

THE *Rainbow*  
OF DELTA TAU DELTA

Volume LXXXI • Number 1 • SEPTEMBER, 1957 . . . . .

DELTA TAU DELTA is a constructive adjunct to the system of higher education. Her objective is to educate, contributing to the young men within her sphere of influence a moral, spiritual, and social development commensurate with the intellectual training supplied by the colleges and the universities.

---

## One Moment, Please . . .

WAYNE A. MARTHALER, *Illinois*, '57, was appointed to the regular field staff of the Fraternity following his graduation in June.

Wayne is a former president of Beta Upsilon Chapter. While at the University of Illinois he served as the Interfraternity Council's representative to the IM Recreation Board, was

WAYNE A. MARTHALER

a member of the Interfraternity Council's executive committee, was the chapter's Karnea representative at Houston in 1956, was Greek Week chairman, and president of the Illinois chapter of the American Recreation Society.

Wayne's fine background in the Fraternity and on the Illinois campus provides excellent equipment for his work with the undergraduate chapters. A busy schedule is planned for him during the fall months and it is hoped that he will have the opportunity to visit many of the Fraternity's undergraduate chapters.

ENTERED as second-class matter at the post office at Fulton, Mo. Acceptance for mailing at special rate of postage provided for in the Act of February 28, 1925, embodied in paragraph 4, section 412 P.L.&R., authorized February 15, 1926. Published at 1201-5 Bluff Street, Fulton, Mo., and issued four times during the year, the four numbers of each volume appearing in September, December, March, and June, respectively.

# Pittsburgh Looks Ahead . . . .

## To the Centennial Karnea

By WILLIAM P. RAINES, *Pittsburgh*, '49

A BIRTHDAY is always an important occasion, whether in the life of a man or a fraternity. But when it is a 100th birthday . . . that really calls for an all out celebration.

So it is that Delts in the Western Pennsylvania area are hard at work laying plans for the Centennial Karnea of Delta Tau Delta, which will meet in Pittsburgh August 19 through 23, 1958. Here, only 40 miles from Bethany, West Virginia, the birthplace of the Fraternity, the greatest turnout in Delt history is expected to gather to honor 100 years of progress.

By happy coincidence, 1958 also represents a special birthday for the city of Pittsburgh—its 200th. An immense Bicentennial Celebration is being planned to commemorate the capture of Fort Duquesne during the French and Indian War by troops led by British General Forbes and a young Virginia Militia Colonel named George Washington. Promptly renamed Fort Pitt in honor of Britain's great Prime Minister, the fort and the town which grew around it became the gateway to the western frontier and today is the steel center of the world.

With such a momentous occasion in store for Delta Tau Delta, early preparations have been the order of the day among Pittsburgh alumni. To head this most important of all Karneas, the Fraternity has called again upon one of her most distinguished sons and he, as always, has answered the call. NORMAN MACLEOD, *Pittsburgh*, '17, past President of the Fraternity, member of the Distinguished Service Chapter and member of the Committee of the Distinguished Service Chapter has agreed to serve as general chairman for the Centennial Karnea. Chairman of the 1937 Karnea in Pittsburgh, Brother MacLeod is doubly qualified to organize this important Delt gathering. Not only has he an unsurpassed background of service to the Fraternity, but profes-

Karnea Chairman MACLEOD

sionally he is executive vice-president of Ketchum, Inc., nationally-known public relations agency.

Assisting Brother MacLeod will be committees representing a broad cross section of the Delt alumni in the Pittsburgh area.

Chairman of the program committee is A. J. (BUD) MURPHY, *Penn State*, '38, administrator of supervisory training for Westinghouse Electric Corporation. A graduate of Penn State University and Tau Chapter, Bud Murphy previously has served the Fraternity as field secretary and as President of the Eastern Division.

An entertainment committee is being lined up by ROBERT L. SOLES, JR., *Pittsburgh*, '43, who has had considerable experience at this sort of assignment through both civic and Fraternity service. In business life, Bob is Pittsburgh district manager for the William Powell Company of Cincinnati.

C. R. (REGGIE) WILSON, *Pittsburgh* '26, member of the Distinguished Service Chapter and secretary for many years of the Gamma Sigma House Corporation, heads up the finance committee for the Centennial Karnea. Recently named president of the Commonwealth Real Estate Corporation in Pittsburgh, Brother Wilson is also vice-president

of the Commonwealth Trust Company.

A Delt who has won nationwide acclaim for his contributions to his chosen field, the parking industry, heads up the Karnea transportation committee. He is HARRY W. SHEPARD, JR., *Carnegie Tech*, '42, and president of the Stanwix Parking Company in Pittsburgh.

Another Delt who is admirably suited for his committee assignment is LOUIS K. MCLINDEN, *Pittsburgh*, '51, who will be in charge of the registration aspect of the convention. Lou, who just stepped down as president of the Pittsburgh Alumni Chapter, is a member of the sales department of the Penn-Sheraton Hotel.

Rounding out the list of the committee chairmen is the writer, who has enlisted the aid of Pittsburgh area Delts in the advertising and public relations fields to handle the publicity aspects of the Fraternity's birthday.

With the committees set up, plans for the 1958 Karnea program are well under way. Although it is still too early to announce a specific schedule, the program will include, in addition to the business sessions and round-table discussions, a centennial memorial service, a Karnea barbecue, with golf, tennis, swimming, and other recreation at a nearby country club, the Karnea banquet, and tours of the world-famous steel plants in the Pittsburgh area.

Headquarters for the Centennial Karnea will be the Penn-Sheraton Hotel (formerly the William Penn Hotel) situated in the heart of Pittsburgh's Golden Triangle and overlooking the city's new Mellon Park—an engineering triumph which conceals six stories of parking garage beneath a beautiful midtown park.

Mellon Park, which replaced an area of old and worn-out stores, is typical of the rebirth of Pittsburgh—from a smog-ridden mill town to the nation's most progressive city. Al-

though 1958 will mark the fifth Karnea to have been held in Pittsburgh (1874, 1881, 1909, and 1937) it is doubtful that even the veterans of the 1937 gathering would recognize Pittsburgh today. The once "smoky city" has shed its grimy smog, rebuilt its business district, and undertaken a renaissance that is the talk of the country.

The spectacular transformation of Pittsburgh's crowded, dilapidated old downtown into an attractive area of open spaces, trees, and pastel-colored skyscrapers has caught the imagination of city planners and city builders both at home and abroad.

For many of them, especially in the United States, it has become a model for their efforts in rejuvenating the decaying hearts of their own communities. Thus, this pioneer, giant-scale job is playing a major role in the mid-Twentieth Century renaissance of the American city.

Pittsburgh's bright new downtown area has caught the imagination of the home folk, too. And one result is the gradual spreading of the rebuilding and development to the uptown areas of the city.

As of now there is a vast program of civic improvement costing, in round numbers, \$1,000,000,000. It includes work completed, under way, and planned. The big job has been going on for ten years and the aroused civic spirit here envisages the spending of perhaps another billion in the years to come.

Pittsburgh renaissance will be amply apparent to Delts gathering here next summer for the Karnea. The Alcoa Building—the world's first Aluminum Skyscraper, the 40-story home of U. S. Steel Corporation, the five skyscrapers that make up the new Gateway Center and the 36-acre state park at the site of old Fort Duquesne and Fort Pitt are just a part of the constantly growing list of additions to the city's "Golden Triangle" downtown area.

In the nearby Oakland section, the Civic Center boasts the University of Pittsburgh, Carnegie Institute of Technology, the giant Pitt Medical Center, as well as museums, theatres, and parks.

Finally, to allay the fears of any Delts who may be planning to drive to Pittsburgh for the Karnea, your motoring will be made easy by the

A. J. MURPHY

new Penn Lincoln Parkway, a 50-mile-per-hour limited access parkway which is the biggest in the country. Built at a cost of \$6,000,000 per mile, the parkway connects Downtown Pittsburgh with its mammoth airport at one end and the Pennsylvania Turnpike at the other terminus.

With the backdrop of a mighty city born anew and the historical pageants, song festivals, and industrial exhibitions which will constitute Pittsburgh's Bi-Centennial Celebration, Delta Tau Delta could have chosen no more appropriate place in which

C. R. WILSON

to commemorate the 100th birthday of our Fraternity.

Succeeding issues of THE RAINBOW will carry more details about this once-in-a-lifetime event in Delta Tau Delta, but now is the time to plan to set aside next August 19 through 23 to come to Pittsburgh for the great Centennial Karnea.

## B. F. Goodrich Names Hart Controller

IT WAS ANNOUNCED by B. F. Goodrich Company, Akron, Ohio, that JOHN N. HART, *Ohio State*, '31, presently director of employee relations of the company, will become Controller of the company effective October 1.

Mr. Hart joined Goodrich in 1945 as a member of the business research

JOHN N. HART

department. Previously he had been director of research for the State of Ohio Department of Taxation. He served Goodrich as an economist prior to assuming the position of director of employee relations. During World War II he was a Naval officer in the European and Pacific theaters. He is a member of the American Economic Association, and the American Statistical Association. He and Mrs. Hart, together with their four children, live in Hudson, Ohio.

# Scholarship - - -

## LIVING ON THE EDGE OF A BIG CHANGE

By **FREDERICK D. KERSHNER, JR.**, *Butler, '37*, Supervisor of Scholarship

THIS IS AN ARTICLE about scholarship, a subject which can be interesting. The main point which I want to make is this: all of us are living at a most unusual period, on the edge of a big change in fraternity emphasis. Few of us realize it. Just what this big change is, and why it is so acute, I will explain in a moment.

Your point of view can make a lot of difference. Blair Cherry, whom many will remember as University of Texas football coach a few years ago, tells a story about a Texas A. & M. scout on a trip recruiting for linemen. The story was something like this:

"I was talking to a big country boy the other day, telling him he ought to come to A. & M. and study agriculture. But the husky responded brightly, 'No thanks, I've had enough of this here agriculture; I've decided to go to Texas and join one of them sororities.'"

How long have "them sororities" been around? Only about 135 years, more or less, whether for men or women. In that stretch of time fraternities have passed through two quite different eras, and are today on the threshold of a third. Before 1890 the old fraternity system was almost exclusively social in purpose, with a strong moral flavor. The growing numbers of students in the small colleges, with increasing leisure time and not much to do with it, voluntarily banded together in groups to have fun, to plan amusements which would fill the empty dullness of the country towns with a good time. It was an era of small chapters of ten to 30 men, there was a good deal of snobbery, and it was felt that a gentleman's grade was a "C." At first college administrations opposed fraternities. A regulation of Ohio University in the 1840's stated that it was forbidden to "form a society without obtaining permission of the faculty." But soon the fraternity idea gained

acceptance and permission was easily enough obtained.

In the 1890's came a crisis, the first "Big Change" in the college worlds, when the big university arose to challenge the rule of the small arts college. Especially did state universities shoot up in size; they split into many subordinate colleges: colleges of law, medicine, agriculture, engineering, education, commerce, and the like. Faced with this altered situation, the fraternities at first did little; they tried to remain small and social as if nothing had happened. As a result they were subjected to a

FREDERICK D. KERSHNER, JR.

storm of abuse. They were accused of snobbish exclusiveness, of hurting scholarship, and even of endangering life by constant hazing. Some universities abolished fraternities; other started dormitory or quad systems to replace them.

To their everlasting credit fraternities met the challenge successfully. They proved themselves alert and dynamic, able to change with the times.

Their answers to the charges brought against them were roughly these. First, chapter size was doubled, from 10-30 to 30-70. Second, prizes for scholarship were given. Third, a campaign was launched to reduce hazing to a single pre-initiation week, or do away with it entirely. By 1912 this campaign had been so successful that one prominent critic could say: "The universities in which the fraternity system prevails are the most obviously democratic in their dominant ideal; as for example the great state universities of the west. . . . They give every undergraduate the opportunity of developing to the utmost his capacity for college life and college leadership." Thus the crisis and solution of the 1890's was followed by half a century of prosperous fraternity growth.

But today we are living in the midst of a second "Big Change" in the college world. It reminds one of the '90's decade in many ways—the unprecedented surge of college students, totalling a four-fold increase in only 15 years. Such vast numbers have led to a revival of old charges like snobbishness, now on the grounds not so much of numerical as of racial exclusiveness. But most striking of all is the unparalleled attack upon fraternities for harming scholarship. If a fraternity chapter falls below the All Men's Average on its campus, it is subjected to immense pressure from both its national office and the university to recover its position or face eventual expulsion. Why should this be?

The answer to this question lies in the second part of our modern crisis in higher education; in addition to the problem of numbers, university leaders know that there must be a drastic improvement in the quality of instruction and student achievement. The national security of the United States demands it of all patriotic citizens—which certainly includes fra-

ternity men. Let us spell it out.

The United States is now suffering from an acute shortage of engineers and scientists capable of carrying on top-level pure research, as government officials from President Eisenhower on down are fully aware. Just a year ago, Senator Wiley of Wisconsin warned Americans in a speech, "Danger! We are falling behind in the race for engineering manpower." Nor is this entirely a matter of quantity. The chief fear is that our school system will not develop the exceptionally brilliant scientists who are our only safe reliance for the new discoveries essential to economic and military security.

What makes the need so urgent is something quite unparalleled in our history, Russian competition in higher education. It is hard to realize the unpleasant fact that Russia, once the land of illiteracy and ignorance, now turns out almost twice as many engineers and scientists from its universities and technikums as do we. Editor John Kennedy of the Sioux Falls *Argus-Leader* returned from a trip to the USSR less than a year ago and wrote, "Russia today has the most dangerous weapon in the entire world—the atheistic, scientific, trained mind—and she has it in plentiful supply."

There are plenty of the nation's greatest names to back up this assertion. Last year Admiral Strauss of the Atomic Energy Commission said: "In five years our country's lead in the training of scientists and engineers may be wiped out. In ten years it could be hopelessly outstripped. Unless immediate steps are taken to correct it, a situation, already dangerous, within less than a decade could become disastrous." Since then the famous atomic scientist, Dr. Edward Teller, has gone much farther. In an address before the Air Force Association Jet Age Conference in February, he said, "Ten years from now the best scientists in the world will be found in Russia." He went on to add: "I am not saying this will happen unless we do this or that. I am simply saying that it is going to happen." In other words, the United States had the best scientists in the world ten years ago. Now the Russians have pulled up even with us, and their momentum assures their superiority for many years unless we do something about it. Have we been

Tennessee Chapter's new study room.

caught unprepared? Our chief atomic scientists and government officials seem to think so.

The nature of the Russian threat today must be clearly understood by all students and faculty alike. The quality of Soviet university education is quite high; there seems to be general agreement on this point. As Editor Kennedy put it before a House Committee: "Schools and colleges—not jet planes nor H-bombs—are the greatest Russian latent threat to America and the West." True preparedness should be for the new crises, not for the old ones; neither Pearl Harbor nor Fort Sumter is likely to be attacked again. Today we are militarily alert but largely unprepared for any other kind of competitive threat. Said the editor of the *Manchester Guardian*: "It would be one of the ironies of history if the Russians were able to defeat us by educating their young people better than we can."

This educational competition is the first our nation has ever had to face. Competition in trade or industry or war we know well, but in education it seems strange. We have all had a good time in college, so much so that our studies sometimes seemed to interfere with it. Meanwhile our brain power has been limping along at 50 per cent capacity for decades. It can do so no longer. Outside competition has brought strong pressure for a truly efficient training of our intelligence potential. We cannot risk mental unpreparedness.

What can a fraternity do about it? Quite a lot, I believe. First, it can make its members aware of this problem which is so important for the present student generation—and take a long step toward mental preparedness. Second, it can put greater emphasis upon the selection of high-

potential scholarship men in rush. Third, it can encourage every member to work at something approaching his real brain power capacity. Dr. Teller says that his 14-year-old son "hides his interest in science from his schoolmates. Otherwise, they would think him a 'square.'" Such a juvenile attitude should never prevail inside a college fraternity. Fourth, it can make scholarship a major goal of fraternity effort, stressed in meetings, committee work, annual planning, and campus activities to the same degree that social, political, and athletic programs already are.

We fraternity men say that we are campus leaders. Let's prove it. As Americans we have always been accustomed to initiative and decision-making in time of emergency and change. An 1890 fraternity system has no more value or enduring appeal to its initiates today than would an 1890 horse-drawn streetcar. By facing the challenge of 1957 successfully, the challenge to our brain power and scholarship, we will gain renewed pride in the fraternity system which will remain with us for the rest of our lives.

### Big Ten of Scholarship for 1955-1956

Set forth below are the ten undergraduate chapters of Delta Tau Delta which ranked highest in scholastic standing among all of the undergraduate chapters of the Fraternity for the academic year 1955-1956. Each year the Big Ten and the Little Ten of undergraduate chapter scholarship for the preceding school year is presented in the March issue of THE RAINBOW.

# Delt Llewellyn E. Thompson Named Ambassador —Leaves Austria for Russian Appointment

By ARCH K. JEAN, Chief, Employment Division

United States Department of State

ON THE THIRD of June, the United States Senate confirmed the nomination by President Eisenhower of the Honorable LLEWELLYN E. THOMPSON, Colorado, '26, to be United States Ambassador to the Union of Soviet Socialist Republics. Mr. Thompson will replace the Honorable Charles E. Bohlen, who has been named Ambassador to the Philippines.

Mr. Thompson was born in Las Animas, Colorado, on August 24, 1904. He attended the University of Colorado, being graduated in 1928 with a Bachelor of Arts degree. After working for a year as an accountant, he was appointed a vice-consul of career in the United States Foreign Service by President Herbert Hoover in 1929. Following several months' training at the Foreign Service School, he was stationed in Colombo, Ceylon, where he remained until 1933. In 1933 Mr. Thompson was transferred to Geneva, Switzerland, where he specialized in international labor affairs for the next six years prior to returning to Washington for assignment to the Army War College.

In September of 1940 Mr. Thompson was named Consul and Second Secretary of the United States Embassy in Moscow, where he served during most of World War II and where he had the opportunity to learn the Russian language. In late 1944 he was transferred to London as Second Secretary; in July of 1945 he became First Secretary at the London Embassy. While in London, Mr. Thompson was selected to serve as political and liaison officer with the United States delegation at the San Francisco United Nations Conference, held in 1945. In 1946 he served as advisor to the United States delegation at the First General Assembly of the United Nations held that year in London.

In June, 1946, Mr. Thompson returned to the Department of State in

LLEWELLYN E. THOMPSON

Washington to become Chief of the Division of Eastern European Affairs. In 1947 he was named Deputy Director of the Office of European Affairs, and, in 1949, was named Deputy Assistant Secretary of State for European Affairs. He remained in Washington until June, 1950, when he was posted to Rome, Italy, as Counselor of Embassy, with the personal rank of minister.

In 1952, Mr. Thompson was appointed Ambassador and United States High Commissioner to Austria. In such position he played a leading role in the final negotiations with his British, French, and Soviet counterparts, and representatives of the Austrian government, leading to the conclusion, in 1955, of the Austrian State Treaty, which ended the long post-war occupation of that country. Thereafter, he continued to serve with distinction as Ambassador during Austria's first years of independence since its annexation by Germany in 1938. At the time of the

Hungarian revolt in 1956, he was instrumental in coordinating and directing United States efforts to assist the massive flow of Hungarian refugees that streamed across the border into Austria.

Ambassador Thompson is noted among his colleagues, both United States and foreign, as a master of the art of diplomatic negotiations which are most often characterized by self-effacing quiet work behind the scenes. His appointment is part of an over-all plan to fill key American diplomatic posts in the Far East, Near East, and Africa, areas apparently the current chief targets for Communist expansion, with experienced career men.

In recognition of his success in diplomatic negotiations, Vice-President Richard Nixon, on April 26, 1956, presented Ambassador Thompson with the Award for Distinguished Service "—for distinguished service in the conduct of the foreign relations of the United States. As United States High Commissioner and Ambassador to Austria, his firmness, patience, negotiating skill, and good judgment were in large part responsible for the successful conclusion of the Trieste Agreement and the Austrian State Treaty."

Ambassador Thompson is married and the father of two daughters. For his past accomplishments Delta Tau Delta may justifiably be proud of Llewellyn Thompson. He is a great American who has contributed much to his country and to his fellow men in the very finest and deepest Delta Tau Delta traditions and ideals. His present post in Moscow will be but another landmark in a most distinguished career.

THE RAINBOW is deeply indebted to Arch K. Jean for the foregoing article on AMBASSADOR THOMPSON, as well as the article appearing in the June, 1957 issue on AMBASSADOR LOY W. HENDERSON, *Northwestern*, '15.

# Hillsdale Celebrates 90th Anniversary

*Kappa Chapter Founded in 1867*

*Pictured at 90th anniversary banquet.*

ON THE WEEK END of May 3, 4, and 5, undergraduate and alumni members of Kappa Chapter at Hillsdale College gathered together in Hillsdale, Michigan, to honor the founders of the chapter and celebrate the anniversary of the chapter's birth as a member of Delta Tau Delta Fraternity.

Kappa Chapter was founded on October 19, 1867, by WASHINGTON GARDNER, NATHAN HARWOOD, SAMUEL KENNEDY, IRWIN SMITH, ALBERT COOPER, JOHN WARD, JOHN COPP, and EDWARD CURTIS. The chapter has continuously existed on the Hillsdale campus since that date. Mr. Curtis, who was also a member of Mu Chapter, Ohio Wesleyan University, was one of the primary authors of the *Ritual*.

The program for the week end festivities included a smoker on Friday, May 3, at the Hillsdale Country Club. The feature event of the smoker was the presentation to EDGAR B. LINCOLN, *Kappa*, '21, of an award from Kappa alumni in recognition of his outstanding service to Delta Tau Delta. Saturday noon a buffet luncheon was served at the Shelter, followed by a golf tournament between alumni and undergraduate members of the chapter.

On Saturday evening the anniversary

banquet was held at the Shelter. The toastmaster for the occasion was ROBERT E. BECKWITH, *Kappa*, '34. A welcome from the undergraduates was given by EARL R. LAING, *Kappa*, '58, the president of Kappa Chapter. Awards were presented by AL DIMMERS, *Kappa*, '27, chapter adviser and 90th Anniversary Chairman. Dr. J. Donald Phillips, President of Hillsdale College, presented a welcome on behalf of the College, and J. ADDINGTON WAGNER, *Kappa*, '37, spoke on behalf of Kappa alumni. The main address was given by President FRANCIS M. HUGHES, *Mu*, '34. Also in attendance was WILFRED O. MAUCK, *Kappa*, '21, a former President of Hillsdale College.

The anniversary celebration was concluded on Sunday morning by the model initiation of Kappa Pledge RAY GOODMAN.

The undergraduate chapter, with W. WILEY SWORD, *Kappa*, '59, as editor-in-chief, published a newspaper, *Kappa Klippings*, in connection with the anniversary celebration. The paper included an article by Editor Sword which merits reproduction in full for all members of the Fraternity to have the opportunity to read.

"Four score and ten years ago our

founders brought forth upon this campus a new organization conceived in fellowship and dedicated to the proposition that brotherhood is sacred among men.

"Delta Tau Delta was established 90 years ago on Hillsdale's campus by men who felt a need to enrich college life by the companionship of congenial friends.

"Delta Tau Delta was the pioneering fraternity on campus, braving a hostile attitude on the part of the faculty in order to champion fellowship.

"Every one of the charter members of Kappa Chapter accepted initiation as a potential cause for elimination from school. However, these founders believed in the cause of the Fraternity and strove to acquire faculty recognition.

"Operating sub-rosa by holding meetings in a pine grove on north campus, these men risked much to establish an organization that provides guidance in everyday living to hundreds of men.

"One fateful day in 1882 members of Kappa Chapter put on their badges and wore them openly for the first time, effectively procuring recognition for Delta Tau Delta at Hillsdale College.

"The passing of time slowly brought

a change of attitude toward the fraternity system. The merit of moral, spiritual, and social development as provided by the Fraternity caused a transformation of the general attitude regarding such secret societies.

"A state of toleration by faculty officials quickly changed to that of co-operation, until today, many school officials openly advocate the fraternity system.

"Today Delta Tau Delta has grown at Hillsdale into a large organization of select men practicing brotherhood in everyday living.

"The men of the Shelter believe in unity of spirit and compatibility of fellow man.

"Diversification of interests are fused into all around leadership in the Delt House; a practical function that stimulates cooperation among a body of men.

"It is the Delt tradition to provide the maximum in opportunity in order to develop the individual. Many civic and political leaders are products of Kappa Chapter.

"Yesterday and today are history, they cannot be changed, but what of the future? Will the next 90 years of Kappa Chapter bear as much fruit as the past 90?

"It is towards this future that our attention should be centered. The present activities of Delta Tau Delta hope to leave a continuing heritage of high prestige for succeeding generations of members. We hope to succeed in our endeavors largely through the process of fellowship and brotherhood of man.

"We aspire to maintain the significance of our standards of purple, gold, and white, and climb to even greater heights in promoting the leadership of tomorrow."

Congratulations, Kappa Chapter, for your accomplishments and for your many contributions, tangible and intangible, of the past 90 years. You embark on the next 90 years with the heartfelt best wishes of 85 other chapters of Delta Tau Delta Fraternity to accompany you on the journey.

## Lehigh University Honors Delt Faculty Member

A UNIVERSITY development officer for the first time won the annual faculty award at Lehigh University.

PAUL J. FRANZ, JR., *Lehigh*, '45, assistant to the president, was named co-winner of the Alfred Noble Robinson Award at Lehigh's tenth annual Faculty Dinner held in May honoring staff members who were to retire and those who were completing 25 years of service. He shared the award with Dr. James A. McLennan, Jr., assistant professor of physics.

The \$1,000 award is given each year to a member or members of the

of faculty members who receive nominations from all department heads of the University.

Mr. Franz was graduated from Lehigh with a bachelor of science degree in business administration. In 1955 he received his master's degree from Lehigh. He is currently serving as an Eastern Division vice-president. In his present position as assistant to the president, he devotes full time to problems associated with fund-raising and a long range endowment promotion authorized by the Lehigh University Board of Trustees. He formerly

PAUL J. FRANZ, JR. (left), shown receiving congratulations from EDWARD A. CURTIS (center), corporate trustee of Lehigh University, and AUSTIN V. MCCLAIN, vice-president of Marts & Lundy, following Lehigh's Tenth Annual Faculty Dinner.

Lehigh staff "not over 35 years of age and below the rank of associate professor who have been voted as giving outstanding performance in the service of the University." The award was established in 1949 by Brig. General Alfred R. Glancy in memory of his grandfather, Alfred Noble Robinson. Recipients are chosen by a committee

held positions as assistant of admissions and assistant to the treasurer at Lehigh.

Mr. Franz is a native of Philadelphia, Middle Atlantic states director of the American Alumni Council, and a member of the national board of directors of that organization, including its fund-raising committee.

### STRAIGHT "A" INITIATES

JOHN WILLIAM KOCH, *Delta Upsilon*, '59, was initiated by the Delaware Chapter on May 8 on the basis of 15 hours of "A." FRANK CARROLL TRAWEEK, *Epsilon Beta*, '60, was initiated at Texas Christian on May 19 with 14 hours of straight "A."

# From the Editors Mailbag

W. EDGAR WEST, *Ohio Wesleyan*, '23, Secretary of Delta Tau Delta, and vice-president of Nationwide Insurance Co., was recently elected to a five-year term to the board of trustees of Ohio Wesleyan University. Mr. West has previously given ten years of service to Ohio Wesleyan as a member of the board of alumni directors.

★

At the state convention of the Pennsylvania Junior Chamber of Commerce held in Scranton, Pennsylvania, last spring, it was announced that JAMES B. LUDWIG, *Pittsburgh*, '47, president of the Pittsburgh Jaycees, was this year's winner of the Eyerman Trophy, awarded to the outstanding Pennsylvania Jaycee president each year. ROBERT A. EYERMAN, *Cornell*, '33, for whom the award was named, was the first president of the Pennsylvania State Jaycees. In addition to the individual trophy awarded to Jim, the Pittsburgh chapter, under his leadership, was recognized as the best among those in larger cities and for such distinction was given the Geisenbeir award. Projects carried out by the Pittsburgh Jaycees in 1956 won 12 first-place and five second-place awards.

★

HERMAN F. REINHARDT, *Brown*, '13, was recently elected president of the American Association of Fund Raising Counsel for the year beginning July 1, 1957. This group is an association of 22 top fund-raising firms and counsellors in the United States and Canada with staffs of over 600. These firms are engaged in directing and organizing campaigns for philanthropic, educational, religious, social service, youth, hospitals, and other not-for-profit agencies. The total sums raised by these groups in 1956 exceeded \$750,000,000. Mr. Reinhardt is president of Ward, Dreshman & Reinhardt, New York City.

*Three Delts and a Cake—Recently the 32,000th landing made on the USS Wasp provided the opportunity for Delts JOE YZURDIAGA, UCLA, '54, left, DOUGLAS BARLING, Kansas, '55, center, and BOB SOPER, DePauw, '55, to have a visit. Lt. Barling is the pilot who made the landing. Lt. Yzurdiaga and Seaman Soper are members of ship's company aboard the Wasp. Seaman Soper is attached to the Public Information Office and was able to arrange this picture.*

The Commercial Chemical Development Association has presented its annual award to ANDREW E. BUCHANAN, JR., *Lehigh*, '18. The award was presented by CCDA in recognition of the successful marketing of Dacron polyester fiber. Mr. Buchanan, President of the Eastern Division, 1925-28, Secretary of Alumni, 1928-31, and a member of the Distinguished Service Chapter, is general manager of Du Pont's textile fibers department. Although he will not take credit personally for what he calls a team effort, he recognized the commercial potential of the fiber as far back as 1944 when Du Pont researchers, having successfully launched nylon, turned back to high polymer work which included polyesters. He directed development through research, construction of pilot facilities, and the

reorganization of sales and merchandising activities.

★

The chairman of the nominating committee of the board of governors of the Midwest Stock Exchange announced the nomination of ARTHUR C. ALLYN, *Chicago*, '08, as candidate for chairman of the board of governors. Mr. Allyn is chairman of the nationwide investment banking firm of A. C. Allyn & Co., Chicago, a member of the exchange since 1948. He has been active in the securities business for nearly half a century.

★

Recently elected president of the Commonwealth Real Estate Company, Pittsburgh, Pennsylvania, is C. R. WILSON, *Pittsburgh*, '26. Mr. Wilson is also vice-president of the

ARTHUR C. ALLYN

Commonwealth Trust Company, and prior to entering the banking business was a prominent hotel man in Pittsburgh.

★

Headlines in the Washington, D. C., newspapers of May 10 and May 11 recited news of a murder plot against **RAYMOND R. DICKEY**, *George Washington*, '38, prominent Washington attorney. The plot apparently was the result of a "grudge" by a Miami Beach, Florida, contractor displaced as the contractor of a huge race track in San Juan, Puerto Rico. Mr. Dickey is treasurer and a member of the board of directors of the track owners. He is a former chief counsel for the Senate Small Business Committee and was once general counsel for the United States Information Agency. This spring Mr. Dickey served as toastmaster at the National Capital Alumni Association's Founders Day banquet. The plot backfired when the "hired assassin" tipped off police and aided in the arrest of the two men behind the plot. This story recalls the occasion in the late 1920's when **BRUCE BIELASKI**, *George Washington*, '04, former President of Delta Tau Delta, was kidnapped by Mexican bandits.

★

**DR. N. WARNER VANLNGEN**, *Syracuse*, '09, was lost in dense for-

ests north of Osceola, New York, for three days last May. The 71-year-old Syracuse surgeon was on a fishing trip. In spite of his harrowing experience, Dr. VanLengen stated that he would plan to return to the area for more fishing in the future, but was assured by friends that he would not go into the woods alone and that they would see to it that he carry a compass and learn how to use it.

★

Word has been received that **PAUL A. METZ, JR.**, *Penn State*, '44, has been appointed assistant technical director of the Goodall Rubber Company of Trenton, New Jersey. Mr. Metz is now residing in Levittown, Pennsylvania.

★

The Ford Foundation has granted a Foreign Area Training Fellowship to **RICHARD REINHARDT**, *Stanford*, '48. Mr. Reinhardt has been City Hall reporter for the *San Francisco Chronicle*. He will go to Princeton University this fall for a year of Middle Eastern studies.

★

Tau Beta Pi, engineering honor society, has awarded a \$1,500 graduate engineering fellowship to **PETER W. LIKINS**, *Stanford*, '57. Mr. Likins was graduated from Stanford in June, 1957. He was captain of Stanford's wrestling team and was elected to Phi Beta Kappa. He will take advanced work in the field of structures at Massachusetts Institute of Technology. MIT has granted him an \$1,100 tuition fellowship.

★

**WILLIAM E. GREENIP**, *Lafayette*, '44, former admissions director at Lafayette College, has been appointed head of the Iraqi branch of the American Friends of the Middle East. Mr. Greenip will be in charge of the organization's services, including the Student Orientation and Counselling service in Baghdad, which interviews and assists Iraqi students seeking information, admission, and financial aid at American colleges and universities. He will also direct a program of orientation in ways to increase understanding and friendship between Iraq and America.

**Lt. Col. WILLIAM C. GEE**, *Mississippi*, '35, was graduated June 20 from the Army War College at Carlisle Barracks, Penn. Col. Gee, who has been in the Army since 1942, was one of 200 senior officers completing a ten-month course at the Army's highest educational institution.

**LARRY GORDON**, *Iowa*, '41, has purchased Radio Station KWIL, Albany, Oregon, subject to approval of the Federal Communications Commission. Both Mr. Gordon and his wife, Linda, who joins with him in the purchase, are experienced in the radio field. The Gordons are both natives of Indianapolis, Indiana, and he was formerly on the staff of Radio Station WISH in Indianapolis. His experience also includes service with stations in Steubenville, Ohio, New York City, Montana, Colorado, New Mexico, and Oregon.

★

Readers of *Business Week* might have noticed a familiar face on page 15 of the May 25 issue. **WILLIAM H. MARTINDILL**, *Ohio*, '32, president of South Bend Tackle Co., Inc., was pictured in an ad for Automatic Sprinkler Corporation of America. Mr. Martindill is a former member of the Arch Chapter.

★

**COLONEL ALVIN C. WELLING**, *Kentucky*, '32, has been named by President Eisenhower as the District of

St. Louis Alumni Chapter presents Quad-State Scholarship Trophy. ROBERT KROENING (right) past president of the St. Louis Alumni Chapter is shown presenting the trophy to PAT LOYD, president of Gamma Chi Chapter at Kansas State.

Mother's Day at Gamma Chi was the occasion for the presentation to this chapter of the Quad-State Scholarship Trophy by representatives of the St. Louis Alumni Chapter. The trophy, which is given each year to the chapter in Missouri, Iowa, Illinois, or Kansas with the most outstanding scholastic achievement, was presented this year by Robert Kroening and Arthur Kirkpatrick, both past presidents of the St. Louis Alumni Chapter.

The members of the St. Louis Alumni Chapter feel that their responsibility to the undergraduate chapters does not end even though they are living in an area which has no local undergraduate chapter and they have thus adopted this method of encouraging interest among the chapters in surrounding states in a part of Fraternity development which is all too often slighted. Based on experience over the five-year period during which this trophy has been presented, it is felt that this program has contributed to the development of advances of scholarship among the chapters in the four-state area.

Among the 400 Delts attending the Los Angeles Founders Day Banquet last March were the above Beta Kappa Alumni, left to right: WALTER SPICER, GENE ERIES-HABER, THOMAS TURNER, FRANK RETHLEFSEN, TOBY TYLER, EARL REARDON, DR. HENRY BONESTEEL, MUK McALLUM, NAT FITTS, CHUCK WARDMAN, and WARREN STURTEVANT.

Columbia's Engineer Commissioner. Colonel Welling is a graduate of West Point, and is a former executive officer for the Army Chief of Engineers in Washington. The Wellings will reside in Arlington, Virginia.

★

ROBERT LANE UPSON, Santa Barbara, '51, NICHOLAS JAMES BLESER, Iowa State, '53, and JOSEPH CULVER, Kansas, '54, have been graduated from The American Institute for Foreign Trade, Phoenix, Arizona. The school's course is in preparation for careers in American business abroad, concentrating on techniques of foreign trade, foreign languages, and characteristics of foreign countries. Mr. Culver is working with Monsanto Chemical Company, training for a position in the company's overseas operations.

# THE DELT CHAPTERS

## Alabama—Delta Eta

Delta Eta will start off 1957-1958 in good shape politically with Brothers Max Pope and Tennent Lee having just completed their summer's publication work on the newspaper and *A Book* respectively. Brother Pope will then move from summer business manager to his position as advertising manager for the coming year. Another Delt will start as assistant editor of the humor magazine.

The end of the last school year found Delts being tapped for the various honor societies. The senior men's honorary, Omicron Delta Kappa, saw fit to initiate Delts Forest Wilson and Joe Cocke. The junior honorary, Quadrangle, has three Delts on its new roll. Brothers David Jackson, Tennent Lee, and Gerry Waddell were chosen for this society. Retiring Quadrangle president, Joe Cocke, was pleased to see David Jackson elected as one of the incoming officers. In the sophomore honorary Delta Eta has the maximum of three men. Those who attained that honor are Max Pope, Rush Smith, and Ferrell Maughn.

Alabama Delts preparing for Bowery Ball.

The past summer has seen very successful rush parties in many Alabama cities. These parties, and the rush week, have been arranged by Rush Chairmen Bob Shearer and Max Pope, with the assistance of Social Chairman Eddie Kelly.

The Delt Saints, our house combo,

became quite popular last year and the boys are looking for bigger things in 1957-1958. They have played for pep rallies, political parades, pledge swaps, and coffee hours. Brother Charles Hulgán, clarinet, is leader of the combo. Dea Thomas, Tennent Lee, Happy Scott, "DD" Black, Bill Owsley, and Jake Mentz are the other musicians.

The Interfraternity Council, composed of the 26 fraternities on the Alabama campus, has chosen a Delt, Gerry Waddell, as its president.

Alabama's SEC runner-up baseball squad took Brothers Tank Freeman, Duck Adams, and Bill Walker on a tour of the Far East. The Tide played several games in Japan.

The following "pats on the back" go to Delts who gave outstanding service last year. Congratulations and thanks go to: Bob Shearer, for his work on rush; Charles Hulgán, who has proved the most competent house manager ever; Wallace Blanton, for his carpentry and love for his Fraternity; John Wagnon, for his many services; Jim Buckler, for his work in carrying out the Delt Development Program; and, Mrs. Leslie, our housemother, for many wonderful years.

GERRY WADDELL

## Albion—Epsilon

As the books were closed, finals were completed and the Shelter closed for the summer, a very successful year at Epsilon was brought to a close. But all the members are already looking forward to a more successful year to come in the 1957-1958 school year.

Several members of Epsilon Chapter were honored at the Seventh Annual Honors Convocation held in May at Albion. Samuel Butcher was awarded the D. L. Randall Award in chemistry for his work of the past year. The Walter A. Terpenning Cup in economics went to Dennis Doolen, an Epsilon senior, and the Wall Street Journal Award to Edmund Jenkins, also a senior. Another Epsilon senior, Richard Osgood, was awarded the Jacob DeNooyer Prize in physics.

Seniors who have completed work on their honors courses this year are Dennis Doolen, economics; Edmund Jenkins, economics; Richard Osgood, physics; and Jerome Timmons, chemistry. Jenkins also received a scholarship to the University of Michigan School of Business Administration. Osgood won

the Sloan Scholarship in physics or engineering at Stanford University. An assistantship in chemistry at the University of Wisconsin was received by Timmons.

Epsilon had four new members elected to Beta Beta Beta Fraternity, a biology honorary. They were Dan Chapman, Larry Manning, Larry Stone, and Joe Taylor.

Last month there was a discussion on "The Press as a Social Instrument" which featured four of the best known newspapermen in the Midwest. Kenneth Borland of Epsilon was chairman. The discussion proved to be very successful. Borland was also recently elected to Albion's publications council.

Albion's track team won its fourth straight crown this year. Jim Taup won the two mile run and Dick Cooley won the mile run. Jerry Timmons and Joe Taylor also won medals as members of one of Albion's relay teams. George Vivlamore, cocaptain of the Albion College basketball team and Delt senior, has been named the most valuable basketball player in the MIAA. Vivlamore re-

President DAN CHAPMAN (right) receives congratulations from WILLIAM T. RAFAEL for Albion Chapter's 100 per cent contribution to the Crusade for Freedom.

ceived a gold lapel pin in recognition of the honor. He was also named to the all-MIAA first team. Delts winning letters in baseball this year were Joe Radzik, Larry Stone, Tom Stinson, James Flack, and Bill Deer. John Kraff, Delt pledge, went through the entire MIAA tennis season undefeated.

Epsilon placed second in the Interfraternity Song Fest this year, singing

two stanzas from *Gitanjali*. The group was led by Kip Petherick. The Deltas, in the last five years, have won first place three times, and second twice.

Plans for an even more successful next year are now underway. Helping with these plans are the two newly elected officers: Kip Petherick, vice-president, and Louis Meeks, recording secretary. Sam Butcher, head of help week committee, with other members of the committee, is making plans for help week which is to start sometime in September.

Larry Manning, alumni relations chairman, worked all spring with his committee making plans for a "kickoff" on a fund raising campaign for a new Shelter. The "kickoff" is to be in October at homecoming. All members will contact alumni in their regions during the summer.

With these new plans underway the Deltas of Epsilon can look forward to a successful 1957-1958 school year.

DONALD CRANDALL

### *Allegheny—Alpha*

Alpha continued to remain socially and academically active as the end of the college year approached.

In campus elections, Pete Peterson, vice-president of his class during his freshman and sophomore years, was elected president of the Junior Class. The Deltas also got appointments on almost every committee in the student government. These committees coordinate the student government with the faculty and student body.

Brothers Bell, Peterson, and Smith were chosen to be student counselors for the incoming freshmen men. The counselors live in the freshman dormitory and help the freshmen adjust to college life.

The end of the year brought three big week ends for the Deltas of Alpha. First was parent's week end. George Sceiford and Dick Smith were in charge of it and did an excellent job. It consisted of dinner, viewing the college production of *Iolanthe* with Brother Harrison playing the lead, home entertainment, and breakfast and church the next morning. The parents as well as the actives were delighted with the week end. The next week end a Hawaiian party was held at a nearby lake. The social committee made it authentic by supplying grass skirts, ukes, and coconuts. The last social affair before finals was our annual Spring Formal. It was held at Wenango Country Club with music provided by the Lamoureux Orchestra.

The Deltas also received their share of academic honors at the close of the year. Brothers Baylor, Kennedy, and King received the senior economics award, junior psychology award, and

sophomore ROTC award, respectively. Brother Leech received the Methodist scholarship to Allegheny. There are also four seniors who are going on to graduate school. Tom Butz has a full tuition and fees scholarship to Rutgers Law School. Stan Harrison was awarded a half tuition scholarship to Yale School of Dramatic Arts. Bill Jack obtained a graduate assistantship to William and Mary. Dick Irwin procured a full tuition scholarship to the Wharton School of City Government.

The year was completed with most members of the chapter remaining at Allegheny for the alumni banquet the week end after finals. A building fund drive for a new Shelter was launched at this banquet. We are happy to report that there are many alumni who are greatly interested and are supporting the building fund drive.

BRUCE BELL

### *Baker—Gamma Theta*

Gamma Theta won an unprecedented fifth straight intramural sweepstakes championship last year. Delt teams finished first in softball, won divisions in volleyball, basketball, swimming, track, baseball, and ping-pong. Nearly all of the men who composed these championship units are still in school which makes the "Men of the Purple" the team to beat.

Brother Mel Hawk has been selected as coeditor of the *Baker Orange*, the campus weekly. He is also president of the Young Republican chapter at Baker. Brother Mike O'Byrne is vice-president of the Student Commission. Brother Jarrett Clinton was one of the few students in school to make all "A's" last semester. He is a chemistry major and was selected "pledge-of-the-year." Another Delt prominent in campus activities is Chuck Brown. He is president of Young Democrats and Business Roundtable. He is also an all-conference football player. Ralph Polson is heading the alumni financial committee for the new house. A committee has also been named to select a site for the new Shelter. Gamma Theta's 67th annual chicken fry was May 18. "Chicken Fry" is normally observed in the fall but had to be postponed until spring because of an extremely dry fall.

MEL HAWK

### *Brown—Beta Chi*

This past year many brothers had a great urge to live in private apartments off-campus. In the past we have had brothers living outside of the house for financial reasons and because of overcrowded conditions in the house, but this past semester has shown us that this policy can become detrimental to

proper house functioning; therefore, with the advent of the scholastic year 1957, all Deltas, with the exception of a few dormitory proctors, will be back under the Delt Shelter.

The Brown University baseball team was much improved over last spring with three Deltas adding a great deal to this successful season. George Gorgodian, a sophomore who gave much spark and color to the football team, showed baseball fans that he runs the bases as well as the gridiron. George covers the center field position with great speed and a fine fielding eye. Incidentally, he hit the first home run of the season. John Keith and Walter Farrell are two retiring seniors whose loss will be greatly felt in the Brown infield. Keith, while maintaining an excellent batting average, was playing top-rate defensive ball at second base.

JAMES HACKETT

### *California—Beta Omega*

The Beta Omega Deltas recently elected their officers for the coming school year. Our gavel is to be in the hands of Dave Ohlson, agriculture economics major, who will be assisted by Tony Torrance, a business administration major from the Southland. In addition, the quill pen is to be guided by Dick Thinger, recording secretary. Job of corresponding secretary went to Reed Hertford.

On May 10 our chapter issued 17 neophytes into its ranks. This year's pledge class was the largest that Beta Omega has seen for some time, and certainly did not pass without special note in such men as Dave Grether, who was awarded the scholarship plaque for his "highest grade point average," and Reed Hertford, who was awarded the trophy given semiannually to the outstanding pledge in the chapter.

On campus the Cal Deltas have of late been making some important contributions, especially in the field of student government. Tom Ready, a sophomore at the University, came through with a vote for representative-at-large, a position greatly contested in the recent ASUC election. Tony Torrance, our newly elected veep, now finds himself likewise vice-president of the interfraternity council. Beta Omega looks to these two boys with confidence that these important positions, now to be filled by "fraternity men," will clean a path toward higher goals on the Cal campus which previously has been studded with more than its share of apathy.

During the past semester an "overnite" was held near Mt. Olympus in the Santa Cruz Mountains, ten miles east of Soquel. The function was well attended by the members and dates, all

of whom definitely agreed upon its great success. The function began early in the afternoon with swimming, followed by dinner and all night dancing to the music of a band imported for the occasion.

Richard Dumke, one of the chapter's more versatile athletes, has of late been making his appearance on the football field under the guidance of Cal's Coach Elliot, and was said to be "showing exceptional promise" by one of the local papers.

Dick Simpson has been elected to the position of coxswain on the frosh crew. John Tegtmeir, himself one of the stroke-ers, has been flourishing under "Simp's" direction.

Mention should be made of Blais Carr who swung into the position of "most collegiate collegian," a status annually conferred upon a Cal student by one of the local men's department stores.

It goes without saying that all will be looking forward to the coming fall semester and our return after three months' lapse from the usual academic grind. Anticipation also runs high that upon our return we may experience a most successful fall rush under the directorship of John Wilson.

REED HERTFORD

### *Cincinnati—Gamma Xi*

Gamma Xi's Spring Week End was a splash in more ways than one. After weeks of great expectation, our dates were slightly dampened as rain forced postponement of our hayride Friday night. Spirits were not dampened, however, as the party moved to Bern's Grove. It seemed to put emphasis on the formal the following evening. A progressive dinner preceded the formal Saturday evening, the dance probably being the finest Delt dance in many a moon, as Gamma Xi Deltas and dates danced to the fine music of the Sensations. Later in the evening, Tom Bratten was awarded the "Mr. Delt Award" for as said on the plaque, "Outstanding service to Gamma Xi." Afterwards, Donald Plane received the scholarship award; Dick Foley, the "Outstanding Pledge" Award; Norm Hirsch and Bob Foley, the Intramural Award. The picnic and horseback riding on Sunday were a fitting end to our Spring Week End.

Deltas are again represented in spring sports as Lee Wray holds down the hot corner on the baseball team. Ken Lehr is winning more honors by virtue of his number two spot on the strong University of Cincinnati golf team. Bob Schwab is a strong threat on the track team in the 440.

Another successful rush season is looked forward to as Gamma Xi climbs higher and higher on campus. Plans for

future additions to the Shelter are now being discussed and the brothers hope for expansion this fall.

KENNETH R. LEHR

### *DePauw—Beta Beta*

With the beginning of a new fall season, Beta Beta's Deltas can look back and use last spring's accomplishments as a basis for another fine season. To start us off on the right foot 11 outstanding spring pledges have already been accounted for, replacing the 11 seniors who were graduated after contributing heavily to our past success. These seniors were Dave Carl, Murray DeArmond, Fred Hawk, Roger Findley, Bud Johnson, Phil Kendall, Larry Lemser, Frank Nusbaum, Dave Stone, Dwight Walton, and Rich Weise.

In summing up Beta Beta's spring activities we find the Deltas represented in fine fashion. President Pat Ewing was elected president of Gold Key, a local fraternity of the national Blue Key which honors students excelling in scholastic and campus achievements. Pat was also elected treasurer of the student senate and secretary-treasurer of the D-Men's Association. Don Parker was elected to the psychology honorary society and was voted president of the Psychology Club. He is also DePauw's Orientation Training Chairman. Our exchange student, Peter Stenson from England, was granted honorary membership into DePauw's honorary dramatic society and into the Shakespeare Club. Dave Eberle was elected to be this fall's campus carnival chairman, while John Slater was voted treasurer of the sophomore pep club. Dick Locke was given the vice-presidency of the pre-medical honorary society plus the chairmanship of this fall's alumni day. In DePauw's Air Force ROTC Brother Walton received the Distinguished Air Force ROTC Award, while Jerry Morgan was voted membership into the basic ROTC cadet honorary society, and Joe Noel into the sophomore ROTC honorary society.

Junior Keith Schroeder led the Deltas on the athletic fields by being voted unanimous all-conference third baseman with Roger Martens and Pete Kreis gaining freshman numerals. Sophomore Distancer Ron Young paced DePauw's track team by breaking a few records. Tim Ubben proved to be a valuable man on the golf links.

The Deltas finished fifth in the year's intramurals by placing third in softball. Brother Morgan again had a fine season after leading the league his freshman year. Ted Driscoll completed the softball year by two-hitting the undefeated league leaders, 5 to 1. Ron Turner captured the singles crown in horseshoes to complete the fine year that included the

swimming and free-throw crowns, a second in tennis, third in speedball and volleyball, and fifth in basketball and track.

With the opening of this fall's football and cross-country seasons, the Deltas are again splendidly represented. Brothers Ewing and Turner will pace DePauw's veteran football line. Ewing returns as an honorable mention Little All-American, while Turner is returning as DePauw's most valuable lineman the last two years. Also returning is Junior End Jim Braden, Junior Guard Dave Krause, and Sophomore Halfbacks Keith Evans and Ross Roberts. Brother Young will lead DePauw's cross-country squad after a year of inactivity.

The kitchen has been remodeled during the summer and the house is being cleaned for rush, and, as plans are already well under way for the fall pledge dance, it's obvious the Beta Beta Deltas are going to have another outstanding year.

JOE GODDARD

### *Emory—Beta Epsilon*

Since our 75th anniversary celebration, the social committee has been very active. Our annual Mush Banquet and Dance was bigger and better than ever. It was covered on the radio, through an interview with Brother Schmitt.

The climax of the year, socially, was a party given by our chapter adviser, Dr. Oscar Adams, at his home on Ponce de Leon Avenue. The chapter was almost completely represented and Dr. Adams entertained graciously.

Even though we are losing a number of brothers because of graduation, marriage, circumstances beyond their control, etc., there are reliable reports that a certain character from Alabama will again be with us. Also the pear-shaped terror of the Biology Department will be back.

The rush committee has planned an active summer. A number of parties are scheduled for the Atlanta area and Florida. The Florida caravan will roll again this summer.

Beta Epsilon received honorable mention for the lawn decorations for Doolley's Frolics. The theme was "Terror in Tibet." It was one of the most colorful things the Shelter has done in a long time. Our thanks to the mothers for helping with the costumes. A special cheer for the dancing girls.

Congratulations to the graduating brothers.

TOM BYRD

### *Florida State—Delta Phi*

The Delta Phi Chapter has used the last part of the year to enrich the trophy case. Along with the honors won earlier in the intramural sports season

the horseshoe pitching and the tennis championship trophies were gained.

Another trophy that the chapter is very proud of is an award given by the sororities of Florida State University proclaiming Delta Tau Delta as the fraternity "host of the year." This was made possible by the hard work and planning of the social chairman and the wholehearted cooperation on the part of everyone in the chapter.

While speaking of trophies, one of the Delts here is practically a living trophy himself. Bernie "All American" McCann has been voted on the Collegiate All-American Volleyball team for the fourth successive time.

The high point of the year for all the chapter was, of course, the Week End. The festivities began on a Saturday night with the Rainbow Ball. There was the coronation of our beautiful Delt Queen and her lovely court. With a terrific combo to make plenty of dance music it was a night to be remembered.

Friday's fun was started with a softball game between the Delts and their dates. This was climaxed by a cook-out in back of the Delt house. That night there was an exciting Costume Ball carrying the theme of the Mardi Gras in old New Orleans. The costumes varied from Paris apaches to circus clowns.

Early Sunday morning everyone, together with dates, headed for Panama City. There they spent the day swimming and relaxing on the beach. This was a grand way to close one of the best Week Ends ever held at Delta Phi.

WILLIAM M. SELLERS

### George Washington—Gamma Eta

Once again June marked the end of a very successful year for Gamma Eta. The newest addition to the trophy case is a cup proving the truth of Grantland Rice's famed saying, "It's not whether you win or lose, but how you play the game." For the first time in several years the Delts won the intramural Sportsmanship Cup. Leading the intramural race from October to May, under the leadership of Athletic Chairmen Fortner and Perkins, softball was the chapter's downfall in the race for the championship cup. The Delts finished third to Phi Alpha and AEPi in one of the closest intramural races in years. The race was not without its moments of thrills and glory, however. There were the swimming meet and the wrestling meet, both of which the chapter won; there was the football game in which the Delts crushed the SAEs and Delt star Stan Fortner played a superb game; there was the track meet where Tom Smith set a new intramural record in the football throw and Bill Smythe scored an equally impressive victory in the pole vault. And as the final results

in the race for the intramural cup were posted there was a feeling of accomplishment in winning the Sportsmanship Cup but a "just wait 'til next year" sentiment with regard to the intramural championship.

The year was not without individual Delts bringing new prestige to the chapter. Jennings Randolph, member of the G.W. golf team and 1956 winner of the Egyptian Amateur, led the G.W. team, along with Delt Captain Larry Spellman, to a Southern Conference championship. Jay walked off with individual honors by winning the Southern Conference Tournament. Golf didn't interfere with study or being president of the pledge class, however, and Jay is to be initiated this fall. Roger Turner, another outstanding Delt in athletics and star hurler for the G.W. baseball team, helped lead that team to its second Southern Conference championship. Earl Smith, June '57, proved that studies and extracurricular activities could mix by graduating with a fine QPI from the foreign service school and passing the State Department's foreign service written exam on his first try, a somewhat unusual feat. Tim Mead was showing the campus that freshmen could be good debaters.

A June initiation was held for Henry Mayo, Lee Potterton and John King, all of whom were above 3.0 in their QPI's. Bill Smythe, Jay Randolph, Mike O'Donnell, and Ted Carey are scheduled for fall initiation.

The spring was not without its social moments, the outstanding one probably being the Hawaiian Party, carefully supervised and planned by the "master socialite" of the chapter, Kyler Ravenel Craven, with ample assistance from Pledge Jack Killian who seems to be an apt pupil of Kyler's. The Shelter was decorated appropriately, complete from fish nets to belching volcanos. The high light of the evening was a hula exhibition by several of the more graceful members—the outstanding being Ed Hino, member of the G.W. football team. Both critics of the dance and of football agreed that Hino plays football almost as excellently as he hulas. No end of school would be complete without the annual junket to Ocean City, Md., and the Delts were well represented. Boy singer Chuck Johnson, star soloist of the Delts' third victorious IFC Sing team, proved to the chapter that his social graces were not just limited to singing, and Delt ambassador, Pete Dyer, showed that he could spread good cheer to the Thetas, Pi Phi's and Kappas just as well at Ocean City as he could on the asphalt campus.

Summer activities around Gamma Eta included painting the Shelter, new furniture and a new piano, insuring the

Shelter's reign as one of the finest houses on campus. The summer also included rush parties, summer school for some unfortunates, and a pleasant invasion from Steve Hammer of Delta Kappa.

In considering the chapter's success of the past year, it would be impossible not to credit the contributions the Mothers' Club has made toward that success. Under the fine leadership of Mrs. Smith, and with the enthusiasm of Mrs. Tallentino, Mrs. Johnson, Mrs. Richardson, Mrs. Medina, Mrs. Whyte, Mrs. Lady, and Mrs. Potterton, the Mothers' Club has become what must be one of the most active such organizations in the Fraternity. Whether it's serving dinners for a rush party or a Southern Division luncheon, holding a picnic or potluck dinner so the parents and the chapter can come closer together, making gifts to the chapter of everything from china to tables, taking an active interest in chapter scholarship and aiding in Shelter redecorations, the Mothers' Club has proved to be one of the chapter's most valuable assets.

This September marks the chapter's tenth anniversary of reactivation on the G.W. campus. Each year has seemed to be a step forward. We enter our tenth year as tops on campus, both in size and accomplishment, with no sign of resting on our laurels.

DICK JAMBORSKY

### Georgia—Beta Delta

We have just completed what we feel to have been a very successful Delt year in Beta Delta Chapter.

In the intramural sports department Beta Delta finished third out of ten in the race for the President's Cup. However, we did manage to win first place in both badminton and tennis. Brother Jack Sheriff was awarded a key by the Athletic Department for being one of five most valuable intramural players in the University.

Brother Johnny Cochran and Pledge Ernest Todd have become varsity lettermen on the rifle team. They also received individual medals when their team won the Third Army Intercollegiate Small Bore Trophy.

Scholastically we did quite well. On Honors Day, May 23, 20 per cent of Beta Delta was "honored." Recognized for being in the top five per cent of their class were Brothers Lewis Brinson, Dempsey Allgood, Butch Langfitt, and Rhett Tanner. Brothers Wiley Black, Ernie Drew, and Ben Lacy were awarded ribbons for being in the second five per cent. Brothers Lewis Brinson and Russ Poteet were elected to membership in Phi Kappa Phi, national honorary scholastic fraternity. Brother Allen Stovall was awarded the Sears Roebuck Ag-

ricultural Scholarship to the outstanding sophomore, while Brother Colquitt Dean received the Merck Award for excellence in chemistry.

Brother Denny Jackson, rising young cinderman, was elected captain of the Georgia track team for next year. Denny managed to set the school record in the 440-yd. dash, and then later succeeded in breaking his own record. Pledges Jack Thompson and Loran Smith bear watching, since they have indications of making big names for themselves in Georgia track circles. They are both on the freshman team and have done quite well.

We had a very successful spring rush and ended the year with 14 bright-eyed pledges, to whom we are looking for great accomplishments come fall quarter and initiation.

DAVID KIPPENBROCK

### Georgia Tech—Gamma Psi

Delt Hal Reeves was elected Georgia Tech's first student body president at a campus-wide election last spring. A revision in the student council constitution replaced the office of student council president with a student body president.

Hal, a senior industrial engineering major from Tuxedo Park, New York, will succeed Brother Pat Bolger. Shortly before the election, Hal was tapped by ANAK, one of Georgia Tech's highest honor societies.

Also elected to serve on the Student Council were Delts Ronnie Wainwright, a senior aeronautical engineering major from Tampa, Florida; Don Brock, a junior architectural major from Mayfield, Kentucky; and Bill Haralson, a sophomore textile engineering major from Franklin, Tennessee.

Ronnie will represent the school of aeronautical engineering and Don and Bill will represent the junior and sophomore classes, respectively.

Freshman Paul Hodgdon is the new president of Phi Eta Sigma, national freshman scholastic honorary fraternity at Tech. Paul is a physics major from Chattanooga, Tennessee.

Other recently-elected Phi Eta Sigma members include Delts Bill Abercrombie, George Calcott, and Bob Lawler. Phi Eta Sigma members are required to attain a 3.5 average out of a possible 4.0.

Varsity athletic teams boast of Track Star Martin Torrance and Swimming Stars Hal Reeves and Bob Ballard.

Future varsity athletes of Delta Tau Delta are Rob Neely, "B" team baseball; Chic Haught, freshman baseball team; Irving Hoffman and Randy Bobbitt, freshman swimming team; Marvin Alston, freshman cross-country team; and John Pinholster, freshman gym team.

Bill Kampmeier, Hal Reeves, Jim Smythe, and Bayley Walker have been

Credit: "Official photograph U. S. Navy."

LEE EDWARDS, one of three Delts honored at Georgia Tech's annual Military Honor's Day receives an award for being the most outstanding senior under the Naval contract program.

initiated by Pi Delta Epsilon, national honorary journalism fraternity. Jim is the new secretary of the organization.

In keeping with the honor, Jim was named by the publications board to serve as managing editor of the yearbook, and Bayley was named to serve as managing editor of the newspaper. Both publications recently received "All-American" ratings.

Jim has also been extended membership in Koseme Society, Tech's highest junior honor society.

Other Delts working on the yearbook will be Fraternities Editor Steve Wilenchek and Organizations Editor Jim Hardee. Working on the newspaper will be Photography Editor Grey Hodges, Associate News Editors Paul Hodgdon and Bill Abercrombie, and Copy Editor Jimmy St. John.

Military Honors Day saw three men of Gamma Psi decorated for superior scholarship and leadership ability. Lee Edwards received a medal as the most outstanding senior under the Navy contract program. Bill Abercrombie and George Calcott were honored as the most outstanding freshmen in the Army infantry and chemical corps, respectively.

One of the most highly respected positions at Tech, that of cheerleader, has been captured by Charles (Sonny) Sammons. Tech's cheerleaders are responsible for supporting a nationally famous football team by performing equally famous acrobatics.

Brother Fred Dougherty received the thrill of his life when he was chosen to represent Georgia Tech and the School of Aeronautical Engineering as a passenger aboard the new French jet airliner,

PAUL HODGDON, new president of Georgia Tech Chapter of Phi Eta Sigma.

HAL REEVES, first student body president at Georgia Tech.

SONNY SAMMONS is cheerleader for Georgia Tech's Yellow Jackets.

the Caravel, during a flight from Atlanta, Georgia, to Miami, Florida.

Gamma Psi congratulates its graduating seniors. Theirs is the privilege of being a part of one of Georgia Tech's most outstanding classes. Delta Tau Delta can always be proud of them.

BAYLEY WALKER

### Illinois—Beta Upsilon

Around the campus in activities, athletics, and scholarship this spring Beta Upsilon has been moving. Marty Maguet has been selected for Ma-Wan-Da, the long established senior men's activity honorary at the University of Illinois. Brother Maguet will direct the entire intramural sports program at the University next fall. Chapter President Ed DeLong has just finished earning his second varsity letter for Coach Leo Johnson's track team. Bob Eggers has been elected president of the Franklin Society, the electrical engineering scholastic honorary on campus. "Dutch" Tenny has recently been graduated number one in his class from the University of Illinois Law School.

No prizes or trophies were given at the new campus spring event, "Spring Fair," but the Alpha Chi Omega-Delt entry captured the "most original" title published in the campus newspaper, *The Daily Illini*.

Beta Upsilon will start next fall with a housemother. A housemother will not be new to Beta Upsilon, for we had one before World War II. However, a housemother will be new to the present members of the chapter and we are looking

forward to welcoming Mrs. Griffiths to the Shelter.

The chapter ended its social calendar this year with its annual spring formal. Miss Karen Kaufmann, a member of Kappa Kappa Gamma, was crowned "Delta Queen" of the gala affair. It was unanimously agreed among the brothers that the dance was one of the best social events of our year.

MARTIN L. MAGUET

### Iowa—Omicron

For the second year straight, Omicron Chapter has swept the Greek Week events to carry home the participation trophy. We accumulated points by taking second in the poster contest and first in an "original entry to the Union" contest, as well as placing high in other events. Also included in Omicron's spring activities were the fraternity league softball games. We finished in second place. Our Mothers' Day week end was highlighted by our participation in University Sing. Under the direction of Jack Laughery, the Deltas took second place in the finals which were very close. Our MEBOC (Most Eligible Bachelor on Campus) campaign was considered a success. To the beat of bongo drums and maracas, the Delt calypso skit supported our candidate, Tom Dalton, who was voted by Iowa co-eds as one of the five most eligible bachelors on campus.

Omicron Delta will be well represented on committees for the fall semester. Don Sherk was recently selected for OΔK, one of the most sought after men's honoraries at Iowa. Sherk also will

be chairman for men's freshman orientation for the fall semester. The campus committee in charge of presenting the University dances will be led by Jim Kanealy and Jim Tilton will serve his second year on the 12 member committee. Mel Lumbard will be in charge of publicity for the Hawkeye Pep Club and Rees Jones is a member of Student Christian Council. Jerry Chiles will serve as vice-president of YMCA as well as on SCC.

Omicron's summer rush program was given a kickoff by the Des Moines alumni chapter, who, along with Gamma Pi and Omicron Chapters, held a rush party in Des Moines. Omicron is looking forward to another fine year.

B. REES JONES

### Iowa State—Gamma Pi

With the closing of one school year and the approaching of another one, Gamma Pi looks back with pride at our representation at the annual spring school production, *Vieshea*, and ahead with anticipation at our members already in responsible school positions. For *Vieshea* this year we had somebody in almost everything. Murray Johnson was chairman of the 630 Club (club supporting sports activities) open house and John Detriek was chairman of the Industrial Engineering open house. Steve Robinson was business manager for the Activities open house. We also had a large representation in *Stars Over Vieshea*, the student produced variety show. Thomas Lettington had one of

the few singing leads in the show and we had supporting actors and workers too numerous to mention.

As for looking to next year, Gamma Pi is proud to have four presidents, a chairman, and a secretary of campus activities already. Robin Thompson was elected president of Gamma Epsilon Sigma, the industrial engineering honorary, and Robert Dittus was elected secretary of the same organization. Thompson was also selected for the Knights of St. Patrick, an exclusive engineering honorary. Jack Kingery was appointed cochairman of Greek Week, Iowa State's annual week end honoring the Greek system. He was also elected to Cardinal Guild, the campus legislative and advisory body. We also have Duane Bingham, president of Pi Tau Sigma, industrial education honorary, Thomas Bolton, president of Alpha Chi Sigma, chemical engineering professional fraternity, and Lewis French, president of Student Properties Board.

Gamma Pi Chapter is very proud of its 13 new initiates who after a week of fun became happy members of Delta Tau Delta.

JOHN CAPPELLIN

### Kansas—Gamma Tau

Heading the list of outstanding KU Delts is Al Oerter, KU's great discus thrower. Al was recently elected cocaptain of next year's track team. He won the discus event at the Texas, Kansas, and Drake Relays, completing his second "triple crown" in as many years. At the Big Seven conference meet, Al was voted the outstanding athlete award for his double triumph in the discus and

JIM BICKLEY, one of two Phi Beta Kappas at Kansas.

1957 Illinois Delta Queen, Miss KAREN KAUFMANN, Kappa Kappa Gamma, standing with Chapter President ED DELONG, on the right, and her escort, MARTY MAGUET, on the left.

shot-put. Another conference champion, two-miler Jerry McNeal will be back next year as captain of the cross-country team.

Delt Tracksters Grant Cookson and Louie and Larry Stroup won their last varsity track letters this spring. Grant was second in the conference half mile, and the Stroup twins were members of the winning mile relay team.

Our KU Relays float brought another first place trophy to the Shelter. Last year our entry burned five minutes before the parade, so we are especially proud of this trophy.

The Delt softball team climaxed a great intramural year for Gamma Tau by winning the fraternity championship. Led by the no-hit pitching of Bob Thornburgh, the Delts were undefeated. The "B" team almost made a clean sweep for Gamma Tau by winning its division. They advanced to the semi-finals of the playoffs, before losing to the eventual "B" champions in a hard-fought contest.

Individual scholastic honors went to Jim Bickley and Eugene Coombs. Their election to Phi Beta Kappa resulted from four years of outstanding scholas-

Left: Thirteen new initiates at Iowa State.

Below: Delt's first-place float, "Sports for Peace," at Kansas Relays.

EUGENE COOMBS,  
Phi Beta Kappa.

tic achievement. Another Delt honor winner was Jerry McNeal, who was recently elected to Sachem, senior men's honor group.

For the third year in four, the head cheerleader at Kansas will be a Delt. Brother Dick Jones will be the leader of KU's cheerleading corps next year. Dave Wilson will also be a cheerleader, giving the Delts a near-majority on the squad.

As you can see, this spring was a good one for Gamma Tau, both individually and for the chapter as a whole.

RALPH ROBINSON

### Kent—Delta Omega

Delta Omega Chapter entered spring quarter with a spirit of great enthusiasm and high morale as the brothers made preparations for the big event of the year, Campus Day.

Under the supervision of Don Stillson, the brothers constructed a second place float with the theme "Dogpatch U. S. A." The float displayed just about every Lil'l Abner character imaginable.

Another big event on Campus Day is Songfest, in which the Kent Delts scored another second place under the very

capable leadership of Brother Steve Bandy, who has now led the brothers for two consecutive years.

Another high light of this quarter was the Spring Formal, which was held at Manikiki Country Club. Miss Peg Fee, fiancée of Brother Pat Burns, was crowned Delt Queen of 1957. Other awards for outstanding service, improvement in scholarship, and athletic participation went to Harold Jenkins, Dave Heller, and Joe Westfall respectively.

In the light of campus elections we have been very successful this quarter. Seven men were elected to represent their classes in the Men's Student Association. For the senior class they are: Don Mehok, Don Dickison, and David Rausch; junior class representatives are Don Hollis and Dennis Cooke; and sophomore class representatives are Ed Hindle and Terry Walsh.

Two men were chosen for membership in Blue Key, men's honorary fraternity. They are Ralph Shanabruch, chapter president, and Dave Rausch, who was also recently chosen for membership in Pi Mu Epsilon, mathematics recognition fraternity.

Harold Jenkins, graduate cum laude, was chosen outstanding senior accounting student.

Frank Ambrozic was elected junior class representative to the student council, and Don Dickison was chosen editor of the *K-Book*, University publication for incoming freshmen.

Eight men were activated this quarter and given a banquet in their honor following the ceremonies. Terry Walsh was chosen as the model pledge of his class.

To finish this last report of the 1956-57 school year, the chapter would like to pay a final tribute to our fine graduating senior class, which has contributed so much time and effort to make our chapter what it is today. These men are: Jerry F. Whitmer, Richard G. Sengpiel, Patrick A. Burns, Lonnie L. Swinehart, David A. Kennard, James P. Dignan, Lee D. Smucker, Richard H. James, Harold R. Jenkins, Robert J. Drath, Robert J. Wick, and Donald O. Crowe. We wish you all the best of luck!

DON DICKISON

### Kentucky—Delta Epsilon

On May 8 the Student Government Association elections were held at U of K. Brothers Ballantine and McDaniel were elected to the assembly from the College of Engineering on the Student's Party ticket. Brother Dan Millott is chairman of the Student's Party, which won the presidency, the vice-presidency, and 18 out of 20 seats in the SGA assembly.

Culminating the year's I-M scramble with a second place finish in softball, Delta Epsilon won the runner-up trophy

in all participation for intramurals. Brother Jim Hoe, our I-M chairman, won the individual participation award for 1956-57. Victories for the year included the swimming championship, runner-up in bowling, golf singles championship, runner-up in mixed tennis doubles and the golf doubles championship.

For the third straight year Delta Epsilon held its annual White Orchid Formal at Cumberland Falls State Park near Corbin. Although it rained on Sunday, we had excellent weather for the dance on Saturday night. Leaving Lexington at 1:00 p.m. on Saturday, the week end lasted until Sunday night and as usual will be long remembered by all who attended.

Another end of the year event is the annual Delta Epsilon Founders Day. A banquet was held on May 11 in commemoration of the 33rd anniversary of the chapter. Several alums returned for the affair, which was thoroughly enjoyed by alums and actives alike.

DAN MILLOTT

### Lafayette—Nu

Nu Chapter this spring mourned the death of James "Bloody Jim" Nolan, who served the chapter as house manager and steward for 35 years. Nolan's death, which came to him at the age of 71, was caused by a heart attack. His loss will be felt deeply by both actives and alumni of the chapter.

One of the chapter's final actions of the year was formal institution of a house building fund. The fund will be maintained by a two dollar monthly charge on each member's bill and by a portion of the annual profits. The fund will be administered by a committee of alumni and undergraduates, which will establish an alumni program in support of the fund.

This spring four Nu Chapter Delts were picked for Lafayette honor societies. Sophomores Bill Hagen and Bill Clearwater, as Calumet members, will have the job of enforcing freshman regulations this fall. Tom Grant and Ed Curley were chosen for the Maroon Key Society, the junior honorary group.

In spring intramurals Nu fielded strong teams in both the spring sports. The track entry placed second among the 19 competing teams and the softball team came out second in its league, losing to the DUs in a close playoff for the league championship.

ED CURLEY

### Lawrence—Delta Nu

The spring of 1957 was a time of achievement at Delta Nu Chapter—achievement both individually and collectively. The chapter was able to come up with the highlight of the year when it captured the hearts of all female Lawrentians as well as the votes of al-

most all the students (male as well as female) in a prom king campaign that turned out to be the social extravaganza of the year, or any other year for that matter. Jack Tichenor, '57, a southern gentleman both in letter and spirit, was Delta Nu's candidate. He was billed as "Colonel Tichenor" and was backed by a "Solid South" contingent at 218 South Lawe Street that helped to carry out the theme of southern hospitality.

Entering the campaign fashionably (and strategically) late, "Colonel Tish" simply obliterated all would be competitors. It all started on Wednesday, May 15, when the campus suddenly became alive with confederate flags and cotton bales bearing southern slogans. The initial barrage was followed up Wednesday evening with free movies and popcorn on the Union hill.

The campaign swung into its colorful main phase Thursday morning. Competitors gathered in front of the Union, but to their dismay the crowd was not there to greet them. Instead, the campus population had migrated en masse to College Avenue to witness a huge parade, courtesy of "Colonel Tish" and gang. High lights of the parade included a color guard complete with a handmade confederate flag, followed by black-faced minstrels bearing signs and carrying on in hilarious fashion. This was followed by a marching dixieland band and a chorus singing old southern songs. "Colonel Tichenor" followed, clapping down the street in a horse drawn surrey escorting his fiancée and "queen-to-be" Cindy Perry. Accompanying the "Colonel" was a group of beautiful "Southern Belles" riding in a caravan of Thunderbirds requisitioned from all parts of the city by hard working Delts. The "Southern Belles" included the college's elected beauty queens, the "Campus Stars," as well as the queens and their courts from the Military Ball and Homecoming.

The parade led the students (Pied Piper fashion) to the Union where the competitors tried once again to get into the act. However, the Delts gained control of the air with a crazily flying Tri-Pacer piloted by Gaar Steiner, '59, that stole the attention of the crowd below. When the girls returned to their dorms for lunch they were greeted by black-faced doormen in formal dress who opened the doors for them "courtesy of the Colonel." Corn pone was served at all the dormitories on placemats bearing the "Colonel's" sketch to culminate a hectic morning's campaigning.

The best, however, was yet to come for the Delts pulled the informal social event of the year that Thursday evening. They transformed the Delta Shelter into a southern plantation dubbed the "Tichenor Manor." In a lawn party atmosphere

black-faced waiters served tray after tray of iced watermelon and "mint juleps" while dancers swung to the rhythm of a dixieland combo. The tremendous crowd thrilled to the culmination of the day's campaigning which was a good old-fashioned minstrel show starring the Delt chorus and end men whose humor had the campus roaring days afterward.

Finally, when the campus was stilled and when the students were in their habitations for the evening, the Deltas provided more entertainment at the dorms featuring "The Deltones," a Delt trio that has gained considerable prestige on campus, a freshman girl's quartet, and such famous personalities as "Jet Rink," "Sammy Davis, Jr." and others.

Thus, the campaign finally ended, and at the polls Friday everyone except the two competitors themselves voted for "Colonel Tish" who swept the campus with the greatest landslide victory in the history of the school. This victory, incidentally, was the Delt's eighth consecutive in as many campaigns for one of the two big elections of the year; namely, prom king or student government president.

There were also Deltas who attained individual recognition last spring. In AFROTC, Rolf Dehmel, '57, past student body president and cocaptain of the swimming team was awarded the American Legion Post Trophy for outstanding scholarship. Jack Tichenor, '57, prom king and president of the college ski club, was the senior recipient of the Gold *Chicago Tribune* Medal for outstanding leadership. Dave Wege, '58, chapter president and commander of the Arnold Air Society was the junior man to receive the Gold *Chicago Tribune* Medal. Wege was also one of three junior men elected to Mace by seniors in the group. Mace is Lawrence's award presented to junior men "outstanding in leadership, scholarship, and service to the college." Bob Sabin, '60, was the freshman cadet recipient of the Silver *Chicago Tribune* Medal awarded to the freshman cadet outstanding in leadership. Henry Hurley, '59, assistant treasurer of Delta Nu, received the Convair Award of Merit as the outstanding sophomore cadet to be accepted into the advanced corps in a flight category. Other Deltas receiving AFROTC awards were: John Ellerman, '58; Gaar Steiner, '59; Tom Diener, '57; Tony Bok, '60; and Steve Reehl, '60.

It should be noted that all five squadron commanders were Deltas during the past year. They were: Max Galler, '57; Ron Manthey, '57; Ron Seinwill, '57; Jack Tichenor, '57; and Dave Wege, '58.

Other Deltas who attained special recognition last spring were Joe Holsen, '59, who was elected social cochairman

Prom King JACK TICHENOR and his Queen CINDY PERRY, parade in a surrey at Lawrence College.

Part of assembled throng at Lawrence Deltas' "Plantation Party" for the Prom King Campaign.

Delta Nu's Founders Day Banquet, left to right: Chapter Adviser BOB WILSON, Dean of Men ALEXANDER R. CAMERON, Dean of the College MARSHALL B. HULBERT, Delt LAVAHN MAESCH, ARNO HAERING, '58, and DON ANDLER, '59.

Delta Nu's Shelter transformed into "Tichenor Manor."

of the college; ex-Delt President Chuck Montag, '57, who received the Iden Charles Champion prize in commerce and industry; and John Harmon, '57, who was graduated cum laude.

Lawrence College President, DR. KNIGHT awarding gold Chicago Tribune medals to JACK TICHENOR (left) and DAVE WEGE.

Delta Nu's Founders Day Banquet held on May 2, was attended by a small, but enthusiastic group of alumni. Main speaker, Ed Hughes, III, RAINBOW Editor, presented a commendable oration and showed the Karnea movies.

In conclusion, Delta Nu Chapter feels that this is a fitting and opportune time to extend a heartfelt thanks to the Delts in the class of 1957 who will be reading this issue of the RAINBOW as alumni of our chapter. Their absence will be felt both in the chapter and on the campus during this, the 1957-'58 school year. They are: Walt Bredeson, Rolf Dehmel, Tom Diener, Pete Dohr, Max Galler, John Harmon, Ron Manthey, Chuck Montag, Ron Seinwill, Bruce Studola, Jack Tichenor, and Dick Walter. We wish these men the best of luck in the future.

DAVE WEGE

### Lehigh—Beta Lambda

Another year has just slipped by with old faces leaving and new ones entering the Delt Shelter. The graduating Lehigh Delts are making that big step into the world, each with goals set high. John Elliott, Bill Lewan, Don McBride, Gene Mowlds, Rick Heath, and Art Spengler are all looking forward to the engineering profession, while Bill Grom and Bob Bessler are heading into the field of business. I'm sure that all these men will

follow the Delt traditions and become very successful in their field.

A big high light this past semester was the Lehigh Spring House Party. The Delts partied to the theme of Greenwich Village. Bob Biggs did an excellent job of directing the decorating which really brought out that Bohemian atmosphere. The semester was concluded in fine style with alumni week end, which saw the return of many familiar faces. The week end included a welcoming back party Friday night and a full day of organized events on Saturday. Everyone had a terrific time so the brothers are expecting an ever greater number of alumni back for Lafayette week end next November. So how about it alumni—don't let us down.

Two more brothers were added to the Shelter this semester with the initiation of Robert Freeman and James Rigby. Bob, a chemical engineer, is kept fairly busy with his academic work, but is always willing to help represent the Delts in intramural sports, besides participating on the Lehigh swimming team. Jim, who also saw action on the swimming team, is in the business school and has made himself known in intramural activities.

Jim Swenson has obtained the great honor of being chosen as a member of Cyanide, the junior class honorary society, and a member of the junior class cabinet. Jim's excellent academic standing in the business school and his participation in fraternity and school activities has led him to his well-earned success here at Lehigh.

CHARLIE VOGT

### Maryland—Delta Sigma

The Delta Sigma undergraduate chapter here at Maryland retired eight graduated brothers to alumni standing, lost six single brothers to the ranks of the wedded, won two trophies and enjoyed a wonderful week end at Elkton, Maryland, since the last report to the RAINBOW.

Those Delts who received their diplomas on Saturday, June 8, and thereby became alumni members were: Joe Benson, a technological foods major, Harry McFarland, a physical education major, Ralph Shinn, a marketing major, and Jim Murphy, a history major. Others included in the June graduation were: Jerry Hartigan, a history major, Walker Eliason, a financial management major, and Charles Thomas, a marketing major. Don Moore, a government and politics major received his diploma during August.

Jerry Crumlish helped fill the undergraduate complement when he received his Delt Badge and attained active membership on May 27.

The largest trophy now standing on

the Maryland Delt's mantel is the annual Turtle Derby trophy awarded to the fraternity or sorority having the speediest turtle. Charles Thomas, our past treasurer, supplied the winning and two runner-up turtles for the Derby, which was held during Maryland's annual Spring Week. The winning turtle—"Delta One"—is now retired at the Thomas Lily pond in Western Maryland.

The other trophy won by a Maryland Delt was the "Dream Man" annual award presented by the Delta Gamma sorority to their dream man. Don Moore, who has been dating at the DG's house for the past year, copped this trophy for the Delts.

On May 25, the Maryland Delts traveled to Elkton, Maryland, for an enjoyable all-day beach party. Mr. and Mrs. J. C. Kinahan, the parents of a Maryland ADPi, Cindy Kinahan, extended the invitation to the Delts through Lenny Hendricks, who has been dating Cindy. Lenny is our very able and active social chairman, and is the '56 fall semester "Outstanding Pledge" trophy winner.

The Delt Shelter here at Maryland was open all summer with a complement of 15 residents, the regular housemother, and regular cook.

DONALD E. WITTEN

### Michigan—Delta

With the end of final exams the curtain has come down on a very successful year for Delta Chapter. The climax of the year was reached on the night of May 11 when we collaborated with the Tri-Delts to present a Japanese play and capture first place in Skit Night. It was the big event of Spring Week End which is held in alternate years. The trophy was presented by Cartoonist Al Capp who was the master of ceremonies. Special praise should go to Don Young who wrote the script and composed the music, and to Jerry Coon who spent many hours building and painting the sets. We also walked off with the grand prize of a hi-fi record player for gaining the highest number of total points compiled from all the events during the week end.

In I-M sports we finished strong to wind up third out of 43 in the race for the All-Sports Trophy. The water polo championship was won by downing Sigma Chi, 1-0. The horseshoe team also took a first place trophy by defeating ZBT, 3-0, in the finals. Bob Bowen led the golf team to another championship when he shot a 72 to gain medalist honors among all the other fraternities on campus. Mark Schlenderer and Pete Naylor added an 81 and 80, respectively, to nail down the victory. Our softball team almost went all the way too, only to lose, 4-2, in the champion-

Michigan's intramural horseshoe champions.

Championship golf team at Michigan.

ship game against Sigma Phi Epsilon. Everyone must be commended for the spirit and support which carried us to one of our best athletic years.

In the final weeks of the semester three brothers were tapped by honor fraternities. Karl Lutomski is now a new initiate of Sphinx, all-campus junior men's honorary. Senior George Nersesian was tapped by Vulcans and Chapter President Jim Glaspie by Hectorians.

Our spring pledge formal brought the social year to a close on the week end of May 18. The formal dance was held in the house on Saturday night in a beautiful Japanese setting. On Sunday we had a steak roast and informal dancing. Dick Johnson was in charge of the week end and Jerry Coon headed the decoration committee.

As the brothers headed home from finals, work began immediately on our new addition. Everyone is looking for-

ward to returning to an enlarged and remodeled house in the fall.

JIM O'DEA

### Michigan State—Iota

The Iota Delts finished a balmy Michigan spring by clinching third place honors in the fraternity all-Sports Trophy race. Sparking us to this enviable position was Carter Gudal who won the mile and placed second in the 880-yd. runs. Roddy Sherrill also gave us an added push in the meet.

The Delts made good showings in IFC Sing and MSU's Water Carnival, but not quite good enough to place. Water Carnival consists of a series of floats on Red Cedar River. Each one is sponsored by a men's living unit in conjunction with a woman's living unit. This year's Carnival was managed by Delt Roger Bennett.

The Junior 500, our pushcart derby, saw the Delts take second place behind Alpha Phi Alpha, the past year's winner.

GARY DIETRICH, Michigan State, recipient of Ron Carr Memorial Trophy.

Running in the derby were Carter Gudal, Lynn Mallory, Roddy Sherrill, Dick Kehoe, and Tom Demorest, with Tony Kaufmann driving.

The "Brainy Brothers" did it again! Iota was second among fraternities with a 2.67 average for winter term. Helping us out were Bill Rutchow with a scholastic 4 point, all "A" average, and Dick Carr with a 3.62 average.

Just today we found out that our proposed fraternity row is to be a reality. It will be located on South Harrison Road. Iota has second choice on lots and will be building in the very near future.

We all wish our housemother, Mrs. Bertha Buiten, the best of luck in the future. As you know she is to be married this summer. Iota will be awaiting

TOM ANDERSON,  
vice-president of  
Michigan State's  
senior class.

its new housemother, Mrs. Louise Hornbeck, who we know will do a fine job.

This year the Ron Carr Memorial Trophy went to Gary Dietrich. Gary, through his hard work and continuous show of Delt spirit, is a fitting recipient of the trophy which is awarded each year to the outstanding Iota Delt of the year. Ron Carr was an Iota Delt who was killed in the Korean War.

BILL ROWE

### Minnesota—Beta Eta

This was another successful quarter for Beta Eta. Several newly appointed committee chairmen are working hard introducing new thoughts and ideas. We have more "big men on campus" than we have ever had before, and our participation in athletics is far above par.

Our social committee, headed by Brothers Dick Arney and Rog Ingebritson, has done outstanding work this past quarter. They introduced the selection of a "Delt Queen" at our Spring Formal, an entirely new idea to Beta Eta. Margie Barnes was chosen as Delt Queen with Ann Westlund and Carolyn Strand as attendants. Bill Bergan was master of ceremonies and everyone regarded the event as a huge success.

After winning the Greek Week Trophy last quarter, Beta Eta kept up its winning ways with a first place in Campus Carnival. This was won largely by the determination and hard work of our activities chairman, Joe Haviland, who has also given Beta Eta many successful exchanges with top sororities. Other big participants in Campus Carnival were Bill Comstock as master of ceremonies, Dave Johnson, and Don Lofgren as

Alpha Gamma Delta dancers in Beta Eta's first-place effort for Minnesota's Campus Carnival.

Minnesota's First Delt Queen, MARGIE BARNES, seated, and her court, ANN WESTLUND and CAROLYN STRAND.

dancers and Bob Larsen as a "would be singer."

Beta Eta has more than her share of "big men on campus." President Pete Vaill just resigned from the vice-presidency of the all-U congress and as a member at large of the IFC to devote all his time to the chapter. Brothers Milt Iossi, Dick Duxbury, and Wayne Anderson are on the SLA board and Dick Quanrud and Jim Lewis are members of the all-U congress.

In the athletic department, Beta Eta has much to offer. We came within a fraction of a point of winning the annual intramural track meet. Our track team was composed of Brothers Bill Chorske, Bill Warner, Pete Vaill, Dave Kollitz, Bob Hall, Terry Dieterle, Don Lofgren, Ron Poole, and Jim Talle. They all worked very hard and deserve a round of applause for a job well done. Also in athletics, Bill Chorske was admitted

into the Sigma Delta Psi athletic fraternity and Mas Schmitt was chosen all-Conference centerfielder in the Big Ten.

BENNO KRISTENSEN

### Missouri—Gamma Kappa

Rush . . . Rush . . . Rush. That has been the byword of Gamma Kappa Deltas this past summer. Rush Chairman Bob Falkenhainer has been hard at work all summer organizing rush parties and writing letters. According to Bob, Gamma Kappa should have a 30-man pledge class.

House Manager Dick Heavener had a pleasant surprise for the Mizzou Deltas when we returned to school. The downstairs of the Shelter has been completely redecorated with new carpeting, draperies, and paint.

Bill McNeary, alumni chairman, has been hard at work the last few weeks making final arrangements for an alumni

week end October 26. This is homecoming week end and Missouri will play Nebraska. At this time we of Gamma Kappa would like to extend an invitation to all Deltas in the Missouri area to attend. If you would like to come, please write: Bill McNeary, 1000 Maryland, Columbia, and he will be glad to take care of hotel reservations and tickets for you.

DAVID R. HEISE

### Nebraska—Beta Tau

In the second annual spring day at Nebraska, the Deltas took second place. In individual contests, Harry Dingman placed second in push-ups, Bob Cook took a second in the football throw, and Bob Harry and Jerry Amos, Delt chairman, finished second in the three-legged race. The main event of the day was the pushball contest in which the Deltas, winner of three previous contests, lost in the championship game to the Phi Deltas in a sudden-death overtime.

Delta Tau Delta took another second in the Greek chariot race to open Greek week end. Jack Redmond supervised the building of the chariot and Bill Danek and Larry Naviaux pulled Delt Queen Anne Wade across the finish line for second place.

During Greek week end the Deltas distinguished themselves by purchasing more tickets than any other fraternity on campus for the IFC Ball. The successful ball was "emceed" by Beta Tau's Dick Arneson, IFC president.

We held our alumni smoker May 15 for alumni in the Lincoln-Omaha area. After dinner the alumni heard the Delt Ivy Day song and listened to a résumé of this year's achievements given by Vice-President Dick Bond and committee heads Bob Harry, rushing, Jim Walker, social, and Tom Neff, scholarship.

The scholarship record of Beta Tau's pledges was especially fine this year. As of June tenth, 20 of 23 Delt pledges made their averages. Fifteen of these men made their averages the first semester.

Spring brought important appointments in campus activities to many Deltas. Tom Neff was elected a member of student council. Harry Dingman was elected vice-president of Sigma Tau, engineering honorary, while John Moyer was voted in as treasurer of the organization. Moyer was singularly honored by being one of two candidates for cadet commander of the Nebraska AFROTC unit next year. Footballer Larry Naviaux was elected social chairman of the N Club. Another Delt, Don Erway, is the retiring president.

One reason why Nebraska kept in the thick of the Big 7 baseball race was the pitching of Dwight Seibler. Dwight had a 3-0 record for Nebraska and then

pitched a no-hitter. This was the second time in three years that a Delt has pitched a no-hitter for Nebraska. Dick Gier threw a no-hit game in 1954.

Delt teammates with Seibler on the baseball team were Don Erway and John Biedick. Two Delt pledges, Lynn Schotter and Jerry Bean, played on the frosh team.

A Beta Tau alum, Ellsworth Moser, has become a leader in Nebraska society by being recognized as "King of Aksar-Ben," a state-wide social organization centered in Omaha.

JOHN W. CLARK

### North Dakota—Delta Xi

Richard Lapp was chosen by the members of Delta Xi to receive the Hallenberg Key, given by Brother Hallenberg, a charter member and the first president of Delta Xi. The award is given annually for leadership, scholarship, service to the chapter, and campus activities. Brother Lapp was presented the high award at the spring banquet.

Delta Xi held its annual spring banquet and formal on May 25, 1957. Graduating seniors who were recognized included Bill Hodny, Dennis Halweger, Glenn Muir, and Michael Mulder. These men, along with Bruce Listoe, were recognized for becoming life members of Delta Tau Delta during the year. Social Chairman Gary Muralt and his committee handled all arrangements and presented a very fine time for all in attendance.

A group of Kappa Alpha Thetas and Deltas made the journey to Fargo on Sunday afternoon and entertained underprivileged children at a "Children's Village." We now plan to make this very worthwhile event an annual occurrence.

Gary Muralt was chosen to membership in Golden Feather, a campus organization with the aim of promoting school spirit. Gus Diem participated in spring football drills and is a candidate for the varsity football team this fall.

Glenn Muir was awarded a \$1,000 Chester Fritz graduate scholarship by a special scholarship committee at the University of North Dakota. This is the most highly honored and treasured scholarship given by the University.

Barry Nelsen was selected to be the Air Force ROTC drillmaster for the year 1957-'58. John Christensen received the Minuteman award in Army ROTC upon being designated as outstanding freshman in scholarship, military proficiency, and knowledge of the *Bill of Rights*. Barry Nelsen received the *Chicago Tribune* Silver Medal award at the Air Force ROTC federal inspection. The award is made to a student who displays the highest leadership, military proficiency, and interest in the Air Force ROTC program. Glenn Muir received

President GLENN MUIR, right, of Delta Xi Chapter, presenting the Hallenberg Key to RICHARD LAPP at North Dakota's Spring Banquet.

the Superior Cadet Ribbon award at the Army ROTC federal inspection. This honor is awarded by the Department of the Army to the outstanding senior in the Army ROTC.

Darlene Bender, a social affiliate of Gamma Phi Beta, was selected by Delta Xi to represent them in the Miss Red River Valley contest. The winner of this contest competes in the Miss North Dakota contest.

Delta Xi made a very respectable showing in the annual Interfraternity Sing even though we failed to win first place. Stu Felde is the song leader of our group.

Glenn Muir, North Dakota's 1957 Homecoming chairman, is busy planning for the homecoming celebration to be held from October 9 through October 12. Stu Felde is the chairman of the

Queen Selection committee under Brother Muir.

JACK MCCOY

### Northwestern—Beta Pi

High lighting spring quarter at Beta Pi this year were our annual spring formal, the Mothers' Club yearly card party, the campus Honor's Day, and the final drive in intramurals.

On May 18, the chapter and dates spent the day at Nippersink Lodge, a resort in Wisconsin. Although it was a chilly spring day, some of the members went swimming, boating, and bicycling. That night Deltas and their dates donned formal attire for an evening of dancing and entertainment.

Spring quarter saw Beta Pi's Mothers' Club hold its annual card party at the Shelter. The newly elected president, Mrs. Walter Adams, was vacationing in

Europe with Mr. Adams and was not able to be present for the occasion. The proceeds from the party are used by the Mothers' Club to benefit the chapter.

May was an eventful month for Delts on campus. During the annual May Week festivities, Chapter President Steve Fitzsimmons served as cochairman of May Sing. On May 25 Beta Pi's freshmen entered the Freshman Carnival with a pillow joist, and their activity was proclaimed one of the most popular entries in the annual event. During Honors Day ceremonies Bob McKeiver, a junior, was presented with a trophy designating him "athlete of the year" at Northwestern. Bob won the title on the basis of an all-school vote. Previously, he had been named Northwestern's "most versatile player" in football, and as a first string halfback on the Big Ten football team by the International News Service. The same day Dave Tompkins was selected to Norleggama, a junior men's honorary. Later Dave was elected vice-president of the organization.

BOB McKEIVER, *Northwestern halfback and the student body's choice as "Athlete of the Year."*

Rounding out spring quarter's campus leadership was the news that Jeff McCullough had been selected assistant central rush chairman for the IF council.

Spring was eventful in intramurals for Beta Pi Delts. In volleyball we won our

league without a loss. As the quarter drew to a close, only the tennis doubles remained. Wally Kirk and John Elliott teamed up to defeat last year's champion D.U.'s, and went on to win second place in the school championship play-offs. With the final results in, Beta Pi finished in fifth place in intramural competition out of more than 40 organizations on the campus.

Newly elected to chapter offices are Jerry Brandt, treasurer, and Bill Gieske, sergeant at arms.

GEORGE BILBY

### Ohio—Beta

Beta Chapter added another distinction to the well known name of Ohio University's "Singing Delts" when they again won the all-campus Torch Sing. It was the second consecutive year and just another victory climaxing a most successful year for the Delts from Ohio. The glee club also was asked to make a recording of college and fraternity songs which would be given free to each student buying a yearbook.

Tom Lyons got the lion's share when he recently was tapped by OΔK, senior men's honorary, and then in the following meeting was elected president for this year. Tom, a senior from Farrell, Penn., is also Beta Chapter's vice-president. He is well known on campus for his work as assistant editor of the yearbook and for his very active role on the varsity debate team. He has won many individual championships in intercollegiate competition. Tom is also a member of J-Club.

Ohio University Delts won second place in the 1957 J-Prom skits. The skit was based around a dream theme and fully utilized the talent of candidate Dave Mocklar. A high light of the skit was the banjo-ukulele band which played background music for the skit.

Dud Kircher, Beta Chapter's past president, was unanimously voted the chapter's 1957 leadership award, which is given to the senior who has given the most in leadership achievement to the Fraternity as well as to the school. On campus, Dud has listed many awards and honors. For example, he is the captain of the Ohio University golf team, a member of OΔK and J-Club, past editor of the campus humor magazine, and many other awards. However, his most recent and probably most distinguished honor is having been chosen one of Ohio University's most outstanding seniors of 1957.

Walt Manske achieved a four-point grade average. Walt is a member of Beta Chapter, and although his grades exceeded the chapter's average, his achievement did exemplify the increased enthusiasm for scholarship at the Ohio University Delta Shelter last semester. The Beta

Delts hope to move from fourth to first place in scholarship at OU. Sixteen of the 1957 graduating seniors have reported over three-point grades for the spring semester.

Duane Emerson and Dave Larcomb have recently gained top positions at the *Ohio University Post*, the campus newspaper. Duane, who had previously been circulation manager, was screened and selected the new business manager of the paper. Dave was then chosen circulation manager succeeding Duane.

Chuck Bloom, present pledge master for Beta Chapter, has been chosen a "distinguished military student" at Ohio University. Ben Fassett, a senior who has been active as a leader of the OU Air Force ROTC drill team, was awarded the Sabre Air Command medal for the advanced cadet most outstanding in leadership.

BOB FORLOINE

### Ohio State—Beta Phi

The men of Beta Phi look with anticipation at the coming school year with its accompanying football games, activities, parties, and dances. However, thoughts of the final weeks of last spring quarter are still in our minds.

The last week in April saw Beta Phi initiate 14 men.

The annual May Week at O.S.U., held May 6 through 10, was a crowning success. This was due largely to the work of Brother Jim Milliken who served as general chairman. In the class elections held Tuesday of May Week, Jim was elected president of the senior class, succeeding another Delt, Brother Dick Guy, in that capacity.

Several Delts were tapped for men's honoraries during May Week. Brother Lawton Gerlinger was tapped for Romophos, sophomore men's honorary. Brother Ernie Johanson was "splashed" by Bucket and Dipper, junior men's honorary. And in fitting climax to the week, Brothers Jim Milliken and Fred Kriss were linked by Sphinx, senior men's honorary, in its 50th anniversary linking. Beta Phi now has four men in the senior honorary as brothers. Dick Guy and Frank Ellwood were previously linked. In other May Week activities, the Delt float came home with second place in the float parade, depicting Pinocchio with Jiminy Cricket astride his 10-foot-long nose, and the champion Delt song group and champion combo performed at the Panorama, a review of the year's activities.

The annual Beta Phi senior banquet was held Monday, June 3. Brother Jim Rosenthal received the Delt activities award, Bob Winters the outstanding Delt of the year award, and Gil Taft the outstanding pledge award.

As the end of the quarter approached

our thoughts turned to the next year. Brother George Baughman was named rushing chairman for the summer and rush week and Ron Urick was named pledge trainer for 1957-58.

As the opening of school approaches we are preparing for the "big push," rush week, when we hope to pledge another group of men of the caliber to maintain Beta Phi in its top-most position among the fraternities at Ohio State.

RON URICK

### Ohio Wesleyan—Mu

In concluding a banner year for the Mu Deltas, many honors were bestowed upon the brothers. The chapter was most proud to have again won the Northern Division Scholarship Award, having achieved the award for seven of the past eight years. Chapter Mu is also quite proud that one-third of the total men engaged in student government activities are Deltas.

Topping the list of individual honors was the appointment of three brothers to Omicron Delta Kappa, the men's leadership honorary. Those brothers receiving the honor were Bill Armstrong, Jim McHolland, and Eddie Whipps. Bill Armstrong was cited for his outstanding achievements in publications, as editor of the 1956 yearbook, which received an All-American rating. Jim McHolland was honored for his outstanding work in student government. Jim was recently elected president of the student body for the coming academic year. Eddie Whipps was recognized for his outstanding work in debate and organizational activities. Chapter Mu is duly proud of these three campus leaders.

The "W" Clan, the Wesleyan letterman's club, elected Brother Jon Mallard as its president for next year. Jon has been a speedy high hurdler for the O.W.U. track team for three years.

The intramural athletes of the chapter did quite well for themselves too. Added to the intramural volleyball championship is the recent copping of the softball championship.

It seems as though the Deltas will again have key positions in the production of the senior show. This year's senior show, *Brigadoon*, was acknowledged to be a Delt production, and one of the best Ohio Wesleyan has ever presented. For next year's senior show Brother Bob Stevens has been appointed as producer and Don Hughes as stage manager. We are confident that next year's production will be as good as this year's.

With a class of 23 to be graduated this year, the men of Mu Chapter are preparing for an intensive summer rush program. A successful rush week in September will insure Delta Tau Delta of another year of leadership on the Ohio Wesleyan campus.

JOHN PORTER

### Oklahoma—Delta Alpha

Paul McDaniels and Jim Hall were named to Pe-et, an organization of ten outstanding juniors on the Oklahoma campus. Paul will also serve as president of UAB for the 1957-'58 school year, and Jim has been named to membership on the board, to give Delta Alpha its full limit of membership.

Three sophomores have been named to UAC. This council is the junior branch of the UAB. Allen Evans, Buzz McDaniels, and Dale Crabtree are the three participating.

Delta Alpha's softball team finished second in the "A" league intramural competition to give the chapter a standing of fourth in the all-intramurals standing for the 1956-'57 school year.

Paul McDaniels, Wilbur Bradley, and H. C. Clark were named outstanding junior, sophomore, and freshman Air Force ROTC cadets. The spring rush program under the supervision of H. C. Clark and Wilbur Bradley proved most successful. There were more rushees passing through the Shelter this spring than in any of the past several spring terms. A fine summer rush schedule is planned to supplement the spring rush.

PAUL SMITH

### Oklahoma State—Delta Chi

With the completion of a busy second semester highlighted by the annual Orchid Formal, Delta Chi Deltas have gone home for a well deserved rest. The Orchid Ball held at the Rock Castle was termed "the most successful in years" due to the hard and diligent work of Brothers Kip Moore, Dick Moore, and B. J. Waters. The high point of the evening was the crowning of Miss Patty Cornwell, Alpha Delta Pi, as Sweetheart of Delta Chi for the coming year, by Frank Ross, president.

We at Delta Chi are extremely proud of our advance in scholarship standings on the campus for the second semester. With a composite grade average of 2.52, we moved from 14th to fourth among 21 fraternities. Brothers making the Dean's Honor Roll were: Carlos Alexander, Jim Chandler, Max Hedges, J. B. Hoobler, Dick Moore, Frank Ross, Don Dickinson, B. J. Waters, and Mack Summers.

Honor winners include: Brother Max Jordan, who again took first place in the high and low hurdles at the interfraternity track meet; Delt Glee Club, directed by Max Jordan, took second place in the IFC Sing, though we are anxious for next year to get back in our winning ways.

Newly elected officers of the chapter include: Dennis Kearney, assistant treasurer, and Eddie Barnes, IFC representative.

FRANK ROSS

### Oregon State—Delta Lambda

With spring term now past the Delta Lambda Deltas have completed a very successful year. The term really began with the initiation of 12 new members, lifting the OSC chapter above 55.

During the term we have also pledged six new men: Tom Appel, Ken Durant, Dave Lyons, Pete Owens, Bob Smith, and Bill Williamson.

Activity-wise, on the campus the Deltas are well represented. We have six men on the staff of the *Barometer* (the OSC paper); Harley Blankenship is president of the Co-op Manager's Association, in addition to being very active on the *Beaver*, yearbook staff. Bob Eberhard is chairman of the Memorial Union radio entertainment committee, and Pete Yazzolino was named a Distinguished Military Student in the Army ROTC. Also in the ROTC, Mike Riley and Bill Williamson were named Outstanding Cadets in the Air Force and Army, respectively. In the all-school elections, Pete Yazzolino was elected president of the senior class, with Kent Mays filling the position of senate representative from the School of Forestry. The Deltas scored for the third straight year as having the highest participation among the fraternities in the Red Cross blood drive, and we were presented with a permanent trophy. We gained another trophy when Karl Meyer and Dave Neilson won the interfraternity, all-school golf championship. In charge of the New Student Week activities, which occur at the start of the new school year, is Bill Williamson. Nearly all of the Delt Rooks applied and were accepted as Rook Counselors to work on these new student orientation activities.

Scholastically, the Deltas also are doing very well. Out of 32 fraternities at OSC, Delta Lambda ranked sixth in grades. Tom Boennighausen was the winner of an AIEE scholarship. Of 17 seniors graduated, seven were made commissioned officers in the various services.

On the week end of Mothers' Day, we Deltas invited our mothers to visit us for the annual Mothers' week end festivities. We also played host to a group of high school seniors during Beaver Preview Week End. Another annual affair was the exchange with the Tri-Deltas at Benton Lane Park, at which we astounded the girls with our dexterity in the use of paint and stencil. Later on during the term we held our traditional softball game with the Oregon Deltas, followed by entertainment at the Gamma Rho Shelter. The social highlight of the term, however, was the house dance. Called the "Beachcomber's Ball," it was held in the party room of the almost finished new Delta Shelter. The next morning a minor miracle took place as everybody got out of their racks in time to pick up their dates and bring them over for

Saturday breakfast. After eating, we all went over to the coast for a day of sun and surf.

We Delts and the entire campus are excited over the new Shelter, which we will be living in this year. The newest and finest of houses, we consider ourselves fortunate and are rightfully proud of it. We are all looking forward to another successful year.

AL PALMER

### ***Penn State—Tau***

Tau ended the year in very favorable standing in scholarship, activities, and sports. We retained our fraternity scholarship rating and have three candidates for selection to scholastic honoraries.

Richard Bullock was tapped into Delphi, freshman's honorary, and Richard Wilson was selected to serve on the Men's Tribunal. Tau won first place in its division in the annual Spring Week celebration, and came in first out of 42 in the over-all ranking.

In the line of sports, this spring our baseball team captured second place in our league with a record of eight wins and two losses. Our tennis team went down to defeat in the semi-finals after winning four straight victories. Harry Fuehrer, Herb Hollowell, and Richard Coats performed outstanding work on the varsity track team again this year, bringing home to State four first places. John Behne received his "S" in lacrosse this season.

Tau's annual Spring Week End was held in May with a cabin party, jam session, and formal dinner-dance. At the dinner, Carol Parker was crowned our Delt Queen of 1957. Following the dinner was an outdoor Japanese lantern dance in her honor.

Tau saw the year come to a successful end and 12 Tau Delts received their diplomas and started out into the world. To these 12 men Tau wishes to say "Good luck and success."

FRED TAYLOR

### ***Pittsburgh—Gamma Sigma***

The Gamma Sigma Delts brought the second semester to a close in climactic fashion in several fields.

Probably our biggest endeavor came during Pitt's Spring Festival Week. In the Festival Sweepstakes the Delt racer, "Aida," captured first place for design and then won second in speed. Also during the week the Delts produced a tent show titled "Aida, the Gaza Stripper." The show proved profitable in laughs as well as dollars. For his performance in "Aida" Pat McCann was awarded first place as the best comedian of the ten shows on campus. Other awards given to the Delt cast were: second place for the best specialty act, which was performed by Doug Clark, Jim Luci,

and Bob Garman; and second place for best actor, won by Roger Ahlers.

In athletics Gamma Sigma picked up two more trophies for finishing second in both interfraternity swimming and track. Brother Jim Donahue has been an outstanding performer this year for Pitt's track team. He was undefeated this season in the 220 and was only nosed out once in the 100. He was also the outstanding point-getter for Pitt this spring.

Jan Swensen has been elected vice-president of Pitt's Student Congress. The Delts also have two men in Men's Council Assembly. Tony Richardson is representing his sophomore engineering class, of which he is the new president, and Mike Higgins is representing the Men's Glee Club in the legislative body.

Brother Richardson has also been tapped to Phi Eta Sigma. Other recent tappees from Gamma Sigma are Lee Dobler to Alpha Epsilon Delta, honorary for pre-medical students, and Brother Swensen to Druids, sophomore activities honorary.

The local Delts brought the social calendar to a climax with a week end formal at Conneaut Lake. This was our third spring week end formal and was considered by those who attended as the most successful one yet.

JAN SWENSEN

### ***Santa Barbara—Delta Psi***

Summer came in smiling for the brothers of Delta Psi this year. We all scattered for home with memories of a good year and expectations of an even better one to come.

Brothers Lottle, Tice, and Hawkins proved their power by gaining the positions of student body vice-president, senior class president, and representative at large, respectively. Three entries from the chapter, three victories for the chapter. We fully intend to keep up our reputation as campus leaders.

The chapter is in better shape than ever for this coming semester. Bob Magruder, Delta Psi alumnus, after several years in service, is returning to Santa Barbara College this fall as the College's publicity manager. The Delts of Delta Psi and other schools will benefit from this. Insofar as we did not lose many men by graduation last semester, and as all 12 of our pledges made their grades, we have a full and a powerful house for the fall of 1957.

Brother Bob Nezlep is in charge of rush this year and he goes at it in a big way. With Santa Barbara growing larger each year, the Delts and all other fraternities on campus must put out more of a program to attract qualified men. A system of mailing lists, house parties for prospective rushees, and personal contacts by the members, will combine to give Delta Psi a head start

with the outstanding men in the incoming freshmen class. Thanks are in order to Bob Nezlep and his assistants, Bob MacInnes and Bob Pope. They have done a great job of organizing.

MICHAEL ORTH

### ***Sewanee—Beta Theta***

Beta Theta opens its celebration of 100 years of Delta Tau Delta, 100 years of Sewanee, and 75 years of Delta Tau Delta at Sewanee with the opening of the school year 1957-58. The tentative schedule calls for the following celebration events: (1) A fall tea honoring Brother Frank A. Juhan, retired Episcopal Bishop of Florida, and distinguished alumnus (see June RAINBOW). (2) Homecoming week end in November. (3) Midwinter week end in February with Rainbow Ball and Banquet. (4) Banquet in March with a member of the Arch Chapter as featured speaker. (5) Annual Delt Parisian week end in the spring. (6) Spring meeting of the Northern Region of the Southern Division, and, (7) Centennial Commencement.

Brother Jack Horner is chairman of the centennial committee, composed of Brothers Peter Stoebe, Harvey Allen, and Battle Searcy.

At the end of the last school year, the Shelter underwent major outside repairs. The house was caulked and completely repainted in anticipation of coming events. Inside the Shelter the kitchen was repainted, and the hi-fi system was reinstalled in a more convenient location. Brother George Wallace, alumnus of nearby Chattanooga, gave material for the floor of the recreation room to add to the innumerable contributions that he has made to the chapter.

During commencement festivities the brothers remaining at Sewanee held a reception for alumni, parents, and guests. Among prominent alumni present were Brothers Michaux Nash, retiring president of the Associated Alumni at Sewanee, and Andrew Small, a vice-president-elect.

The chapter held a tea in honor of Brother George B. Myers, chapter adviser, and Mrs. Myers in May. Brother Myers was presented with a badge as a small token of the appreciation for his work with us.

The annual Delta Parisian week end was held the last week end in April. An informal dance was held at the Shelter on Friday night with a picnic and barbecue on Saturday afternoon. Saturday night the Parisian costume ball was held with several hundred persons packing the Shelter for the event.

Beta Theta's entry in the annual interfraternity Blue Key Sing, under the direction of Brother Frank Harrison, copped a second place award. The fea-

ture number sung was the "Gloria in Excelsis" from Mozart's *Twelfth Mass*.

Brother Steve Turner was elected to Phi Beta Kappa at the conclusion of the year. He and Brother George McCowen were two of a total of nine seniors elected to the organization. Brothers Turner, McCowen, and Harrison were graduated with the citation, *optime merens*.

Brother Robin Moore was elected to Pi Gamma Mu, social science honorary, before the end of the spring semester. Brother Walt George was elected to the Discipline Committee of the Order of Gownsmen, student governing body.

In the field of publications, Brother Battle Searcy was elected to the post of managing editor of the *Purple*, student newspaper. Brother Harvey Allen was elected photographic editor of the *Cap and Gown*, the school annual, for the second consecutive year. Brother George Kiker was elected assistant advertising manager of the paper, and Brother Sam Carleton will serve as cartoonist.

Brothers Jack Bomar and Bob Carter were elected to Highlanders, student social group. Brothers Bill Bullock and Battle Searcy were chosen to attend the National Canterbury Conference, a meeting of Episcopal college students.

Vacancies occurred in the posts of recording secretary and assistant treasurer during the spring semester. Brothers Robin Moore and Jack Horner, respectively, were elected to the positions.

The Deltas are expecting a big year at Sewanee and cordially invite all to our celebration events.

BATTLE SEARCY

### Stevens—Rho

With the end of the school term, school elections and honor society tapings held the spot light. The Delt house is well represented in these latter activities.

Bob Walker was elected president of the senior class and president of the student council. Bob Fiacco, secretary; Nick Rodoupolos, athletic representative; and Marshall Lipton, honor board representative, were the other members represented in the senior class elections. The junior class is represented by George Murphy, president and treasurer of the student council; and Bob Schwab, athletic representative. Joe Kaminiski was elected treasurer of the sophomore class.

The chapter was further honored with the initiation of Marshall Lipton and Bob Walker into Khoda. They represent two of four members now making up this senior honor society. The tapping of Bob Fiacco and Bob Schwab into Gear and Triangle brings the total Delt membership to five, including President Lipton and Vice-President Walker.

The Deltas have completed another

successful sports year by taking the IFC sports trophy for the seventh time in the past eight years. We are again in the lead for this year's trophy due to our capturing the softball crown. While taking these crowns our contributions to the school's varsity sports remained at a high level. Dick Klee was Tech's mound mainstay, while George Eckert was the stalwart of the team's fly chasers and hitters. It is the same story with lacrosse, Bob Leahy and Bob Schwab lead Tech's first and second midfields.

Our social calendar slackened off after spring sports week end with finals only two weeks away. This dilemma was naturally broken with a regular Saturday night party. With the successful conclusion of finals we finished another school year by throwing the annual senior picnic for our seven departing brothers.

GIL MORIN

### Syracuse—Gamma Omicron

*Tempus fugit*, as the saying goes, here in Syracuse these past few weeks. Among the high lights have been the campus carnival, Spring Week End, and Delt Week End.

At the Campus Chest (charity) Carnival, the Delt-Alfa Xi Delta booth was the scene of much activity as we raised money for Campus Chest to the tune of breaking dishes.

Delts' "Break-A-Plate" booth at Syracuse Campus Chest Carnival.

The following Spring Week End was spotlighted by our spring float entry entitled "Dimensions" which was a close contender for first place for one of the trophies, and the presence of our alums, among them Cliff Strait, Bill Markley, and Dan Russel. Also at the Shelter enjoying the buffet luncheon prepared by Mrs. "L" was Assistant Dean of Men Earle Clifford, representing the University administration.

Delt Week End was the climax to the last few weeks. Friday night was our annual formal, held at LeMoine Manor, where we danced to progressive jazz and enjoyed the beautiful sight of Onondaga Lake on a moonlight night. The next day we headed out to Ernie Dem-

ing's farm for a picnic, but because of rain we used Brother Tyminski's lodge on Oneida Lake where we toasted hot dogs and enjoyed the delicious salads prepared for us by Mrs. "L," our cook.

JACK THODEN

Winner in the first year's competition for the Beattie Award is Jack Thoden, this past year's president. This award is presented to the outstanding fraternity man at Syracuse on the basis of participation in intramurals and sportsmanlike character. During the past year, Jack participated in all intramurals except cross-country and ping-pong, and has been serving as intramural chairman of the Forestry College's senior class.

ERLING W. MAINE

### Texas—Gamma Iota

The University of Texas had a good year for spring sports, and Gamma Iota Deltas were found on the varsity baseball, track, swimming, golf, and tennis teams. Always a leader in intramural competition, Gamma Iota wound up a successful year by winning the all-university intramural championship.

One of the biggest social events of the year, the annual House Party at Fort Clark in south Texas, gave 47 Deltas and their dates a much needed break before the big push for finals. Some went by chartered bus, some by car, but everyone made the trip across the border to Villa Acuna, Mexico, for a night of play and sightseeing. The rest of the week end was taken up with horseback riding, swimming, and "just plain loafing."

A new interfraternity council ruling allows each fraternity on the Texas campus no more than two costume parties

*Gamma Iota Delt Brooks Patrick breaks the tape to win 880-yard run at the Southwest Conference track meet in Austin, Texas.*

in the fraternity house per semester, so we try to make these parties something to write home about. The Roman Party, our "last fling of the spring" was one of those. The living room was made into a Roman house, the dining room was the Colosseum, and the game room a dungeon.

This spring, Delts worked in campus politics as usual, and accomplished what most campus politicians thought impossible—running two successful campaigns at once. When the votes were counted, both Delts running were elected representatives in the student assembly, Bill Miller in business administration, and Richard Keeton in arts and sciences.

Excellent progress is being made toward the building of a new wing for the Shelter and a complete reconditioning of the present building. At the close of the fund raising on May 15, the total amount donated or pledged stood at more than \$125,000. The active chapter and pledge class together pledged over \$30,000, nearly all of which is being paid out on an installment plan. At the time of this writing (June), the architect is working on final plans, and we hope to start construction soon. And

we at Gamma Iota are looking forward to being host chapter for the Western Division Conference in the spring of 1959 with a Shelter less than a year old.

At this time, Rush Captain Richard Keeton has summer rush in full swing, with a rush captain for each principal Texas city supervising a series of rush parties for that particular area of the state.

BILL JACKSON

### ***Texas Christian—Epsilon Beta***

The school year 1956-1957 was a tremendous one for the Delts at TCU. Making a clean sweep of TCU intramural activities, Bob Roch elected vice-president of the student body, "Possum" Elenburg elected junior favorite, and Jon Cantrell elected sophomore favorite, were only a few of the many accomplishments that the Delts enjoyed.

In intramural competition the Delt football team was unscored on. Gene Haney, team captain, led all intramural scorers with 66 points. Jerry Ray, Robert White, Allan Coggan, "Possum" Elenburg, and Harry Aston paced the Delts to a third straight basketball title. Ray was top scorer on campus with 119

points. Jack King led the swimming team to another trophy by winning all diving events and several of the races. The year ended with the winning of the softball championship. Ray struck out 41 opponents in three games for a new school record. Warren Rudolph led the league in hitting.

TCU's Cotton Bowl football team of last year will depend this fall on Couch and Elenburg at ends and Littlefield and Bill Culpepper at the tackle positions. Epsilon Beta's Delts are planning a basketball tourney in December and plans are to invite fraternities from all over the State of Texas to compete.

Rush is the main thought as the new school year is opening.

DAVID FREEMAN

### ***Tulane—Beta Xi***

Every year at Tulane a campus carnival is held at which all the sororities and fraternities enter booths to raise money for charity. The fraternity turning in the most money wins first prize. The Beta Xi's copped first place with the raffling of a 1937 Plymouth sedan. The golden painted car was placed in a booth decorated as a used car lot, with pennants and signs. Needless to say the booth was a tremendous success.

Soon after campus carnival a party for all Beta Xi's, actives and especially alumni, was held. This was a particularly memorable party for it was the last to be held in the old Shelter. Although the alumni were sorry to see the old Shelter sold they joined in with the rest of the chapter in celebrating the move. The remodeling of the new house is to take place during the summer so that it will be ready for September. Rush plans have been finalized and the chapter, led by Rush Chairman Jimmy Larose, is looking forward to a successful rush week and a fine pledge class.

BYRON RUTH

### ***Wabash—Beta Psi***

Beta Psi wound up the intramural season by walking away with the big first place trophy, making a total of six new trophies in the Shelter this year. The others were for first places in football, basketball, bowling, golf, and outdoor track. In addition to this, the softball team tied for first place in IM competition.

The big event of the year was the Larry Sheaffer Day dinner held on May 25 in the Campus Center. Over 100 were there to honor Larry for his 35th anniversary as Beta Psi chapter adviser, a record in the history of Delta Tau Delta. Among those present were Francis Hughes, Edwin H. Hughes, III, and Dr. Byron Trippet, president of Wabash College. Marshall Pipin was toastmaster for the affair, and Carter Tharp, speak-

ing for the House Corporation, told of the plans for building an addition on the Shelter next year. The banquet was completed in traditional style with Larry leading a "Delt Walkaround."

In campus activities Fred Pipin was elected as president of the IFC, succeeding Brother Hank Sheldon in that capacity. Also, John Pence, president of the house, was honored by being elected to Blue Key. John Nemeth was initiated into Alpha Psi Omega, national dramatics society, and Bob Smith and Joe Spurgeon were initiated into Pi Delta Epsilon, a journalistic fraternity. John Stiles set a precedent by becoming the first sophomore ever to handle the business affairs of the Wabash yearbook. Tom Dewey, last year's business manager of the yearbook, was elected to the Board of Publications.

On June 7, Beta Psi initiated eight more men into Delta Tau Delta.

In varsity athletics Butch West and John Johnson won their letters in track and tennis, respectively, while in baseball Bobby Mace won his letter and John Stiles won a numeral award.

JIM KIPP

#### *W. & L.—Phi*

Recent campus-wide elections again found members of Phi Chapter filling important campus posts. Arnold Groobey, a rising senior from Norfolk, Va., was elected president of the student body. The confidence placed in him by the members of the student body are well founded as this popular young man has been a member of the Freshman Honor Society, a dormitory counselor, head of the 1956 University Religious Conference, an honor roll student, and member of several important university organizations. Along with Groobey, Junior Corky Briscoe was elected president of the 1957 Fancy Dress Ball. The importance of this post ranks second only to that of student body president and the Louisville, Ky., junior proved himself more than competent for the job with his various accomplishments in the fields of athletics, academics, and extra-curricular activities.

The third Delt to be elected to a campus post was Andrew McThenia, who was elected vice-president of the Science School. McThenia, an honor roll student from Alderson, W. Va., won the election in a second session of voting. The first time the votes were cast, he and his opponent tied. But the second time around there was no doubt who the people's choice was as he took his opponent by an almost two to one margin.

Elections weren't the only place members of Phi Chapter were making their mark on campus. Harry Brunett, a senior from Baltimore, Md., rose to the po-

W. & L. Delts DON FOWLER and CORKY BRISCOE, kneeling, and CHUCK CRAWFORD and BILL BOYLE.

sition of Dance Board manager for the coming year. It will be Harry's responsibility to obtain the bands and help run the four dance sets in the coming year. With such a competent man in this important position, Washington & Lee is assured of having good dances next year.

A quick roundup of other accomplishments shows members of Phi Chapter in these posts and activities. Bill Towler was appointed head of the University Religious Conference for the year. Zack Blailock will edit the Phi Chapter newspaper. Jim Lewis, Andrew McThenia, and Bill Towler were appointed freshman dormitory counselors for this year.

In the world of sports, four intercollegiate trophies went to Phi Chapter for having the best participation on these teams. We won the soccer, lacrosse, wrestling, and football trophies and finished second or third in the competition for all the rest. As a result of this active participation, we won the over-all trophy for having the best player participation in all intercollegiate sports.

WILLIAM A. TOWLER, III

### Wesleyan—Gamma Zeta

When spring came to the Wesleyan campus, the Delts were infected with spring fever just as everyone else. We started off the season's festivities on May 3 with spring parties. The three-day week end consisted of a jazz concert Friday night, a "serious" dance Saturday evening in the Shelter on the theme of *Guys and Dolls*, and an afternoon of jazz Sunday. A great many Delts brought up their best girls and participation was enthusiastic as usual. On Saturday morning a new Wesleyan tradition was established—the Dirty River Day. Each fraternity built a boat to be manned by no more than ten nautical experts, and a race was held on a nearby lake. No weapons were permitted, but the Delts managed to sabotage three rival craft and bring their own in second.

Wesleyan graduated nine Delt seniors on June 8 in the year's annual commencement exercises. To give them a good start in the life ahead of them, a banquet was held June 7, and 48 returning alumni attended. After the dinner the alumni and the brothers got together to look at the Karnea film and reminisce old times.

Finally something has been done about the "covered-wagon" track we used to call a driveway and the "mud-bath" known as the parking lot behind the Shelter. Beginning on June 3 bulldozers and hordes of laborers descended on the grounds and left behind them a spanking-new macadam driveway and a gravel-surfaced parking lot. No more mud-splotted dates straggling up to the Shelter on rainy week ends!

The Delts of the class of 1958 had an active summer. Brothers Phil Jennings, Pete Leermakers, Gerry Dyer, and Dick Donohue were given \$400 grants to do summer study in specialized fields under the new, experimental Wesleyan program. Phil did research in economics, while Peter experimented with organic complexes. Gerry was in Indiana with a geologic survey and Dick studied opera in New York. Pete and Dick are both candidates for Distinction degrees this year, the summer's work being preparatory to that end.

JESSE G. HAFFER, JR.

### Western Reserve—Zeta

Once again the Delts proved themselves to be the top fraternity on Reserve's campus by receiving most of the honors given at the May Day honors chapel. Larry Seidl, one of the top seniors in his class, and probably the most versatile boy ever to be graduated from Reserve, received the highest honors. He got the Litwak trophy based upon athletics, Thwing and Warion tro-

phies based upon leadership, scholarship, and activities. Larry Weiss, Edward Leckey, and Ed Sarbiewski were tapped for Omicron Delta Kappa, and shortly after that, Larry Weiss was elected president. He also received the IGA Senior Prize, which is a full year's tuition. The outstanding freshman award was shared by two Delts this year. They were Al Robinson and Pat Walsh. In addition to these awards John Gigax was elected vice-president of Phi Society and Biology Club. Craig Ryder was made president of S.C.U.

The Zetamen have again done a fine job in intramurals, and were probably far enough ahead of the Betas to win the all-sports trophy. In the tennis competition Joe Strong went into the finals before losing to a professional student for the university championship. Bud Corry, Pete Nintcheff, Joe Plew, and Dave Marshall also won several games. Harry "Doc" Gallagher has finally found a sport in which he can excel. He made his way to the finals in horseshoes. Ken Webster also won a position in the finals.

The school year was concluded with the spring formal held at the Hillbrook Country Club near Gates Mills. The club was made available through the efforts of Jack McLeod. A buffet supper was served at the Shelter to get the evening's activities under way. The favors, which the girls enjoyed very much, were gold bracelets with music boxes attached.

PAUL MODIE

### Wisconsin—Beta Gamma

The Delts at Beta Gamma ended the spring term with a fast moving and in-

Wisconsin's new initiates.

teresting schedule. It started off with the traditional week of games and interesting side lights. At the end of the week 11 pledges were officially welcomed into the brotherhood of Delta Tau Delta. Putting up the pier was the next order of business. After a week of sore backs, diving after sunken sledge hammers, and unexpected dunkings in the lake, we were one of the first to have our pier up and ready for the sun-worshipping brothers.

Edwin N. Lewis, '16

GEORGE P. KERR, *Western Reserve*, '95, was the oldest living alumnus of Zeta Chapter until his death on May 19, 1957. Mr. Kerr was a teacher in the public schools of Cleveland, Ohio, from approximately 1900 until 1938. For the next ten years he taught mathematics at Fenn College. He was a member of the School Masters Club and other teacher organizations.

★

VICTOR M. HERRICK, *Akron*, '94, died at his home in Akron on May 12, at the age of 84. He was a life member of the Akron Alumni Chapter. For many years he was a partner with his brother in the pioneer Akron firm of Herrick & Sons China Company. Mr. Herrick was a member of the First Methodist Church of Akron, the Summit County Historical and Horticultural Society, and an authority on the early history of Akron. He is survived by his widow and two sons.

★

DONALD E. BEACH, *Ohio Wesleyan*, '04, assistant treasurer of the Pittsburgh Pirates Baseball Club, died May 16, 1957. Formerly a bank executive in St. Petersburg, Florida, Mr. Beach had been associated in baseball for the past 27 years with his close friend and classmate, Branch Rickey, *Ohio Wesleyan*, '04. While he was president of the Columbus Red Birds in the American Association, (Continued on Page 36)

 174. Wilford A. Phelps, '60, Malibu, Calif.  
 175. Richard H. Sinclair, '60, Santa Barbara, Calif.  
 176. Donald S. Magill, '58, Delano, Calif.  
 177. James M. Comstock, '58, Santa Barbara, Calif.  
 178. Hugo W. Quackenbush, '59, Santa Barbara, Calif.  
 179. Michael P. Orth, '58, Santa Barbara, Calif.  
 180. Bruce S. McCurdy, '58, Santa Barbara, Calif.

## DELTA OMEGA—KENT

260. David J. Miletich, '59, Cuyahoga Falls, Ohio  
 261. Jan S. Mason, '59, Warren, Ohio  
 262. Edwin A. Grinter, '59, Cuyahoga Falls, Ohio  
 263. Terrence J. Walsh, '60, Akron, Ohio  
 264. Roland C. Fish, '60, Lodi, Ohio  
 265. Kenneth A. Spencer, '59, Cuyahoga Falls, Ohio  
 266. Robert N. McBee, '59, Akron, Ohio  
 267. Maynard A. Jordan, '60, Akron, Ohio  
 268. William F. Lance, '60, Barberton, Ohio  
 269. Gordon C. Hill, '59, Chagrin Falls, Ohio  
 270. Robert M. Culley, III, '59, Kent, Ohio

## EPSILON ALPHA—AUBURN

79. John R. Thomason, '59, Birmingham, Ala.  
 80. Charles M. Love, '60, Birmingham, Ala.  
 81. Joseph M. Wolfe, Jr., '60, St. Augustine, Fla.

## EPSILON BETA—T.C.U.

53. Elton L. Couch, '59, Ft. Worth, Texas  
 54. Louis Dorfman, '59, Longview, Texas  
 55. Frank C. Traweck, '60, Matador, Texas

## EPSILON GAMMA—WASHINGTON STATE

14. William L. Davies, '59, Metaline Falls, Wash.  
 15. John N. Abelson, '60, Tacoma, Wash.  
 16. James E. Johnson, '60, Vancouver, Wash.  
 17. Thomas P. Askew, '59, Aberdeen, Wash.  
 18. Charlie M. Lucas, '60, Tacoma, Wash.  
 19. Damon D. Elliott, '59, Quincy, Wash.

## Delt Chapters

(Continued from Page 32)

What have we done in the way of campus activities? We got together with the Chi Omegas to take a second place in the annual "Campus Carnival" with our booth called "Universe Unlimited." After "Campus Carnival," we went on, under the direction of Donald Jefferson, to take a second place in the Greek division of "Tournament of Song." Both events were fun and all the brothers turned out to support us.

Alumni week end at the Shelter saw

the return of 65 alums; many of them accompanied by their wives. The activities started with a reception downstairs and then moved upstairs to the dining room for a buffet supper. After supper the group went to the house of a Madison alum to round out the evening.

At the last supper of the year with the Pi Beta Phis, everyone had an exceptionally good time. As the evening progressed and spirits grew lighter, it was decided that all the Pi Phis ought to be watered down. In the hour and a half that followed, a battle raged which ended with all the girls and all the Deltis swimming in the chilly waters of Lake Mendota. To top off the week end we had our last big fling of the year. It was an outdoor steak fry which started at 4:30 in the afternoon and lasted until 12:00 p.m. At 6 o'clock the charcoal grilled steaks were served and then the party moved inside the Shelter to dance to the music of a six piece dixie bash. It was a huge success.

Mrs. Lambert has left us after a wonderful three years as housemother. "Lammy" did a terrific job as mother, friend, and helping hand to all the brothers. We are welcoming Mrs. Consigny, who is stepping into "Lammy's" shoes and who we are sure will be a great asset to the chapter.

JOHN F. MCGOWAN

## Chapter Eternal

(Continued from Page 33)

Mr. Beach was chapter adviser for Mu Chapter at Ohio Wesleyan.

He was the son of Emery C. Beach, Ohio Wesleyan, '79, one of the original reactivators of Mu Chapter. Among his Delt relatives are his brother, Paul A. Beach, Ohio Wesleyan, '08, his son-in-law, Francis M. Hughes, Ohio Wesleyan, '31, President of the Fraternity, and his grandson, Donald E. Hughes, Ohio Wesleyan, '58. He is survived by his wife, Estelle Beach, and his daughter, Bettina Beach Hughes.

★

WALTER R. REITZ, West Virginia, '09, died on June 1, in Oil City, Pennsylvania. He had recently retired as chairman of the board of directors of Quaker State Oil Refining Corp., a position he had held since 1955. Prior to his election as chairman of the board he had been executive vice-president and president of the corporation. A director of the Oil City National Bank since 1934, he was chairman of the board at the time of his death. Mr. Reitz was also chairman and secretary of the Oil City Hospital board of directors, was active in the manage-

## Chapter Eternal

(Continued from Page 36)

ment of the Pennsylvania Grade Crude Oil Association, and a member of the board of directors of Curtis Publishing Co.

★

O. WILLARD FRIEBERG, *South Dakota*, '22, formerly vice-president of the Western Division, died at his San Leandro, California, home on June 2, 1957. He was vice-president of the American Trust Company, San Francisco, and had been associated with that institution since receiving his master's degree from the University of California in 1925. Mr. Friberg was a past president of the National Retail Credit Association and was active in civic affairs in San Leandro. In addition to the widow, he is survived by two sons.

# Delta Tau Delta Fraternity

Founded at Bethany College, Bethany, Virginia (now West Virginia), February, 1859

Incorporated under the laws of the state of New York, December 1, 1911

Charter Member of the National Interfraternity Conference

## Founders

## *The Delta Creed*

- I BELIEVE in Delta Tau Delta for the education of youth and the inspiration of maturity, so that I may better learn and live the truth.
- I BELIEVE in Delta Tau Delta as a shrine of international brotherhood: her cornerstone friendship, her foundation conscience, her columns aspiration, her girders self-restraint, her doorway opportunity, her windows understanding, her buttresses loyalty, her strength the Everlasting Arms.
- I BELIEVE in Delta Tau Delta as an abiding influence to help me do my work, fulfill my obligations, maintain my self-respect, and bring about that happy life wherein I may more truly love my fellow men, serve my country, and obey my God.
