Delta Tau Delta is a constructive adjunct to the system of higher education. Her objective is to educate, contributing to the young men within her sphere of influence a moral, spiritual, and social development commensurate with the intellectual training supplied by the colleges and universities.

Thank you, you, and you!

This number is the last for your Editor of the past six and one-half years. The responsibility has been the more pleasant because of the splendid spirit of co-operation of the readers. Sincere appreciation unfolds to the many readers who have contributed suggestions, news items, feature articles, criticisms, commendations, and vital information of value in compiling each of the twenty-six numbers released during those years.

Beginning with the May, 1944, number, THE RAINBOW will be edited at the Central Office, from which point it has originated these past fifteen months when the Editor was pinchhitting on a double-duty basis.

Eighty-Five Years

By Harry G. Green, *Gamma Mu (Washington)*, '31

A CENTURY ago, 1844, Delta Tau Delta had not reached the formative or even the imaginative stage of its inception. The best information tells us that the eight men who later became the founders ranged in age from three to ten years in 1844. If these eight men were with us today all would be over the century mark in birthdays and we venture that they would have no feeling of surprise in reviewing the development of Delta Tau Delta through its first eighty-five years.

Richard H. Alfred, Henry K. Bell, William R. Cunningham, Alexander C. Earle, John L. N. Hunt, John C. Johnson, Jacob S. Lowe, and Eugene Tarr, the men who gave Delta Tau Delta its birth in 1859, had the conviction that upon the cornerstone of friendship could develop a bond that would inspire men to do better. To say, then, that these men would today be surprised would not be true. Pride would be a truth, both in the development to 1944 and in the attitude of undergraduate and alumni members ever to be looking for new opportunities to expand the meaning of Delta Tau Delta's cornerstone—friendship.

Our Fraternity is just fifteen short years from its Centennial. The century milestone for The Rainbow Fraternity, which joined with Delta Tau Delta in 1886, is only one college generation ahead, 1948. The eighty-fourth and eighty-fifth years of the Fraternity's growth have experienced the fourth war of its life span. The eighty-sixth year will not escape war. Beyond that we can only hope—hope that the time can be shortened to the return of peace and the acceptance of the challenge and the opportunity for every one of us who by the common bond of choice and preference make up the Delta Tau Delta of 1944.

The impact of World War II is noticeable in all phases of Frater-

nity operation. Undergraduate life, which serves as the source of growth numerically, has been substantially reduced. Realistic thinking anticipates that this reduction will increase in the closing months of the 1943-44 college year.

Two-thirds of the physical properties of the Fraternity are being converted to use in the war effort. That these properties are useful is a welcomed contribution. That they are essential to the development and expansion of Delta Tau Delta's cornerstone—friendship—is not true in any proportion to some modern thinking that the intangible cannot be measured. Characteristically, Delta Tau Delta carries on, each chapter adjusting itself to meet the ever-changing campus situation.

The fact that Delta Tau Delta at its source, undergraduate life, may reach one fifth of a prewar year during 1943-44—the fact that the fraction may become smaller before it becomes larger—only places a temporary retarding at the source. The growth of Delta Tau Delta within its existing numerical boundaries has tremendously increased during the past year.

Membership in Delta Tau Delta is not for a day. Those true words have become real to thousands of Delts in World War II. At no time in the history of the Fraternity have so many members simultaneously found identification of some of the intangibles of membership.

During the 1942-43 college year and continuing in the current year, thousands, yes thousands, of expressions have come voluntarily from Delts at home and away from home acknowledging appreciation for having realized the benefits inculcated through The Delta Creed—proof that Delta Tau Delta has contributed to the education of its members and has served as a guiding influence toward inspiration in maturity.

Friendship is, in these war years,

reaching out to serve in every corner of the world. What the common bond can do to remove the sting of loneliness is reported from the training camps in America to the jungles of the South Pacific; from China, India, Africa, England, Iceland, Alaska, and it is reported as a most enlightening experience. It brings a spontaneous evaluation of Delta Tau Delta's true foundation and pushes into the background the superfluous surface considerations of material values at which modern thinking has so often stopped. The real good in fraternity is the *tangible* experience of thousands every day.

Delta Tau Delta will strengthen the peace that is to come. The growth of the Fraternity during this century has followed a pattern of progressive expansion of service. Necessarily and logically much of the service is directed at the source, undergraduate life. It is at this point that the appreciation of fraternity begins to unfold. Both understanding and appreciation continue through the life span in proportion to the member's contribution to fraternity as it is defined by Delta Tau Delta.

Let's review briefly some of the important milestones in Delta Tau Delta's progress during the past forty years. The real inspiration dates back to the original group of 1859 and it must be recognized that if this were not true the succeeding generations would not have sought to expand and cultivate a widened scope of service within the Fraternity. This inspiration permeated a loyal membership and conscience demanded development step by step which would assure a sound future and enable Delta Tau Delta to contribute with, for, and through its members to the greater development of meaning in the word fraternity.

Incorporation took place in 1911 and about the same time a national headquarters, which in Delta Tau

Delta is known as the Central Office, was established. An important purpose of this step was to begin the expanded service to the undergraduate chapters, the alumni chapters, and the general membership.

The beginning of the firm foundation for future strength came in the early twenties with the establishment of Delta Tau Delta's three service funds: the Loyalty Fund, the Scholarship Fund, the Undergraduate Loan Fund. The Scholarship and Undergraduate Loan Funds were created from the residue of the estates of two of the Fraternity's loyal members, James B. Curtis, Beta Zeta (Butler), '80, and Frank F. Rogers, Beta Rho (Stanford), '99. The expansion of these two funds and the establishment and expansion of the Loyalty Fund provide one of the grandest views of the Fraternity's growth toward a sound future—a view which does not limit development to a few inspired members but expands to include every initiate since January 1, 1926, and many, many pre-1926 initiates who voluntarily sought participation in the building of the Fraternity's future services.

Nearly 15,000 Delts have to date participated in the Loyalty Fund. By the close of the Fraternity's eighty-sixth year over one third of the total participants will have become Loyalty Fund Life Members through completion of their endowment participation program. The others will range up to 97 per cent complete, and each number of THE RAINBOW records many of these currently completing their Life Membership contributions, giving them THE RAINBOW for life and removing any assessment of dues or fees which still remains the obligation of pre-1926 initiates who have not participated in the Fraternity's endowment.

The three service funds, the Loyalty Fund, the Scholarship Fund, and the Undergraduate Loan Fund, are intact. This fact assumes added importance when we reflect that since their inception the funds have been guided through a depression and are now in the third year of World War II.

The Arch Chapters, and specifically the Boards of Directors,

elected at the Karneas have successively and consistently adhered to the basic principle that endowment and the other service funds established on a restricted basis must be held intact. The continuation of such a sound policy will only hasten the day when the ultimate benefits of such service funds will become fact. Every Delt, whether he is a participant in the growth of the funds or not, is proud of such stewardship.

The investment of any of the Fraternity's funds is limited to chapter house properties and U. S. government securities. One of the ultimate aims of the Loyalty Fund is ability to meet the monetary requirements of all chapter house associations at lower interest rates than are available elsewhere. The fund through these first eighteen years of its existence has proved a definite aid by enabling many chapters to be housed adequately when assistance could not be obtained elsewhere and through the thousands of dollars saved in interest payments. Even though the fund has not yet reached the size necessary to service all chapter house associations, the experience to date proves the wisdom of the aim and purpose in the establishment of the endowment and has contributed considerably to the present sound status of the over-all picture of Delta Tau Delta chapter real estate.

The income from the Loyalty Fund is available to expand the services of the Fraternity and for the development of new programs, all directed at the bringing home to the initiate educational development which is Delta Tau Delta's commitment in The Delta Creed. Simple arithmetic tells us that an endowment must reach considerable size to provide income sufficient to meet servicing requirements of seventy-four undergraduate chapters, three thousand undergraduates, seventy alumni chapters, and thirty-odd thousand alumni, without the augmented income from dues and fees from the membership. The figures show, however, that there is a definite protection in times like the present where the source of normal income has

been so drastically affected, even though the endowment has but started toward maturity. In tightening the belt at times when normal operations are retarded, Delts have assurance that the programs inaugurated prior to an emergency need only to be placed in serviced inactivity. This offers protection against dismantling and, therefore, eliminates retarded recovery on a basis which would be costly.

The many letters received from Delts around the world during the Fraternity's eighty-fifth year aptly sum up the manifest meaning of The Delta Creed. One young Delt expresses appreciation for the material values of undergraduate life—The Delt Development Program—the experience of leadership—the opportunity to be educated in democratic reasoning—the spiritual development exercised in our beautiful Ritual. He closes: "Delta Tau Delta is definitely one of the things I am fighting for."

Let us adopt "Constant Alert" as our guide for Delta Tau Delta's eighty-sixth year. The challenge of strife combines with the opportunity of peace for each one of us to be alert constantly to our individual place in the important position which Delta Tau Delta will assume in strengthening the peace through its cornerstone—friendship. The eighty-five years manifest every dream of our founders. The eighty-sixth year gives each of us a definite wartime assignment. Pray that the eighty-seventh year will bring to us those who God wills shall return, and together, all of us, shall ever retain a consciousness of our obligation to strengthen the Fraternity's cornerstone with the determination which will be true homage to those Delts who gave "their last full measure of devotion."

GORDON (JACK) FRASER, *Beta Chi (Brown)*, and *Gamma Nu (Maine)*, '30, has been transferred to the news and special features division of the Blue Network and will shortly be sent overseas to cover Allied activities in the North African theater.

CAPT. WILLIAM M. WEBB, *Beta Alpha (Indiana)*, '33, has been stationed in India and Burma and he is mentioned in *Burma Surgeon*. He is in the Medical Corps.

LT. (J.G.) RICHARD L. BARBER, *Beta (Ohio)*, '40, is the First Lieutenant and Damage Control Officer of the U.S.S. *Goff*, senior destroyer of the group which was recently presented the Presidential Unit Citation. The *Goff* was a member of the task group which is the only one ever awarded the Citation.

New books by Delts:
Country Cured, by HOMER CROY, *Gamma Kappa (Missouri)*, '07.
Clerical Errors, by LOUIS TUCKER, *Beta Theta (Sewanee)*, '92.
Leathernecks, by ROLFE BOSWELL, *Beta Beta (DePauw)*, '25.
American Guerilla, by DOUGLAS M. SMITH, *Omega (Pennsylvania)*, '19.

MAJOR ELWOOD T. LIPPINCOTT, *Gamma Upsilon (Miami)*, '41, has

received several decorations, among which is the Distinguished Navy Flying Cross, although he is in the Army Air Corps. He is serving in the Southwest Pacific.

LT. ROBERT K. SCHRADER, *Gamma Sigma (Pittsburgh)*, '40, has been reported missing in action over Germany as of June 25, 1943. His father, COL. O. H. SCHRADER, *Gamma Mu (Washington)*, '08, and Mrs. Schrader are very anxious to obtain any additional information possible about Bob. He was a pilot of a flying fortress.

CAPT. JOHN A. DEWEY, *Delta Xi (North Dakota)*, '37, has been reported missing in action in the European area since August 24, 1943. He was serving in the Army Air Corps.

CAPT. CRILE P. MCCLURE, *Mu (Ohio Wesleyan)*, '39, is reported as a prisoner of war of Germany.

LT. LOUIS M. BENEPE, III, *Beta Eta (Minnesota)*, '41, is a prisoner of war in Germany. He was a fortress pilot and his plane was shot down over France while raiding an air base near Paris. Five of his crew were rescued and returned to England by the French Underground, but he, his copilot, and bombardier were taken prisoners.

LT. COL. JOHN T. WHITAKER, *Beta Theta (Sewanee)*, '27, was commissioned and took the oath of an Army officer at the scene of action.

▼ THE DELT ALUMNI CHAPTERS ▼

Akron

The Akron Alumni Chapter held its last 1943 meeting in the Student Prince Room of the Old Heidelberg Restaurant with twenty-four brothers in attendance, Wednesday evening, December 29. The following officers for 1944 were elected: Bill McIlwain (Chi), president; Ben Ansley (Beta), vice-president; and Wally Bennett (Beta Phi), secretary.

Jack Finnicum of Cleveland was present and gave one of his inspiring and interesting talks. It is hoped that the strain of war work may be eased somewhat during 1944 so that our chapter will be able to get back into the regular schedule of meetings. We are still sticking to the policy of attempting to hold a meeting the last Wednesday evening of each month in selected places.

W. H. EDMUND.

Athens (Ohio)

Our chapter house was recently redecorated and leased to the University to house a part of the Army A.S.T.P. Unit being trained at the University.

Our annex also was completely redecorated and the present undergraduate chapter is being housed in the annex. Likewise our alumni meetings are being held in the annex. We are holding regular monthly alumni meetings on the second Thursday of each month.

At our meeting November 11, 1943, the following officers of the alumni chapter were elected: Horace D. Palmer, president; Howard C. Bobo, vice-president; and David H. Hughes, secretary-treasurer.

On Sunday, November 28, 1943, the alumni chapter, due to a lack of a sufficient number of actives, assisted in conducting the fall initiation. There were fifteen alumni members present. Following the initiation a banquet was served at the University Student Center.

Speakers at the banquet were Brothers F. B. Gullum and H. R. Wilson.

On Sunday, January 15, 1944, the alumni are to assist the active chapter with a rushing party for local high school seniors.

Present at our meeting January 13, 1944, was Captain Robert Hess. Captain Hess is stationed at Camp Hale, Colorado. He is a member of the Ski Troops. He left the University to join the armed services in 1942. At that time he was a sophomore at the University. Since that time he has risen to the rank of Captain and he is only twenty-two years of age.

At present there are nineteen Delt alumni living in Athens. The average attendance at our regular alumni meetings has been good.

We have been assisting the active chapter in every way possible to keep Beta Chapter in operation during this emergency, and will continue to do so to the best of our ability.

DAVID H. HUGHES.

Battle Creek

Greetings from the Battle Creek Alumni Chapter:

To any Delts coming to Fort Custer or Kellogg Air Field, both are at the edge of Battle Creek, phone 25527, or come to 105 Capital Avenue Northeast (just 100 yards from the New York Central Station) . . . tell us how we can help you . . . we'll try our best.

To you Delts who have a son or brother at the Percy Jones Government Hospital here in Battle Creek . . . we want to hear from you . . . again we'll try our best to do anything we can to help.

GEORGE D. FARLEY.

Chicago

Regardless of the fact that the Christmas holidays found fewer actives able to spend them in their home port, the Chicago Alumni

Chapter as usual invited them to their Christmas luncheon held at Hardings Restaurant, 7th Floor, The Fair, Monday, December 27.

Our guests included J. Bever, pledge of Beta Pi, '47; Paul Hermann, Delta Nu, '46; Richard J. Michalek, Gamma Beta, '46; Gordon Fleischer, Gamma Beta, '44; James Neighbor, Gamma Beta, '44; and Blake H. Hooper, Gamma Beta, '44.

Alumni present included A. B. Walling, Beta Phi, '10; C. C. Degenhardt, '11, H. R. Axelson, '12, C. L. Leland, of Cincinnati, '04, Sam Leland, '17, and C. F. Axelson, '07, all of Gamma Alpha; R. E. Nord, '32, W. A. Fisher, '28, Merrill Dwinell, '12, Art Rooney, and W. D. Davidson, all of Beta Pi; B. Emmett Hartnett, '18, and E. F. Winter, '21, of Gamma Beta; R. S. Arthur, '08, and Brad Gardner, '06, of Beta Upsilon; H. C. Bever, '20, of Beta Psi; Gerald L. Gorman, '24, Stuart K. Fox, '20, and Marc Anthony, '07, of Beta Gamma; H. Kenneth Briggs, '19, of Beta Eta; and H. B. Barnard, '95, and K. J. Digel, '13, of Psi.

The 19th Annual Durbar, sponsored by the alumni of Beta Pi was held at the Illinois Athletic Club, November 12, with Generalissimo Carl N. Wolf in the saddle, ably assisted by Merrill Dwinell. This was a fine party and thoroughly enjoyed by the thirty-eight in attendance. Incidentally, ten chapters were represented.

Brothers in the armed forces who have recently attended our weekly luncheons included Lt. James B. Matson, Gamma Xi; Capt. Bob Fabrey, Beta Beta; Lt. W. D. McKay, Beta Pi, and Capt. W. F. Yeager, Gamma Beta.

Plans are now being made for our Founders' Day dinner to be held Saturday noon, March 11, 1:00 p. m., Room 500, Union League Club, 65 W. Jackson Blvd. We hope

to have an attendance at least equal to last year.

Again let us urge you to drop in for lunch any Monday at 12:15 p. m. at Hardings Restaurant, when you are in Chicago. KARL DIGEL.

Cincinnati

Since Al Clark moved to Marshfield, Wisconsin, the doings of Cincinnati Deltas have gone unrecorded in THE RAINBOW. To say that Brother Clark is much missed in Cincinnati, is a triumph of understatement but we all wish him the greatest success in his new connection with The Roddis Lumber and Veneer Co., where he is associated with Fred McCaslin, also of Gamma Xi.

Brother Clarence Pumphrey has been confined to Bethesda Hospital since early last summer and every Delt knows how much this grand old man of Delta Tau is missed. Letters, wires and visits from hosts of Deltas attest the veneration in which Dad is held. Gamma Xi's last initiation adjourned in a body to Dad's room to greet him and to give Dad an opportunity to extend his traditional welcome to the new brothers.

Weekly luncheons at the Cincinnati Club are fairly well attended with some out-of-town Deltas occasionally favoring us with a visit. Among these are Brother Harold Schenk and Charles Burt. Brother Schenk hails from Beta Mu and Brother Burt was initiated at Gamma Xi in the early 1920's. The armed forces have taken their toll but Major Bob Heuck, Captains Dick Farrell and Jack Gayman, Gamma Xi all, correspond regularly with enough of us for all of us to be pretty well informed of their activities. Brother Red Hessel was recently decorated for his feats as a naval flier in the Pacific arena and it was swell to welcome Brother Jim Wood, who returned on furlough from Fort Riley.

Many of the boys who had not been around for some time put in an appearance at the annual Christmas party and at this affair Brother Walter Williams was elected president of the alumni association to succeed Brother Walter Heuck, who has served over the past ten years.

Brother Williams is also acting as treasurer of the house corporation of Gamma Xi while Brother Farrell is in the army.

The Gamma Xi chapter house has been taken over by the army and the active chapter is now located at 2617 University Court. Recently the active chapter was visited by Jack Reid and George Douglas, Gamma Tau, and Ben Brown, Phi. These boys are members of A.S.T.P., stationed on the U. C. campus. Gamma Xi is fortunate in regaining Brothers Joe Hoerth and S. Clark from that source.

It is to be hoped that all Deltas, either on the campus or passing through the induction center at Fort Thomas will make it a point to pay the local chapter a visit.

JACK POWELL.

Cleveland

The activities of the Cleveland Alumni Chapter have been limited, during the past few months, to its Friday noon luncheon meetings. President Jim Riley has arranged for a special program at least once each month. Probably the most interesting session that we have had was when Captain Bill Berkeley returned from India and spent several hours telling of his thrilling experiences as pilot of a flying fortress. Each week brings letters to us from Deltas serving with the armed forces in all corners of the world. These are always read at our noon meetings, and add real interest to the program.

At the present time we are looking forward to our annual meeting and election of officers. In view of the fact that tradition calls for the annual meeting to be held February 22, we have found it expedient to combine this function with the Founders Day celebration.

We sincerely hope that Deltas located in the Cleveland area will note the time and place of our meetings, for we do extend a most cordial invitation for them to take part in all of our activities.

RANDALL M. RUHLMAN.

Clarksburg

News from the boys seems to be at a premium. William E. Musser

of Clarksburg received his A.B. degree at West Virginia University where he was affiliated with Gamma Delta Chapter. He has recently been graduated from the faculty of medicine at McGill University, and holds a commission of lieutenant (j.g.) in the U.S.N.R. and will complete his internship at the Jackson Memorial Hospital in Miami before assuming his duties with the Navy.

Lt. William Geppert, U.S.N.R., stopped at his home in Cumberland, Md., on his way from Norfolk, Virginia, to San Francisco, where he will join the amphibious forces for intelligence work in the South Pacific.

Pfc. Cornelius Davis and wife have returned to Philadelphia after spending the holidays with his parents in Clarksburg. He is a student in the University of Pennsylvania Medical School.

Dr. Robert C. Livingston, having completed his internship at Medical Center, Richmond, Virginia, goes to historic Carlisle, Pennsylvania, to become a lieutenant in the Medical Corps. After six weeks at Carlisle Barracks, he will be given another Army assignment.

David V. Sutton, W.V.U., representing Chicago's Columbia Broadcasting System, in New York and the East, has been reclassified and takes his screen test January 17.

LEWIS M. SUTTON, SR.

Columbus

Looking to the future and considering the need for jobs when the war ends, Delta Tau Delta is taking a leading role in urging all Delt alumni chapters to give this matter immediate consideration. We had this in mind when Howard S. Sterner was elected first vice-president early in September and was placed in charge of our "Postwar Delt Placement Program."

A. Ross Alkire, Jr. (Ohio U., '42), of Mt. Sterling, was recently promoted to first lieutenant, United States Marines. He is now serving in the South Pacific Area.

Ensign Robert J. Kegerreis (Ohio State, '43), U.S.N.R., and Miss Katherine L. Falknor were married Saturday, October 30, in Columbus.

Married on Tuesday, July 6, were

Martin Van Buren (Ohio State, '44-Georgia Tech, '44) and Miss Virginia Wynne of Hapeville (Atlanta), Georgia, at the Hapeville Methodist Church.

Kenyon S. Campbell (Ohio State, '19) was elected to the Upper Arlington Board of Education on Tuesday, November 2.

Cpl. Lowell A. Christman (Ohio Wesleyan, '30) attended our Wednesday luncheon October 27.

Bob Zimmer (Ohio State, '24) has been busy the past few weeks as chairman, professional division, of the Columbus War Chest.

Attorney General Thomas J. Herbert (Western Reserve, '15) has recently announced that he will be a candidate for Governor of Ohio, subject to the Republican Primary next May. Tom Herbert was elected Attorney General of Ohio in 1938, reelected in 1940 and 1942. He was president of National Association of Attorney Generals in 1943.

Recently had a letter from Fred Wood (Western Reserve, '97), Box 124, Painesville, Ohio. He tells me that he has been ill and expects to undergo an operation shortly. We all wish him a speedy recovery. His son, Fred, Jr. (Western Reserve, '38) is a staff sergeant in the medical detachment at Camp Croft, S. C. "He is not an M.D. but works on the administration end of the job," writes his dad. "He took his Ph.D. at Duke in May, 1941."

2nd Lt. Wayne L. Lewis (Alabama, '43), Field Artillery, U. S. Army, was recently placed on inactive status after several months hospitalization.

Lt. (j.g.) John N. Hart (Ohio State, '31), U.S.N.R., has finished school at Quonset Point and was recently assigned to the Naval Radar School, Naval Air Base, St. Simon Island, Ga.

Harold R. Frankenberg (Ohio State, '23) was recently elected president of the Inter-Club council of Columbus. He is a member of the Ambassador Club.

Recently heard from Lt. (j.g.) Harold B. Hughes (Ohio Wesleyan, '28), U.S.N.R., who has been transferred from Quonset Point to the Headquarters of the Eighth Naval District, New Orleans, La. His new

address is 706 Federal Building, New Orleans, La.

Cadet Thomas L. Parker (Ohio State, '43) married Miss Frances Mae Newlon of Columbus, member of Pi Beta Phi sorority, Tuesday evening, December 14.

We regret to advise that Rev. Franklin McElfresh (Ohio Wesleyan, '82) died of a heart ailment at his home, 31 Jefferson Avenue, Columbus, on Friday, December 3, 1943. Rev. McElfresh was an ardent, loyal member of the Columbus Alumni Chapter of Delta Tau Delta. He spoke at our last three Founders Day banquets, and attended many of the various undergraduate meetings. Always gracious and kindly, he was a great and good man. His passing is a distinct loss to Delta Tau Delta!

DON C. VAN BUREN.

Denver

The caliber of the meetings has continued to be excellent even though the attendance has fallen off. At the October dinner meeting the alumni chapter was privileged to hear Mr. Frederick W. Hedgecock, retired Denver merchant. Mr. Hedgecock is over 80 years old, yet his faculties remain perfect. He spent several years in England up to and including the terrible blitz in the winter of 1940. His description of the blitz was priceless, as was his entire talk.

At the December dinner meeting Dr. Jacob Trapp, pastor of the Unitarian Church of Denver, gave a very interesting dissertation on "The Growth of Fascism in Italy." Pfc. Joe McNeil, Colorado, was a guest at the dinner. He is attending medical school in St. Louis.

Leland E. Norgren, Colorado '40, has been promoted recently to the rank of Captain. Lee is stationed at the Salt Lake City Air Base.

Yeoman Edward Sproul, Colorado, former alumni chapter secretary, is now at sea. Ed left Seattle shortly before Christmas on an aircraft tender.

Captain Jerry P. Tobin, Colorado, who was in charge of the Army Induction Center, has been transferred to Salina, Kansas. We all hated to see Jerry leave.

Leo Stasica, Colorado, has returned to Denver after a successful season with the Washington Redskins, professional football team.

Ken Penfold received a Christmas card from S/Sgt. R. J. Swain, Colorado. R. J. is stationed at Pearl Harbor.

Ensign Robert F. Tyler, Colorado '37, is now at sea on the U.S.S. "Rust Pot" (Tyler's version). Tyler visited with Bruce Cole, Colorado '35, in Washington, D. C., and with Ensign Nicholas Darrow, Stanford, in Miami, Florida.

Pfc. Bob Bigelow, Colorado, was home on a furlough before Christmas.

The Delta Dames, the mothers' organization, continues to function. The Fraternity is fortunate that the interest of these ladies continues to flourish.

Dick Williams, Illinois, visited the alumni chapter in December and attended a luncheon meeting. He is traveling for General Motors Corporation.

Ken Penfold has been elected to the Board of Directors of the Denver Junior Chamber of Commerce.

Lt. (j.g.) Lex Quarnberg, Colorado '40, spent one year in the Navy in Panama. Last summer Lex transferred to the Navy Air Corps and is now in flight training. He spent three months in Dallas, Texas, but is now stationed at Pensacola, Florida.

FRED G. HOLMES.

Ft. Lauderdale

Ft. Lauderdale is filled up to the brim these days. Not only with many tourists but also with many soldiers and sailors.

Every now and then we meet up with a Delt in the service. Brother Bert C. Nelson is in our city until March 1. Herbert Kelco is also in the city for an extended stay here. The many Navy and Army airfields in and around this city no doubt are housing quite a few Delts and we hope they will look us up when in the city. We are trying to arrange a luncheon sometime this month and would like all Delts stationed in this area to attend. Please communicate with us. R. W. Chidester of Charleston, W. Va., was a

business visitor in the city in January.

CARL P. WEIDLING.

Jacksonville

Jacksonville alumni are scattered farther around the globe this year than ever before. We have lost contact with, or do not have the latest addresses, of many of them.

Bob Carlisle, who was inducted into the Army as a private about Pearl Harbor time, is now a captain in the Signal Corps. According to latest reports, he is now stationed in Ecuador and Peru.

Frank Brownnett will leave Jacksonville in the next few weeks to accept a lieutenant (j.g.) commission in the Navy. He will go to Princeton for indoctrination.

A. R. (Rocky) Stevens has been promoted to the rank of captain in the Army. Bernie Rawls, who was with a local accounting firm before joining the Navy about a year ago, is now an Ensign, and was reported in New York City.

Charlie Ostner, of Ostner Brothers and Jax Beer fame, was married this month, local papers carrying the announcement.

Jimmie Vaughan, who acquired the Myrtle Avenue Lumber Co., a few years ago, and made a success of it, has purchased a local paint manufacturing plant, and will operate both concerns in the future.

George Byrnes, Florida '39, has transferred from the infantry to the Army Air Force. He is now piloting a B-17 in England.

JOHN B. TURNER, JR.

Indianapolis

The Indianapolis Alumni Chapter has completed 1943 in the most active condition of recent years. At the present time, the membership committee, headed by Rex Rafferty, has doubled the 1943 total of active members. Rex is determined to have every Delt in this area on the roster. Fred Hill, chairman of the entertainment committee, is maintaining interest with his many plans for social activities.

The night of October 31, the chapter was entertained at the home of William M. (Bill) and Mrs. Hutchison. Everyone participated

fully in the outdoor picnic supper and treasure hunt.

Indianapolis Delts got together for a stag party at the Brendenwood Country Club Community House the night of November 30 as guests of Ken Fry and Potter Bowles.

Delts and Delt Dames got together for the annual Christmas party the night of December 29 at the Southern Mansion. Ernie Miller, chairman of the program, kept his reputation as a host and the party was a high light of the holiday season.

The Indianapolis Delts will hold a night dinner meeting at 6:30, January 21 at the Riley Hotel. A serious panel discussion will be held by the Postwar Planning Committee. Subjects: "What we can do to assist in rehabilitation of Indiana undergraduate chapters after the war" and "What we can do to assist Delts returning from military service to become located in business and industry."

Each Friday noon at 12:15, Indianapolis Delts continue to get together for lunch and a general "bull session" at the Columbia Club. The annual Christmas luncheon and gift exchange was attended by: Robert M. Hall, West Point Cadet (not a Delt but a son of Delt Jim Hall, Gamma Lambda), Victor E. Crews, University of Texas, Naval Cadet; Dick Hutchison, Ensign, Beta Alpha; Fred C. Tucker, Jr., Lt. (j.g.), Beta Beta; Willard Fawcett, Capt. Air Corps, Beta Zeta; James W. Hutchison, 2nd Lt., Beta Psi; and over 40 members. Seward Baker, master of ceremonies, led group singing of Christmas carols.

Captain Willard Fawcett, Beta Zeta, is in the U. S. Army Air Force, and has been flying paratroopers in the Italian campaign. Fawcett was recently awarded the Distinguished Flying Cross.

Al Sutphin, Beta Zeta, former member of Army Air Force, is now with the Indiana National Bank.

Recently we were honored with a visit by Major Dick Weidy. Dick is in the Quartermasters Corps and is now in England. Ensign Dick Hutchison, U. S. Navy, and a Delt from Beta Alpha, was in Indianapolis for two weeks in December. He has had many interesting expe-

riences in Brazil and South America.

As soon as Rex Rafferty has completed the membership drive, Gene Yockey will begin the directory of Indianapolis members. If there are any members who haven't already done so, please send your name, residence address and telephone, business or profession, firm name and business telephone to Gene Yockey, 1250 Consolidated Building, Indianapolis, Indiana. Your prompt attention will insure a complete and accurate listing.

We were all deeply grieved to learn about the recent passing of Major Robert W. Springer, Beta Zeta member of U. S. Army Air Corps, in an airplane accident at Bolling Field, Washington, D. C.

Lt. Dick Savidge, Wabash '38, was in town in December on a short leave after six months in the South Pacific and was married on December 15.

Ed Boleman has been seriously ill and in the hospital for six weeks but is now recuperating.

Fred Tucker is the new president of the Indianapolis Real Estate Board and Fred Hill is vice-president of the same organization—monopoly!

The annual State Banquet and Dance will be held Saturday, March 4, at the Indianapolis Athletic Club. Plans are now being formulated for an excellent evening of entertainment to celebrate Founders Day.

Harold Tharp has just been elected president of the United War and Community Fund. Harry Green, secretary of alumni, is returning to Lynchburg, Virginia, to resume connections with the Phillips Secretarial College. We all wish Harry the best of luck. Harry has been doing a splendid job with the *Indianapolis Delt News*, our monthly news letter.

WALTER E. JENKINS.

Los Angeles

At the December 21 meeting of the Los Angeles Alumni Chapter, the following officers were elected for 1944: Phillip Davis, U.C.L.A., '27, president; John Krehbiel, Kansas, '29, secretary; Charles Koehler, Stanford, '10, assistant secretary;

Gordon Carey, Iowa and U.C.L.A., '39, first vice-president; Ben McNeil, Washington, '24, second vice-president; John H. Seiter, U.C.L.A., '38, third vice-president; Earl C. Adams, Stanford, '16, cantor.

Daniel W. Ferguson, Chicago, '09, was elected executive secretary of the chapter. We feel very fortunate in securing Brother Ferguson as executive secretary, and he is the first paid officer of this alumni chapter. He has brought the attendance of the luncheons up from a mere handful to an average of over thirty every week.

Each week we have some prominent Delt address the group. January 4 we were addressed by Ralph A. Schilling, Northwestern, '15, who recently returned on the *Gripsholm*. He told us of his experience while being interned in Shanghai by the Japanese government. We were very happy to have Brother Schilling again in our group and we are certainly glad that he is back in the United States.

JOHN KREHBIEL.

Milwaukee

Philip K. Berger, Minnesota, recently became associated with the Signal Battery Co., 4974 N. Port Washington Road, Milwaukee, as personnel director.

Shelley D. Watts, Butler, is now a secretary of the Young Men's Christian Association, Milwaukee, and, from all reports, fits into his new work in a splendid way.

Leslie L. Newton, Lawrence, and wife are spending their customary winter vacation at Zephyr Hills, Florida.

George C. Nixon, Lawrence, formerly of La Crosse, Wisconsin, is now associated with the Ampco Metal, Inc., in Milwaukee.

William K. Kieckhefer, Dartmouth, is with the Medical Detachment of the 14th Armored Division at Nashville, Tennessee.

Ensign E. W. Pengelly, Lawrence, is in the Naval Air Force and may be located at the King & Prince Hotel, St. Simons Island, Georgia.

Bert C. Nelson, Illinois, is basking in the Florida sunshine at Ft. Lauderdale, Florida.

John R. Fishdick, Wisconsin, is now a field director for the Ameri-

can Red Cross and is located in Australia.

Paul W. Cornell, alumni member of Upsilon at Rensselaer and son of Herbert W. Cornell of Milwaukee, George Washington, is now serving on the Technical Committee of the Naches-Butane Products Co. at Port Naches, Texas. Paul represents the Gulf Oil Co., and he is one of five men who have had much to do with the designing of the new synthetic rubber plant at that location.

CURTIS W. BOYCE.

New York

The alumni chapter of Greater New York held its regular monthly luncheon, December 15. Brother Emerson O. Heyworth, Rho '06, was present with his son, Emerson O. Heyworth, Jr., Beta Lambda '45, now in the United States Army.

The Postwar Employment Committee headed by Dave Reeder is endeavoring to formulate a program to assist Delts in the armed forces in finding employment when the war is over.

Plans are under way for the Founders Day dinner, arrangements for which are being made by a committee headed by Brother Walter A. Morris, Gamma Sigma '17. It was voted to depart from the previous practice of soliciting sponsors.

At the luncheon to be held January 19, Brother Herbert H. Hudson, Beta Mu '12, will talk on storage batteries and their uses. Life in Old New York will be described by Brother Ernest C. Hunt, Sigma '85, at the February luncheon. Our luncheons are held on the third Wednesday of each month at the Sheraton Hotel, Lexington Avenue at 37th Street.

HERMON K. MURPHEY.

Oklahoma City

The Oklahoma City Alumni Chapter has operated on an informal basis during the past year and one-half. As most Oklahoma Delts are young, they are almost all in the Armed Services.

The news of Delts from Oklahoma is all war news. Lt. Colonel Jeff Larson was home on leave recently after having been with Okla-

homa's 45th Division when it landed at Salerno, Italy. The reports which he gave were the first direct information as to the many Oklahoma boys engaged in that battle and were given front-page publicity by all of our local newspapers.

Oklahoma Delts are scattered all over the world and it has been impossible for us to keep track of them but we are apt to run into them almost anywhere. There are so many of our boys that should be mentioned that I hesitate to mention any because we simply cannot keep track of them. Ralph Garretson is a Lt. Colonel in the Air Force and has recently been transferred to an unknown destination from the Second Air Force Headquarters at Colorado Springs, Colorado. Tench Tilghman is a lieutenant colonel in the Field Artillery—the last we knew he was still at Ft. Sill, Oklahoma. Joe Fred Gibson, former Delta Alpha Chapter president, is a Major in the Air Force and is stationed at Roswell, New Mexico. Bob Cooper, who was Delta Alpha Chapter president in the later 1930's, is now a captain in the Field Artillery and was home recently while being transferred to the East Coast. Tom Clifford, Delta Alpha Chapter president in 1928, was recently commissioned a lieutenant (j.g.) in the Navy. J. I. Gibson is a lieutenant in the Navy stationed at Norman, Oklahoma. Clyde Watts is a major in the Field Artillery stationed somewhere in the Pacific. Otis Howard is a lieutenant commander in the Navy on Atlantic duty. All Oklahoma Delts are proud of Major General E. P. Parker, Jr., who, when he was professor of Military Science and Tactics at Oklahoma University and then a major, was president of our house corporation at the time our present house was built.

The Delta Alpha chapter house at Norman is being operated this year as a house for all of the remaining civilian fraternity men attending Oklahoma University.

The remaining alumni of all the fraternities at Oklahoma University have recently formed an organization here at Oklahoma City to help look after the chapter houses

at the University, as all fraternity chapters there have been disbanded, and to make plans for re-forming the chapters after the war. Our alumni assisted in the formation of this organization.

ROBERT L. COX.

Philadelphia

We in the Philadelphia Alumni Chapter feel exceedingly thankful that our organization has been kept together in a most satisfactory manner in spite of the conditions brought about by reason of the war. It is felt that this is largely brought about by the excellent attendance at our Tuesday luncheons held at the University Club.

At the Tuesday luncheon held January 4, the nominations made by the Nominating Committee were duly approved and the following members were unanimously elected to office: President, John J. Shipherd, Beta Lambda (Lehigh) '21; Vice-president, Edgar Noll, Beta Chi (Brown) '20; Secretary, Howard A. Foster, Omega (Pennsylvania) '19; and Treasurer, George F. C. Franks, Nu (Lafayette) '21.

The entire chapter appreciated the splendid work accomplished by our outgoing officers, George A. "Buzz" Doyle, Tau (Penn State) '17, who served as president through the year 1943, and Charles A. Gray, Upsilon (Rensselaer) '33. Charlie did a lot of good work for the chapter as he had served as secretary-treasurer for about five years, but his duties at the busy Cramp Shipbuilding Company became too heavy to allow outside activities.

Our program for 1944 will require a little more financial support from our members than is usually needed because we plan to issue a directory giving each member's name, residence, business and the position he holds. This should prove to be an interesting piece of material for we have in excess of 300 members in the Philadelphia area and the nearby points in New Jersey. In addition to the annual dues of \$2.00 we asked members to make a voluntary contribution if possible and the response has been so generous that the issuance of the directory seems now assured.

Among our members in civil life

we have only limited information regarding any business changes. However, we are glad to report that Raymond W. Duning, Zeta (Western Reserve) '19, was moved up to secretary-treasurer of Robert Morris Associates, an organization furnishing credit information for bank use.

Also Frank F. Truscott, Nu (Lafayette) '17, a well-known Philadelphia lawyer, was appointed chairman of the Civil Service Commission of the City of Philadelphia by the mayor.

HOWARD A. FOSTER.

Pittsburgh

While the ranks of the Pittsburgh Alumni Chapter are rather sadly depleted because of the war, we are continuing to hold our regular weekly luncheons on Tuesdays at the Harvard-Yale-Princeton Club. The same officers will continue to operate throughout the coming year.

The traditional church service at Trinity Cathedral was held the first Sunday in December with approximately 200 Delts attending. As usual, the service was conducted by the Very Reverend N. R. H. Moor.

Plans are now under way for the Annual Founders Day banquet in March.

CHARLES R. WILSON.

St. Louis

Due to the fact that many of our active alumni are in the Services the chapter did not hold its annual Christmas party nor was there an election of new officers. Our regular Monday luncheons continue.

We hear from some of the men in the Service from time to time. Recent news has been received from Ensign Charles Drake, Westminster, who is in charge of a Navy gun crew in the Pacific. He writes that he has hopes of getting to visit with some of the California chapters the next time he is in port.

Likewise Lt. Don S. Holt, North Carolina, regularly reports from somewhere in the Pacific that he is in good health but at times finds it difficult to combat the lassitude that seems to affect the boys out that way.

Capt. Paul A. Johnson, Missouri, is still stationed at Camp McCoy but gets away from time to time on Army business.

While we have not had it directly, we understand that Lt. Fritz Ellet, Missouri, is now stationed near Chicago.

Lt. George Seielstat, Albion, writes that he is back at Edgewood Arsenal after duty in Alabama.

Will Beck, Lawrence, is back in Panama on detached service, after his visit home in October.

Branch Rickey, Ohio Wesleyan, lost his beautiful home here by fire.

Dr. Grayson Carroll, Texas, of the St. Louis University School of Medicine, has been named president-elect of the Mississippi Valley Medical Society to take office in 1945.

G. H. BUCHANAN, JR.

Wilmington

The Wilmington Alumni Chapter gave a farewell dinner in Wilmington, Delaware, Tuesday night, October 19, for John Eckelberry, who has taken a new position in New York City.

Around twenty members of the alumni chapter attended. The Fraternity was represented in a wide range of classes which included Frederick Kniffen, Gamma Zeta (Wesleyan) '95, who is one of the most enthusiastic boosters of all activities planned by the Wilmington group.

It was decided to hold a dinner meeting during the winter. The Wilmington Alumni Chapter meets every Monday at noon in the Hob Tea Room on Market Street and has had an excellent attendance for the past five years. There are thirty-two members listed in the active membership role.

W. Murray Metten, Beta Lambda (Lehigh) '25, president of the alumni chapter, presided at the dinner meeting.

Paul Hoffman, past president of the Fraternity, visited the city recently, and many of the alumni were fortunate enough to hear his address to the local Chamber of Commerce.

BEDFORD BERRY.

1944 BLUE BOOK

From the Aleutians to North Africa, from Iceland to Australia, from England to India, Balfour jewelry has brought together many fraternity brothers—through recognition of the fraternity crest on a ring, identification bracelet, or service billfold.

Many gifts with his crest or service insignia may be found in the new BLUE BOOK.

The Victory ring features a new sweetheart size. Also crash tags, compacts, lockets, and fine leather billfolds and photo frames.
