AT 1607 MAPLE STREET

DELTA TAU DELTA is a constructive adjunct to the system of higher education. Her objective is to educate, contributing to the young men within her sphere of influence a moral, spiritual, and social development commensurate with the intellectual training supplied by the colleges and the universities.

One Moment, Please . . .

WITH THIS MARCH, 1957, issue, the Fraternity is pleased to present a new Editor of THE RAINBOW. Ours is the personal pleasure of responding to a request to introduce him to Good Delts everywhere.

Ed Hughes takes up the Delt quill with the same enthusiasm which has characterized his action in other fields of service to Delta Tau Delta. He will unfold the Delt story for us from a background of intense loyalty which blends a rich legacy with his own fine application of the Delt ideal.

A 1943 graduate of DePauw University, Mr. Hughes obtained his law degree from Indiana University. Shortly after he began the practice

of law in Indianapolis, he became secretary-treasurer of the Fraternity's Northern Division. He has furthered the work of the Fraternity on many fronts. For a number of years he has also been chapter adviser of Beta Beta Chapter at DePauw, a distance of 50 miles from his home, and has given unselfishly of his time in this the most basic service.

As 24th Editor of THE RAINBOW, Ed Hughes becomes a successor of his late distinguished grandfather, Bishop Edwin Holt Hughes, who held the post 60 years ago. In his own right, our new Editor will continue the tradition of fine fraternity journalism which has sustained our magazine for 85 years.

Delta Tau Delta's Eighty-Sixth Chapter

By MICHAEL JOHN VAUTIER, *Epsilon Gamma*, '58

"THE UNION OF Kappa Iota Phi to Delta Tau Delta could symbolize a marriage—in both is involved the affirmation of a vow. . . ." These words were spoken by Lane Summers, Delta, '11, a member of the Distinguished Service Chapter of Delta Tau Delta, on December 1, 1956, at the Installation Banquet of Epsilon Gamma Chapter, Washington State College, Pullman, Washington, as the 86th undergraduate chapter of Delta Tau Delta Fraternity.

When Robert W. Gilley, Gamma Mu, '30, Vice-President of Delta Tau Delta, presented the charter to Charles Stuart McKenzie, president of Epsilon Gamma Chapter, it marked the fulfillment of months of careful planning and preparation. The selection of Washington State College and of Kappa Iota Phi Fraternity as a school and as a group by Delta Tau Delta did not happen by accident. First, Kappa Iota Phi and Washington State College had to decide that the future growth and progress of this outstanding local fraternity could best be served by association with a strong national organization. Once this was done, the existence of such a desire had to be made known to the leaders of Delta Tau Delta. Dean of Students J. C. Clevenger, Washington State College, who welcomed Delta Tau Delta to the College on behalf of the school administration, said that the administration, ". . . had openly courted Delta Tau Delta to form on this campus." Representatives of Delta Tau Delta visited the Kappa Iota Phi group in the spring of 1955. Following this visit, the Delt machinery began to roll. A full investigation was made by Delta Tau Delta of both Kappa Iota Phi and Washington State College, and they, in turn, made a complete study of Delta Tau Delta. Finally, in August, 1956, at the Sixty-third Karnea of Delta Tau Delta, the Arch Chapter of the Fraternity for-

mally granted a charter to Kappa Iota Phi.

Now the work was ready to start. Charles S. McKenzie, the newly elected president of the chapter, Philip A. Craig, Delta Rho, '56, and David DeCamp, Kappa, '48, began laying the groundwork for the events which were to follow. A Delt alumni group was formed in September, which group included Colonel Gustav M. Bacharach, Nu, '34; David DeCamp, who also served as chapter adviser; H. Bayard Milne, Delta Lambda, '37; C. Gardner Shaw, Mu, '38; S. Town Stephenson, Beta Beta, '30; and, Philip Craig. This alumni group immediately arranged for the purchase of the house at 1607 Maple Street, Pullman, from the Pullman Kiwanis Club. This purchase made it possible for the Kappa Iota Phi members to move into a Delt-owned house upon their return from summer vacations.

The rushing program was a successful one, aided no small amount by the knowledge that the group was to become a part of Delta Tau Delta.

Edward S. Grignon, pledge trainer, and David DeCamp, chapter adviser, then had the task of indoctrinating both actives and pledges in the history and ideals of Delta Tau Delta. As in all matters of this sort, it is necessary to have the help and co-operation of a great many individuals, committees, and groups. An example of willingness to show this co-operation was the journey of the Delts of Delta Mu Chapter from Moscow, Idaho, to Pullman on October 14, to present the men of Kappa Iota Phi with the Delt pledge pins.

Field Secretary Wallace W. Taylor, Jr., arrived in Pullman just prior to Thanksgiving for the purpose of making the final plans and arrangements for the two-day installation program. The Installation Committee, consisting of Charles S. McKenzie and Lonnie LeRoy Roach, of the undergraduate chapter, and Colonel Bacharach and David DeCamp, of the alumni group, met and completed working out all of the details.

The wonderful spirit of friendliness and co-operation exerted by the administration of Washington State College was evidenced when the Compton Student Union Building was put at the disposal of the Installation Committee. On Friday evening, November 30, registration was set up in the Union Building, and the arriving Delts were registered and assigned rooms. Later that evening an open house was held at the fraternity house for the delegates of Gamma Mu Chapter, at the University of Washington, and Delta Rho Chapter, Whitman College.

Saturday morning, December 1, saw more delegates registering at the Union Building, as members of Delta Mu, University of Idaho; Gamma Rho, the University of Oregon; and, Delta Lambda, Oregon State, appeared upon the scene. In addition to these undergraduate delegations, President Francis M. Hughes, Mu,

Vice-President GILLEY and President HUGHES.

'31, Vice-President Robert W. Gilley, Gamma Mu, '30, and Lane Summers, Delta, '11, as well as members of the Pullman alumni group, and other alumni from the Pullman area, joined the growing throng of Delts.

At 11:00 a.m., the formal pledging rite, conducted by Delta Mu Chapter, was held. Then, following an informal luncheon at the Union Building, the Initiation Ceremony for the charter members-elect was conducted. Brothers Thomas L. Taylor, Thomas N. Peterson, Richard W. Brandt, William L. Carter, Thomas L. Wasmund, Robley P. Thomason, Robert W. Peterson, and Ronald D. Deisher, of Gamma Mu Chapter; Brothers Dan Davis, William A. Simon, Robert T. Jameson, Paul R. Galloway, Richard E. Sheppard, Howard T. Scholes, Ernest J. Davenport, and Gordon G.

Henderson, of Delta Mu Chapter; and, Brothers Allan R. Peterson, David G. McCracken, Paul B. Tomkins, William L. Brunswig, Fred B. Collins, Carter Debrito, John F. Miller, Gene Greenlee, Ernest F. Tucker, and George A. Rogers, of Delta Rho Chapter, comprised the three initiation teams.

At the conclusion of the initiation, Colonel Bacharach led nearly 140 jubilant Delts in the traditional "Choctaw Walk-Around," an experience inspiring not only to the Delts but to all of the students and visitors present at the Union Building. The formal work was completed and 13 new initiates were established as charter members of Epsilon Gamma of Delta Tau Delta. These charter members are: Edward Stuart Grignon, Douglas Esley Hipp, Cedric Alphas

Hotchkiss, Jr., Wayne Evert Hough, William Arthur Lind, Charles Stuart McKenzie, Richard Edwin Molenaar, Thomas Stell Newman, Roger Raymond Richert, Lonnie LeRoy Roach, Geoffrey Leroy Stillman, John Vance Urness, and Michael John Vautier.

With the work over, festivities were in order. The Installation Banquet, held at 6:00 p.m. in the ballroom of the Union Building, was indeed a festive occasion. Presiding over the program was Epsilon Gamma Chapter Adviser David DeCamp, who, after the Invocation by Reverend David Julius, Pastor of Community Congregational Church, Pullman, introduced Colonel Gustav N. Bacharach, president of the Epsilon Gamma house corporation, as toastmaster. Distinguished guests and alumni present were introduced by the toastmaster. Lane Summers, a member of the Distinguished Service Chapter, in addressing the diners, likened the union of Kappa Iota Phi and Delta Tau Delta to a marriage, stressing the importance of the vows exchanged in each instance. Washington State College's Dean of Students, J. C. Clevenger, was introduced, and he then graciously welcomed Delta Tau Delta to the Washington State campus.

Field Secretary Taylor presented membership certificates to the new charter members. Next came the presentation of the charter by Vice-President Gilley to Charles S. McKenzie, chapter president. In presenting the charter, Brother Gilley said, "The granting of this charter came about by an act of faith—our confidence in the State College of Washington as a place for a Delta Tau Delta chapter; confidence in the other Delt chapters in the northwest who wholeheartedly

endorsed the local fraternity; confidence in the Delt alumni in this region; and, most important of all, faith in the men of Kappa Iota Phi—this, more than anything else, was the deciding factor.”

Offering the salutatory was Washington State's Dean of Faculty, S. Town Stephenson, Beta Beta, '30, who recalled old Delt memories and reaffirmed the faith of Washington State College in the values of Delta Tau Delta.

Toastmaster Bacharach introduced the principal speaker of the evening, Francis M. Hughes, President of Delta Tau Delta Fraternity, who, in an inspiring address, defined the significance of the fraternity man as follows: "Fraternity men are different—because they have pledged themselves to manhood by taking an oath. An oath is a challenge—an appeal to God of Truth—with the implication of Divine punishment. An oath binds moral conscience—attainable ideals of manhood; in such an oath, a foundation for the future can be built." President Hughes further said, "The fraternity system is under fire. It should be on fire. Members of Delta Tau Delta pledge themselves to manhood. Upon this we build the foundation for the future." He concluded with the words: "The influence of a Good Delt may be infinite."

NIC Elects Reynolds to Executive Committee

Continues Delt Pattern of Participation and Service

THE 48TH ANNUAL session of the National Interfraternity Conference met at the Waldorf Astoria Hotel in New York City November 29 and 30 and December 1, 1956. The final registration figures were estimated at nearly 800, the largest registration on record. Included were 200 fraternity alumni, 250 college officials and representatives, and 350 undergraduates.

Official delegates for Delta Tau Delta were Joel W. Reynolds, Norman MacLeod, and A. Bruce Bielaski. Executive Vice-President Hugh Shields also represented the Fraternity.

The House of Delegates met on the evening of November 29 and elected as NIC officers for 1957: Francis S. Van Derbur, Kappa Sigma, chairman; Houston T. Karnes, Lambda Chi Alpha, vice-chairman; J. Edward Murphy, Sigma Nu, treasurer; Charles M. Carpenter, Sigma Alpha Epsilon, secretary; Glen T. Nygreen, Sigma Alpha Epsilon, educational adviser; and Joel W. Reynolds, Delta Tau Delta; Roland Maxwell, Phi Kappa Tau; George S. Ward, Phi Delta Theta; and Earl D. Rhodes, Theta Chi, for members of the executive committee. The House of Delegates is composed of representative delegates from each active member fraternity in the NIC. All executive and administrative powers, including those of amending the laws and electing the officers, are vested in this body. Between sessions of the House of Delegates, which occur at least annually, its functions are assigned to the executive committee. The executive committee is composed of the five officers and the members-at-large.

The election of Joel W. Reynolds to the executive committee is a continuation of the Fraternity's active participation in the program of the National Interfraternity Conference. Delta Tau Delta is a charter member of the NIC and three members of the Fraternity have served as Chairman of the Conference: James B. Curtis, A. Bruce Bielaski, and Alvan E. Duerr. Mr. Curtis was one of the or-

ganizers of the Conference and Dr. Duerr was one of the few men who have served two terms as chairman.

Other members of Delta Tau Delta who attended the Conference, in addition to the delegates and Mr. Shields, were: Russell A. Griffin, Kappa, '29; Joseph D. Boyd, Beta Beta, '48; James H. Lochary, Beta, '52; John H. Heiney, Beta Alpha, '55; Michael E. Barber, Delta, '57; Harold Jenkins, Delta Omega, '57; William H. Wilton, Jr., Delta Beta, '57; and Gary W. Rumsey, Gamma Chi, '58.

PLANS FOR NIC CENTRAL OFFICE EXTENDED

Two proposals relating to the establishment of a central office for NIC, as adopted by a motion of the 1955 annual meeting, were discussed. The first of these was a confirmation of the 1955 motion looking to the establishment of the office and this passed with eight dissenting votes. The second proposal related to financing the office with the proposed increase in dues from member fraternities, the net increase being \$4.00 per chapter per member fraternity. This proposal was amended to provide for final ap-

proval by a two-thirds majority of the 1957 House of Delegates. The proposal, as amended, was passed.

MANNERS AND STANDARDS DISCUSSED

Among the subjects covered by panel discussions were "manners and standards" and "foundations and fraternity housing." Joel Reynolds was one of the panel members for the first subject. He said that a small minority of fraternities and fraternity men provides; whether justified or not, the most criticism with liquor, poor grades, discourteous conduct, and low levels of manners and standards as the chief offenders. He suggested more attention to ritualistic matters, more housemothers or resident advisers, and better enforcement of rules by the institutions as possible aids. Executive Vice-President Shields was a member of the panel leading the discussion of the second subject. Other topics covered by panel discussions were: fraternity relationships to increased college enrollments, graduate and undergraduate interfrater-

Eighty-Sixth Chapter

(Continued from Page 124)

As additional entertainment, a sound movie, filmed in color, of the high lights of the Sixty-third Karnea held at Houston, Texas, in August, 1956, was shown. A fitting conclusion to two wonderful days of accomplishment was the singing of "Delta Shelter."

Following the banquet, an Installation Ball was held in the Union Building ballroom. An outstanding campus orchestra provided the music for an evening of full enjoyment. Dates were arranged for the off-campus Delts by the new brothers of Epsilon Gamma Chapter. After the dance was concluded and the dates were escorted back to their homes, Bob Eberhard, of Delta Lambda Chapter, led a large group of Delts on a campus-wide serenade.

The foregoing covers the conception and birth of Delta Tau Delta's 86th undergraduate chapter. To know and understand better the newest member of the Delt Brotherhood, it would perhaps be helpful to record a brief outline of the history of Washington State College and of Kappa Iota Phi. The State College of Washington entered into existence on January 13, 1892, with 21 students, five instructors, and one small classroom building. Since that time, with the aid of several very able Presidents, it has grown and developed until now it

ranks as one of the leading land-grant colleges in the United States. The original student body of 21 in 1892 has grown to the present enrollment of nearly 6,000 students.

In 1938, while the College was beginning to gain nationwide recognition as a great university, another group had its conception and started to rise. This was the Circle K Club, established and sponsored by the Kiwanis International as a means to aid men who were potential leaders but who were financially unable to go to college without getting some help. The initial loose organization was strengthened in 1939 by the Club's joining the Interfraternity Council and taking the name of Circle K Fraternity. After being forced to close during the years of World War II, Circle K returned with renewed vigor in the years following the war. Upon petition of the national convention of Kiwanis International in 1948, the name of the fraternity was changed from Circle K to Kappa Iota Phi. Under the new name, the fraternity enjoyed increased prosperity and strengthened its place in the fraternity system. Kappa Iota Phi, since that time, has constantly been in the top of the scholarship rolls, has produced many campus leaders, and has taken a very active part in campus activities.

Now, Kappa Iota Phi, an old house with a proud record and an ever-growing faith and spirit, is looking forward to an even brighter future

as the Epsilon Gamma Chapter of Delta Tau Delta.

Deltas, greet your Brothers!!!

nity councils, and fraternity and college relations.

ILLINOIS WINS GRAND AWARD

Awards for outstanding achievement by interfraternity councils were presented to representatives of Hanover College (for the second consecutive year), Wittenberg College, University of New Hampshire, State University of Iowa, University of Illinois, and University of Arizona. The grand award was presented to the University of Illinois.

Dean Fred H. Turner, University of Illinois, was presented the Conference Gold Medal Award for "Service to Youth Through the American College Fraternity System."

CLERGYMAN BANQUET SPEAKER

In his second appearance as banquet speaker for the NIC, Doctor Ralph W. Sockman, of Christ Church, New York, stated that "fraternities have no future unless they fulfill their responsibilities." He described the responsibilities to undergraduates, whom fraternities choose as members, to develop them into responsible persons; responsibilities to the campus and the setting of the campus style in educational and religious matters; responsibility to the community at large. He stated that "fraternities are in the spotlight as they never have been before, and they must not fail." He stressed the opportunity fraternities have to give more to the student over and above education in classes and that they must do this. He concluded that as style setters for the campus and for American Youth, fraternities could be the style setters for the world if they chose to do so.

NEXT NIC MEETING GOES WESTWARD

The place and the date of the next annual session of the Conference have been selected. Unlike the prevailing choice of the past several years, the 1957 Conference will go westward to the Broadmoor, Colorado Springs, Colorado. The weekend following Thanksgiving has been selected for the time of the meeting.

Galbreath Memorial Chapel Being Constructed At Ohio University Is Gift From Delt Alum

A MAGNIFICENT MEMORIAL CHAPEL, the only building ever presented to Ohio University as a gift, is now rising on the OU campus. The chapel is a gift of Graduate and Trustee John W. Galbreath, who was a Beta Chapter Delt at OU.

The chapel, which will cost \$246,000, will be constructed in honor of his first wife who died in 1946. The building will be known as the Helen Mauch Galbreath Memorial Chapel.

To be interdenominational in nature, the octagonal chapel will provide a 45-by-45 foot sanctuary with a seating capacity of 150. Featuring a spiral reaching 120 feet in the air, the building will be located on the approximate site of the first building on the 152-year-old campus.

The use of the building by student religious groups will be regulated by the Campus Religious Council and the Student Council in co-operation with Ohio University President John C. Baker's office.

Dr. Baker referred to the chapel as the "finest gift by any individual made to the university," and added

The Galbreath Chapel

that "it will be particularly appreciated by students, past, present and future, because of its spiritual significance."

"No gift to the university will ever mean more personally to many students than this chapel," he explained.

Mr. Galbreath, nationally-known for his real estate transactions and interest in sports, is serving his third term as a member of the Ohio University Board of Trustees. He is also owner of the Pittsburgh Pirates Baseball Club.

A native of Mt. Sterling, Ohio, Mr. Galbreath's real estate business today includes offices in Columbus, Pittsburgh, and New York. He will soon build the second tallest skyscraper in New York.

Mrs. Galbreath, for whom the chapel is named, was an OU graduate of 1919, and the daughter of a prominent Gallipolis family. Mr. Galbreath, who graduated in 1920, met his wife when both were students.

The present Mrs. Galbreath, the former Dorothy Bryan Firestone, is well known for her interest in civic and University affairs. The Galbreaths make their home near Columbus.

Delt Newsman, Gordon S. Thompson, Wins Ernie Pyle Award

GORDON S. "BISH" THOMPSON, *Baker*, '35, columnist of *The Evansville Press* (Evansville, Indiana), was recently announced as a winner of one of American journalism's foremost honors—the annual Scripps-Howard Ernie Pyle Memorial Award. A cash award of \$1,000 and a bronze medalion plaque are presented each year to the two newsmen whose writing and reporting most nearly exemplify the style and craftsmanship of the World War II reporter and human interest columnist. The other 1956 winner was Charles Kuralt of the *Charlotte (N.C.) News*.

Mr. Thompson is the son of GORDON B. THOMPSON, *Baker*, '05, who was a Methodist minister (hence the nickname "Bish"). The Thomp-

sons were living in Chattanooga, Tennessee, when Bish was born in 1913. A few months later the family moved back to its home state of Kansas and Bish was educated in the public schools of Parsons, Coffeyville, and Topeka. He has worked on newspapers since he was graduated from Baker University in 1935. This work took him from Kansas to Illinois and, finally, to Indiana. He started working as a reporter for *The Evansville Press* in 1943. His first assignment was to the police beat—and Bish didn't like it at all. After spending some time writing feature articles, he was given the opportunity to write a daily column.

So Bish Thompson wrote about boys and girls and men and women

and places and things. This he did like . . . because he has the same warm understanding of people that Ernie Pyle had. The judges for the award agreed that "he rings the bell almost every day, writing with gentleness and an eye for interesting detail. . . ." Earl Richert, editor of the *Press*, in presenting the plaque and check to Bish said, "The Ernie Pyle award is one of the greatest honors that can come to a member of the staff of this newspaper. We here at the *Press* are immensely proud of this national recognition of Bish Thompson and his work in our newspaper."

In addition to writing six columns a week, Bish writes five radio broad-

Gordon Jones, Twenty-Third Editor, Retires

By HUGH SHIELDS, *Indiana, '26*

Executive Vice-President of Delta Tau Delta

GORDON JONES put aside his capable pen as Editor of *THE RAINBOW* with the December, 1956, number. Since 1941, with the exception of a tour of duty with the armed services during World War II, Gordon has been a member of the Fraternity's staff. He served as field secretary, as administrative assistant to the Executive Vice-President, and as Editor of *THE RAINBOW*. He gave dependable, efficient, devoted, and exceptional services to Delta Tau Delta in all three capacities. He earned the right to be ranked with the best who have served the Fraternity over the years.

Gordon left our full-time staff in September, 1954, to enter the transportation business in Chicago. By our choice and his preference, he retained the editorship of *THE RAINBOW*. The pressure of his business responsibilities forced Gordon's retirement as Editor in December. He wouldn't continue under circumstances which make topflight performance impossible—a quality which has charac-

GORDON L. JONES

terized his every thought about Delta Tau Delta.

Gordon came up through the ranks—an experience which contributed a great deal to his comprehensive understanding of the Fraternity's policies and objectives and helped him develop that keen sense of appraisal which was so evident in his work as an executive officer and as Editor.

Back in 1941 we learned of a young Delt who had achieved marked success at the University of Nebraska. Gordon was drafted for the field staff. We had this to say about him in the May, 1942, number of *THE RAINBOW*:

"Delta Tau Delta went out to the State of Nebraska for its new man on the Field Secretary Staff. Nebraska claims him as a native. . . . He was born in Verdon and took his elementary and preparatory training in Minden public schools.

"It took several letters to bring out all the information we sought from this modest Nebraska gentleman. His biographical sketch continues . . . skipped the third grade . . . won three college scholarships . . . basketball captain . . . outstanding senior. College: . . . president of Beta Tau . . . campus publications . . . assistant in the English Department for three years . . . earned Fellowship. Hobbies: golf in particular but most other sports . . . writes short stories (and admits he has rejection slips from some of the best magazines).

"Many of you readers have already met Gordon Jones and have enjoyed his geniality and sincerity. Delta Tau Delta welcomes Gordon to the field staff."

After a full tour of duty in the armed services, first as an infantry private and then as an officer in the Army Air Force, which promotion he earned in rapid order, Gordon returned to the Central

Office staff just in time to land in the middle of one of the most crucial periods in the Fraternity's history. This period following the war was marked by overwhelming rebuilding problems on both the local and national levels. He was appointed administrative assistant, and he made substantial contributions in the solution of our postwar problems which had to be solved before we could look to the future.

Time and events moved rapidly, and Gordon was appointed Editor of *THE RAINBOW* with the November, 1946, number. We introduced him in that number as follows:

"It has been my privilege to serve as Editor of *THE RAINBOW* pro tem with some very substantial, loyal, and skilled help at the Central Office on two occasions, including the current tour. At various times over the years, the editing has been done from other locations. The

Arch Chapter and Board of Directors have now decided to continue the editing in the Central Office.

"The most satisfaction I have derived from these extra tours of journalistic pinch-hitting has been in seeing members of the Fraternity's staff develop talents to the point of being judged capable of assuming the editorship.

"We are proud to announce that Gordon Jones, Beta Tau, '41, has been assigned the editorship of *THE RAINBOW* as one of his duties as administrative assistant at the Central Office, which position he has held since his return from the armed services in November, 1945.

"His personal and Delt background, his versatile talents, his academic record at the University of Nebraska, and his loyalty and keen sense of duty to the Fraternity are the implements with which he will carve a position of high honor and accomplishment for *THE RAINBOW* and for Delta Tau Delta in the field of fraternity journalism."

THE RAINBOW is the third oldest fra-

ternity magazine in the college fraternity field, having been published continuously since 1877. Just 23 Delts have had the honor of serving as Editor—only six have edited the magazine since 1899. Gordon served as Editor for almost 11 years. Only Frank Rogers, Stanford, '99, served longer. Gordon's ability to create ideas and translate the spirit of the Fraternity, his willingness for exhaustive research, his painstaking attention to accuracy, and his alert sense in evaluating the news have distinguished his direction of *THE RAINBOW*.

After the first year of Gordon's editorship, we wrote a note on some copy he had asked us to read. It said, "I predict that you will rank with the truly great Editors of *THE RAINBOW*, such as Edwin Holt Hughes, Frank Rogers, and Stuart Maclean, before you complete your tour of duty."

THE RAINBOW, under the leadership of Gordon Jones, proves that our prediction has long since become an established fact.

Florida Delts Dedicate Addition to Shelter And Honor Retiring Chapter Adviser

THE WEEK END of December 7, 8, and 9 was the high light of the fall semester for Delta Zeta Chapter, University of Florida. Delts gathered for this week end had the special enjoyment of participating in the formal dedication of the new \$100,000 addition to the Shelter.

The new wing, planned by Brother William K. Jackson, Delta Zeta, '35, as architect, and built by Brother Frank H. Brownnett, Delta Zeta, '32, the general contractor, houses 26 men, and includes a spacious new dining room and modern kitchen, as well as quarters for the housemother. All will agree that brothers Jackson and Brownnett did a masterful job in planning and building this beautiful new addition.

The week end festivities also served to pay tribute to Dr. George F. Weber, Delta Zeta, '16, who has retired after 31 years as chapter adviser at Delta Zeta. On Friday evening, a formal banquet was planned in honor of Dr. Weber, who served as adviser from 1925 until his retirement in 1956. Alumni from all parts of the state of Florida returned to Gainesville for the occasion of the banquet and the smoker immediately preceded.

ing. Brother Willard Fifield, Delta Zeta, '30, Provost of Agriculture for the University of Florida, was master of ceremonies at the banquet. Hugh Shields, Executive Vice-President of Delta Tau Delta, was the main speaker of the evening. In his talk, Brother Shields reviewed the history and record of Delta Zeta on the Florida campus and acknowledged the progress made under the leadership of Dr. Weber. Before the conclusion of the banquet program, newly appointed Chapter Adviser Bill A. Fleming, Delta Zeta, '52, announced the establishment of the "George F. Weber Scholarship Award." This award is being created in commemoration of the long and faithful service Dr. Weber has given not only to Delta Zeta Chapter but to all of Delta Tau Delta. The award, which is to be an outright gift of \$100, will be presented each year to the graduating senior of Delta Zeta Chapter who has maintained the highest scholastic average during the school year. The alumni of Delta Zeta has established this award and will maintain it in the future.

On Saturday morning, a breakfast meeting of the board of directors of the Delta Zeta house corporation was

held. Brother John V. McQuitty, Delta Zeta, '29, president of the house corporation, and the entire board are to be congratulated for the outstanding job performed in securing the new wing for the Shelter.

The pledges and actives entertained their guests Saturday afternoon by staging their annual pledge-active football game. The pledge team rallied with two touchdowns in the fourth quarter to take the measure of the actives 42-33 in a most interesting and closely played game. Following the game, the center of activity shifted back to the Shelter for the annual Christmas party and dance. Pledge Emmett Anderson played the role of Santa Claus and directed the exchange of gifts between the brothers. Later in the evening, a dance was held on the open-air patio that connects the new wing of the Shelter with the old wing.

Sunday afternoon climaxed the week end's activities as Delta Zeta was host at an "Open House" to the University and the community. Hundreds of faculty members and local citizenry called to see the new addition. At 4:00 p.m., the new wing was formally dedicated by Dr. Weber. Robert L. Allen, chapter president, accepted the addition on behalf of the undergraduates. As the concluding feature of the program, a portable barbecue set was presented by the alumni to Dr. and Mrs. Weber as a token of appreciation for their years of loving and faithful service to the Fraternity. It was an added pleasure to have President and Mrs. Reitz, of the University of Florida, attend and participate with Chapter Adviser Fleming in making the presentation to the Webers.

It was a fitting climax to Dr. Weber's years of service that the occasion of his retirement should coincide with the dedication of this physical improvement to the chapter which he had been instrumental in developing through many college generations. Surely it can be said that Delta Zeta

Guests assembled for dedication of new wing.

Chapter and Delta Tau Delta Fraternity both are better today due to the influence, strength, and guidance given them by such devoted men as Dr. George F. Weber.

Clarence R. Ball—

First Sang at Karnea in 1913

By G. WILFRID HIBBERT, *Mu*, '18

THE GREAT TRADITION of Delta Tau Delta singers which led Clarence R. Ball, DePauw, '16, to national recognition while an undergraduate at Beta Beta Chapter has continued down through the years, and his fellows of the Toledo Alumni Chapter believe that he has an American record for having sung Handel's oratorio, "The Messiah," no less than 362 times before large audiences in 18 states and Canada.

In the Christmas season just closed he sang the great oratorio six times. And, of course, down through the years he has appeared as a great tenor soloist in many grand operas and other oratorios.

Back in the good old college days, Clarence will be remembered as a buddy of George Kadel, DePauw, '15 (a Brother in Beta Beta Chapter), in a professional singing duo. They made things interesting from a singing standpoint in Indiana in the undergraduate days and first sang at a Karnea in Indianapolis in 1913. Since that time the vocal duo has been heard at five other Karneas, a record which would be difficult to tie, and included entertainment at four Northern Division Conferences. Clarence, with his high tenor, used to impersonate a soprano in their act.

They were so good that "Ball and Kadel" appeared on Chautauqua and the old Keith Vaudeville circuits in 1915 and 1916 and are remembered by many an audience in the Midwest.

Brother Ball is the General Supervisor of Music of the Toledo Public Schools, having come to Toledo in 1917. He initiated regular music classes in the Toledo High Schools. Many a Delt from Toledo received precollege training from him.

In May, 1918, he entered the United States Army and served overseas with the 84th Division, directing music among the Armed Forces in Base Section 2 at Bordeaux, France. As Major Clarence R. Ball, Morale

CLARENCE R. BALL

Officer, he came to the attention of General John J. Pershing and served directly under him for four months after the Armistice. At Chaumont he provided entertainment for the weary troops restive to return home. In all, he had a year's active duty overseas. He booked such stars as Elsie Janis, John Steele, John McCormack, Margaret Wilson (the wartime President's daughter), Eddie Cantor, Ann Pennington, and Chic Sales. Great bands and orchestras also played under his management. Entertainment was arranged for the troops in camps and stations and also hospitals, hotels, and other areas where the Doughboys of World War I needed a little cheer.

For his great work attested for by the military he was awarded the honorary degree of Doctor of Music by the Damrosch Institute of Music, New York, in 1922.

After the war, Clarence returned to Toledo and immediately was named Director of High School Music where he trained many glee clubs and choral groups, organized bands and orchestras, and spread the gospel of music throughout the city. From 1928 to 1940 he was general director of the Toledo Blade Music Festival, a great civic event. Then in 1941 he was named Directing Supervisor in all Toledo Schools, a position he still holds.

For 17 years he was tenor soloist at First Congregational Church in Toledo and for the last 17 years has

been Director of Music at Westminster Presbyterian Church.

Clarence R. Ball is a Hoosier. Born in Lebanon, Indiana, in 1893, the son of Dr. James R. Ball, a physician, he attended the local elementary and high schools. He received his degree of Bachelor of Music from DePauw in 1916 and a year later the Master of Music degree from Damrosch Institute.

In 1919 this Good Delt married his college sweetheart, Kathleen Williams, of Ligonier, Indiana. They have one daughter, Mrs. Richard Fry, and three grandchildren, Carol, 13, Mary Kay, 9, and Tommy, 5.

Naturally, at all Toledo Alumni Chapter events Brother Ball is the Song Leader. On "Delta Shelter" he can match the next twenty vocal Brethren.

casts a week. He also makes about 100 speeches a year and writes a weekly column. All of these added together total about 1,085,800 words a year that he writes. In spite of all of this writing, he finds time for all sorts of projects. He is a Shriner and president of the Downtown Optimists. He is on the Boy Scout board and is a card-carrying member of the Girl Scouts of America. He was the originator and first "general" of the Civil War Round Table of Vanderburgh Court House.

An example of Bish Thompson's work can be found in the September, 1955, issue of THE RAINBOW. His article on Joe Wick, Butler, '43, was reprinted in that issue at Pages 9 and 10. An example of the projects he is interested in is his current search for an old locomotive to put in a park as a plaything for Evansville youngsters.

Birthday Cakes . . . An Undergraduate Enterprise

THREE YEARS AGO, ROGER REID, *Indiana*, '56, in an effort to help finance the cost of his college education, started a "birthday cake" business. Roger is an Indiana University senior from South Bend, Indiana, in the University's School of Business. He was not content with waiting until he was graduated before making use of what he learned in marketing classes.

Realizing that all young people like to receive a cake on their birthdays, and knowing that it is not always feasible for parents to send cakes to students away from home, Roger has developed a business which makes it possible for the desires of both students and parents to be taken care of.

Each week he sends letters to parents of students who have birthdays within the next two-week period suggesting that they order a cake for the occasion. The parents are given a choice of kind and size of cake and the decoration message. Upon receipt of an order, Roger contacts a Bloomington bakery and the cake is then delivered at the proper time. He has screened his mailing list to between 4,000 and 5,000 names. He excludes graduate students, those who were born prior to 1930, and those having birthdays during the various University vacations. His returns are approximately 20 per cent, netting him about \$400 a year to apply on his expenses at the University.

This enterprising young business student is the youngest of four brothers, all having been completely self-supporting while obtaining their university educations. Roger will be graduated at the end of the current semester. He has majored in marketing and advertising and plans to continue his education by studying for a Master's degree in Business Administration.

In addition to his birthday cake business, Roger has a job which furnishes his board and room. He also is a soloist with the University's Singing Hoosiers and the Varsity Male Quartet, making numerous appearances throughout Indiana and surrounding territory. Last summer he toured the Far East with the Singing

Hoosiers, chosen to entertain American GI's in that area.

Upon completion of his graduate work, Roger would like to return to Japan and engage in the export and import business as well as participate as a layman in activities of the Methodist Church in the Orient. These plans did not originate with Roger last summer, however, as they date back to a previous visit he made to Japan in 1951. At that time, following completion of his junior year in high school, he worked his way over on a freighter and finished his high school course in a Tokyo high school. At that time his older brother was serving as a missionary in Japan.

DePauw Delt Receives Wright Award

ROBERT W. OSLER, Beta Beta, '33, Vice-President and Editor of Life Publications for the Rough Notes Company, Inc., insurance publishers, was granted The Elizur Wright Award on December 27, 1956.

This award is made annually by a special award committee of The American Association of University Teachers of Insurance, in recognition of outstanding contributions to the literature of insurance. The committee may, however, have the privilege of withholding the award in any year in which it deems no book is qualified.

The award, which is in the nature of a "Pulitzer Prize" in the field of insurance literature, is named in honor of the first insurance commissioner of the Commonwealth of Massachusetts. Mr. Wright is historically cred-

ited with putting life insurance on a sound basis for the first time, and it was he who developed the principle of the legal reserve, nonforfeiture values, and many other sound insurance regulations.

This year's award was somewhat unusual insofar as it was granted to Mr. Osler in recognition of a college textbook, *Modern Life Insurance*, which he coauthored with Dr. R. I. Mehr, of the University of Illinois. A text is usually considered a compilation or organization of existing knowledge and, therefore, not an example of originality. However, in Mr. Osler's text, the discussion of the fields of Life Insurance and Accident and Sickness Insurance, previously considered two separate fields, were integrated into a new field labeled "Income Insurance." It was this new integration that prompted the special committee to grant the award in recognition of Mr. Osler's original contribution to insurance thought.

BOWERY BALL STARTS YEAR

With the help of Brother John Wagon, editor of the campus humor magazine, and Brother Jim Montgomery, past editor of the same magazine, Delta Eta welcomed in the new year with the annual Bowery Ball. Both John and Jim are artists of no little fame, and both are members of ODK.

DELTS LEAD ALABAMA BASKETBALL

Other Delts are leaders in both campus honoraries and athletics. The SEC champion basketball team, though without last year's George Linn and Dick Gunder, again has Delts leading the squad. Pledge Brothers Dick Bratton, Tom Crosby, and Gene Beard are on the varsity team, and Ron Cochran is on the freshman squad. Gene Beard is also on the Alabama track team, along with Pledge Brother Darrell Fitts.

SIGNS WITH RED SOX

Brothers Freeman and Bill Walker will see lots of action on the baseball team, but the team will feel the loss of Brother Shep Frazier, who has signed with the Boston Red Sox.

COCKE ELECTED TO PHI BETA KAPPA

Joe Cocke, president of Alpha Epsilon Delta, medical honorary, was elected to Phi Beta Kappa. Gerry Waddell was runner-up for "Outstanding Alabama Freshman of 1955." *Who's Who* awards came to John Wagon and President Ramon Perdue, and Jim Bercaw was chosen for the engineering honorary, Tau Beta Pi.

DELT QUARTETS ACTIVE

Epsilon has started the "56-57" school year with great harmony and achievement. Contributing to the Epsilon harmony is our newly formed J.V. quartet, consisting of Henry Snyder, Ben Mayne, Larry Manning, and Kip Petherick. On campus the quartet has sung at two or three of our house parties along with an all-campus social event and the I.F.C. ball. Off campus the boys have carried the Epsilon name to a sorority dance at the University of Michigan and to sev-

eral organizations in town. While the J.V. quartet has been singing, our varsity quartet consisting of Tom Leavy, Don Kendeigh, Dave Blomfield, and Ben Mayne, has been practicing for the all-fraternity quartet sing to be held next week.

DELTS LEAD CAMPUS ACTIVITIES

Epsilon has not been all fun this year. Dick Cooley and Dick Dardas were recently elected to ODK, the National Honorary Men's Leadership Fraternity. Epsilon also has five men who made *Who's Who Among Students in American Colleges and Universities*. They were Jerry Timmons, Dick Cooley, Dennis Doolen, Ed Jenkins, and Tom Leavy. The Interfraternity Council is run with the able assistance of Jerry Timmons, V.P., and Dick Dardas, treasurer. Dick Cooley was recently elected president of the Campus Religious Council and Dennis Doolen vice-president of the Student Council.

13 IN VARSITY SPORTS

In this year of harmony and achievement at Epsilon we have many men in the sports picture of Albion College. This fall Jim Harmony, Rich Johnston, and Bob Danforth lettered in football. The varsity swimmers of the chapter are John Kirul, Jim Stelle, Bob Mange, and Skip Eissfeldt. George Vivlamore and Dick Johnson represent Epsilon on the basketball floor. Our letter winners in cross-country were Dick Cooley, captain; Jim Taup, voted the most valuable team member; Bob Probst, and John Steverman, student managers.

WIN SCHOLARSHIP TROPHY

Epsilon has recently been awarded the interfraternity scholarship trophy for having the highest scholastic average among the six fraternities on Albion's campus. Thus Epsilon brings to a close the first half of its "56-57" school year looking for an even better second half.

NEW OFFICERS OPERATING

Alpha Chapter is continuing to operate efficiently under its new officers, Joel Dyckes, president; Don Trask, vice-president; Dick Engel, treasurer; Bob Stauffer, recording secretary, and Bruce Bell, corresponding secretary.

CHRISTMAS FORMAL

The traditional Christmas formal, which saw the Shelter bedecked in several truckloads of evergreen boughs, was a social high light. Delts and their guests danced to the music of Johnny Martin's twelve-piece band.

SHELTER REDECORATED

During the Christmas vacation, the hallways and kitchen were redecorated by Brothers Smith and Harrison. Spruced up for rush week, the Shelter looks becoming in its palm green and white trimmings.

MEYERS LEADS WRESTLERS

Alpha Chapter continues to be active in campus athletics. Captain Chuck Meyers, of the wrestling team, has not yet lost a match. Brothers Don Siefers and Jack Eidenmueller represent the Delts on the swimming team. For the fourth consecutive year the Delts have won the intramural volleyball championship, being undefeated in our drive for the championship. In spite of injuries to two of our basketball players, we still have high hopes of capturing the intramural basketball trophy under the leadership of Jim Vance.

DELTS LEAD DANCE BAND

The Blue Knights, the campus dance band, is led by two Delts, Al Berkebile and Doug Bedell. The Delts have five of the eight chairs in the band.

ACTIVE IN DRAMATICS

Brothers Harrison and Bray have appeared in leading roles in The Allegheny Playshop's production of "Abe Lincoln in Illinois" and "Twelfth Night."

Once again, we are solidly on our way to another bang-up year.

ALUMNI APPROVE PURCHASES

Epsilon Alpha's Alumni Association met during the homecoming week end, holding its annual election of the Board of Directors. Plans for improvement of the constitution were made and the Association voted to make possible the purchase of a Hi-Fi set as well as new furniture and kitchen equipment for the chapter.

MATTINGLY ELECTED TO BLUE KEY

Epsilon Alpha is proud of Brother Ken Mattingly, who was initiated into Pi Tau Sigma, engineering honorary, and Blue Key, one of the highest honors on campus. Mattingly is also a member of the Student Government and Village Fair Committee. Brother Charlie Blackburn has been selected as a battalion commander in the Army ROTC unit.

FIVE ON COURT TEAM

Five of the first-ten men on the Baker varsity basketball squad are Delts. Brothers Milton Skeens, Bill Hines, Fran Coxen, and Jim Lee have started for the Wildcats during the year.

BROWN AND MANN NAMED ALL-STARS

Chuck Brown and Scott Mann received honorable mention on the K.C.A.C. all-star grid team announced at the end of the season. Both are juniors and previous lettermen. Brown is a center and Mann an end.

CHRISTMAS FORMAL A SUCCESS

Gamma Theta and the Kappa Sigma chapter on the campus staged a joint Christmas formal December 15 which proved successful both financially and entertainmentwise.

LEAD IN INTRAMURALS

In the intramural sweepstakes Gamma Theta still leads the other fraternities by a small margin. Delts have won the championship the last four years. Our "A" volleyball team lost the champion-

ship in a play-off game. Intramural action has now switched to basketball. We have strong contenders in both divisions of the round-ball sport.

GOOD START IN INTRAMURALS

The chapter got off to a good start last fall by winning the intramural football championship. They then took third place in the swimming meet, and are currently leading the bowling league.

BUSY IN CAMPUS ACTIVITIES

Ed Ward was initiated into Omicron Delta Kappa. George Howick is also a member. Ed became the fifth Delta Tau Chapter member to be initiated into ODK in the last five years. Others include: Jack Taylor, '53, Chuck Green, '54, Sam Martin, '55. Richard Rose was elected captain of the BGSU swimming team. He and Delt Wes Boughner made up half of the BeeGee team that set a new Mid-American conference record for the backstroke relay. Joe DeLuca wound up four years of college football as a varsity end. George Howick was elected vice-president of IFC. James Pollock is serving on the Board of Directors of Circle K.

NEW OFFICERS ELECTED

The chapter elected new officers on January 16. They are: Elwood R. Darken, president; August F. Bradfish, vice-president; David W. Humbert, treasurer; James E. Wheeler, assistant treasurer; Ralph J. Stuard, corresponding secretary; Robert Rakovan, recording secretary; David Dearing, guide; and Carmen Angelosante, sergeant-at-arms.

SOCIAL FUNCTIONS HELD

On December 1 the chapter held its annual Christmas formal at the Elks Club in Findlay, Ohio. Mitzi Kohring was elected Delta Queen. Other social events included an Italian party and a hotel party where the Shelter was converted into the "Hilton Delta" complete with Blue Room, Jade Room, and Casino.

INITIATION FORTHCOMING

With the coming of the second semester here at Carnegie Tech, Delta Beta is looking forward to initiating a fine fall-semester pledge class. With the fine spirit that has resulted in the "wetting" of a few actives, we are sure that these Delts-to-be will carry our chapter to many accomplishments in the future.

RETIRING PRESIDENT

The new semester also means election time for the chapter offices. The outgoing president, Bill Wilton, is an all-campus athlete, Council of Fraternity Presidents vice-president, chairman of C.F.P. formal and Greek Sing and Swing committees, and a delegate to the national C.F.P. Needless to say, the new president has a formidable list of accomplishments to match.

I-M SPORTS

The Delts have completed a successful season in fall and winter sports, winning trophies in football, bowling, basketball, and the school championship in co-rec volleyball.

ATHLETES

Ken Laughery, John Mihm, Wayne Dickinson, and Dick Sphon were named to the all-campus football team. Two pledges, Bill Ford and Phil Hubbard, are currently on Tech's swimming and cross-country teams. Another pledge, Jack McDonough, is a letterman on Tech's football team.

PUSH POWER

Again this year, the fabulous Delt buggy team has started to manufacture another prize-winning pushmobile (we hope).

GAMMA XI FORMS DELT "PILLARS"

In the recent elections of some of the honorary fraternities here, the Delts seemed to walk off with the presidencies. Carl Lundgren was selected president in two honoraries—Eta Kappa Nu, the electrical engineering fraternity, and also Tau Beta Pi, the all-engineering fraternity. Donald Presley was elected president of Sigma Sigma, an activities fraternity, and, in the same honorary, Gene Mapes was elected vice-president and treasurer. The honorary elections came up with some tremendous results as far as we Delts are concerned. This year's marching band seemed to be well represented with Delts. Leading the band, as drum major, was Dale Heckmann, while the musicians included Rodger March, recently elected into the band honorary, Harold Whitney, and Dave Staublitz. The band was not only led well, but also contained some fine musicians.

We have also just completed the establishment of a new award for those members who seem to offer the most to the Fraternity. It has been appropriately named, "Delt Pillars Award." This being the year of origin, ten members were

selected. In future years, the already selected "Pillars" shall choose the new members whom they deem deserving. We believe this new award is very worth while and will show much bearing on the future of Gamma Xi. We'll be glad to furnish details for any curious chapters.

GRANT SCHOLARSHIP

Gamma Xi has taken upon itself to provide a German graduate exchange student with a fellowship. The chapter has been visited several times by our dapper friend who is very adequate in entertaining the chapter with his stories about other parts of this old globe.

PLEDGES CHEER HOSPITALIZED CHILDREN

During the Christmas season, the pledges did their best to spread some cheer to those children who would spend their Christmas holiday in the hospital. They spent several days at Cincinnati's Children's Hospital, where they decorated the windows with Christmas scenes. What could add more to a Happy Christmas than to help some hospitalized children forget their afflictions for a short while. Our congratulations to a fine pledge class with a big heart!

Colorado—Beta Kappa

NEW OFFICERS

Beta Kappa finished one of its most successful fall semesters in recent history with the election of new officers. Rick Darst, a junior architect from Greeley, Colorado, is the new prexy. Gary Christy, also a junior, from Sheridan, Wyoming, received the nod as the new vice-president. Under their guidance Beta Kappa will maintain and perhaps strengthen the fine standing it now holds at the University of Colorado.

DELTS IN ORANGE BOWL

When New Year's Day came in 1957, many Beta Kappa Delts were active in postseason football at Miami, Florida. First-string Backs Boyd Dowler and Howard Cook led the field of seven Delts who saw action in that event. Linemen Dick Golder, Bob Hughes, Jim McKim, and Ottis Rhodes all helped to bring home the trophy for the Golden Buffs.

Other Delts are now in varsity competition. Dave Mobray is hitting the boards as a starting guard for Colorado in one of the toughest Big 7 Conferences in history. Bill Hayden is wrestling at 130 pounds, and is currently one of the hottest men Colorado puts on the mat.

Colorado's all-school football champs.

SPORTS ON CAMPUS

For the not-so-above-average sports enthusiast, Colorado offers one of the finest intramural programs to be found anywhere. And currently the Delts are running off with the crown. So far, there have been three sports offered, and so far the Delts have won three all-school championships, i.e., football, water polo, and I.S.A. basketball. It is the fourth straight year for the water polo team, and second straight for the basketball team; moreover, Beta Kappa Delts are currently leading in all winter sports still in contention. Needless to say we are looking forward to spring sports to round out the year.

ACADEMIC AND SOCIAL

Last year, after placing sixth in the compiled grade averages for 24 fraternities, Beta Kappa Delts felt that an extensive social program should be undertaken. Keeping this idea in mind the Delts entertained over 400 alums

and their wives during the homecoming festivities; and at the same time managed to win a second, in the house decorations contest—the only fraternity to place. The annual pledge formal, "The Saints and Sinners Dance," with the upstairs decorated like heaven and the downstairs decorated like hell, again took campus honors as "the party not to miss."

All in all, the Delts jumped off to a wonderful year under the able leadership of Past President John Harker and his assistant, Bill Plested. A hardy welcome is extended to delegates of the Western Division Conference and to all alumni.

MALIN ALL-IVY LEAGUE GOALIE

Rushing and athletics highlighted Gamma Gamma's accomplishments of the past few months. The rushing of nineteen outstanding sophomores and their subsequent pledging ended on January 11 with initiation followed by a banquet. Outstanding accomplishments among the pledges included three varsity letter winners in soccer, Jim Kennedy, Randy Malin, and Charlie Pinkerton, all of whom were first-stringers. Randy Malin also won the goalie spot on the All-Ivy League Soccer Team and was the only sophomore selected by the league. Dick Watson earned himself a spot in the Dartmouth Engineers, a well-known singing group in Eastern circles, and Jim Groundwater, a quarter-miler on last year's freshman team, is this year vying for a spot on the varsity.

SNOW INTERRUPTS TENNIS

Recently the College Tennis Championships were temporarily halted by snow, which as yet has not left us, and Gamma Gamma remains locked in a 1-1 tie in the finals with Alpha Theta.

RUNNER-UP IN GOLF

John Foster and Buck Latimore lost one down in the finals of the College and Fraternity Golf Championships in a heartbreaker that left us with only runner-up points in interfraternity competition.

BASKETBALL TEAM UNDEFEATED

The handball team of Al Greener and Ernie Arnold has advanced past two rounds and appears headed toward the fraternity championship. Basketball is also another bright spot and Gamma Gamma, led by 6'6" Center Joe Marx and 6'4" Forward Ted Bradley is undefeated and leader of its league with wins over TEP, 50-36, Chi Phi, 57-33,

DKE, 49-46, and Theta Delt, 56-53. Dick Lanahan, and Chap Jacobus in the back court and Bob Holland, Randy Malin, and Jim Kennedy have also contributed significantly to this string of victories.

FOUR RETURN TO HOCKEY

This year's hockey picture looks quite bright with the return of key seniors, Dunc Barnes, Fred Searby, Charlie Maschal, and Jim Green.

AUSTIN PLAYING VARSITY BASKETBALL

In varsity sports, Randy Austin again is adding his talented ability to the Dartmouth Green's powerful basketball quintet. Tennis captain-elect, Tony Jenks, is keeping himself trim for the coming spring and currently holds down a spot on the varsity squash team. And Fred Bagnall again is in the nets on the varsity hockey sextet.

WIN SKI CHAMPIONSHIP

Recently, Gamma Gamma added two belated trophies to the large array in its trophy case, the 1956 Fraternity Ski Championship Trophy and the 1955 Football Skills Trophy.

WINTER CARNIVAL PLANNED

With Winter Carnival only slightly shadowed by the advent of exams, the social affairs to come are highly anticipated. Social Chairman Joe Lane has planned a tremendous Carnival. Sam Smith and committee have begun diligent work on the interfraternity play contest, and an art committee, consisting of Mike King, Charlie Maschal, and Bob Young, has drawn up the final sketches to be used in our entry in the Interfraternity Snow Sculpture contest.

SOCIAL AFFAIRS

Delta Upsilon Chapter kept its social life going at a rapid clip this semester by opening the month of November with a house party which was highlighted by the glorious return of Alumnus Bob Wilson to the Shelter; the feature event of the evening was a "This Is Your Life, Bob Wilson" skit. The next week the chapter held a festive square dance with three other fraternities; the evening delisted all four houses in addition to the IFC. The following week was IFC Week End; on Friday night there was a house party with Bernie Grier's Combo at the Shelter. The next evening found many Delts at the field house dancing to the fine music of Elliot Lawrence's orchestra. The chapter hosted some boys

from the Governor Bacon Health Center on December 1; the boys were treated to television and refreshments. A little later in the evening they trooped to the field house and saw the Delaware basketball team bow by one point. December 15 saw the official windup of the first-semester social season—the Christmas party, which starred Prexy Davidson as Santa, replete with toys and gift-laden sack.

MOTHERS' CLUB

The Delta Upsilon Mothers' Club recently completely outfitted the house with new draperies, adding a touch of refinement to the general atmosphere of the Shelter.

Santa arrives at Delaware Christmas Party.

NEW HOUSE PET

The last, but surely not the least, important event of the semester was the acquisition of a rowdy, young canine named "Wilse" in honor of our worthy alumnus, Robert J. Wilson. So far the pup has won the hearts of all the Brothers save the house manager, who is still a little dubious.

INTRAMURALS

The chapter as a whole would like to congratulate Brother Jack Mundy on winning the IFC Track Meet; his victory enabled Delta Tau Delta to cop the trophy.

NEW LIBRARY NAMED FOR ALUMNUS

Roy O. West, Beta Beta alumnus, has been honored by the University's giving his name to the new library here at DePauw. This building has proved to be a tremendous asset, adding to the beauty of the campus and facilitating study and research by the students.

VOTED MOST VALUABLE LINEMAN

Earlier this year the Delts swam their way to their second swimming championship in the past three years. Stand-

outs were Peter Stenson, Winchester Smith, and Mike Hicks. On the gridiron, Ron Turner, a junior, continued to strengthen the DePauw line as he was voted "Most Valuable Lineman" for the second year in a row. Junior Pat Ewing gained honors as a Little All-American end.

COURT TEAM UNDEFEATED

Currently, the Delt intramural basketball team remains undefeated, staying in close contention for the intramural championship.

ENTERTAIN CHILDREN

Before the holidays, the Shelter resembled a home for orphans as we played host to 15 underprivileged children. The party included games, gifts, and songs, highlighted by a visit from Santa Claus. We also held our annual Christmas party for the faculty and chapter members with the President of the University attending.

CHRISTMAS PARTIES

Although these cold days of January are filled with preparations for finals, Delta Kappa's pre-Christmas season was one of a lighter tone. A cabin party topped the list of informal parties during December; a Christmas dance took care of the more formal affair. With Santa Claus hats as souvenirs, everyone really issued in the Christmas spirit. Carl Stahleker broke up the dance with his imitations of some of the peculiar traits of a few of the Brothers. Another activity during December gave each of our members a true feeling of the meaning of Christmas. Accompanied by the Kappa Delta Sorority, we visited the Veteran's Administration Hospital and sang Christmas carols with those unfortunates away from home at this time of the year. After the caroling, we picked up carloads of boys and girls from the Edgemont Community Center. These underprivileged kids really got a kick out of the party we gave them. The party included a football game, singing, games, refreshments, and presents for everyone.

RUSHING PLANS SET

With the issuance of a new year, Delta Kappa is looking forward to many events of 1957. First and foremost, rushing starts the first of February. Plans for an all-out rushing program have been completed. The new year marks the completion of a new dorm here on campus. We Delts have excellent prospects

of getting a new fraternity section in the new dorm. The dormitory should be completed the last of this year or early in 1958. This next semester is the departure time for Dr. Leon Ellis, our chapter adviser and professor of political science. He is leaving for Europe for a two-month stay in Spain, France, Italy, and Portugal. Dr. Pelham Wilder of the chemistry department is replacing him as adviser next semester.

ALUMNI MAGAZINE PUBLISHED

Our alumni committee, headed by Laird Slade, is publishing a 20-page alumni magazine this month. The magazine contains pictures and sketches of all the brothers and should incite more of our alumni to join the Deltay Club. This is an organization in which alumni pledge \$10.00 per year to the fraternity to be used as aid in chapter improvements and to finance alumni correspondence.

All in all, Delta Kappa is looking forward to one of its most prosperous years.

Last Sunday Beta Epsilon initiated nine new brothers. The ceremony was followed by the Big Brother-Little Brother banquet at Camellia Gardens.

PLAN ANNUAL FORMAL

Plans have been made for the annual formal to be held again this year at Druid Hills Country Club. The high light of the dance will be the crowning of the new sweetheart. We wish to take this opportunity to express our appreciation to Nancy King, our retiring sweetheart, for all she has done for us this past year. Our next sweetheart will have a hard time taking Nancy's place here at the Shelter.

NEW WING ADDED TO SHELTER

There was a big surprise in store for our Delts as they came back to campus this year. A new \$102,000 wing had been added and the old part of the house was almost completely remodeled. With the addition of the new wing, the floor space and the living capacity were doubled. The dining room now seats 78 and better kitchen facilities are provided. Many of the Brothers came back early and pitched in to help with some of the finishing touches so that all was in complete readiness for rush week.

CHAPTER ADVISER RETIRES

Open house week end found many alumni back on campus renewing friendships and inspecting our new facilities. A banquet was held in honor of Dr. George F. Weber, retiring chapter adviser. Doc Weber, a charter member of Delta Zeta, was in his thirty-second year of faithful service in this capacity at the time of his retirement. Bill Fleming, Assistant Director of Alumni Affairs at Florida, was chosen to succeed Dr. Weber. Hugh Shields, who was with us for the week end, gave an address and showed a film of the Sixty-third Karnea.

WIN HOMECOMING DECORATION

Homecoming was a gala event at the U. of F. campus again this year. We of Delta Zeta were especially proud as many of the thousands on campus stopped to admire our first-place house decoration. It was a tribute to the Brothers and pledges who spent many hours of work on it and especially to Brother Bill Park, who designed it and supervised the work.

ACTIVE IN VARSITY ATHLETICS

This year the Delts were again strong in athletics. The freshman football team was led by Wayne Williamson, who did an outstanding job at quarterback. Clive Yates also ran well at halfback with Roger Seals leading the way from his tackle position. The 'Gator basketball team is also doing very well with Brothers Joe Hobbs and Wayne Williams on the varsity squad. Last year Joe set a scoring record for Florida, and with his 19-points-per-game average this year it looks like he may pass his previous mark. Joe was also named to the all-tourna-

ment team in the Carousel Tournament this year.

NEW OFFICERS INSTALLED

Congratulations to the new officers who will take over second semester. The new man with the gavel is President Jack B. Nichols from Tampa. Other officers are: David E. Nelson, Ocala, vice-president; Truman A. Skinner, Miami, treasurer; Fred Fagan, Gainesville, recording secretary; Francis B. Rogers, Winter Garden, corresponding secretary; Mike Myers, Miami, guide; and Buddy Stodghill, Orlando, sergeant-at-arms.

LARGEST PLEDGE CLASS

An extremely successful rush week kicked off Delta Phi's most encouraging fall semester of its short seven-year history. This fall the Florida State chapter pledged a total of 26 men for its largest pledge class ever.

The chapter, bolstered by the record pledge class, swung into a succesful athletic program. All efforts were rewarded

Miss Linda Jones, the Delta Tau Delta-sponsored candidate for Homecoming Queen, was elected to the Homecoming Court. Linda was the 1956 Interfraternity Council Queen as the Delta Tau Delta candidate.

PRESIDENT HONORED

Harold Lambert, chapter president, also president of the Politics Club of Florida State University, was nominated to *Who's Who in American Colleges and Universities*.

SLAVE AUCTION

"Buy a Greek for an Hour" was the slogan of the Delt's Greek slave auction in which the actives auctioned themselves off to the highest girl bidder for an hour to do anything the girl pleased. The project was a fund-raising gimmick to raise money in the annual Campus Chest charity drive.

ENTERTAIN CHILDREN

Approximately 20 underprivileged children were entertained by the Delts and the Alpha Xi Delta Sorority in their annual Christmas party shortly before going home for the holidays.

BOB WOLFENBARGER

George Washington—Gamma Eta

DELT HOMECOMING COCHAIRMAN

As the first semester of the current school year draws to a close, Gamma Eta has a busy and successful fall and winter season to look back on. Fall rush, highlighted by a series of parties which made the Shelter resemble everything from Prohibition Party Headquarters to the inside and outside of *Playboy* magazine, netted us 16 top men. As the energy of the chapter turned in other directions, our athletic endeavors put us in first place in all-University intramural standings. Our football team was runner-up to the perennial champion, Phi Alpha, and lost a scoreless championship game by one first down, which a penalty gave to the opposition. Pledge Trainer Dick Jamborski found time from his busy schedule to be cochairman

of Homecoming Week End and the chapter's float placed second in the Homecoming decoration contest.

PLEDGES GIVE CHRISTMAS PARTY

On the social scene, after a gala batch of rush parties, our schedule included exchanges, luncheons, coffee hours, informals, stags, and costume parties, with scarcely a pause for the hard-working decoration committees and the even harder-working pledge cleanup details. Some of the special interest parties were a prefootball game pep rally, complete with cheerleaders, football players, fight songs, and half the University (or so it seemed); a costumed Greenwich Village party; the pledge Christmas party, at which they surprised us with gifts and favors from a rotund pledge Santa Claus; and our traditional New Year's open house.

DEBATE CHAMPION ACTIVE

During the semester just past, Delts also took part in the University extracurricular program in ever-increasing numbers. Champion Debater Jamborski made the rounds of the Eastern and Southern forensic tournaments, but his talents weren't wasted around the Shelter. The University musical, "Girl Crazy," gave several Delts a chance to display their acting and singing abilities, and one of us was among the featured players—he spoke lines!

ALUMNI LUNCHEON WELL ATTENDED

In spite of the heaviest snowfall that Washington has seen in many a year, the turnout for the alumni luncheon was so impressive that it is to be continued as a monthly affair. Prominent Washington area Delts present included Ambassador at Large Loy Henderson, the head of the Veterans Administration, and District lawyer and politico, Charles Lamb, who spoke on "The Neophyte in Politics."

FUTURE FORECAST

Plans for the future include our third straight win in the Interfraternity Sing, continued possession of the intramural swim cup, a winning entry in the all-University Follies, a spring rush schedule as successful as last fall, and more of the best in parties. In closing, we'd like to extend an invitation to any Delts traveling toward Washington to drop in at 1915 G. St., N.W., and share our brand of Delt hospitality.

Georgia—Beta Delta

WIN HOMECOMING TROPHY

The latest feather in the cap of Beta Delta was the winning of the campus

homecoming decorations trophy. Most of the credit for this truly wonderful masterpiece goes to Russ Poteet, who designed the behemoth and directed its construction. We are certainly going to miss Brother Poteet's talents next fall, as he was graduated in December.

ELECTED TO HOMECOMING COURT

Another achievement in which we may take justified pride is that our sponsor, Miss Nancy Kellam, was elected to the Homecoming Court and presented during half time of the Georgia-Kentucky game. Nancy is an ADPi and hails from Waycross, Georgia.

THREE DIXIE REDCOATS

Along the lines of football and school spirit, Georgia's Dixie Redcoat Band, in conjunction with the Men's Glee Club, has made a recording of its songs which has proven to be quite a hit. Delts in the Dixie Redcoat Band when this recording was made last spring were Brothers Bryson Tanner, Duane Riner, and John Britt.

HUFF ELECTED PRESIDENT

In recent chapter elections Brother Gordon Huff was elected president for the coming year, and Brother Bill Davis vice-president.

ACHIEVE HIGH SCHOLARSHIP

Our scholarship has "come through" again. We stood fourth out of 20 fraternities on campus scholastically for last year, and recently received a certificate for being above the All Men's Average for the same period.

18 INITIATED

In October we initiated five pledges and in January we initiated 13 more. Our October initiation was unusual in the fact that we initiated identical twins, Brothers Ernie and Renie Hallford, who are from Demorest, Georgia. According to chapter records, the last twins initiated prior to the Hallfords were Brothers Cliff, Jr., and C. W. Cary Moore, in 1937, both of whom are practicing physicians in Lindale, Georgia.

DOGPATCH DANCE

Our social life is due to be livened up shortly when we hold our annual Sadie Hawkins Day dance, better known as the Dogpatch Drag. Everyone will come as his favorite Dogpatch character and a prize will be awarded to the person sporting the biggest beard.

Another intramural football championship was the reward of Kappa Chapter's efforts in interfraternity competition this fall. Remaining undefeated until the last game of the season, the gridiron warriors of the Shelter racked up 202 points to their opponents' 63.

In varsity football, Hillsdale's undefeated team was sparked by Delts Toby Finizio, Don Eugenio, Jack Thierback, and John Sommers to their 3rd straight MIAA championship.

INFORMAL PARTY A SUCCESS

Socially, the annual "Bowery Brawl" informal party was a large success, and ranks as a proud accomplishment of Kappa Chapter.

RE-ELECTED TO SCHOLASTIC HONORARY

Scholastically, Brother Jim Scoggin was re-elected president of Epsilon Delta Alpha's chapter on campus.

Boasting a fine pledge class of 19 men, Kappa Chapter has accomplished much to maintain the fair name of Delta Tau Delta.

DELTA LEAD BASKETBALL TEAM

With the arrival of basketball season, Delta Mu made the rest of the Idaho campus sit up and take notice. Led by Brothers Gary Simmons and Neal Powell and Pledges Bob Walton and Glenn Potter, Delta Mu Chapter all but made a one-house show out of the home basketball games. Brother Gary Simmons, called by one Pacific Coast Conference coach "The best guard in the Conference," got off to a quick start this year by scoring 171 points in 9 games before injuring his ankle. The closest man to him scored 112 points in 12 games. Pledges Bob Walton and Glenn Potter are doing fine jobs on the strong freshman team. Whenever there is a break in the playing at the games, Brother Neal Powell steps in and directs the Pep Band, which he reorganized last year.

OTHER VARSITY PARTICIPANTS

In other sports, Brother Mike Lund donned his skis to become a member of the ski team. Mike competes in all four events, but he specializes in the slalom and downhill races. He fills a valuable spot on one of the strongest teams in the nation. When the snow melts you will find Brother Dick Shern out on the track getting in shape. Dick is Idaho's leading 100- and 220-yard-dash man. When Brother Shern turns out for track Brother Dick Sheppard will head for the golf course to play in the finals of the all-campus tournament. Dick is one of the finest golfers in the P. C. C. He combines with Brothers John Rosholt and Rusty Sheppard to give the University golf team a potent attack.

two important committees, the Borah committee and the Recreation committee. Juniors Ernie Davenport and Lorin Nelson were tapped for Arnold Air Society.

DANCE HUGE SUCCESS

Just before the end of the semester the traditional "Oddball Dance" was held. Social Chairman Lorin Nelson did a terrific job. Comments on the dance ranged from "What a ball!" to "One of the best college dances I have ever attended." Plans are already being made for the Russian Ball, to be held early this Spring, in anticipation of surpassing the "Oddball Dance."

IN I-M CONTENTION

At this writing the Beta Upsilon Deltas are in strong contention for the intramural championship with 82 points on the credit side of the ledger. Our foot-

ball team won three and lost two heartbreakers—both by one point. In swimming, Larry Moore (class of '60), All-American swimmer in high school, captured first place in the 50-yard free style event and second place in the 100-yard free style. The volleyball team, sparked by stalwart Ron Dempsey, won its league and proceeded through the play-offs to the semifinal round before being upset by the SAE's. Sparked by Pledge Young Lovell and Roy Etnyre, class of '59, the I-M track team placed second in the indoor meet. Young won the 300-yard dash and placed fourth in the broad-jump, while Roy was walking away with the high-jump honors with a leap of six feet even. At the present time our highly-regarded cagers are getting ready to take the courts next semester in an effort to add to our point total.

HALL DANCE CHAIRMAN

On January 5 we joined forces, so to speak, with the Sig Pi's for our annual Winter Formal, "Junction Tuxedo." The walls of the Shelter were fairly busting with all of the dance activity. The dance was preceded by each class going out for dinner at the various dining spots around the area. Then on Sunday afternoon all of the brothers invited their dates for dinner at the chapter house. Tom Hall was chairman of this gala affair.

TWO INITIATED

Two new brothers were brought into the fold at the initiation we held after the eight-weeks grades came out—the newest brothers being Jim Cvik and Tom Swirls.

OFFICERS ELECTED

A new slate of officers was elected for the coming two semesters at the last chapter meeting. Ed DeLong, crack quarter- and half-miler on the Illini track team, will preside over chapter activities during the next year. Backing up Eddie is Vice-President Bill Borchelt, Treasurer Bob Eggers, Assistant Treasurer Don Harvey, Recording Secretary Peter Klein, Corresponding Secretary Marty Maguet, Sergeant-at-Arms Tom Swirls, and Guide Clark Butts.

MARTHALER RETIRING PRESIDENT

The guiding light for these various activities has been Chapter President Wayne Marthaler. Besides being chapter prexy, Marth was the Interfraternity Council representative to the I-M Rec. Board, a member of the I.F. executive committee, and Karnea representative during the past summer. Next semester he is slated to be Greek Week chairman and is presently president of the Illinois

chapter of the American Recreation Society. All of the brothers agree that Ed DeLong certainly has a big pair of shoes to fill, starting next semester.

ACTIVITIES TROPHY BEING SOUGHT

As finals week draws to a close Gamma Beta Delts are looking back on one of our most successful semesters in recent years. Activities achievements include first in swimming, second in football, first in minor sports, and first in basketball at the halfway mark in IF competition. With prospects shaping up well for future events, the chapter hopes to reclaim the elusive activities trophy.

ACTIVE IN CAMPUS ORGANIZATIONS

In campus positions George Kush was elected engineering representative. Dale Grunninger wields the iron bottle as Big Mug of BON, interfraternity honorary, and Dick Horvath, Ken Kutil, and Dennis Thompson hold top appointments for Technorama. In addition, we are proud to have posted eight brothers on the *Who's Who* roster.

ELECTION RETURNS POSTED

Results of chapter elections are: Ken Paulsell, president, Harry Hayer, vice-president, Gene Hodge, treasurer, Cece Truluck and Mike Moloney, secretaries, and Jim Thrush, sergeant-at-arms.

SOCIAL PLANS DEVELOPING

The Delt social calendar was highlighted by the Pledge Formal, Fall Alumni Party, and several hayrides and house parties. Future plans include a toboggan outing and rush week activities.

NEW CHAPTER ADVISER

We are happy to welcome Don Fox, GB, '51, as our new chapter adviser.

For homecoming, Beta Alpha held a dance at the University Motel ballroom for the 200 Delts and guests present. Our large, impressive homecoming decoration placed an honorable mention.

SOCIAL EVENTS

Omicron's annual Hell's Holiday party was held at the Shelter in November. Guests entered the Shelter beneath a huge red devil which decorated the front of the house. Inside, the decorations included flames (artificial, of course) and devils' heads. The party was a great success. Omicron Delts also enjoyed Christmas caroling with the Tri-Delts at the Veterans Memorial Hospital in Iowa City. Our most recent social event was our Winter Formal. After dinner we were entertained by the singing of Brother Jack Laughery.

ACTIVITIES

The recent Regional Union Board Conference held at Kansas State College in Manhattan, Kansas, was attended by Dick Hansen, retiring chapter president, and by Jack Laughery. Bill Ide has become affiliated with Chi Epsilon, a national honorary fraternity for outstanding civil engineering students.

ROSE BOWL VISITS

The University of Iowa's spectacular football victories last fall earned us a trip to the Rose Bowl. Close to half of Omicron's membership migrated to California for the New Year's Day classic. Some of us got a chance to visit our

brothers at U.S.C. and U.C.L.A. While in Los Angeles, we took in the sights and saw Oregon State take a smashing defeat. Delta Lambda Chapter at Oregon State was foolish enough to have bet a skin with us.

Omicron is looking forward to another successful semester this spring.

DELTS CONTINUE SOCIAL LEADERSHIP

Last December 1 the Gamma Pi Delts continued their campus social leadership by holding the first all-night party permitted in many years here. Sixty-seven Delts, nearly 99 per cent representation, and their dates enjoyed the new innovation. In the middle of the afternoon the brothers moved out of the house and the girls were moved in. An hour later the girls were formally pledged into Delta She Delta. Later that evening all went out to supper and returned for formal initiation and the dance. That night after women's hours the Delts serenaded their dates and then left, not to return until time for church. After attending church, Delts and dates concluded the party with a banquet dinner at the Shelter. The Delta She Delta party was deemed a great success by all.

ENTERTAIN FIRST-GRADERS

Later in December a Christmas party was held with the Tri-Delts at the Shelter for 60 first-grade students of Ames. Games were conducted for the children, refreshments were served, and Santa paid a visit. The party, a public relations pro-

motion, was enjoyed by all. As a look to the future, the Orchid Formal and the Four-poster party are planned for the winter.

VERSATILE IN ACTIVITIES

The Delts were well represented in the campus activities world in the last few months. Among the latest positions acquired are Winter Carnival Queen Selection Chairman, Jerry Mundt; the new student properties board members, Jim Moore and Lew French. Tom Lettington was named to Phi Eta Sigma, freshman scholastic honorary. In intramurals, the football team took an all-college championship and the bowling team was runner-up in class A.

DELT QUARTET KEPT BUSY

The Delt quarter has continued in its high popularity on campus. The quartet, composed of Ron Taylor, Bob Dittus, Roger Rietz, and Stef Paciotti, has performed for Radio Station KASI, and has filled many local engagements. They are presently leading off the first performance of Iowa State Varieties. The quartet also sings frequently for house parties and serenades.

OERTER SETS OLYMPIC RECORD

The year 1956 was an outstanding one for Gamma Tau, both in chapter and individual accomplishments. Probably the most outstanding Delt of 1956 was Al Oerter, the KU junior who set a new Olympic record, winning the gold medal in the discus. The world record should be next. Athletic honors have not all gone to Oerter, however. Track Star Jerry McNeal has been elected captain of next year's cross-country team, and Track Lettermen Louie and Larry Stroup were recently initiated into the K club.

JACKSON HEADS POGO

Several other Delts have distinguished themselves by their election to offices in various campus organizations. One of the well-known men on campus is Bill Jackson. Bill, who, among other things, has been assistant editor of the *Jayhawker* and secretary of student activities on the All-Student Council, was recently elected president of POGO, the leading political party on the campus.

HEDQUIST FRESHMAN PRESIDENT

Highlighting four years of outstanding campus leadership, Jim Bickley was elected to SACHEM, senior men's honor society. Bick is also a member of the

All-Student Council and is serving as head cheerleader. Glenn Hedquist is another name well known to the students at KU. Glenn's great popularity resulted in his election to the freshman class presidency.

DELT CHEERLEADERS

In keeping with our nickname of "perennial pepsters" (the Delts have two or three varsity cheerleaders each year, it seems), three Delts captured offices in KUKU's, the upperclassmen's pep organization. They were vice-president, Dave Wilson; secretary, Ralph Robinson; and chairman of the card section, Ed Cooper.

HALDERMAN IFC SECRETARY

The new secretary of the Interfraternity Council is Jerry Halderman. Jerry is one of the hardest workers on the IFC.

WIN HOMECOMING DECORATION

In an event that threatens to become a Delt tradition at Kansas, we once again captured first place in homecoming decorations. An event that already is a famous Delt tradition, the Orchid Ball, was even better this year. It was the most successful party in years and a fitting climax to a year outstanding in every way.

WIN MAJOR AWARDS

The men of Gamma Chi are happy to

report the winning of two major events at K-State—first place in homecoming decorations and Brother Gary Rumsey as FMOC (favorite man on the campus). Using the theme "Along the Highways of Happy Memories" the K-State Delts constructed a moving highway that had model cars ranging from a Model T to a Thunderbird traveling around a large globe. The autos passed through a mural of campus landmarks and encircled the globe signifying the return of alumni back to the K-State campus. A vigorous campaign was carried out to help win the FMOC for Brother Rumsey. A Delt combo spent several hours of hard work each day before the election singing and campaigning at the girl's houses.

INTRAMURALS RACE

Gamma Chi is closely tied with Sigma Phi Epsilon for second place in intramurals. In basketball, the K-State Delts won the five preliminary games by decisive margins and then faced Sigma Alpha Epsilon for first place in the K-State field house. After leading throughout the entire game, the team fell behind and lost 37-34 to finish second.

ELECT NEW OFFICERS

New officers at Gamma Chi for the coming year are: Patrick D. Loyd, president; Curtis O. Zeigler, vice-president; Jim Carpenter, treasurer; George Rood, recording secretary; Larry Foulke, guide; Pat Doyle, sergeant-at-arms; Joe Kashner, historian; Richard W. Hotz, corresponding secretary; and Karl Stutterheim, assistant treasurer.

ANNUAL PARTY

Using the theme of "Shipwrecked" the annual paddle party at Gamma Chi was a big success. The Shelter was entered by climbing over the bow of a ship that covered the front door.

VARSITY WRESTLER AND SWIMMERS

Brother Pat Doyle is making a good showing on the K-State varsity wrestling team. Brothers Jim Mariner and Buzz Newman are on the K-State varsity swimming team and both have placed in competition.

HOMECOMING AWARD

Once again the Delts at KSU have had a very successful quarter in almost every phase of campus life. Our first achievement of the quarter was the winning of third place in the homecoming

decorations. Brother Paul Troyer was in charge of decorations. The theme of the display was "Campaigning for Victory."

GAIN ACTIVITIES HONORS

In campus activities the Delts have chalked up a fine record. Chapter President Hal Jenkins was elected vice-president of the senior class. Hal, who is also president of Interfraternity Council, was chosen to be one of the two Kent State delegates to the National Interfraternity Conference in New York. Besides this, Hal was chosen to become a member of Blue Key, national honorary fraternity. Brother Paul Troyer was elected to Men's Student Association. Don Dickison was chosen to be business manager of the University newspaper. Pat Burns, vice-president of the National Association for Students of Architecture, was chosen to attend a conference in Washington, D. C. Jack Gimbel, president of Men's Student Association, was chosen to be a national delegate to the Blue Key honorary fraternity convention in New Orleans, Louisiana.

NEW CHAPTER ADVISER NAMED

The Delts are honored to have Brother Bob Buckley as their new chapter adviser. Bob graduated from Kent State in 1949 and now serves as head football coach for the Kent State University School. Bob fills the position of retiring adviser, Dr. Charles E. Atkinson, University registrar, who served as our adviser from 1952 to 1956.

ENTERTAIN DADS

Under the capable leadership of Brothers Bob Drath and Bob Williams, the Delts celebrated a successful Dad's Day. The Dads were taken to the football game after which they were served an exquisite dinner at the Shelter. Brother Williams was in charge of preparing the dinner. Brother Drath formed a fraternity for the Dads and named it Delta Alpha Delta.

SHELTER IMPROVEMENTS MADE

Brother Lee Smucker, our new house manager, has done an outstanding job improving living conditions in the Shelter. His conscientious efforts have put the Shelter in top-notch condition.

Our fall formal was a very successful affair and the Delts once again had an excellent display. After a fine formal dance a very successful informal house party was held.

ELECT NEW TREASURERS

At a recent chapter meeting Brother Bob Stein was elected treasurer and Brother Bob Dahlin, assistant treasurer.

PLEDGES "DO IT YOURSELF" PROJECT

For their project this year the Nu pledges decided to pine panel the walls of the back doorway and the stairway leading down to the chapter room. The project is now finished and it is a fine addition to the chapter. We are also planning to enlarge the cellar for increased party facilities.

THREE VARSITY WRESTLERS

The varsity wrestling team has the services of Delts Doug Cherry, Ed Reece, and Chuck Thorpe. Doug is a starter in the 167-lb. class and has made a fine showing so far this year. Brother Bill Rude is preparing for the indoor relay meets which start soon. Pledges Tim O'Donnell and Bill Clearwater are in the starting line-up of the strong freshman swimming team. Although intramural basketball and intramural bowling are just starting, the Delts have strong teams in both sports and are looking forward to a good year in both events.

VISITS FROM ALUMNI

During the past few months, Delt Alumni Dick Lemen, Dick Ritzmann, Joe Priapi, Chick Quigg, and Lou Shafer have all revisited the chapter. It was good to see them again and renew past acquaintances.

FOUR GIVEN RECOGNITION

Brother Tom Good has been honored by receiving recognition in the 1956-1957 edition of *Who's Who in American Colleges and Universities*. Brothers Glenn Grube and George Anderson have been named as Distinguished Military Students. Brother Ray Carey has been elected as treasurer of Kappa Phi Kappa, honorary education fraternity.

DAVID MACK

Lehigh—Beta Lambda

At this writing the Beta Lambda Chapter is just completing what appears

to be a highly successful fall semester and looking forward to an even better spring semester.

SCHOLARSHIP IMPROVES

Scholastically we expect to do as well as last spring, if not better. Those pledges who were unable to be initiated, due to low grades, are all bettering last semester's averages, and in this event will become brothers.

HEAVYWEIGHT WRESTLERS

The Delts have a monopoly on the heavyweight division of the wrestling team. Junior Pete Davidson and Sophomore Bill Schaeffer have been alternating in this position in dual meets. In this year's match with Penn State, Pete was the deciding factor in Lehigh's first win over them since 1949. Besides participating in wrestling, Bill also did a fine job playing for the varsity football team.

FOUR IN STUDENT GOVERNMENT

Continuing to take an active part in student government, the Delts have Rick Heath on the senior class cabinet, John Rousseaux and John Steinbrunn on the junior cabinet, and Jim Swenson on the sophomore cabinet. Bob Elliot, Jeff Hammer, and Logan Blank have been active in Lehigh's choir and just recently participated in a program with the Baltimore Symphony Orchestra.

BASKETBALL TEAM UNDEFEATED

Looking ahead, we have begun a new intramural basketball season, and having won all our games so far, may possibly go all the way to a championship. Gene Mowlds has been appointed photography editor for the school paper this coming semester. Last fall Bob Bessler was elected president of Alpha Kappa Psi, the national honorary businessmen's fraternity; and this spring Bob Holcombe, John Steinbrunn, and Jim Swenson will be initiated into it. The most memorable action of the semester, however, has been the commencement of the planning and fund raising for a new Shelter. The new Shelter should be ready by September, 1959.

KENTON W. RITTENHOUSE

HOUSE PARTY

The social high light of the fall semester for Gamma Nu was our annual fall house party which was held on the eve of December 7. The Shelter was decorated to the theme of "Winter Wonderland" and the entire main floor was transformed into a picturesque winter

scene. The local Rembrandts who created the appropriate atmosphere were led by George Casavant and Ron Mavor. The Delts and their dates enjoyed dancing to the music of one of the best orchestras in the vicinity. The decoration was exceptional, the music tops, and the attendance overflowing.

INTRAMURAL TRACK

At present we have ten men "working out" for the annual intramural track meet. To strengthen our regular "workhorses" we have such ex-frosh luminaries as Art Marceau, Dave Johnson, and Pete Muzeroll. To anchor our relay team we have temporarily borrowed Brother Art D'Elia, southpaw pitching ace from the baseball team.

MILITARY PROMOTION

At a recent regimental review, Henry Morton received the Distinguished Military Student award, and was promoted from Cadet Company Commander to Cadet Battalion Adjutant.

INITIATION AND SCHOLARSHIP

On the evening of January 7, 20 new members were initiated. At this same meeting our chapter adviser, John Grant, presented us with a scholarship award from "National." This past semester Gamma Nu placed fourth, scholastically, on the Maine campus.

PETE MUZEROLL

ELEVEN INITIATED

Delta Sigma was greatly strengthened this past fall with the addition of eleven new brothers. New Initiate Don Williams won the coveted trophy for the outstanding pledge.

MOTHERS' CLUB FORMED

A recent step, which is sure to be of great benefit to Delta Sigma Chapter, was the formation of a Mothers' Club. Credit for this worthy achievement must be given to Brother Dan Beynon and our housemother, Mrs. Dowling.

TREASURERS ELECTED

The new treasurer and assistant treasurer of Delta Sigma are Brothers Jack Stevens and Hart Joseph, respectively. A tip of the hat to our retiring treasurer, Charles Thomas, who struggled with a usually thankless job to keep our chapter on a sound financial basis.

KUGEL IS SANTA

An unusual honor was bestowed upon Brother Chuck Kugel just prior to the

Christmas vacation when he was selected as Mr. Santa Claus from a large field of contenders at the annual Student Union Christmas Dance. Brother Kugel was undoubtedly aided, however, by being the largest of the large field.

TO HOST REGIONAL CONFERENCE

The brothers of Delta Sigma are eagerly looking forward to the spring when we will host the regional conference together with our neighboring chapter, Gamma Eta. Visiting delegates will receive a warm welcome, as do all Delts at Delta Sigma Chapter.

INTRAMURAL VICTORIES

The Delts in Boston continue to hold an outstanding position in activities at M.I.T. Recent victories in intramural competition have given "the boys" increased zest in the race for league championships in bowling, basketball, badminton, and hockey. Play-offs in basketball and badminton will take place in the near future with Brothers Johnson, Speer, Timms, Smith, Tym, and Holland leading the strong Delt teams. Hockey and bowling have just begun, but if the first games of the season are an indication of what is to come, the Delts have a good chance for both titles. The brothers have won the first two contests in bowling and on the ice. Heading the hockey squad are Athletic Chairman Chuck Speer, House Manager "Bull" Schmidt, Golf Manager Ernie Flemig, House President "Canuck" Bryson, and Rugby Club President Mike Tym, and Ted Turano, secretary-treasurer of the same club. Brothers Flemig, Harris, Speer, Irons, Giordano, Craven, and Nash are competing for the Delts in bowling.

NAMED TO HONORARIES

Brothers Bryson and Brooker will soon be in the New England Intercollegiate Swimming Tournament. Bryson stands a good chance of winning the diving championship as he placed second last year. Brothers Timms, McCarty, and Nash will be out for varsity lacrosse in the spring. Solenberger and Smith for track, and many others out for other varsity sports. Recent advances in activities were made by Brothers Flemig and Timms. Flemig was elected to the Beaver Key Society and Timms was named Beaver Key Representative to the Athletic Association. Speer, Tym, Solenberger, and Bryson became members of the "T" Club, and Bryson received the additional honor of being elected vice-

president. Bill Hall was named "HMOC" and Pledge Ralph Harris president of the "Touchdown Club" by the boys of the house.

NEW PLEDGE PROGRAMS ESTABLISHED

In accordance with the changing social standards and aspects of college life, the rules governing pledge preinitiation ceremonies at M.I.T. have been radically revised by the IFC. The old "Hell Week" as the men of Beta Nu knew it in the past is gone.

ELECTION OF NEW OFFICERS

Delta Chapter topped off an unusually successful semester with the election of a new slate of officers for the coming year. The officers include James Glaspie, president; Bernath Sherwood, vice-president; David Schultz, treasurer; Earl Duryea, corresponding secretary, and Bill Penner, recording secretary.

WIN WRESTLING CHAMPIONSHIP

In the athletic department, the Delts won the First-Place Trophy in the Fraternity Wrestling Championship. Special thanks go out from all the brothers to Karl Lutomski who did an excellent coaching job. Members participating include Joel Boyden, Jim Vis, Kurt Lauckner, Don Fitch, John Heald, David Schultz, and Paul Vitz. The Delts also won an event in the annual Wolverine Water Carnival and were awarded a plaque for first-place honors.

PLEDGE FORMAL

The fall semester's pledge formal was a high point of the term. The Shelter was decorated in fine style. Plaudits go to Boyd Henderson and his committee for the sterling job of planning and decorations.

EARL DURYEA

Michigan State—Iota

As we of Iota Chapter face an, at present, bitter Michigan winter, we have time to recall the events and accomplishments of the past term.

HIGH IN SCHOLARSHIP

Scholastically, the Delts will no doubt be near the top of the heap again. We can't miss with students like Junior Dick Carr, who earned a straight "A" average for the fourth time last term.

COSPONSOR TREE LIGHTING

High on the list of activities this past

fall was the annual Christmas-Tree-Lighting Ceremony cosponsored by Delta Tau Delta and Pi Beta Phi Sorority. It was a heartwarming sight to see the large crowd of students and townspeople join with us in song as a little boy, unfortunately blind from birth, lit a tree he could only be told about.

LEAD FRATERNITY SPORTS

We are very proud to say that Iota is in first place in fraternity athletics. Our football team, coached by Jerry Still, and our bowling team, led by Ken Dennings, had the stuff to put us in this enviable position.

DELT ELECTED "BEAUTY" QUEEN

Iota alumni are all familiar with the annual Powder Bowl football game between Gamma Phi Beta and Delta Gamma Sororities. But they probably don't realize that we have retired the trophy for Powder Bowl Queen. Bob Marsh was "pretty as a picture" as he strolled off with the trophy for our third victory.

NEW INITIATES

Congratulations to our 16 new actives. Iota knows they will uphold the fine traditions of our chapter, and of Delta Tau Delta.

SOCIAL SCHEDULE PLANNED

Under the able leadership of Dick Carr the social committee has big plans for the chapter. Our term party is scheduled for March 1 at the Walnut Hills Country Club here in East Lansing. This, along with the many house parties the committee is planning, promises a good time for the MSU Delts during winter term.

BILL ROWE

Minnesota—Beta Eta

16 INITIATED

This quarter has been very successful for Beta Eta. We have 16 new actives, a very eventful social season behind us, more B.M.O.C.'s, and a fairly successful athletic program.

TRAVEL TO WISCONSIN

Our fall social calendar saw six home football games with the house party following. The fall formal was the best anyone now active has seen. For some of the pledges it was their first real formal affair, so they had a good start. We also had a trip to Wisconsin for the game and took a bus with Alpha Gamma Delta Sorority. Needless to say, it was a huge success.

Michigan's newly elected president and vice-president, JAMES GLASPIE (left) and BERNATH SHERWOOD, prepare the new committee assignments for the ensuing year.

These Delts won the IM wrestling championship at Michigan. From left to right are: KARL LUTOMSKI, DON FITCH, JOEL BOYDEN, DAVE SCHULTZ, JIM VIS, PAUL VITZ, and KURT LAUCKNER.

PLEDGES RUN SHOW

On campus our pledges are running the pledge show. Rolf Bjelland is general chairman, assisted by Denny Gladhill. We also have a good number of pledges actually working in the show.

LARSON GREEK WEEK COCHAIRMAN

Bob Larson, a man who is always fired up on something, is cochairman of Greek Week. He has a well-planned program set up, in which we hope to be top dog. We expect another first in

the Greek Week Sing, and if Pete Vaill's work is any indication, we will get it. He took an old folk song, "Keep Your Hand on That Plow," arranged it, adding a modern touch, so that we do have a real winner.

WIN CROSS-COUNTRY

In I-M sports our cross-country team took first place. It was coached by Bill Warner and consisted of Bill Warner, Ronnie Poole, Jim Talle, and Dick Duxbury.

WARNER ELECTED AFAC PREXY

Bill Warner, who is athletic chairman in the Shelter, was elected president of the Academic Fraternity Athletic Council. Bill has done a lot for athletics in the fraternity and on campus. It is a position he rightly deserves.

Missouri—Gamma Kappa

ORCHID BALL

In an annual attempt to overshadow all other formals on campus, Gamma Kappa produced a beautiful and impressive 1956 Orchid Ball. Events started early in the afternoon with a party and banquet at a restaurant several miles out of town, and in the evening, the scene was moved to the chapter house. There, Delts settled into a quiet night of dancing among strands of hanging Spanish moss and of sitting along walls covered with smilax and sprinkled with hundreds of baby orchids. At 11:00 o'clock, Miss Sueann Watson, Delta Delta Delta, escorted by Dick Soell, was crowned Queen of the Ball and took her throne at the head of a spotlighted waterfall streaming down what was once the house's front stairs. At 12:30, the 1956 Orchid Ball once again ended as the most envied formal dance on campus.

PAY TRIBUTE TO FAUROT

Big Seven sports did not find Gamma Kappa apathetic. In Coach Faurot's final homecoming game, Missouri Delts paid special tribute to him with their house decoration. The decoration was photographed and placed in the Missouri *Alumnus Magazine* accompanying a farewell message to the famous "Split-T" coach.

PLEDGES ACTIVE IN ATHLETICS

The chapter added to its selection of athletes several pledges of good promise in the fields of football and basketball. Among them are Charles Rash, varsity guard and Mizzou's place-kicking specialist, and Steve Stock and Bob Meyers, center and halfback on the freshman team. The pledge class is represented in Missouri basketball by Steve Lewis, a freshman guard.

TAYLOR ELECTED PRESIDENT

Out of several qualified candidates, Missouri Delts selected Tom Taylor as their chapter president for the new year. Tom has served Gamma Kappa as scholarship chairman, social chairman, and Karnea representative, and has also been candidate in the all-school Knight Owl campaign. Other officers elected were

Frank Meads, vice-president; James Ritter, treasurer, and John Lampson and David Heise, recording and corresponding secretaries.

UNUSUAL PET FOUND

Throughout this school year, Gamma Kappa has been determined to have a house pet, providing one of an unusual type could be found. The final choice was a coatimundi, which is a member of the raccoon family and which is found in southern United States and Mexico. Rhoda, as the five-month-old animal has been named, now roams through the chapter house nibbling incessantly on tooth-paste tubes, "no-chap" sticks, "hidden" candy and cookies, and on the brothers themselves. However, she doesn't bite hard, and is indispensable for creating amusing situations among guests.

DAVID HEISE

Nebraska—Beta Tau

SPECIAL ELECTION

Mick Neff, Lexington, was unanimously elected president of Beta Tau at a special election on December 3 after the resignation of Bob Cook. Neff, a February graduate, served the chapter the remainder of the first semester.

TREASURERS ELECTED

John Benedict, former assistant treasurer, and Bob Aden were unanimously elected treasurer and assistant treasurer, respectively, during January. Both started serving their terms at the beginning of the second semester. Rich Cook is also the new chapter historian.

WIN HOMECOMING AWARD

Beta Tau, under the leadership of Dick Bond, climaxed a wonderful November Homecoming Week End by winning the coveted first-place award for the best fraternity homecoming display. Bond's chief aids were Mike Smith and

Award winner at Nebraska in fraternity division of homecoming decorations contest.

Warren Diefendorf. Another homecoming high light was the annual Lincoln alumni luncheon for Beta Tau graduates after the Missouri-Husker football clash.

THREE ON VARSITY ELEVEN

The Delts here had a banner year footballwise. Pledge Jerry Brown, Nebraska's head-busting fullback, was one of the Big Seven Conference's three leading ground-gainers and made most of the All-Big Seven teams. Guard Jim Murphy, a Husker cocaptain, also received plenty of Big Seven mention. Guard Don Rhoda was also a Scarlet standout during the fall action.

SELECTED I-M ALL-STARS

In the intramural play Ray Mladovich was once again an all-University selection at the center position. Ray, a former Nebraska baseball great and now a law school senior, has been a regular fixture on the mythical squad for quite a spell now. John Beideck, currently a Husker baseball regular, also made the first team at an end slot. Quarterback Len Lindgren was a second-team selection while Norm Kmoch was an honorable mention nominee at guard.

BROTHER RETURNS

The Nav-Cad Choir from Pensacola, Fla., was a special at this season's Military Ball at the University of Nebraska. A featured soloist with the group was Dick Farner, an ex-Beta Tau brother.

VACATION SKIING

During the Christmas holiday season, a large group of the brothers spent a week skiing at Aspen, Colo. Among them were Ray Mladovich, Arden Phifer, Mick Neff, Larry Blevins, Tom Neff, Dick Hurtz, Jerry Amos, Dick Walker and Jim Murphy.

Jim Murphy was also one of the finalists in the Prince Kosmet selection at the annual Kosmet Klub show.

BASKETBALL TEAMS WINNING

The Beta Tau basketball teams have been rolling along in high gear. The A team, under the guidance of Don Erway, has lost only one game and should be a top threat for the all-University crown. The B team has yet to taste defeat.

Gordon W. Bennett of Grand Forks, North Dakota, was selected as chapter adviser of Delta Xi following the resig-

nation of Merritt Welch, who served Delta Xi for several years in this capacity.

SWEETHEART CROWNED AT DANCE

The annual Kris Kringle Christmas Formal was held on December 15. At the formal, Pauline Serumgard was presented as the first Sweetheart of Delta Xi by President Dennis Holweger. Polly was selected from a field of 15 coeds from the campus that was narrowed down to three before the final selection.

ACTIVITIES

Lew Schoeneman and Felix Vondracek were recently initiated into Kappa Kappa Psi, honorary band fraternity. Jim Anderson is a returning letterman on the University of North Dakota basketball team. Dennis Holweger, Loney Norby, and Pat Haddican are awaiting the track season. Glenn Muir was elected finance chairman of the King Kold Carnival to be held in February. Brother Muir was also selected to represent the University in the State Rhodes Scholarship competition.

NEW INITIATES

Delta Xi recently initiated three new brothers. Brother Halvorson is currently our representative on the Interfraternity Council. Brother Muralt is our social chairman and Brother Melsted is our present member of the Student Council.

NEW PLEDGES

New pledges of Delta Xi are Richard Allen, Grand Forks, North Dakota; Stuart Felde, Barnesville, Minnesota; Don Johnson, Crookston, Minnesota; and Edward Schwartz from Detroit Lakes, Minnesota.

MILITARY

President Dennis Holweger is a company commander in Army ROTC. Treasurer Glenn Muir previously held the same position. Brother Muir received the opportunity to apply for a Regular Army Commission after being designated a Distinguished Military Student in Army ROTC. Don Vacin, Dave Tompkins, and Bill Gieske are committee members of the National Student Association. Vacin and Tom Vana are both members of the Executive Board of the freshman class. Vana is chairman of the Frosh Class Social Committee and Vacin is chairman of the Freshman Dance. Dick Hechler, Chuck Wonderlic, and Bob Serhant are delegates to Model U.N. Ben Mogni is the editor of the NROTC newspaper.

DELTS AND WILDCATS IN FOOTBALL

In varsity athletics Bob McKeiver was honored at Northwestern's annual Football Banquet as the team's most versatile player. In addition, he was chosen by the International News Service as a first-string halfback in the Big Ten. Andy Cvercko, a sophomore lineman, earned a starting position early in the season. Freshmen Mike Herbert, Tom Woods,

and Jim Wozny earned their freshman varsity football numerals.

INTRAMURAL HOPES ARE HIGH

In intramural football Wally Kirk was named quarterback for the intramural All-Star team. Last spring Price Forsythe was honored as catcher for the I.M. All-Star baseball team. This year Leo Manta is serving as chairman of the Student Intramural Committee. This winter has seen the start of a very successful bowling season since Beta Pi has won all of its first six games. Three of the six victories have been at the expense of last year's defending champions. In basketball, the Delts' chances of taking the school trophy were increased by the return of Wally Kirk and last year's leading scorer, Don Bucknam.

NEW DELT OFFICERS ELECTED

Officers for the next two semesters were selected in January. They are Frank Gillespie, president; Tom Lyons, vice-president; Gary Conlon, recording secretary; Bob Forloine, corresponding secretary; Ron Campana, guide, and Bob McKee, guard.

ship ability, scholastic standing, and service to the school. New members of J-Club, junior men's honorary, include Joe Phillips, Tom Lyons, and Jim Hartman. Tom Roper was tapped for the senior men's honorary, Omicron Delta Kappa.

DELTS ASSUME NEW CAMPUS POSITIONS

Two Beta Delts moved into important campus positions in January. Duane Emerson was named circulation manager for the Ohio University Post, and Bert Hendley was elected vice-president of the men's dormitory system.

KELLER LEADS RELIGIOUS GROUPS ON CAMPUS

Gordon Keller, president of the Campus Religious Council, has made plans for an extensive Faith in Action Week which will be highlighted by guest speakers, all of whom are prominent in religious activities. Keller was recently honored at an interdenominational banquet which hailed him as the outstanding Student Church Worker of the Year.

DELTS CAPTURE BADMINTON TITLE

The Delt badminton team, school champs for the last three seasons, continued its winning ways with this year's team. Captain Corky Boukas, Al Ludlum, Jim Hartman, and Roger Swardson made up the team that kept the championship trophy in the Shelter.

DAVID MOCKLAR

Ohio State—Beta Phi

WIN SECOND-PLACE HOMECOMING AWARD

One of the fastest moving and most successful quarters in Beta Phi's history has just come to a close. With such social engagements as our annual Sadie Hawkins party, the widely publicized homecoming week end, and the memorable week end parties, our calendar in the past two months has been as full as we could ever expect. More than mere entertainment, our social calendar has seen coveted rewards, such as second prize for homecoming decorations. We speak with no bias whatsoever as we all agree that our scheme for decorations—under the capable execution of Robert Winters—was at bare minimum an absolute prize winner.

PLEDGES OUTSTANDING

Our newly acquired pledge class has been making an honorable name for itself: for example we had Jon Hardacre winning himself a place in the University's all-men's Glee Club, a newly formed but fast-winning-in-appeal campus organization. Also Jerry Horn won

a place on the varsity lacrosse team, while Frank Kohout demonstrated admirable prowess on State's invincible freshman football team. In activities Lawton Gerlinger was elected to a sub-chairmanship for the University's annual Greek Week program, an all-campus movement honoring the fraternity system.

MILLIKEN LEADS OFFICERS

Most important to the chapter, however, was the recent election of officers. Jim Milliken was chosen as president, David Weinsz as vice-president, while the secretaryships went to Fred Schening and George Baughman. Tom Scott and Jon Slater were unanimously held as treasurer and assistant treasurer.

NEW PLEDGE PROGRAM

Another important event will be the winter Hell Week, this quarter under the guiding hand of Thomas Ryerson. Tom has come up with a new plan of "Pledge Education" which promises several worth-while innovations as well as some badly needed new approaches to the important phase of initiation.

All in all we in Beta Phi are in agreement that 1956 had its very unforgettable moments which will forever remain deeply ingrained in our minds.

EDITOR OF RUSH BOOKLET

The Interfraternity Council at Ohio Wesleyan is publishing a booklet which will be sent to all incoming freshmen this summer. The booklet will contain pictures and articles about each fraternity on the campus. This will be the first year such a booklet has been compiled. Mu Chapter's president, Bill Armstrong, has been elected editor of the publication. We are sure Bill will do a job we will be proud of and will make the booklet successful and useful.

The five men in the above scene from the Ohio Wesleyan Senior Class production of "Brigadoon" are all members of Mu Chapter.

DELTS PROMINENT IN CLASS MUSICAL

January 17, 18, and 19 the Ohio Wesleyan senior class sponsored the production of the musical play, "Brigadoon." Many Delts took part in the show. Ed Whipps played the part of Charlie Dallymple. Brother Fred Rice sang in the chorus, while Brothers Jack Benson, Jon Mallard, Charlie Brown, Don Metz, Niel Crichton, and Warren Smith were the Scottish dancers. Productionwise, Jim Urban was technical director and Larry Ross was his assistant. Brother Don Hughes was stage manager, and Don Collier was in charge of the lighting. The show was acclaimed a hit by all who saw it, and the senior class profited over \$750.00.

INTRAMURALS

In intramurals, the Mu Delts beat the Phi Gams to take the fall volleyball championship. We are still in the midst of the bowling and basketball tournaments with no results to report.

WINTER SOCIAL EVENTS

The winter formal on December 8 has been the high light of our social season. With Christmas in the air the Delts and their dates danced 'neath holly and mistletoe. On December 12 Santa Claus made his annual visit to the Shelter and distributed gifts to six orphans from the Delaware Children's Home, who were the guests of the chapter for dinner.

NEW OFFICERS TAKE OVER

The end of the year 1956 proved to be a truly great success and the beginning of an equally promising year under our newly installed administration. Jim Hall pounds the gavel and Paul McDaniel is close at hand in Jim's absence. Jim Hathaway records and Don Reis handles all correspondence. Our chapter guide is Richard Dixon, sergeant-at-arms is Warren Moore, and Steve Trower is our I.F.C. representative.

ACHIEVE VARIETY SHOW GOAL

Participation in Sooner Scandals, O.U.'s annual variety show, is one of the most sought-after goals among fraternities and sororities on our campus. Our entry was selected to appear as the finale.

CHRISTMAS PARTY FOR CHILDREN

Holding the top spots on our fall social calendar were the annual formal and Christmas parties. But there was another party which is in a class of its own. We call it the "Little Guy's Party." With

everything from ice cream to Santa Claus we entertained about 40 underprivileged children here in our chapter house. This was the second year that we have shared and enjoyed the Christmas spirit with those less fortunate. Along this same line, we have sponsored two foreign exchange students within the past two years. Similar plans are being made for a Hungarian student this coming semester.

SEEK FIRST IN SCHOLARSHIP

As students, we were proud to be ranked second in over-all scholarship last year, but since this is only second best, I will say no more.

37 PLEDGES

Following the enthusiastic upward climb made last spring term, the members and pledges of Gamma Rho have scored another successful term on the Oregon campus. During fall-term rush week, the chapter pledged 24 men. As the term progressed, another 13 men were proudly wearing the pledge button of Delta Tau Delta. These pledges, through a new and highly effective pledge training program, have not only become top men in campus activities but also placed among the top five fraternities in grades.

ROHNER LEADS SCHOLARS

Ronald Rohner, the chapter's contribution to Skull and Dagger, sophomore men's honorary, not only did an outstanding job as pledge trainer but was also Gamma Rho's top grade man. Bigger and better things are expected from Ron.

GAIN FLOAT FIRST PRIZE

During Homecoming Week End, the Delts walked away with first prize in the Float Parade and third prize in the annual sign contest. It was an enjoyable week end and the brothers were proud to place high in the competitive events.

THREE ON RADIO STATION

Holding down weekly shifts on the campus FM radio station, KWAX, are Dan Frank, Bill Hallock, and Tom Waldrop. Starring in current University Theatre productions are Tom Lewis and Marlon Holland. This year's University-sponsored Exchange Assembly was written and is being directed by Tom Waldrop. Holland plays the leading role in this original musical comedy entitled, "College—1993." The Assembly will tour the entire state of Oregon.

NEW OFFICERS ELECTED

The most recent chapter event was

the election of new officers. Those elected were: Tom Hemphill, president; Fred Davis, vice-president; Bill Cosentini, house manager, and Bob Curtis, assistant house manager. The entire membership of Gamma Rho gave Bob Frank, the past president, a standing ovation for the marvelous and outstanding job he did while in office. The fuse is lit and the chapter is ready to explode into the biggest thing the U. of O. has ever witnessed in an active fraternity.

TOM WALDROP

Oregon State—Delta Lambda

ACTIVITIES

The Oregon State College Delts swept the campus blood drive with 94 per cent of its members and pledges donating blood. This added another trophy to the Delta Lambda mantel. In the activities department we are still holding a dominating role. Five Delts work on the *Barometer* (the Oregon State College paper). Douglas Beito and Gary Young are, respectively, business manager and assistant business manager; Lee Martin, Dave Ceragino, and Bill Merrill all work in the writing department. Elsewhere on campus Bob Eberhard was recently elected to the OSC senate to represent the School of Business. Bob is also director of "Campus Side," the Oregon State student radio show.

SOCIAL AFFAIRS

The annual French Apache was an all-campus success. Before the end of this Paris dance the doors had to be closed to visitors due to the packed crowd. Some consolation is found, however, in the fact that we should be having our spring formal in the new Delta Shelter which is well under way in construction.

ATHLETICS

Ernie Zwahlen played his final game in collegiate football as he turned in an

outstanding postseason game at the Rose Bowl. Ernie has been a stalwart tackle on the Oregon State defensive line all year. Ernie's brother, Fred, is now acting as our chapter adviser.

ELECTIONS

In recent elections Austin Magill was chosen to take the duties of house manager, and Roger Flynn was elected treasurer. Other officers will be elected later in the term.

GARY COYNER

Penn State—Tau

REFUGEE TO LIVE AT SHELTER

A Hungarian youth, who escaped from his homeland during the Hungarian revolution in December, has been invited to live at the Shelter of Tau Chapter at the Pennsylvania State University. The boy, whose name has not yet been released by University officials, slipped across the Hungarian border, along with his parents, at the height of the revolution's downfall. He came to this country early in January, and enrolled at the University to continue his education which was interrupted by the fighting in Budapest. Upon hearing of his arrival, the chapter decided to extend the boy an invitation to reside at the chapter house. He will arrive at the University early this month, ready to continue his schooling 4,000 miles away from Budapest where it began. Tau Chapter was the only fraternity of the 56 members of the Interfraternity Council at Penn State to invite a Hungarian refugee to live in its house.

HELP WEEK

In keeping with the theme of Help Week instead of Hell Week, the 1957 pledge class began a program of constructive work around the Shelter last month. The living-room, dining area, and card rooms were repainted by the pledge

class, and the dining-room furniture was refinished. Interior redecorations included new drapes for the commons, and new ashtrays and lamps for the card rooms. The chapter also added a 25-car parking lot to the rear of the Shelter. Future plans call for an exterior lighting system for the front of the property, and landscaping additions to Tau Park.

ALUMNI VISITS

Several alumni of Tau Chapter stopped at the Shelter for brief visits during the past semester. Herb Rader, Tau, '09, joined the house members and their dates after Penn State's football victory over West Virginia in October. Ted Halkedis, Tau, '54, journeyed to Penn State in November to celebrate his return to civilian life from the Navy. Bill Devers, Tau, '55, stopped off at the Shelter in December while journeying to Rhode Island to study Naval Law. Bill's classmate, Richard (Swede) Olsen, arrived at Penn State for a brief visit during final examination week in January. Swede had a brief vacation before resuming his tour of duty with the Air Force in Iceland. Dick Moore, president of Tau Chapter in 1955, stopped in to say "hello" in February before reporting for Air Force duty in Texas.

SOCIAL PLANS

On the social calendar, Tau Chapter's formal pledge dance was held during Christmas week this year. Lee Vincent and his orchestra provided the music for the affair. Plans for this semester include jam sessions, sorority mixers, ice skating parties, and, of course, the big week end house parties.

SCHOLARSHIP AWARDS

Dick Wilson, class of 1959, has been named the first recipient of the William Johnson scholarship award. The award, named in honor of William Johnson, class of 1954, is made annually to the pledge with the highest average for the semester. Dick's average for the fall semester of 1956 was 3.4.

FEBRUARY GRADUATE

Arnold Cole, class of 1957, was the only Tau Chapter February graduate of the University. Arnold is working in New York City with the British Overseas Commerce Division.

ROGER ALEXANDER

Pittsburgh—Gamma Sigma

The fall semester this year proved to be a very successful one for the Pitt Delts.

HOMECOMING

During homecoming week, the brothers at Gamma Sigma constructed an eye-catching house front which completely covered the Shelter. We were awarded second place for our efforts. The climax of the week came when the Delt sweetheart, Sally Johnson, was crowned Pitt's Homecoming Queen. Sally, escorted by Chapter Vice-President Eddie Ifft, also represented Pitt in the Gator Bowl Queen contest. This marked the second straight year that a Delt sweetheart has won this honor.

CAMPUS SPORTS WINNER

The chapter football team turned in an undefeated record in IF league competition this year. The team's only loss came in the final game of the play offs, and we finished second.

GREEK WEEK

The Delts carried off more honors in Greek Week competition when our chariot, pulled by four horses, Brothers Bill Bannow, Paul Barzd, Eddie Ifft, and Bill Monahan, swept to a first place in the IF chariot race.

HELPFUL PLEDGES

Our pledges proved their initiative between semesters when they did a good will service at the Pittsburgh School for the Blind. The pledges contributed nine hours of work apiece to the school. This act gained much favorable publicity for the local Delts.

BANQUET SPEAKERS

The chapter was honored at the recent postinitiation banquet when National President Francis Hughes was on hand to speak. Also appearing as a speaker was Pitt's Vice-Chancellor, in charge of student affairs, Charles H. Peake. This marked the first time Dr. Peake has spoken before a campus fraternity.

VOCATIONAL PANELS

With the aid of a Gamma Sigma alumnus and past National President Norman MacLeod, we have conducted a series of panel discussions on the subject of professional fields. The panels have been made up of prominent local Delts, and the discussions were open to the entire University.

BROTHERS HONORED

Brother Mike Higgins was recently tapped to Druids, a national activities fraternity, and George Buerger has been tapped to Pi Delta Epsilon, national journalism honorary, for his work as business manager of the *Pitt Capsule*.

JAN SWENSON

Purdue—Gamma Lambda

CRAM FOR EXAMS

With the vacation-sprinkled semester drawing to a rapid close, we are centering our attention around two weeks of "cramming." Behind us lie the memories of our annual underprivileged children's Christmas party, caroling with the Theta's at the rest homes, and the thrill of winning the newly started annual campus Christmas decoration contest. Under the able direction and design of Brother Frank Kiss, a Santa Claus with a winking eye and a waving hand, plus a lighted sign which flashed "Merry Christmas" provided us with the first-place trophy. We also earned a third place in the homecoming decorating contest.

FIVE TO BE GRADUATED

Five brothers will be receiving their diplomas at the midsemester graduation exercises. One of them is Ben Shaeffer who will receive his doctorate in mechanical engineering. We wish them the best of luck.

NAMED TO HONORARIES

Our president, Rich Lasky, has been appointed a position on the I.F.C. judicial board; Jim Deming has been initiated into Sigma Alpha Tau, an air transportation honorary, and Arnold Air Society, an honorary for advanced Air Force ROTC cadets. Frank Judy, Pete Krieg, and Dave Hull were initiated into Eta Kappa Nu, an electrical engineering honorary, Pershing Rifles, an ROTC honorary, and Skull and Crescent, a sophomore honorary, respectively.

JIM HALL

Sewanee—Beta Theta

NEW OFFICERS LISTED

The semester at Beta Theta was climaxed with the election of officers as plans for the approaching Midwinters Dance Week End are getting under way. The Delts plan a Rainbow Ball preceded by a banquet to honor the newly initiated men. Officers elected were Brothers Art Speck, president; Bill Craig, vice-president; Battle Searcy, corresponding secretary; Henry Bond, recording secretary; Dick Pettus, treasurer; Pete Stoebe, guide; Charlie Romaine, sergeant-at-arms.

BISHOP VISITS SHELTER

Delts welcomed back to the "Mountain" Bishop Frank A. Juhan, retired Episcopal Bishop of Florida. Brother Juhan is chairman of the fund-raising campaign for the Sewanee Centennial next year. The new University gymnasium is being named in his honor.

VARSITY SPORTS

Brother Bob Marssdorf served as captain of the varsity cross-country team and was first-place winner in several meets. Pledge Ed Provine was also on the team, and Brother Harvey Allen, a track letterman, is out for the swimming team which is in its first season at Sewanee.

CAMPUS ORGANIZATIONS

Delts have been elected to various organizations on the campus. Brother Dick Lindop was tapped for Pi Gamma Mu, social science honorary. Brother Craig Casey and Pledges Bob Carter and George Kiker were elected to English Speaking Union. Brother Frank Harrison is president of the French Club for this year. Brothers Speck and George McCowen were elected to Highlanders, social group. Brothers Allen and Searcy were elected to German Club, student cotillion organization. Several brothers and pledges have been chosen for positions on the newspaper and annual staffs, the volunteer fire department, Acolyte's Guild for the University Chapel, and the RCA-recorded University Choir. Brothers Speck, Allen, and Steve Turner have been selected for committee posts on the Order of Gownsmen, student governing organization.

SOCIAL EVENTS HIGHLIGHTED

Social activities have taken monotony from the customary study program. Rush parties, homecoming week end, the annual stag Christmas party, and informal blasts have been very successful.

BATTLE SEARCY

South Dakota—Delta Gamma

ELECTIONS HELD

With the first semester over the big job of elections of officers is also over. Bob Nason replaced Bob Frieberg as president. Donald Duncan moved from corresponding secretary to vice-president to replace Ted Thompson. Pat Regan was elected corresponding secretary. Jim Riemann replaced Bill Schenecker as recording secretary. Jack Friese took over the treasurer's job from Don Skinner, and Dick Frieberg was elected assistant treasurer. Jim Watson is the new house manager in place of Leonard Pier.

QUEEN CROWNED

The top event of the fall semester of 1956 was Delta Gamma's fall formal at which time the Queen of Delta Gamma was crowned. The Queen, Miss Lois Rossow, is pinned to Delt Senior Fred Gellerman.

DELTS RECEIVE HIGH HONORS

Delts at USD picked up several honors this fall. Three Delts were named to *Who's Who Among Students in American Colleges and Universities*. They were Robert Frieberg, James Dickson, and Charles Allen. Delt Gary Woodle was one of two selected at USD to make application for the Fulbright awards in South Dakota. Delt Herman Walker was sent as South Dakota's delegate to the Eighth Student Conference on United States Affairs at West Point Military Academy. Delt Fred Gellerman has been chosen chairman for the annual Military Ball which is the biggest social event of the year.

DELT SENIOR A BUSINESS SUCCESS

Delt Wynn Gunderson received a full-page story in the Picture Magazine of the Minneapolis Sunday Tribune for his work at the University. He is a senior in the School of Business, who opened a men's clothing store in Vermillion two years ago. In his second year of business he grossed \$40,000 in sales and hopes to double that this year.

COSPONSORS

The members of Delta Gamma Chapter and Kappa Alpha Theta sorority sponsored a Jazz Workshop on campus. The Nomads, who record for RCA Victor and who will be doing a show for Chevrolet when they are finished with their tour of colleges, put on a three-hour show for over 200 people. The Delts and Thetas hope to bring the Nomads back next year.

ATTEND IFC MEETING

Two members of Delta Gamma attended the National Interfraternity Council meeting in New York this fall. They were Bob Frieberg, president of the local interfraternity council, and Mick McCahren.

DICK FRIEBERG

DELTS DOMINATE BASKETBALL TEAM

Following an exceptionally high participation in autumn sports, the members of Beta Rho are showing themselves to be equally active in winter athletics. Led by Captain Hap Wagner, who is our chapter house manager, All-Conference Bill Bond, and sophomore sensation, Paul Neumann, the Delts are again dominating the first string of Stanford's varsity basketball team. Added to these three are John Pflueger, last year's leading frosh scorer, Gary Van Galder, a transfer from the football team, and Tom Crawford, another sophomore. Representing

"the house on the hilltop" on the J.V. team are Sophomores Grant Chappel, Robin Dean, and Bob Bletcher. House President Bill Sampson, in the 175-pound class, Wally Honeywell, in the 165-pound class, and Tyler Miller and Bill Bullis, heavyweights, are leading Indian boxers. Plus these Delts is Wrestler Pete Likens, Stanford's leading chance for all-Conference honors.

SANTA VISITS SHELTER

Midway in November, the Delt house joined with the Sigma Chi's in a party following our big game with California. Although we lost the game, the Delts quickly forgot all sense of remorse as we journeyed by bus to our destination, Sonoma, California, a town 100 miles north of Stanford. Three weeks later the Delt house was completely attacked, and conquered, by 50 orphans. Remembering the forgotten pleasures of our younger days, the Delts happily joined the spirit of the party. The day was highlighted by the appearance of Santa Claus and the presents he gave out.

ENGAGED IN RUSHING

As this report is written the Delts are in the midst of rushing and hope, by the end of this week, to add 25 more names to the rolls of Delta Tau Delta.

DOUG MCLENDON

15 INITIATED

The Delts started the year rolling with the initiation of 15 new brothers in late October. The new brothers spent their work week laying tile in the hallway and on the stairs as well as redoing all of the woodwork.

RETIRE IF SPORTS TROPHY

Our athletic teams got off to a fine start with retiring the Interfraternity Sports Trophy. The football team helped us toward the new trophy by taking the football championship with a 7-0 victory over Phi Sigma Kappa. The house is also well represented on the school's varsity soccer and basketball teams. The Delts placed 12 out of 15 players on the varsity basketball team, including Captain Jack Mawe.

WIN SCHOLARSHIP AWARD

The house was also awarded the Interfraternity Scholarship Award, being first among the fraternities and having an average higher than the total men's average on campus. The house was further honored with the tapping of Marshall Lipton into Gear and Triangle,

making it a total of three Delts in this honor society.

WINTER CARNIVAL

Our social calendar has been an active one, featured by Winter Carnival Week End and New Year's Eve Roaring Twenties Party. The Winter Carnival Week End was highlighted by a formal at the Concourse Plaza, with Art Mooney and his orchestra, and a jazz concert to conclude the week end on Sunday at the house. Our New Year's Eve Party brought the new year in with a bang, with many of the dates in flappers and the Delts themselves in blazers.

ALUMS WELCOMED

The Delts are glad to see the great number of alumni attending the house functions and would like to take this opportunity to invite our alumni to the house for any of its activities.

COTTON BOWL

When Syracuse got its bid to play in the Cotton Bowl the campus went wild. The band was the first to rally and start a torchlit parade down to the city. Student band leader, Brother Brad Bowers, had a great deal to do before the Dallas trip. Rog Perschabacher, John Dean, and Earling Maine also made the trip as band members. Brothers Craig McArt, Karl Lerch, and Ed Currier attended the game also.

HOSTS TO DIVISION CONFERENCE

Eastern Division President Robert Wilson was in Syracuse a couple of weeks ago. Final arrangements were made concerning the Eastern Division Conference. This year Gamma Omicron at Syracuse will be your host. Date was set for March 8-9. We are looking forward to seeing you on this date. Set it aside and make it a must!

SERVICE NEWS

Delts who are now working for Uncle Sam have dropped us a line and given us their viewpoints on the situations. Bob Lefko, who was graduated two years ago, has found no pledges around for wake-up. Dave Evans and Bob Jordan, '56 graduates, report the lack of Mrs. L's cooking; Lou Schaffer, former president of our Lafayette chapter, was up Syracuse-way just before vacation. He is serving for six months. "Doesn't compare to my graduate work at Syracuse," says Lou.

Our Wives and Mothers Club of Delta

Tau Delta have done it again! When House Manager Craig McArt decided to buy new furniture for the living room he went to the club members and incorporated their help. Understand they got some nice buys—will see it in a few weeks.

INITIATION

In November, after a highly successful pledge work week, ten new members were initiated into the chapter.

SPRINTER WINS

Bruce Faulkner, our first-rate sprinter, recently won the University championship in the 50-yard dash.

FORMAL DANCE

On January 18 the annual formal was held at Fantasy Farms in Toronto. It was a great success, with a number of our distinguished alumni present.

AIR ACES

Our final note concerns the fact that the house now has three pilots from the University Squadron. They are known as S.H.P.'s one, two, and three. (See an air force type for a translation.) Two of the brothers, Dick Mair and Roger Smith, are training on Harvards (Texans to our American brothers), while the third, Dick Bentham, hopes to be swept back and supersonic on F-86 Sabres in the near future.

12 PLEDGES

MANAGING EDITOR

Pete Evans has been serving as managing editor of the *Hullabaloo*, the University newspaper.

SEEK NEW SHELTER

The house corporation is actively trying to sell the old Shelter in order to buy a better one closer to the campus. Visitors should check by phone before trying to find us.

FORMAL DANCE SCHEDULED

The Annual Spring Formal is scheduled for March 23. This year there will be a Delta Queen and court elected from

Newcomb college. Many brothers are already pushing their best gals for the honor.

SAMUEL M. ROSAMOND

U.C.L.A.—Delta Iota

"First" is the adjective which most aptly describes Delta Iota this semester.

WIN INTRAMURAL TROPHIES

In intramural sports, by taking all-University Championships in volleyball, and League Championships in football, we captured all-Fraternity Championships for the fall semester. The passing of Walt Drane to Walt Alves and Coach Boyd VanNess and the running of Willie Clark sparked the team. Drane and Alves were also stand outs in volleyball.

FETE OLYMPIC SQUAD

The entire United States Olympic team was honored at U.C.L.A.'s homecoming parade before their departure for Melbourne. Working around the theme "Olympic Daze," we joined forces with the Tri Delts to produce the Sweepstakes winning float. The huge float featured three bronzen athletes lifting a 15-foot torch to the top of the Parthenon. Queen of the homecoming parade was beautiful Delta Gamma, Izzie Carlson. One week before entering the homecoming Queen contest, Izzie was chosen Delt Queen by the chapter to reign over our formal, which was given at the Riviera Country Club. Her attendants were Pi Beta Phi, Gail Sinkule, and Kappa Kappa Gamma, Jean Mahoney.

ACTIVITIES LEADERS

Ted Robinson advanced to become business manager of the *Daily Bruin*. Five other brothers also received editorships. Pledge Dick Nesbit distinguished himself by being elected to Tau Beta Phi, engineering honorary, in his junior year. Pledges Dave Diaz, Roger Fagerholm, and Kenny Gunn lettered in freshman football, and Brian Kniff and Jim Jennings will no doubt do the same for their skills on the Brubabe basketball squad. Brian is high point man for the team.

All eyes now turn to the spring semester and the famous Barbary Coast party.

SEMESTER ACCOMPLISHMENTS PLEASING

Another semester came to a close as of February. Looking back on the past semester, it gives me a great deal of pleasure to report the activities and accomplishments of Delta Pi Chapter of

Delta Tau Delta. Through the guidance of past president, Jack Kennedy; vice-president, Dick Peterson; social chairman, Dick Walker; and many others it has been a semester of many accomplishments.

WINTER FORMAL A SUCCESS

Our winter formal took place in Ensenada, Baja California, which turned out to be a big success. Many alumni attended this week end of fun and relaxation in early December.

BOLSTER TROJAN FOOTBALL

Laird Willott and Doug Kranz closed their varsity careers against Notre Dame after a good season of 8 wins and 2 losses. Freshman football saw such greats as Ken Yeakel, and Jerry Persenger develop into a potential varsity threat of next year.

BATTLE FOR I-M LEAD

In interfraternity sports, Delta Pi, at the present, is in a close battle for first place. During the middle of January, we finished first in six man volleyball in a two-out-of-three-game win against the Kappa Sigs.

NEW OFFICERS ELECTED

Election of officers was held January 14. The new officers are: president, Laird Willott; vice-president, Gil Horecek; rush chairman and pledge master, Herb Kostlan; social chairman, Sim Hixon; house manager, Dick Christensen.

SPRING ACTIVITIES FORECAST

One of the outstanding things we have to look forward to for next semester is a possible student body president in Dick Walker. Also, Songfest will be coming up during that time. Another item or

two will be The Delt Mardi Gras and the Delt-Theta Formal Luau.

JIM STANSFIELD

WIN FOOTBALL TROPHY

Beta Psi jumped off to a flying start this year by capturing the intramural football trophy. Undefeated in nine games, the team amassed a total of 186 points to the opposition's eight. The volleyball team came close to equalling the football team's record by easily winning the first nine games only to lose the finale. This was good for a second place, and along with a second in tennis and a third in cross-country, the Deltas are leading the intramural race by a wide margin.

DEWEY ELECTED TO BLUE KEY

In campus activities, Tom Dewey, business manager of the college yearbook, was recently elected to Blue Key, a national honorary. Jim Padgett was initiated into Sphinx Club, also a national honorary, and John Pence, Don Caplinger, and Hank Sheldon became members of Political Union, a select campus-wide organization.

FIVE VARSITY BASKETBALLERS

The Deltas are again well represented on the varsity basketball team. Ben Fellerhoff, last year's MVP, Mike Costello, and Harold Traviolia are returning lettermen, while Bucky Dennis and Duane Axel seem like sure bets to win their letters this year. Don Good and Dan Remley are both starters on the freshman team. Fred Pipin, John Johnson, and Bob Dery are members of the college wrestling squad. This is the first year that Wabash has entered intercollegiate wrestling, and so far we are undefeated in three matches.

PENCE LEADS NEW OFFICERS

In the elections held in January the following men were elected to office: president, John Pence, Fort Wayne, Ind.; vice-president, Joe Shewmon, Syracuse, Ind.; corresponding secretary, Jim Kipp, Chicago, Ill.; recording secretary, Bob Smith, Lafayette, Ind.; treasurer, Tom Dewey, Coudersport, Pa.; assistant treasurer, John Waechter, South Bend, Ind.; guide, Jim Padgett, Carmel, Ind.; sergeant-at-arms, Bucky Dennis, Milan, Ind.

FOUR PLEDGED

In our second-semester rush program we have already pledged four men: Sophomores Duane Axel of Kendallville, Ind., and Jim Hurd of Medina, Ohio, and Freshman Bill Birch of Kalamazoo,

CHUCK MCKENZIE and WAYNE HOUGH, president and vice-president of Epsilon Gamma, inspect the new charter.

Last, but certainly not the least, our pledges distinguished themselves by attaining the best scholarship average of the freshman class at midsemester.

NEW SHELTER PLANNED

The biggest news at Gamma Mu is that plans are under way for the new Shelter; it will be built across the street from our present locations and will be much larger—to accommodate our growing chapter.

WIN INTRAMURAL TITLES

Washington Deltas won the Gymnastics trophy for the second year running; if we can capture it next year, it will be ours permanently. League titles were also won in football, volleyball, and bowling.

TAKE SECOND IN CONTEST

Under the leadership of Lee Kilburn, Ind., Gamma Mu came in second in the village band contest after a very close decision to determine the winner.

ELECTED TO HONORARY

Larry Johanson (past I.F.C. Secretary) has been elected to Oval Club, upperclassmen's activity honorary.

PLEDGE DANCE

Socially speaking, our only big party so far was the October pledge dance, but we have had several firesides and exchanges. The formal will be held at Broadmoor Golf Club February 9.

Epsilon Gamma's Shelter at 1607 Maple Street, Pullman, Washington.

PLEDGES ELECT OFFICERS

Newly elected officers for the pledge class are Guy Robertson, president; John Temple, vice-president; George Piepho, secretary-treasurer; Jay Lane, social chairman; Bob Montgomery, rush chairman; and Jim Flint, song leader.

ROB THOMASON

Washington State—Epsilon Gamma

The excitement of our recent installation has abated somewhat and, as Delts, we look forward to the prospects of a rich and promising future.

DELTS FORM DANCE BAND

The "Skyliners," a dance band boasting nine men, including six Delts, has enjoyed a prosperous and highly successful season. Delts in the band include Leroy Cedric Hotchkiss, winner of Outstanding Frosh Award, Jeff Stillman, Jim Johnson, Damon Elliot, and Mike Vautier (five of the six men came to WSC on music scholarships and participate in Marching and Concert band as well as other musical groups). Termed one of the best orchestras to hit the campus in years, the "Skyliners" have played for numerous college and Greek functions, and on two occasions, have entertained Delta Mu of Idaho.

WIN SCHOLARSHIP AWARD

In a different field of interest, the members-elect of Epsilon Gamma this fall received the Scholarship Improvement Trophy, an award given to the living group with the greatest increase in scholarship during a semester period.

CHAPTER PRESIDENT HONORED

Chuck McKenzie, president of Epsilon Gamma, has been an outstanding committee chairman in YMCA, Secretary of the American Institute of Architects (AIA), and recently went to Kansas as a convention delegate of SCARAB, architectural fraternity.

VARSITY GYMNAST

Roger Richert, a senior from Shelton, Wash., was also a delegate to the SCARAB Convention and member of AIA. A member of "Grey W," WSC lettermen club, Roger is working toward his second stripe as member of the varsity gymnastics team.

BUSY HOUSE MANAGER

Thomas Stell Newman, a junior, is engaged in an interesting array of activities. In addition to his duties as house manager, Stell is vice-president of the WSC Outing Club, chairman of Epsilon Gamma Rules Committee, member of a

special study group for Rhodes Scholars, and is advancing toward honor grades this semester. An avid skier, Stell is also Patrol Leader of the WSC Ski Patrol.

HONOR GRADUATE

Wayne Hough, a senior in electrical engineering, is technical editor of the *Technometer*, W.S.C. engineering publication, Epsilon Gamma vice-president and study chairman, and will graduate "with honors" this spring.

KOREAN VETERANS FILL IMPORTANT POSTS

Ed Grignon and Chuck Lucas, two Korean War veterans who hail from Tacoma, have done much to lay the foundation for our new chapter. Ed, a junior in industrial management, was chairman of The Delt Development Program this fall and serves as the "key man" on the rush committee. Chuck is president of the pledge class and member of Junior Interfraternity Council. A sports car enthusiast, who owns his own Porsche, Chuck recently won the Annual Deer Park Drag Championship at Spokane, setting a new record in the quarter mile.

EXAMS AND THEN RUSHING

Here at Gamma Chapter first-semester finals are less than a week away. After finals the chapter will be in full swing getting ready for second-semester rushing. There are many good prospects and the Gamma Delts will come out with the best of them.

THREE ON FOOTBALL TEAM

This semester has been a successful one for Gamma Chapter. There have been many individual achievements. The football squad, with the help of Gamma Delts, has ended with a 3-4-1 record. Jim Bibb, Walter Terpin, and Andy Puglise represented the Delts on the team. Art Nowak was manager of the football team for two years.

SOPHOMORE LEADS COURT FIVE

Harry Sydor, 6' 4" sophomore, has been a big help to the basketball team this year. Being a sophomore, this is his second year on the varsity team. As we are writing, the team has a record of 8 wins and 1 loss. Harry has been high score man several times. Tom Logan, a second-stringer, is one of the first to be called on.

THREE RIFLEMEN

Gamma Chapter also has a good representation on the rifle team. Bill Temple, captain, and Jack Raymond are

in their fourth year and Dale Johnston, a sophomore, is firing for his first year.

JOIN OTHER CHAPTERS IN ACTIVITIES

Gamma Chapter enjoyed renewing friendships at the annual Delta Tau Delta Undergraduate Sing with the Delts of Pitt, W. V. U., and Carnegie Tech. Many Gamma Delts also attended the Pittsburgh Alumni Chapter of Delta Tau Delta Dance at the Penn Sheraton Hotel in Pittsburgh at Pitt's homecoming.

DELT CROWNED KING

Andy Puglise was crowned King Bacchus at the Greek Swing-Out. His date received a locket and Andy was given a loving cup.

INTRAMURAL SHOWING

Intramurally, Gamma Chapter has been making a good showing on campus. Having lost only two games, the volleyball team ended in third place. Basketball is still going on and the team is showing much strength.

TWO DELTS ELECTED TO O.D.K.

On November 30, Senior Morgan Shaefer and Junior Arnold Groobey were elected to membership in the highly coveted leadership fraternity, Omicron Delta Kappa. Morgan was treasurer of the 1956 minstrel show and is the producer of this year's show. He was cocaptain of the soccer team, member of the Interfraternity Council, member of the Lexington Chamber of Commerce, and is president of Phi Chapter. Arnold is an Honor Roll student, a member of S.W.M.S.F.C., a dormitory counselor Phi Eta Sigma, and Director of the 1956 University Religious Conference.

FOUR DELTS ON WRESTLING TEAM

This year's varsity wrestling squad is manned by Delts wrestling in four of the eight weight classes. Four-year veteran, Senior Dick Whiteford from Baltimore, Maryland, is cocaptain of this year's team and is wrestling in the 137-lb. class. Three-year man Junior Don Fowler, from Parkersburg, West Virginia, is wrestling at 157. Sophomore Phyz Lemmon from Washington, New Jersey, wrestles the 147-lb. slot. Freshman Ace Jerry Parker, from Chicago, Illinois, has eliminated all competition in the 130-lb. class. This year promises to be very successful, and with Delt support W. & L. has a good chance to win the Southern Conference Championship.

CHAPTER POSTS FILLED

In recent house elections three men were selected. Arnold Groobey, a junior

from Norfolk, Virginia, was elected treasurer. Garry Pannell, a sophomore from Sweet Briar, Virginia, was elected assistant treasurer, and Bruce Keeling, a junior from Louisville, Kentucky, was elected house manager.

SOCIAL EVENTS

Delta Tau Delta at Wesleyan found itself host of several social functions during the first semester.

Major parties included Pledge Party Week End and Fall House Parties. At the latter, Brother Charlie Hoyt and his excellent "High Street Five" group again played Dixieland jazz and, together with a Caribbean Island theme, produced a successful week end.

On December 9 Gamma Zeta was host to the entire faculty and administration for our annual Faculty Buffet. Despite the poor weather, a good crowd completely filled all available space.

The first-semester social season was concluded with a Delt-sponsored bridge tournament with Sigma Nu and Alpha Chi Rho in the Shelter. The two rounds of bridge were followed by a general get-together of the participants for refreshments. At this time, the scorers found that Delt bridge stalwarts Tummel and Snow captured North-South honors, while Delts Leermakers and Kaseler the East-West cups. The success of the affair prompted us to hope to make the tournament an annual event.

CAMPUS CHAMPIONS

Led by returning veteran Dick Kaseler, the Delt touch football team won the campus title by capturing the Northern League Championship and beating Southern League champs Eclectic 6-0. Starring with Kaseler in the backfield were Bill Pratt and Bud Redeker, the star pass receiver.

After a slow start, beating Alpha Delt by only 6-0 and a 7-0 loss to a powerful Chi Psi squad, the team bounced back to beat Delta Sig 13-8. After winning two forfeits from Alpha Chi Rho and the Grads, the Delts smashed our arch rivals Sigma Nu 13-0, with Frosh Ends Bob Kirkpatrick and Don Fletcher scoring the points. It was in this game that the Delts' superior defensive line of John Lutton, Jim Brands, and Bert Edwards broke through to throw Sigma Nu for consistent losses.

With the Northern League Championship under our belts, the Delts played Eclectic for the campus championship. The evenly matched clubs played good football with Frank Dotti, Ken Tummel, our star center, and Al Lobb on defense leading the Purple Tide. Late in the

game a Pratt-Redeker pass clicked for a touchdown. Although the extra point was blocked, the margin of six points was all that was needed for victory.

DELTS ON CAMPUS

Brother Ken Tummel is one of five running for the post of College Body Secretary-Treasurer. Brother Pete Lincoln was recently elected a Desk Editor of the college newspaper, the *Argus*. Brothers Tom Burns and Tom Sorensen are members of the varsity wrestling team. Brothers Bill Pratt and Jess Hafer are varsity squash stalwarts.

Freshmen pledges also actively entered in campus sports. Pledges McClure and Hogendorn are on the frosh squash team, Bob Kirkpatrick stars for the frosh basketball squad, and John Lutton excels for the swimming team.

DELT CANDIDATE NAMED QUEEN

Again this year the Delt's candidate was elected homecoming queen by the student body. She was Miss Dianne Attie from Toledo, Ohio. We also won second place for house decorations in close competition with the Phi Gams.

GIRLS LIKE DOGS

Parties are bigger and better this year. The annual Mexican Hat held at Stud's Cafe pleased everyone. The winter formal at the Tudor Arms Hotel was a big success, especially the favors which were stuffed dogs. The girls gave the dogs more attention than they gave their dates. Something added this year was the New Year's Eve party. The Zetamen combined with the Beta Delts to usher in the new year in grand style.

FOUR WIN FOOTBALL AWARDS

Sportswise, the Delts here at Zeta stand out as one of the strongest fraternities on campus. Brothers Seidl, Molson, Maschmann, and Porter received football awards, while Ed Leckey earned a letter in soccer. Larry Seidl also won the John L. Price award for his outstanding performance on the gridiron. Three freshmen received numerals, and three other pledges are now on the freshman basketball team. The varsity basketball team is also well represented with three out of the starting five Delts. They are Bill Fisher, Ed Sarbiewski, and Jim Marinelli. Marinelli, who is 5 ft. 4 in. tall, is probably one of the shortest boys in college basketball today.

75TH ANNIVERSARY YEAR

Twenty-one pledges completed help week, the first week after the Christmas

vacation. They did a fine job of cleaning and painting the house in preparation for the Northern Division Conference which was held at Zeta in February. Remember—OUR 75th IS IN '57!

WIN TRACK MEET AGAIN

On the intramural scene Delta Tau Delts continued a phenomenal record in the Dad's Day track meet. In 1948 a Delt team first brought home this plaque, and this year a Delt team walked off again with the track trophy running our winning streak to eight consecutive years. This year Bill Elliot tied the intramural low hurdle record set by Tom Hicks in 1953. Bob Duke is the intramural chairman this year. A record almost on a par with the track victory was our fourth straight softball trophy. After losing one game the team bounced back to score a convincing victory in the play-off.

SOCIAL LIFE

The social life of Delta Omicron Shelter has been very successful this year under our social chairman, Skip Nichols. Besides having our annual Christmas formal, "The Orchid Ball," we were entertained by several other top noted events. A Christmas Kiddie Party was held for the less fortunate children of Fulton. A poverty party was also held placing our chapter at tops on campus in social life. To round out our social life, a brother Delt and his sweetheart were crowned Snow King and Snow Queen of the William Woods Formal. The King and Queen were Jack Luman and Mary Ann Reigart. This marked the third successive year that a Delta Omicron brother has received this honor.

COMMUNITY SERVICE

The college held its annual World University Service Drive this year with an ugly man contest. Delta Omicron came across with the winning candidate, who was picked from the faculty, and a donation of \$168.00. We also took the lead in the Red Cross Blood Drive with a donation of 22 pints.

OFFICERS CHOSEN

Elections held in January resulted in the following men being elected to lead us for the next year: Bob Fehrenbach, president; Don Otto, vice-president; Pete Childs, treasurer; George Scott, recording secretary; Fred Cory, corresponding secretary; Art Werremeyer, assistant treasurer; and George Kenney, sergeant-at-arms.

OFFICERS ELECTED

The big news from Beta Gamma is our new slate of officers. They include Mike McPhee, president; Jim Weadock, vice-president; Jim Sloan, treasurer; Bill Engler, recording secretary; Mark Biehl, corresponding secretary; Dex Free, assistant treasurer; Don Hoffman, guide; and Herb Moessing, sergeant-at-arms.

CHRISTMAS PARTY

Our annual Christmas party for Madison's orphans was held with Alpha Chi Omega on December 19. The girls of A. Chi O. are our partners for this year's Humorology show. Our show is a take-off on Walt Disney's "Lady and the Tramp." We call it "Laddie and the Vamp." Manager Jim Weadock and Choreographer Bob Cotanch have worked out most of the preliminary problems with the girls, and casting will soon be completed. We think we have a winner this year.

CAMPUS LEADERS

Retiring Chapter President Ted Stowe has been named general chairman for the 1957 Mil-Ball; and Dex Free has been chosen cochairman of the New Student Week Guides, a position held last year by another Delt, Don Hoffman.

NEW GRADUATES AND PLEDGES

Midsemester graduates are Dick Busby, Don Elster, Chuck Forsberg, Ed Reidl, Vic Sandman, and Bob Thygeson. As these fellows leave, we add to the list of pledges those who pledged during informal rush. These include Dave Keller, Bob Jautz, Scip Wobig, Pete DeWitt, Carl Giessel, and John Cartwright.

That's about all from Beta Gamma, where we are looking forward to a good year under the new officers.

THE DELT ALUMNI CHAPTERS

Akron

The last meeting of 1956 for the Akron Alumni Chapter was held on November 13 at the Fairlawn Country Club. The turnout was fine and an evening of fine fellowship was enjoyed by all. Our next event will be held on January 23, and will be at the Fairlawn Country Club once again.

We have had discussions in regard to meetings for the coming year—places, times, types of speakers, etc. We have also discussed the Northern Division Conference to be held at Cleveland in February, as well as the Karnea to be held in Pittsburgh in 1958.

We are currently engaged in the preparation of a new directory and roster of alumni in this area, which we feel will be both helpful and interesting.

DR. LOUIS P. CARABELLI

Atlanta

The annual meeting of the Atlanta Alumni Chapter took the form of a dinner meeting held November 15 at the Piedmont Hotel in Atlanta, with approximately 50 Deltas and Delt wives and ladies present. The speaker of the evening was the Rev. Dean Raimundo De Ovies, BΘ, '01, retired Dean of Atlanta's St. Phillip's Episcopal Cathedral. Musical entertainment was furnished by a quartet from the College Park Methodist Church.

Following dinner and the program, officers for 1957 were elected. Those elected were E. Blount Boswell, ΓΨ, '51, president; Dr. Walker G. Curtis, BE, '26, vice-president; and John W. Pattillo, BE, '51, secretary-treasurer. W. L. Robinson, BΔ, '25, retiring president, was elected chairman of the board of directors. Also at this meeting, the by-laws of the chapter were amended to provide for quarterly meetings instead of monthly meetings, the time and place of each meeting to be announced by the president.

The chapter hopes, in 1957, to increase its membership greatly so that it can become more of an asset to Deltas in the Atlanta area and to the three active chapters in Georgia.

JOHN W. PATTILLO

Boston

Boston Alumni Chapter luncheons continue to be held at Patton's Restaurant every Thursday at 12:15 on the second

floor. All Deltas in the Boston area are invited to drop in and renew old acquaintances and meet new friends.

"Hike" Chase of Gamma Zeta, our travelling ambassador, has just returned from a trip with glowing reports of his visit to Central Headquarters in Indianapolis. He also spoke very highly of the hospitality accorded him at Beta Alpha Chapter at Indiana and Chi Chapter at Kenyon.

Joel Reynolds, Beta Mu, '23, past national President, recently attended the National Interfraternity Conference Meeting in New York. He was elected to serve for a three year term on the Executive Committee of N.I.C. He also served as a panelist on two of the Conference panel sessions.

Paul I. Wren, Beta Mu, '26, and member of the Boston chapter has recently been named as assistant to Secretary of the Treasury Humphrey. Paul, vice-president of the Old Colony Trust Company, has been very active in banking circles and is a trustee of Tufts University. We wish him the best of success in his new endeavor.

RUDY HELGESON

Chicago

The year 1957 has started out with a burst of enthusiasm we hope will prevail throughout the year. The deficit resulting from the gigantic fall rush party at the new Prudential Building was wiped out by generous donations for which we extend our grateful thanks.

The membership drive initiated by Don Cranston, Wabash, '17, and Ken Bates, Kansas, '19, resulted in paid membership for 1956 of about 300.

Bunker Bean, Ohio U., '09, and Don Sheridan, Dartmouth, '44, are doing a bang-up job on the monthly luncheon speaker program. Dayt McKay, N.U., '26, gave us a comprehensive report on the Karnea and Howard Brower, Albion, '34, spoke on the government's "Medicare" program. Watch for future announcements. Mailing costs being what they are, only those who pay their dues will receive announcements of these monthly events.

All things considered, the Chicago alumni are forging ahead to bigger and better days. Don't let us down. We need your continued support.

Don't forget to drop in to the Monday luncheons held each week at Hard-

ings Restaurant, 7th floor of the Fair Store, Dearborn & Adams Streets, Chicago. The welcome mat is always out.

JEROME W. PINDERSKI

Cincinnati

On Tuesday, December 18, 1957, the Cincinnati chapter of the Delta Tau Delta Alumni Association held its annual Christmas party at the Cincinnati Club. At this affair, President Robert Heuck presided and introduced Brother Dick Baker, prominent sports announcer, as master of ceremonies. More than 100 people attended. Minor Raymond told his annual Christmas story which was very entertaining. New officers were elected for the coming year as follows: Harold E. Purvis, president; Richard Reiman, vice-president; Robert Dhonau, treasurer; and Paul N. Berner, secretary.

PAUL N. BERNER

Fort Worth

After a few months' lapse of organized activity, the Fort Worth Alumni Chapter met on December 4, 1956, for dinner and the election of new officers for the coming year. They are as follows: John P. Cooley, president; Finis M. Kelly, vice-president; Carroll W. Collins, secretary-treasurer.

The atmosphere created at this meeting was definitely one of renewed vigor. Already, plans are being made for a joint meeting with the T.C.U. undergraduate chapter on February 9, 1957, to be held in conjunction with the initiation of new undergraduates into Delta Tau Delta. Plans are being formulated for the Founders Day program this spring, along with the adoption of a method to raise money to furnish the future chapter room at the new T.C.U. fraternity dormitory. We feel that these joint meetings help further and promote understanding between our groups, and we become more aware of the needs of the undergraduate chapters.

With a rather heavy schedule ahead of us, we have reorganized our group into various committees with Bob Massey heading up the all important telephone committee. If there are any Deltas in the area with whom we are not in contact, please make yourselves known to us. We currently have 109 members on the mailing list.

CARROLL W. COLLINS

Houston

Under the guidance of President Jack Ewing (U.S.C.) the Delt alumni in the Houston area seem to be in for another good year. Three meetings have been held since Jack's election and the OK tag has been placed on each of them.

On November 16 there gathered "around the banquet board" 35 Delts who afterward heard an excellent talk by Rev. J. Milton Richardson, Dean of Christ Church Cathedral and past national president of Alpha Tau Omega fraternity. Dean Richardson told of the place fraternities hold in our educational system and of the training and character building for which they can be credited.

The Christmas party this year was held at the home of the president, some 70 Delts and their ladies attending on the afternoon of December 16. This event, which has come to be an annual affair, was most successful this year, thanks to the efforts of Mrs. Ewing who several other Delts and their ladies who handled arrangements.

The film, "Karnea of the Golden Bend," made in Houston last August when Delts from throughout the nation gathered here, was shown at our January meeting. The 30 Delts present pronounced it an excellent and graphic report of the Karnea and it is Houston's suggestion that other groups get and show it as available.

SILAS B. RAGSDALE

Indianapolis

One of our most successful events of the year is the annual Christmas party, held this year at the Marott Hotel. It was an added pleasure to have Indiana's newly elected governor, Harold W. Handley, Beta Alpha, as our guest of honor. Brother Handley brought Lt.-Governor Crawford Parker, a non-Delt, with him, in order that Mr. Parker might have the opportunity to see what a fine group we have. One of the finest gatherings we have had in years, nearly 150 Delts, came to hear Brother Handley, to partake of an excellent luncheon, participate in a Chinese auction, and enter into the gift exchange . . . expedited by Fred "Santa" Hill, complete with white beard and red suit.

Our next affair, under direction of the vice-president and program chairman, Robert Huncilman, will be held on January 31, at the Naval Armory. A real steak dinner is planned, followed by a showing of the color and sound movie of the Houston Karnea.

Founders Day will be celebrated by Indianapolis Delts in the traditional fashion by the banquet and dance, honoring the five Indiana undergraduate

ANNUAL CHRISTMAS PARTY BIG SUCCESS

The annual Christmas Party of the Kansas City Alumni Chapter was held on Saturday, December 15, and was attended by some 180 people. The Advertising and Executives Club was the setting for the festivity with the ballroom beautifully decorated in the Christmas theme. The evening commenced with a filet mignon dinner followed by dancing to the music of Don Accurso and his fine band. The undergraduate chapters at the University of Kansas, Kansas State College, and the University of Missouri sent good sized delegations to attend the gala affair.

Plans are now in progress for the annual Founders Day Banquet which is to be held during the month of March, and which is always one of the high lights of the year in our alumni chapter activities.

DONALD B. STEELE

Los Angeles

Activities of the Los Angeles Alumni Chapter of Delta Tau Delta during 1956 were characterized by a speedy tempo which received its impetus with the Founders Day Banquet held in March. This was a record breaker, with more than 400 loyal Delts present, and plans are afoot this year to have an even better one.

During the year attendance averaged around 35, with several outstanding luncheons being held under the capable direction of President Toby Tyler. Summer attendance, surprisingly, held up well, with a decided pick-up during the fall months and football season. The Christmas party, held at the University Club, was a dandy, and those present had a good time.

Election of officers for 1957 saw the following slate put on the board: Douglas McDonald, president; Eugene Rouse, secretary; Fred Moldenhauer, first vice-president; Dave Barry, second vice-president; Bob Wilcox, assistant secretary; while treasurer was, and always will be, Roy Crocker. These men are to be congratulated, and it looks as though 1957 will be every bit as good as last year. With two active chapters in the city (UCLA and SC), both among the leaders on their respective campuses, interest in alumni doings rests with the undergraduates as well as grads. Several projects are under way for the year as well as a few surprises. In Doug McDonald the chapter has an up and coming Delt with all the fervor in the world. Meetings are held the third Thursday of the month at the University Club and all visiting Delts are welcome.

JERRY STEWART

Louisville

The Louisville Alumni Chapter has held successful monthly meetings since its reorganization this past summer. These dinner meetings held at Bauer's Restaurant, Brownsboro Road, Louisville, have brought many brothers of this area together for the first time.

During our December meet Brother Merritt Marcus, chairman of entertainment, presented a rush film from the University of Kentucky.

January and February meets will bring forth the year's program of activities for the Louisville chapter. President Claire Stewart is hard at work organizing working committees to handle the new year's program.

Brothers Merritt Marcus, John Mylor, and Joe Wimsalt have taken active committee positions. With their continued effort the Louisville Chapter will continue to grow.

We invite all Delt brothers of the Louisville area to join us the second Wednesday of every month.

ROGER M. SCOTT

Greater New York

Here are some of the new items on the New York Delt front: Founders Day—while the final date has not yet been announced—will be under the careful guidance of Cochairmen Charles (Bud) Mc-

Cann and Bernard Forts. Indications are that this will be a banner Founders Day dinner for a 100th year celebration. The dinner will be held on a Friday evening late in April or early in May. Brother McCann at ELdorado 5-4811 or Brother Forts at MUrray Hill 3-6900 will be able to give Delts in the New York area the exact date about the first of February.

New York Delts were treated to an unusual luncheon program in December when they saw the color movie which was taken at the Houston Karnea. The meeting was marked by an unusually fine turnout led by a banner group from R.P.I.

General Edmund H. Leavey (U.S.A., Retired) talked to New York Delts at the Penn-Stevens Club in November. We consider this a high light of the fall program.

Effective with the January meeting, our monthly uptown luncheons have returned to the Williams Club, 24 East 39th Street. Here on the second Thursday of each month, in the Mark Hopkins Room, we are offering a reasonable luncheon, an outstanding speaker, and unforgettable friendships. For further details, New York Delts not on our mailing list should contact Cal Sinclair at Beekman 3-2800.

The first Tuesday of each month, downtown New York Delts meet at an informal luncheon at the Chamber of Commerce Club, 65 Liberty Street. Here's a chance for all Delts lost in the canyons of Wall Street to meet new brothers and renew old friendships. For further details, call George Whitney at DIgby 4-5888.

WILLIAM B. CECIL

Northern Kentucky

Our regular belated "Christmas" din-

ner party, held January 18 at the Highland Country Club in Ft. Thomas, brought out some 60 Northern Kentucky Delts, their dames or dates, to one of our most enjoyable gatherings in recent years. Our annual square dance is on tap for February and a steak fry is on the program for June. (That's how these Northern Kentucky Delts get the lads out—invite the gals.)

New officers for '57 are brothers Ollie Hall, president (Miami); Dick Fritsche, vice-president (also of Miami); George Houliston, secretary-treasurer (Kentucky); Cameron Coffman (Kentucky) is the corresponding secretary for the "umpteenth" time. Brother "Boonie" Fennell, The Ohio River Commodore, charged "politics" when he failed to be re-elected to the thankless job of secretary-treasurer.

Brother Fred "Doc" Stine (Cincinnati) and his wife Margie are far ahead in the Delt "Diaper Derby" with the recent addition of twin boys, "Ein" Stine and "Zwie" Stine, to run their total to six 'til Stines.

Brother Ted Tillman and Frau Jean are new parents of a wee bambino, one Holly Lynn.

Brother Houliston is a statistical minded secretary. He revealed that 50 per cent of all Delts in the Northern Kentucky area are paid-up members of our Northern Kentucky Club.

We recently learned "via the grapevine" that the Cincinnati lads at Gamma Xi have pledged Tom Taylor, who attended our annual rush party last fall. Any word from "other precincts"?

Another local lad, Dave Becker, Ft. Thomas, one of our protégés, has been taking a goodly share of honors at ΔE down in the bluegrass of Kentucky.

Our sympathy is with Mr. and Mrs. Stewart Berkley following the recent

untimely death of Brother Stewart "Stu" Berkley, IT, '45.

CAMERON COFFMAN

Omaha

Ellsworth Moser was crowned King of Ak-Sar-Ben for 1957. This is Omaha's highest civic honor. He was a member of Beta Tau Chapter, University of Nebraska, class of 1918.

WILLIAM B. WEBSTER

Pittsburgh

Pittsburgh Alumni Chapter held its fall dance this year at the Penn-Sheraton Hotel on November 17, 1956, which was the evening of the University of Pittsburgh vs. Army football game. At the dance were approximately 100 undergraduate and alumni members of the Fraternity with their ladies and from all reports everyone had a very enjoyable evening. As cochairmen of the dance committee, Bob Kraft and John Means did an excellent job in again making this event a success. On the committee assisting the cochairmen in making arrangements for the room, band, and sale of tickets were Brothers Harris Hawkins, Lou McLinden, Jack Bash, Bill Swanson, and Emil Narick.

On Sunday, December 2, 1956, the annual Delt Christmas church service at Trinity Cathedral, Pittsburgh, was conducted by Dean N. R. High Moor. The service was an inspiration for all those undergraduates and alumni who attended. This year undergraduate chapters from the University of Pittsburgh, Carnegie Institute of Technology, West Virginia University, and Washington & Jefferson College were represented and participated in the undergraduate sing contest which took place after the church service. The Gamma Delta Chapter took the honors at the sing and also took pos-

Undergraduates entering Trinity Cathedral, Pittsburgh, for the annual Delt Christmas church service.

The winner of the sing contest sponsored by the Pittsburgh Alumni Chapter following the church service was this group from the University of West Virginia.

session of the clock trophy until the contest next year. The sing team from West Virginia was perhaps the largest group ever to appear and emerge victorious in the sing contest held in conjunction with the church service. The alumni committee, composed of Bill Raines, chairman, Earl Hollinshead, Jack Bash, Bob Kraft, and John Means, did a fine job in organizing the affair and preparing the program.

The Pittsburgh Alumni Chapter has begun to prepare for the 1958 Karnea to be held in Pittsburgh. Norman MacLeod was chosen to act as chairman of the Karnea Committee and has already appointed various committee chairmen to aid in making this 1958 Karnea, the Centennial Karnea, one of the largest and best in the Fraternity's history.

There is always room for more Delts at our weekly alumni luncheons so come and enjoy the fellowship every Tuesday. The luncheons are now held in a private dining room on the eleventh floor of Kaufmann's Department Store, Fifth & Smithfield, in downtown Pittsburgh.

BILL SWANSON

St. Petersburg

Regular meetings are being held at "Tofenettis Restaurant" the first Wednesday of each month at 12:30 p.m., in the Delt room. (Year round.)

For our December meeting we were extremely fortunate in luring Hugh Shields down from Gainesville to be our honored guest speaker. Our January meeting, well attended, had Brother Charlie Belden, the world photographer, presenting us with another of his famous slide-lectures covering northern Africa and Europe. Brother Charlie leaves in March for a six month "photography tour" of all the Scandinavian countries.

The annual election of officers, held on March 6, saw the re-election of the present board of officers: Robert S. (Port) Arthur, president; John B. Wallace, vice-president; Jack Francis, secretary-treasurer; and the board of directors consisting of Rex Rafferty, Ed Papworth, Herbert Thornberg, Howard Helt, and Jean Cobbey.

Next July will see a small group of Delts from this area vacationing in Hawaii! Any of you who might be interested in joining our party are cordially invited to do so. Drop a note to the secretary and he will fill you in on the details.

JACK FRANCIS

Toledo

Toledo Alumni Chapter was hard hit by the holidays. As we meet Tuesday noon, we had to help Herb Sharp, Gam-

ma Beta, '05, celebrate his January 1 birthday at our last meeting of 1956—December 18. Attendance at our first Tuesday luncheons of 1957 has not suffered and we are maintaining our slender attendance lead over the nearby table of Phi Delta Theta at Dyer's.

Toledo Delts have lost one-third of their Episcopalian trio. Rev. John A. Greely, Chi, '51, moved from the rectorship of the Grace Episcopal Church to a parish in Stonington, Connecticut. While in Toledo, Rev. Greely served as chaplain at Riverside Hospital, Protestant chaplain at Toledo State Hospital, leader of the Young People's Fellowship of the Toledo Episcopal Churches and on the Urban Commission Committee of the Episcopal Diocese of Ohio. Rev. R. Malcolm Ward, Chi, '22, of St. Paul's, and Rev. Arthur W. Hargate, Chi, '34, of Trinity, remain in Toledo.

William H. Schomburg, Delta, '14, reaffirmed his position as one of Toledo's leading businessmen as he was elected president of the Toledo Chamber of Commerce for the year 1957. Bill is a former Toledo Alumni Chapter president.

City Councilman John W. Yager, Delta, '42, is the Toledo area chairman of the Delta Chapter fund raising committee. Delta seeks a new wing on their present Shelter.

Promotions: Timothy Y. Hewlett, Jr., Gamma Gamma, '46, is now the secretary and general purchasing agent of the Landers Corporation. Charles L. Becker, Jr., Beta Phi, '47, formerly the manager of customer relations, is now the merchandising manager of the Textileather Division of General Tire & Rubber.

FRED HIBBERT

Wabash Valley

The recently formed Wabash Valley Alumni Chapter is progressing as an organization and instrument to further the interest of Delta Tau Delta. Since our founding last spring, we have increased our membership threefold, from nine to 27 dues-paying members. The potential membership in the area from which the chapter can draw, of course, is several times this 27. We intend, and hope, to keep writing and meeting this potential until our membership numbers another threefold and more.

The chapter's principal desires are fellowship and service to the three undergraduate chapters in our area. These are Gamma Lambda, Purdue; Beta Psi, Wabash; and Beta Beta, DePauw. As our first project, we are making The Outstanding Delt Award to an upper-classman of each of these chapters. The award is a plaque to be hung in each house and a certificate to each winner. The plaque will bear the names of the

successive outstanding Delts down through the years. Two runners-up to each winner will also be chosen. The awards will be made at our March meeting. It is our hope that this will give our top caliber undergraduates the recognition and incentive they need and deserve.

Election of officers was held at our January dinner meeting, held that month at the well known Morris-Bryant Smorgasbord. Our outgoing president, Karl M. Snepp, received an ovation, richly deserved, for his earnest and arduous labors in helping to organize and build our chapter into what now appears an established and going concern. The new officers for 1957 are Bill Hughes, president; James Shook, vice-president; Don Springgate, secretary; and Hiram Kerlin, treasurer.

Brother Morris Crane, the proprietor of the Morris-Bryant Motel and Restaurant, came through in true Delt fashion at the meeting, and requested that the entire cost of the dinner be paid into our infant treasury. Thanks, Morris!

It is the wish of all members of the Wabash Valley Alumni Chapter that any Delts in the area who read this article will, using political vernacular, come join us. Their fellowship will be welcomed and their support appreciated.

DONALD H. SPRINGGATE, JR.

EDWIN L. HEMINGER, vice-president of the Northern Division and secretary of the Findlay (Ohio) Alumni Chapter, received the Findlay Jaycee Distinguished Service Award this year.

Mr. Plank was a mining engineer for various coal companies in the state of Pennsylvania from 1909 to 1920. Throughout the years he was active as a consulting engineer for many coal companies of the state and was at one time a member of the mine safety committee of the United States Coal Commission.

Active in many mining associations and organizations, Mr. Plank also contributed articles on the mineral technology field. These articles were published principally by the American Institute of Mining and Metallurgical Engineers.
