY OF TEXAS, William B. West, III ΔTA House, 2801 San Jacinto, Austin, Tex.
- GAMMA KAPPA—UNIVERSITY OF MISSOURI, Albert S. Burchard ΔTA House, 1000 Maryland Ave., Columbia, Mo.

GAMMA MU—UNIVERSITY OF WASHINGTON, Richard A. Dunnington
 ΔTΔ House, 4524 19th Ave. N.E., Seattle, Wash.

GAMMA PI—IOWA STATE COLLEGE, Richard J. Mapother
 ΔTΔ House, 101 Hyland Ave., Ames, Iowa

GAMMA RHO—UNIVERSITY OF OREGON, Stanley T. Robinson
 ΔTΔ House, Eugene, Ore.

GAMMA TAU—UNIVERSITY OF KANSAS
 ΔTΔ House, 1111 W. 11th St., Lawrence, Kan.

GAMMA CHI—KANSAS STATE COLLEGE, Ridge L. Scott
 ΔTΔ House, 1224 Fremont St., Manhattan, Kan.

DELTA ALPHA—UNIVERSITY OF OKLAHOMA, George G. Anthony
 ΔTΔ House, Norman, Okla.

DELTA GAMMA—UNIVERSITY OF SOUTH DAKOTA, Robert M. Schwab
 ΔTΔ House, Vermillion, S.D.

DELTA IOTA—UNIVERSITY OF CALIFORNIA AT LOS ANGELES, Ed F. Sorver
 ΔTΔ House, 649 Gayley Ave., West Los Angeles, Cal.

DELTA LAMBDA—OREGON STATE COLLEGE, James M. Morris
 ΔTΔ House, Corvallis, Ore.

DELTA MU—UNIVERSITY OF IDAHO, G. Wayne Rodeback
 ΔTΔ House, Moscow, Idaho

DELTA XI—UNIVERSITY OF NORTH DAKOTA, Robert H. Lundberg
 ΔTΔ House, 2700 University Ave., Grand Forks, N.D.

DELTA OMICRON—WESTMINSTER COLLEGE, Robert E. Otten
 ΔTΔ House, Fulton, Mo.

DELTA PI—THE UNIVERSITY OF SOUTHERN CALIFORNIA, Kenyon Crawford
 ΔTΔ House, 811 W. 28th St., Los Angeles, Calif.

Northern Division

BETA—OHIO UNIVERSITY, Robert W. Unger
 ΔTΔ House, 32 President St., Athens, Ohio

DELTA—UNIVERSITY OF MICHIGAN, Robert L. Schwyn
 ΔTΔ House, Ann Arbor, Mich.

EPSILON—ALBION COLLEGE, Frank W. Schoch
 ΔTΔ House, Albion, Mich.

ZETA—WESTERN RESERVE UNIVERSITY, Robert R. Roberts
 ΔTΔ House, 11205 Bellflower Rd., Cleveland, Ohio

KAPPA—HILLSDALE COLLEGE, John W. Super
 ΔTΔ House, 207 Hillside St., Hillside, Mich.

MU—OHIO WESLEYAN UNIVERSITY, Arthur R. McElfish
 ΔTΔ House, 163 N. Franklin St., Delaware, Ohio

OMICRON—UNIVERSITY OF IOWA, Richard E. Anderson
 ΔTΔ House, 724 N. Dubuque St., Iowa City, Iowa

CHI—KENYON COLLEGE, Murray Smith
 ΔTΔ Fraternity, Leonard Hall, Gambier, Ohio

BETA ALPHA—INDIANA UNIVERSITY, John R. Anderson
 ΔTΔ House, Bloomington, Ind.

BETA BETA—DEPAUW UNIVERSITY, Don J. Owen
 ΔTΔ House, Greencastle, Ind.

BETA GAMMA—UNIVERSITY OF WISCONSIN, Allen D. Everitt
 ΔTΔ House, 16 Mendota Ct., Madison, Wis.

BETA ZETA—BUTLER UNIVERSITY, Robert E. Wildman
 ΔTΔ House, 423 W. 46th St., Indianapolis, Ind.

BETA ETA—UNIVERSITY OF MINNESOTA, Warren M. Pomeroy
 ΔTΔ House, 1717 University Ave. S.E., Minneapolis, Minn.

BETA PI—NORTHWESTERN UNIVERSITY, William B. Cecil
 ΔTΔ House, Evanston, Ill.

BETA UPSILON—UNIVERSITY OF ILLINOIS, James K. Stalker
 ΔTΔ House, 302 E. John St., Champaign, Ill.

BETA PHI—OHIO STATE UNIVERSITY, Kenneth C. Lucas
 ΔTΔ House, 80 13th Ave., Columbus, Ohio

BETA PSI—WABASH COLLEGE, David F. Craig
 ΔTΔ House, 506 W. Wabash Ave., Crawfordsville, Ind.

GAMMA BETA—ILLINOIS INSTITUTE OF TECHNOLOGY, Jack L. Hoffman
 ΔTΔ House, 3240 S. Michigan Ave., Chicago, Ill.

GAMMA LAMBDA—PURDUE UNIVERSITY, William M. Eddy
 ΔTΔ House, West Lafayette, Ind.

GAMMA XI—UNIVERSITY OF CINCINNATI, Ralph G. Flohr
 ΔTΔ House, 3330 Jefferson Ave., Cincinnati, Ohio

GAMMA UPSILON—MIAMI UNIVERSITY, Richard K. Leininger
 ΔTΔ House, Oxford, Ohio

DELTA NU—LAWRENCE COLLEGE, Paul Maertzheimer
 ΔTΔ House, 208 S. Lawe St., Appleton, Wis.

Eastern Division

ALPHA—ALLEGHENY COLLEGE, Francis R. Hastie, Jr.
 ΔTΔ House, Meadville, Pa.

GAMMA—WASHINGTON AND JEFFERSON COLLEGE, Alexander C. Shertard, II
 ΔTΔ House, 150 E. Maiden St., Washington, Pa.

NU—LAFAYETTE COLLEGE, Howard L. Williams, Jr.
 ΔTΔ House, Easton, Pa.

RHO—STEVENS INSTITUTE OF TECHNOLOGY, David J. Resch
 ΔTΔ House, Castle Point, Hoboken, N.J.

TAU—PENNSYLVANIA STATE COLLEGE, Joseph A. Surace
 ΔTΔ House, State College, Pa.

UPSILON—RENSSELAER POLYTECHNIC INSTITUTE, John D. Langlois
 ΔTΔ House, 132 Oakwood Ave., Troy, N.Y.

OMEGA—UNIVERSITY OF PENNSYLVANIA, Robert M. Lowd
 ΔTΔ House, 3533 Locust St., Philadelphia, Pa.

BETA LAMBDA—LEHIGH UNIVERSITY, Hugh Boyd, III
 ΔTΔ House, Lehigh University, Bethlehem, Pa.

BETA MU—TUFTS COLLEGE, Maurice C. Hutchins
 ΔTΔ House, 98 Professors Row, Tufts College, (57), Mass.

BETA NU—MASSACHUSETTS INSTITUTE OF TECHNOLOGY, Frederick G. Heuchling, Jr.
 ΔTΔ House, 255 St. Paul St., Brookline, Mass.

BETA OMICRON—CORNELL UNIVERSITY, Robert C. Rost
 ΔTΔ Lodge, 110 Edgemoor Lane, Ithaca, N.Y.

BETA CHI—BROWN UNIVERSITY, Russell M. Wilson, Jr.
 ΔTΔ House, 65 Prospect St., Providence, R.I.

GAMMA GAMMA—DARTMOUTH COLLEGE, Richard H. Rudolph
 ΔTΔ House, Hanover, N.H.

GAMMA DELTA—WEST VIRGINIA UNIVERSITY, Herman F. Winter, Jr.
 ΔTΔ House, 660 N. High St., Morgantown, W.Va.

GAMMA ZETA—WESLEYAN UNIVERSITY, Harold A. Moore, Jr.
 ΔTΔ House, Middletown, Conn.

GAMMA NU—UNIVERSITY OF MAINE, Norman W. Mosher
 ΔTΔ House—395 College Road, Orono, Me.

GAMMA SIGMA—UNIVERSITY OF PITTSBURGH, Edgar F. Cornelius
 ΔTΔ House, 4712 Bayard St., Pittsburgh, Pa.

GAMMA PHI—AMHERST COLLEGE, Charles E. Pierson
 ΔTΔ House, Amherst, Mass.

DELTA BETA—CARNEGIE INSTITUTE OF TECHNOLOGY, John L. Wolff, Jr.
 ΔTΔ House, 5020 Morewood Pl., Pittsburgh, Pa.

DELTA THETA—UNIVERSITY OF TORONTO, Frederick A. Bell
 ΔTΔ House, 91 St. George St., Toronto, Ontario, Can.

Chapter Advisers

- ALPHA—William F. Reichert, A, 900 D St., Meadville, Pa.
 BETA—Frank B. Gullum, B, Box 345, Athens, Ohio
 GAMMA—James L. Dunn, Jr., F, R.R. 4, Washington, Pa.
 DELTA—John K. Worley, Δ, Legal Dept., Parke-Davis, Detroit, Mich. Acting Adviser
 EPSILON—W. Donald Pahl, E, Box 73, Albion, Mich.
 ZETA—Russell A. Griffin, K, Western Reserve University, 10940 Euclid Ave., Cleveland, Ohio. Acting Adviser
 KAPPA—Edgar B. Lincoln, K, Box 254, Battle Creek, Mich.
 MU—Nevin S. Scrimshaw, M, Department of Zoology, Ohio Wesleyan University, Delaware, Ohio

AMERICA'S OLDEST AND MOST PROGRESSIVE FRATERNITY JEWELERS

A RING FOR IDENTIFICATION

In these days of world conflict a ring is worn for identification. It enhances the appearance of your hand—and gives instant recognition wherever you go and identifies you with your fraternity.

WEAR YOUR RING PROUDLY.

Stationery samples sent to interested members. Frequent letters to your friends in the Service build strong morale and are a very definite defense contribution. Be Patriotic.

The 1942 Edition of the **Balfour Blue Book** carries a fine selection of rings as well as other gifts and favors.

★ Huge massive rings for men—or fine gold filigree for women.

★ Theme rings that suggest past associations.

★ Fine designs to show your good taste and discrimination.

★ Write for your own free copy on a government post card today.

See the special line of Chapter Gifts for men called to Service. The Balfour representative will show you these special gifts on his next call.

Balfour leather is the favorite gift to the seniors or your friends in the Service . . . Leather for men or women . . . Saddle leather or baby calf . . . Less expensive in sheepskin.
