88th Chapter Installed at Arizona

By GARY L. HYDE, *Epsilon Epsilon*, '60

ON APRIL 11, 1959, some 100 persons assembled in the Student Union Memorial Building, University of Arizona, to welcome the latest addition to Delta Tau Delta. Twenty-three men were initiated as charter members of Epsilon Epsilon, the eighty-eighth undergraduate chapter of the Fraternity. The evening banquet marked the high point of two days' activities, centering about the UA campus and the Shelter.

Many notables were present, including five members of the Arch Chapter: Francis M. Hughes, President; Robert W. Gilley, Vice-President; Robert L. Hartford, Secretary of Alumni; Howard D. Mills, Treasurer; and George A. Fisher, Jr., President of the Western Division.

Also in attendance were: Hugh Shields, Executive Vice-President, Central Office; John W. Nichols, former Western Division President, Secretary of Alumni, and Secretary of the Fraternity; Norman MacLeod, former President of the Fraternity and currently a member of the Committee of the Distinguished Service Chapter; Daniel W. Ferguson, Gamma Alpha, '09, who was attending his seventh in-

stallation service; and Zach K. Brinkerhoff, Delta, '04.

In addition to these dignitaries the entire alumni chapter from Tucson was present, as well as numerous guests representing the University and other important groups. Dr. Francis M. Roy, Dean of the Liberal Arts College, attended on behalf of the University's President, Dr. Richard A. Harvill. Dr. Roy delivered a very informative speech, reflecting the Administration's admiration for Delta Tau Delta. A. Louis Slonaker, Dean of Men, and Dr. Darold L. Shutt, Assistant Dean of Men and Special Advisor to Fraternities, both enjoyed the evening ceremonies, with Dr. Shutt receiving special recognition for his assistance to the colony group.

Registration for the week end's activities began on Friday, April 10, at the Shelter, situated near the southwest corner of the campus. In the evening, Hugh Shields conferred with the undergraduates as to their eligibility and other pertinent matters. An alumni party was held at the Tucson Country Club, beginning at 6:30 p.m. This affair was well attended, and the guests were pleased at the arrival of

Accepting the Charter for Epsilon Epsilon from ROBERT GILLEY are GARY HYDE and BILL POTTS.

the Honorable Tom C. Clark, Justice of the United States Supreme Court and loyal alumnus of Delta Tau Delta. Justice Clark made an earlier visit to the Shelter to meet and talk with the boys.

Beginning at 10:00 a.m., Saturday, April 11, and continuing until 4:00 p.m., were the formal pledging and initiation ceremonies. The rites were very capably carried out by an initiation team from Delta Psi Chapter at Santa Barbara College, Santa Barbara, California. Dr. Paul A. Jones, chapter adviser, very successfully directed a well-prepared undergraduate

Charter Members: L. to r.—back row: DULL, CAUGHLIN, HENSON, YOUNG, STONE, KEMMERER, MCARTHUR, POTTER, TRUEBLOOD, DUSSAIR, ROBERTS. Front row: WILLIAMS, MASTERS, RICHARD, MONTGOMERY, JAMES, OSTERMAN, SCHOOP, REHFELDT, CARTER, POPKEY. Kneeling in front with Charter: HYDE, LOCKWOOD, POTTS.

GEORGE FISHER presenting CHARLES MASTERS his Membership Certificate.

JIM LOCKWOOD and Justice CLARK in a Jaguar.

team headed by George Springosky, Jr., chapter president.

The pledging ceremony was supervised by William W. Jenney, Jr., Delta Psi, '52, and Douglas O. McGoan, Jr., Delta Zeta, '48, both members of the Tucson alumni group. The entire proceedings were very well attended, and an admirable aura of "Deltism" prevailed.

Following a short break, the installation banquet began at 5:30 p.m. This was held in the Senior Ballroom of the Memorial Building, which is located near the heart of the University campus. Following an excellent steak dinner, the evening program was opened under the direction of James T. Lockwood, Gamma Lambda, '35, President of the Tucson Alumni Chapter and adviser to the undergraduate chapter.

Brother Lockwood first introduced the many distinguished guests, and then gave the floor to George Fisher, who presented the Membership Certificates. Then Robert Gilley presented the official charter to William D.

Potts, president of Epsilon Epsilon, and Gary L. Hyde, past president of the Crescent Club. Brother Potts, speaking for the undergraduate group, delivered a short address of acknowledgment and gave notice that the chapter would do its very best to become one of Delta Tau Delta's finest.

Brother Hyde then proceeded to give special recognition for past performance and service to James Lockwood. "Jim," as he is known to all the boys, was very much responsible for the colony's success. He is very popular with the undergraduates as well as with his own alumni group. The boys presented him with an engraved lighter and a scroll plaque, which will hang in the Shelter as a reminder to future Arizona Deltas.

A salutatory was given by Dr. Darold L. Shutt, Assistant Dean of Men at the University. Dr. Shutt pointed out that by meeting the requirements set forth by the University and by the Interfraternity Council, which was adjudged second best in the nation in 1957, the Crescent Club had shown

Arizona's Memorial Union

ample evidence of its ability and willingness to work. He evidenced great pleasure at having a national fraternity such as Delta Tau Delta receive the colony into its membership, and predicted a relationship of harmony between the University and the Fraternity.

As mentioned earlier, an address was given by Dr. Francis A. Roy, representing the University Administration. Then President Hughes spoke on the general theme of each Delt's obligation to his Fraternity, as well as of the many rewards available for those men who participate.

The program was concluded with the singing of "My Delta Shelter," and the majority of guests departed for the Shelter, which was the scene of an open house. Refreshments were served, and the brothers, old and new, enjoyed each others' company.

The University of Arizona was established by the territorial legislature in 1885, with construction beginning in 1887. In the fall of 1891 the institution opened its doors to 31 men and women. Today the physical plant of the University is valued at over fifty million dollars and covers a total area of 90 acres. There are more than 10,000 students currently enrolled.

Campus scenes at the University of Arizona.

The University includes Schools of Agriculture, Architecture, Home Economics, Business and Public Administration, Education, Engineering, Fine Arts, Music, Liberal Arts, Mines, Pharmacy, and Law. Presently the Greek system boasts 24 fraternities, plus 2 locals, and 14 sororities. The Administration believes in encouraging expansion of the system, and is confident in its choices of nationals selected to enter.

It was in May of 1957 that Delta Tau Delta first began proceedings to establish an alumni chapter in the Tucson area. Aided by the Los Angeles alumni, the first meeting was held in June that year with more than 40 Delt alumni and University officials present.

When the University was approved as a field for expansion, a colony was soon on its way with twelve pledges and plenty of excellent alumni support. Since then the colony has moved far and fast. In the fall of 1958, it acquired a shelter and began full participation in all Greek and campus activities. For the past three semesters, it has won the coveted interfraternity scholarship cup for scholastic excellence, in addition to performing admirably in intramurals and many other competitions.

At this time the chapter has 22 actives and 10 pledges. The entire group has achieved a significant solidarity and hopes to continue its past success into the future. The chapter welcomes all Deltas, alumni or undergraduates, to visit at the Shelter whenever possible, and requests that any Deltas having news of possible rushees please communicate with the rush chairman. The address is: Epsilon Epsilon of Delta Tau Delta, 598 N. Park Ave., Tucson, Arizona.

Pictured to the left, top to bottom, are: past and present Arch Chapter Members JOHN NICHOLS, GEORGE FISHER, ROBERT GILLEY, NORMAN MACLEOD, FRANCIS HUGHES, ROBERT HARTFORD, HOWARD MILLS, and Executive Vice-President HUGH SHIELDS.

Epsilon Epsilon pledges are, top: HOUSEHOLDER, THWAITES, COOLEY, and FREEMAN. Kneeling: PEDERSON, WARDRIPE, SMITH, and WHITTLESEY.

National Capital Alumni Set Founders Day Pace

By W. GORDON GEMENY, *Maryland, '51*

THE PAST SEVERAL months have witnessed the celebration of Founders Day in many alumni chapters and undergraduate chapters across the nation. Some of these are small, informal affairs. Others are full-scale banquets with all of the trimmings. It has become a tradition for the National Capital Alumni Chapter to have one of the latter-type affairs. This year was certainly no exception. In celebration of the 100th anniversary of the Fraternity the National Capital Deltas assembled in the main ballroom of the National Press Club on April 3. More than 200 Deltas were in attendance. In addition to the alumni, the members of the undergraduate chapters at George Washington University and at the University of Maryland were very much in attendance.

Delts came from Texas, Massachusetts, New York, Pennsylvania, Delaware, Maryland, and Virginia, as well as the District of Columbia, to help celebrate the anniversary.

General chairman of the dinner committee was Robert E. Newby, *George Washington, '24*, secretary-treasurer of the alumni chapter. With Bob Newby serving in this capacity, the entire celebration was destined for success from its inception. Ray Dickey, *George Washington, '38*, Washington attorney, steered the program as master of ceremonies in his usual entertaining style. Getting the program off to a fast start was the spirited singing, performed by the undergraduate chapters. Fred B. Smithwick, Jr., *George Washington, '55*, flew in from Texas to lead the as-

sembled Deltas in group singing of the familiar Delt songs. He was accompanied at the piano by John S. Toomey, *George Washington, '51*.

The high light of the evening was the address given by past President of the Fraternity, G. Herbert McCracken, *Pittsburgh, '21*. Mr. McCracken chose as his theme a review of the Fraternity's "Century of Progress." It was a most interesting and inspiring address.

Annual presentations of awards were made to outstanding members of the undergraduate chapters. Brother Loy W. Henderson, *Northwestern, '15*, presented one of the awards to William W. Lewis, *Delaware, '60*. Congressman Richard M. Simpson, *Pittsburgh, '23*, made the presentation of the "Pappy Lipscomb" award to

13

15

Pictures on the preceding page, and above, were taken at the National Capital Alumni Chapter's Founders Day Banquet. They are identified as follows: No. 1. Delta Sigma Chapter leads off the entertainment program. No. 2. G. HERBERT MCCracken, *Pittsburgh, '21*, the principal speaker. No. 3. Gamma Eta Chapter renders a few selections. Nos. 4 and 6. Sixteen Deltas with more than half a century of membership in DTD. Nos. 5 and 8. ROBERT E. NEWBY, *George Washington, '24*, receives a gift from Maj. Gen. EDWIN P. PARKER, *George Washington, '12*. No. 7. Hon. LOY W. HENDERSON, *Northwestern, '15*, presents an award to WILLIAM W. LEWIS, *Delaware, '60*. No. 9. Congressman RICHARD M. SIMPSON, *Pittsburgh, '23*, congratulates CAMDEN R. McATEE, *Indiana, '06*, for winning the Delt longevity contest. No. 10. Congressman SIMPSON presents the "Pappy Lipscomb Award" to BERNARD M. DEGEN, '60, outstanding undergraduate of Gamma Eta Chapter. No. 11. Toastmaster RAY R. DICKEY, *George Washington, '37*, introduces BOB NEWBY, secretary-treasurer of the National Capital Alumni Chapter. No. 12. Maj. Gen. EDWIN P. PARKER presents one of the gold 50-year certificates to LOUIS W. LAUDICK, *Kenyon, '07*. No. 13. Justice TOM CLARK, *Texas, '21*, presents an award to EDWARD ST. JOHN, *Maryland, '61*. No. 14. JIM JENNINGS, '60, vice-president of Gamma Eta Chapter, presents a scholarship award to PARKE AVERY, *Gamma Eta, '62*. No. 15. MELVIN L. BRENNEMAN, *Gamma Eta, '51*, receives a gift for services rendered the active chapter at George Washington University.

Bernie Degen, *George Washington*, '60. United States Supreme Court Justice Thomas C. Clark, *Texas*, '21, presented a plaque to Ed St. John, *Maryland*, '61. Melvin L. Brenneman, *George Washington*, '51, was presented a gift in appreciation for services rendered by him to Gamma Eta Chapter. Parke Avery, *George Washington*, '62, was the recipient of an award for scholarship presented by Jim Jennings, *George Washington*, '60, the vice-president of the chapter.

One of the features of the program was the presentation of Fifty-Year Certificates to those members in attendance who had enjoyed over half a century of membership in the Fraternity. Major General Edwin P. Parker, *George Washington*, '12, retired provost marshal general of the Army, presented the gold certificates to: Dr. Daniel L. Borden, *George Washington*, '12; Charles C. Ertz, *Cornell*, '06; Louis W. Laudick, *Kenyon*, '07; Dwight E. McQuilken, *West Virginia*, '05; Ellis R. Patterson, *DePauw*, '12; and William W. Vaughn, *Virginia*, '07. Ten Delts who received their Fifty-Year Certificates a year ago were also in attendance this year.

For years "Mr. National Capital

Pictured above are the more than 200 alumni and undergraduate Delts gathered at the National Press Club in Washington, D. C., on April 3, to celebrate the 100th anniversary of the Fraternity at the annual Founders Day Banquet of the National Capital Alumni Chapter. Standing to the right rear of the picture are the distinguished Delts who sat at the speaker's table and participated in the program at this memorable and noteworthy celebration.

Delt" has been Bob Newby. He has not only given freely of his time and many talents to the programs and activities of the alumni chapter, he has also contributed more than generously to the activities and programs of the chapters located at George Washington and at Maryland. As a token of the appreciation of the assembled Delts for all that Bob has done so well over the years, a surprise presentation of a silver chafing dish was made to Bob, by General Parker.

A tape recording of the entire evening's proceedings was made. Everyone in attendance enjoyed an evening of inspiration, reflection, and that wonderful Delt fellowship. The National Capital Founders Day celebration may not have been the biggest and best one held throughout the Fraternity, but it would be impossible to convince any of those Delts assembled at the National Press Club on April 3 that it was anything but one of the biggest, and certainly one of the very best.

DSC Cites Loy W. Henderson

Mr. HENDERSON, left, receives Citation from Past President McCracken.

A Distinguished Service Chapter Citation was presented to Deputy Undersecretary of State in Charge of Administration LOY W. HENDERSON, *Beta Pi*, '15, at the National Capital Founders Day banquet on April 3. The presentation was made by past President G. HERBERT MCCracken, *Pittsburgh*, '21. The text of the Citation follows:

LOY W. HENDERSON

Beta Pi, '15

Deputy Undersecretary of State for the United States of America; who has represented his country so ably in all capacities of its foreign service from vice-consul to ambassador plenipotentiary, and in so doing has never failed to demonstrate his continued loyalty and devotion to Delta Tau Delta; exemplifying the principles enunciated in the Delta Creed. He has maintained active contact with the National Capital Alumni Chapter where his counsel and advice has been freely and generously given to young Delts entering the diplomatic service. Within the past year, in recognition of his outstanding accomplishments in the field of

(Continued on Page 178)

Bishop Juhan Installed as Sewanee Adviser

By BATTLE S. SEARCY, III, *Beta Theta, '59*

BROTHER FRANK A. JUHAN, *Beta Theta, '11*, was installed as adviser to Beta Theta Chapter in impressive ceremonies at a formal meeting of the chapter on April 14, 1959. The ceremony of installation was conducted by Brother George B. Myers, *Pi, '03, Beta Theta, '07*, retiring chapter adviser.

The Fraternity designated three areas for recognition at the Centennial Karnea by honoring three categories of people at the Recognition Luncheon—first, those men who have distinguished themselves as leaders in their respective vocations; second, those men who have been elected to the Distinguished Service Chapter for their leadership and service to the Fraternity; third, those men who serve as advisers to the undergraduate chapters.

It is distinguishing enough to be recognized in any one of these areas, rare to be recognized in two of them, and indeed even more rare to be recognized in all three. This last situation is true of Bishop Juhan. In the first area he is recognized in the field of religion as fourth Episcopal Bishop of Florida, and, upon his retirement in 1956, as the senior active bishop in the Protestant Episcopal Church. In the second area he was recognized some years ago by selection to the Distinguished Service Chapter. He has most recently been recognized in the third area upon officially assuming the advisership of Beta Theta Chapter.

Bishop Juhan was initiated at Beta Theta Chapter in March, 1908, and was elected vice-president in less than a month. He served as president and treasurer simultaneously for two terms.

Brother Juhan is now living at Sewanee and is serving as Director of Development after his retirement as Bishop of Florida. In 1957 the Juhan Gymnasium was named in his honor by the Board of Regents of the University of the South in recognition of his ability as an athlete and his service to the University. He served as Chancellor of the University for one six-year term; this capacity is equiva-

Bishop JUHAN, standing fifth from right, and Rev. MEYERS seated at right, with Beta Theta alumni and undergraduates.

Retiring Adviser MEYERS reads THE RAINBOW and, right, Adviser JUHAN studies the Beta Theta Chapter Charter.

lent to chairman of the board of trustees. As an undergraduate he was selected for honorable mention All-American center in football and was a four-sport man.

The Rev. Dr. George B. Myers, retiring adviser, assumed his position for a three-year period even after his retirement from active teaching and served the Fraternity with distinction. He is Professor Emeritus in the School of Theology of the University of the South. The chapter saluted him with a standing ovation and resolution at

the conclusion of the ceremonies. Dr. Myers, as well as Bishop Juhan, appears in *Who's Who in America*.

In the installation address Bishop Juhan reminded the members of their responsibilities in a brotherhood and suggested working for a response to our efforts in behalf of the Fraternity. He pointed out his responsibilities as a brother and, in turn, asked the chapter to work together to fulfill its responsibilities. The Bishop was greeted with a standing ovation after his for-

An Arabian Adventure

By Two Beta Pi's

EDITOR'S NOTE: *The following story was told at one of the monthly luncheons held by the National Capital Alumni Chapter when Brother Henderson was the speaker and Col. Garver was in the audience.*

The twin-engined executive aircraft of the U. S. Air Attaché to Iran droned along a mile high over the desert sands of central Arabia. At the controls, Major (now Lt. Col.) Carl P. Garver, suddenly became aware that the hypnotic effect of the vast desert area had nullified conversation for perhaps too lengthy a period of time and he accordingly turned to

The two diplomats were on their way to visit King Ibn Saud, the dour and dour ruler of all Arabia. In accordance with custom, and to a certain extent the orders of his majesty, both of the Americans were garbed in Arabic apparel. The voluminous folds of their skirts swept airily about the cockpit rendering attention to the instruments and controls somewhat questionable from time to time. The roped headress of the pilot supported the radio earphone giving him a bizarre appearance—as if one of the participants of Hegira of 722 A.D. had moved back into the 20th cen-

Two Beta Pi's: LOY W. HENDERSON, left, and Lt. Colonel CARL P. GARVER.

his VIP passenger who was then sitting in the co-pilot's seat for a better view of the nonchanging scene.

"Sir, which university did you attend back in the States?"

His passenger, Assistant Secretary of State Loy W. Henderson, turned to shout above the noise of the engines—"Northwestern University."

tury and chanced upon the electrical section of a Sears and Roebuck catalogue.

"Northwestern University! Well, so did I. I often think that that was the high point of my life. It was academically rough but at the same time, there was Lake Michigan, the

(Continued on Page 179)

Three New Division Presidents Elected

THE DIVISION Conferences held this spring saw the election of three new Division Presidents. The Northern Division Conference, held in Indianapolis, Indiana, elected as its President, Edwin L. Heminger, Ohio Wesleyan, '48. The Eastern Division Conference, held in Philadelphia, Pennsylvania, elected as its President, William P. Raines, Pittsburgh, '48. The Southern Division, meeting in Gainesville, Florida, elected as its President, James S. Shropshire, Kentucky, '29. The Western Division, meeting in Austin, Texas, re-elected George A. Fisher, Jr., Purdue, '33, for a second two-year term.

Karne as Secretary of Alumni of the Fraternity. An unusually active vice-president, the appointment and subsequent election of Edwin L. Heminger to the Division presidency was a choice both logical and desirable. He formerly served the Fraternity as a field secretary and now makes his home in Findlay, Ohio, where he is engaged in the newspaper business.

President Raines, too, is a former Division vice-president. He will be remembered for his active role in the Centennial Karnea at Pittsburgh last summer, which he served as publicity chairman. He also undertook, in outstanding fashion, the task of writing

been chapter adviser of Delta Epsilon Chapter at Kentucky for many years. In his position as chapter adviser, he is familiar with the operations and procedures of the Fraternity and has played an active role in the work of both the Southern Division and the Fraternity. For these accomplishments he was cited to the Distinguished Service Chapter on May 19, 1951. His home is in Lexington, Kentucky, where he is engaged in extensive farming operations in the blue grass country.

Not only the three Divisions, but the entire Fraternity, are fortunate to have men of the stature and caliber of

EDWIN L. HEMINGER

WILLIAM P. RAINES

JAMES S. SHROPSHIRE

President Heminger, for several years vice-president of the Northern Division, was appointed as President of the Northern Division last fall, following the election of Robert L. Hartford, Ohio, '36, by the Pittsburgh

the advance articles on the Karnea which appeared in *THE RAINBOW*. President Raines is engaged in the advertising business in Pittsburgh.

President Shropshire has served the Division as vice-president and has

Ed Heminger, Bill Raines, and Jim Shropshire assume the presidencies of the Northern, Eastern, and Southern Divisions of the Fraternity, and to take their places as members of the Arch Chapter.

An Arabian Adventure

(Continued from Page 178)

Edgewater Beach Hotel, Michigan Boulevard, and all that. Well, that's something. By the way, Mr. Henderson, were you affiliated while at school? I mean, did you belong to any fraternity?"

"Why yes, Carl. I was a Delt. I belonged to the Delta Tau Deltas. What about yourself?"

"Mr. Henderson, this is something. I was a Delt, too. Was the Delt Shelter there when you attended? You know, the big, brick castle right at the edge of Lake Michigan?"

"Yes, sure it was. I lived there all

the time while I attended Northwestern. I shared the large northeast room on the second floor."

"Mr. Henderson, you'll have to take my word for it because it may sound too fictitious, but I occupied that same room, too, until I was graduated in 1937!"

(Continued on Page 180)

Big and Little Ten of Undergraduate Scholarship for 1957-1958

THESE ARE THE ten highest and ten lowest ranked undergraduate chapters for the academic year 1957-1958. Rank is determined on the basis of the percentage of the chapter's average above the All Men's Average of the individual campus.

Division Scholarship Achievement Awards Announced

Plaques have been awarded to the chapters achieving the highest scholastic standings in their respective Divisions for the academic year 1957-1958 as follows:

SOUTHERN DIVISION

Delta Epsilon—University of Kentucky

WESTERN DIVISION

Gamma Chi—Kansas State College
and
Delta Alpha—University of Oklahoma

NORTHERN DIVISION

Mu—Ohio Wesleyan University

EASTERN DIVISION

Beta Nu—Massachusetts Institute of
Technology
and
Nu—Lafayette College

BIG TEN

1. *Mu*—Ohio Wesleyan (Northern)
2. *Delta Epsilon*—Kentucky (Southern)
3. *Gamma Chi*—Kansas State (Western)
4. *Delta Alpha*—Oklahoma (Western)
5. *Beta*—Ohio (Northern)
6. *Beta Nu*—M.I.T. (Eastern)
7. *Delta Sigma*—Maryland (Southern)
8. *Delta Kappa*—Duke (Southern)
9. *Epsilon*—Albion (Northern)
10. *Nu*—Lafayette (Eastern)

LITTLE TEN

78. *Phi*—W. & L. (Southern)
79. *Delta Xi*—North Dakota (Western)
80. *Beta Omega*—California (Western)
81. *Gamma Sigma*—Pittsburgh (Eastern)
82. *Delta Chi*—Oklahoma State (Western)
83. *Beta Delta*—Georgia (Southern)
84. *Beta Theta*—Sewanee (Southern)
85. *Delta Pi*—U.S.C. (Western)
86. *Delta Beta*—Carnegie Tech (Eastern)
87. *Delta Delta*—Tennessee (Southern)

Division Scholarship Encouragement Awards Announced

Plaques have been awarded to the following chapters for the greatest improvement in scholarship in their respective Divisions for the academic year 1957-1958:

SOUTHERN DIVISION

Delta Zeta—University of Florida

WESTERN DIVISION

Gamma Chi—Kansas State College
and
Delta Psi—Santa Barbara College

NORTHERN DIVISION

Zeta—Western Reserve University

EASTERN DIVISION

Beta Nu—Massachusetts Institute of
Technology

An Arabian Adventure

(Continued from Page 179)

Thus did the Honorable Loy W. Henderson, Beta Pi, '15, Major Carl P. Garver, Beta Pi, '37, emphasize the strange but ever persistent bonds that join the brotherhood of Delta Tau Delta Fraternity. Common cause was struck up at an altitude of many thousands of feet in the air over the barren desert wastes of central Arabia. Another half an hour and they were landing on the hard-packed sand some 70 miles northwest of Ryaddh, the desert and hunting capital of King Ibn Saud. There the two Delt brothers held a lengthy private audience with the King and then proceeded in the afternoon to Jeddah, the "other" capital of Arabia on the Red Sea.

Straight "A" Initiates

Comprising the largest number of Straight "A" initiates in any previous similar time period are the following:

Larry M. Osterink, *Iota*, 22 hours
Turner Edward Bynum, *Delta Alpha*, 18 hours
Robert Leo Owen, *Delta Alpha*, 18 hours
Lewis Wilkinson Mondy, *Epsilon Beta*, 18 hours
Thomas Jeffrey Stevens, *Epsilon Beta*, 16 hours
Alexander Wiley Wilde, *Delta Nu*, 17 hours
Robert E. Larson, *Beta Nu*, 51 hours
Robert Purdue Clark, Jr., *Beta Xi*, 19 hours
Richard M. Harper, *Gamma Tau*, 17 hours

From the Editors Mailbag

Of the four Baker University graduates now serving as presidents of institutions of higher learning, three are alumni of Gamma Theta Chapter of Delta Tau Delta. They are Dr. HAROLD C. CASE, *Baker*, '23, president of Boston University; Dr. DONALD EBRIGHT, *Baker*, '32, president of Alaska Methodist University; and Dr. DON W. HOLTER, *Baker*, '27, president of National Methodist Theological Seminary, Kansas City, Missouri. Dr. Holter was inaugurated on April 6, 1959, and Dr. Ebricht has the distinction of being the first president to serve Alaska Methodist, a very recently established college.

★

One of the seven Mercury Astronauts chosen as final candidates for the Project Mercury flight into space was MALCOLM SCOTT CARPENTER, *Colorado*, '47. Last winter the Air Force, Navy, and Marines selected the nation's 110 likeliest military test pilots. IBM punch-card selectors pared the list to 69 men. These men were then given a chance to volunteer for the project and 56 of them did. The list of volunteers was pared to 32 finalists. After extensive tests at Lovelace Clinic at Albuquerque and Wright-Patterson Field at Dayton, the final selection of three naval officers (Carpenter is a Navy lieutenant), three Air Force officers, and one Marine officer, was made. Within approximately the next two years, one of the seven will be chosen to test for the first time whether or not a human can orbit the earth from 125 miles up at 18,000 miles per hour, and return to tell about it. Whether or not the first one succeeds or fails, the other six will presumably either follow the trail of the first, or carry on in further quest of a successful flight. To Brother Carpenter goes the opportunity to be one of this select group.

★

Colonel JOSEPH L. DRISKELL, *Oklahoma*, '29, provost marshal in the office of Chief of Army Engineers, re-

cently retired after 27 years of active and reserve military duty.

A regular attendee at the National Capital Alumni Chapter's luncheons, Colonel Driskell commanded a battalion in Germany in World War II and remained in Germany until 1949, serving as commander of a labor supervision area administering displaced persons in Germany and Austria, and later was executive officer to the provost marshal of the European command. As a result of his service in Korea he was awarded the Legion of Merit, three battle stars, two unit citations, and the Korean Presidential Citation.

★

International Harvester Credit Corp., a subsidiary of International Harvester Company, has announced the election of HERMAN EBSEN, *South Dakota*, '30, as its new president. Mr. Ebsen, recently named treasurer of the parent company, was formerly manager of the credit and collection department of the parent company, and has been vice-president and a director of International Harvester Credit Corp. for several years.

★

JAMES C. FAUSCH, *Indiana*, '40, former manager of the New York district sales office of Inland Steel Company, has been named assistant general sales manager of Chicago steel firm. Fausch started with Inland in 1948 as a sales clerk in the Chicago district sales office and became a sales representative in 1949. In 1951 he was named assistant manager, sheet and strip sales, and in 1954 became assistant manager of the tin plate and export division. He had been manager of the New York district sales office since 1955.

★

On Friday, April 24, PAUL J. FRANZ, JR., *Lehigh*, '45, assistant to the president of Lehigh University and former chapter adviser to Beta Lambda, was the principal speaker at a meeting of the National Bequests Commit-

tee of DePauw University at Greencastle, Indiana. Brother Franz has been actively engaged in alumni fund and bequest programs at Lehigh for a number of years. His audience was composed of lawyers, bank officials, investment bankers, and clergymen from throughout the midwest.

★

Bishop MARVIN A. FRANKLIN, *Emory*, '15, *Georgia*, '15, Methodist Bishop of Mississippi, has been elevated to the presidency of the Worldwide Council of Bishops of the Methodist Church, titular head of the world's 10 million Methodists. Last year he was elected vice-president and president-elect of the Worldwide Council of Bishops, which includes 37 active and 50 retired bishops. Bishop Franklin was elected Bishop of Mississippi in 1948. He has held pastorates, prior to being elected a bishop, in Florida, Alabama, and Georgia. He holds a Doctorate of Divinity from Birmingham-Southern College and a Doctorate of Laws from Millsaps College.

★

It has recently been announced that ROBERT CARLISLE HARDY, *Dartmouth*, '25, president of Hardy & Associates, Inc., Sarasota investment securities firm, has taken a seat on the Philadelphia-Baltimore Stock Exchange and has become an associate member of the Boston Stock Exchange.

★

JAMES M. HAYNES, *Tennessee*, '50, has been appointed by Governor ELLINGTON of Tennessee as judge of the newly-created Third Circuit Court of Tennessee. He will serve as presiding judge of the Court until the 1960 elections. Never a candidate for political office, Judge Haynes has taken an active part in the political life of his community by holding various offices in the Democratic party of Knox County, Tennessee. A veteran of World War II, he has been an attorney in Knoxville since completing

his education. The 34-year-old judge is married, the father of three children, a Mason, and a Shriner.

★

One of three new trustees elected to serve on the Board of Fellows of Claremont College, Claremont, California, is Fraternity Treasurer HOWARD D. MILLS, *Western Reserve*, '18. In addition to his work on the Arch Chapter of the Fraternity, Mr. Mills is an investment counselor and vice-president of Lionel D. Edie and Company, Los Angeles. He has spent most of his life in the investment business. During World War II he served the United States Treasury Department as Southern California administrator of the Defense and War Savings Bond Divisions and later as western regional director of the War Finance Division. He is a member of the board of Metropolitan Water District of Southern California and a member of the Los Angeles Area Council, Boy Scouts of America.

★

HONORABLE CLIFTON L. MOORE, *George Washington*, '27, of Burgaw, North Carolina, has been appointed a member of the North Carolina Supreme Court by Governor Luther H. Hodges. At the time of his appointment Justice Moore was a judge of the Superior Court of North Carolina. Prior to that he practiced law in Burgaw and has enjoyed a distinguished career as both a practicing attorney and as a member of the judiciary.

★

EMIL E. NARICK, *Pittsburgh*, '40, president of the Pittsburgh Alumni Chapter, is a candidate for election to alumni trustee of the University of Pittsburgh. Mr. Narick is a practicing attorney in Pittsburgh, presently providing services as labor relations consultant and assistant general counsel for the United Steelworkers of America. He has been admitted to the practice of law in West Virginia courts and in the United States Supreme Court. While attending Pitt he was a member of the football squad and is still active as an official at high school and college football games throughout Pennsylvania. Following four years of service with the Air Force in World War II, attaining the rank of major, Brother Narick served the National Labor Relations Board as field attorney until 1958.

Hon. CLIFTON L. MOORE

★

Attending the annual spring meeting of the Army Scientific Advisory Panel in Asbury Park, New Jersey, was Dean MORROUGH P. O'BRIEN, *M.I.T.*, '25, Dean of the College of Engineering at the University of California. The panel was established by the Secretary of the Army in 1951 to assist his office in giving to the United States a ground fighting force as effective, economical, and progressive as its scientific, technological, and industrial resources will permit. Dean O'Brien was one of more than 35 of the nation's outstanding scientists and industrialists who were in attendance. An authority in underwater sound, hydrology, hydraulic machinery, turbo machinery, and turbo-jet engines, Dean O'Brien is the author of *Applied Fluid Mechanics* and has served the Advisory Panel as an original member since 1951.

★

The Woodrow Wilson National Fellowship Foundation has announced the selection of DON C. OTTO, *Westminster*, '59, as one of its scholars for the academic year 1959-1960. Brother Otto will apply the \$1,500 living allowance, plus the full cost of tuition and fees, in pursuing graduate studies in the field of political science at Washington University. The Foundation has named 1,200 superior college students as Woodrow Wilson fellows. The program recruits and sup-

ports promising scholars for their first year of graduate study in an effort to alleviate the critical shortage of qualified teachers.

★

CHARLES D. READ, JR., *Emory*, '40, of Decatur, Georgia, has been appointed district attorney for the Northern District of Georgia by President Eisenhower. Mr. Read has been an assistant United States attorney since July, 1953, and has served as acting district attorney since January, 1959. He is a native of Gainesville, Georgia, is a veteran of World War II, having served in the Air Force, and holds both bachelor and doctor of jurisprudence degrees from Emory University.

★

Apparently belonging to Delta Tau Delta is a necessary prerequisite to the holding of any position of importance in the Rotary Club of Los Angeles. In the recent annual elections of the club, L. THOMAS GRIENER, *Kansas*, '28, was elected as the president; LEROY OWEN, *Chicago*, '21, was elected vice-president; C. P. HARNISH, *Pittsburgh*, '15, has been appointed the No. 1 piano player; and BLONDY PAUL, *Stanford*, '17, has been appointed No. 2 piano player. In addition to these four there are also at least six other Deltas included in the club's membership. They are: HOWARD D. MILLS, *Western Reserve*, '18; ROY S. CARRINGTON, *Baker*, '13; C. R. FLEISHMAN, *Washington*, '18; CHARLES W. PUNTON, *Kansas*, '24; EDWARD S. SHATTUCK, JR., *California*, '23; and ROBERT G. WAGNER, *U.S.C.*, '42.

★

Provident Mutual Life Insurance Company of Philadelphia has announced the appointment of PETER L. SPRECHER, JR., *Indiana*, '53, as manager of the company's agency in Madison, Wisconsin. Pete has been with the company since 1953. In 1957 he was appointed supervisor in the Indianapolis agency. For the past year he has been a member of the company's management training school in Philadelphia. He is also a graduate of the Life Underwriters Training Course. Mr. Sprecher has been a recipient of the National Quality award of the National Association of Life Underwriters and the Life Insurance

(Continued on Page 229)

THE DELT CHAPTERS

Alabama

From all indications, this spring semester promises to be one of the best in Delta Eta's history. The fall semester's scholarship report placed the chapter third among 25 fraternities on campus. The report listed Delta Eta one man out of first place in house membership. Our 18 newly initiated brothers composed the largest group of initiates on campus.

Brother Sam Hamner has been elected president for the coming year. Other new officers are: Max Allen, vice-president; Travis Bowden, recording secretary; Reggie Hamner, corresponding secretary; Hall Groom, treasurer; Ronnie Clements, sergeant at arms; and Dave Mauck, guide.

MAX POPE, president of SGA at Alabama.

The annual "Bowery Ball" ushered in the spring social season. The traditional "Champagne Party" with Piano Red's band followed. The "Gambler's Party" was the usual big success. Everyone is eagerly awaiting the big spring rush party, with the nationally famous "Drifters" R'n R band. The coffee hours and dinner swaps are always enjoyed.

Even though "Jason's Jamboree," campus skit contest, has been canceled this year, the Delts have been asked to give their skit in a new event, "Capstone Capers." We hope to add another showmanship trophy to our present supply.

Delts have been tapped for almost every campus honorary. Phi Eta Sigma tapped Brothers Ronald and Donald Stewart. In addition to the Stewarts, Druids, sophomore honorary, tapped Brother Burwell Anders. ODK has tapped Brothers Max Allen and Eddie Kelly. Phi Beta Kappa tapped Brother Bob Wilson. Scabbard and Blade, ROTC honorary, tapped Brothers Max Allen and Travis Bowden. Arnold Air Society tapped Brother Eddie Kelly.

Spring elections are over and the final tally of votes places the Delts at Alabama top men on the political totem pole. Brother Max Pope has been elected president of the Student Government Association for the coming year. In other campus-wide races, Brother Eddie Kelly was elected business manager of the campus humor magazine, *The Mahout*. Brother Johnny Owens will serve as advertising manager for the campus newspaper. In a final sweep to victory, Brothers Ronnie Clements and Jim Parnell were elected to the SGA legislature.

REGGIE HAMNER

Albion

Epsilon got off to a fine start this semester with the pledging of 24 men. This represented not only one of the finest but also one of the largest pledge classes on campus.

This semester the annual fraternity quartet sing was held. Dave Blomfield, Jim Wyse, Don Kendeigh, and Keith Petherick sang "Mandy" and "Parody on Figaro," which won first place unanimously.

Both the "A" and "B" basketball teams won their respective league crowns this winter. Epsilon's swimming team ran away with the interfraternity swimming meet. In varsity athletics, Bill Losey was chosen to the all-MIAA second team in basketball. He also finished second in the league scoring race. Albion looks forward to a fine year in baseball as David Alt-house, Jim Flack, Larry Senko, Joe Rad-sik, and Dave Smith represent Epsilon. Jim Taup, Chuck McCaslin, Gary Barnes, Mike Graybill, Dick Caister, Dick Riley, and Ed Angove represent Epsilon in track this year. On the links Epsilon has Bob Bonfield, Larry Robson, Mike Dant, Dave Elliot, and Fred Clausen. John Krafft is our only representative in tennis.

Tapped into Phi Beta Kappa were Bob Terry and John Krsul. Krsul is a straight-A student. These men helped Epsilon

place third in fraternity scholarship at Albion for the first semester.

In the recent interfraternity council elections John Carlyle was elected president of the organization and Rick Smith was elected secretary.

MICHAEL S. DANT

Allegheny

Rush week started the semester for Alpha Chapter. Actives and rushees thoroughly enjoyed entertainment by a hypnotist, a quartet, and a home entertainment review. At the conclusion Alpha was highly pleased by its 24-man pledge class, which included Ron Brooks, Dave Burkett, Bill Damitz, Ray Denson, Dave Cook, Jim Erny, Loran Exley, Dick Hiwiller, Dick Hagan, Bob Luminati,

Alpha presents "Sloop John B" for Allegheny's Greek Sing.

Dave Middleton, John Byers, Bob Graff, Joe Fox, Jim Edwards, Al Redding, Ed Parker, Rich Owens, Tom Kepple, Ken Patterson, Dick Sherman, Tom Thomason, Jim Walther, and John MacIvor. Under the guidance of Pledge Master Dick Smith, the pledges are receiving a thorough grounding in the aims and ideals of Alpha Chapter and the Fraternity.

On the intramural scene, Alpha has been plagued with trouble but prospects appear brighter for softball with a veteran team returning to the field.

In campus activities, Brothers Pete Peterson and Bruce Bell were elected to Phi Beta Kappa. Brother Bell is also serving as a student counselor in the freshman dorm again this year. Brother Bill Hrach was nominated for the post of president of Allegheny Student Government. Brother Fred King is participating in the AFROTC flight indo-

trination program and celebrated Easter vacation by making his first solo flight. Brothers Al Love and Dick Smith and Pledge Redding recently returned from a four day tour with the famed Allegheny Singers. Jim Ingram received the NRA club champion award as a member of the AFOTC rifle team for his excellent marksmanship this year.

Alpha's contribution to the Annual Fund Drive Carnival, entitled "Light Up a Lucky to Groom His Hair With Vitalis," was quite popular as it featured brothers and pledges alike on the receiving end of a highly colored mixture of "Vitalis" (flour and water paste). Although some of the brothers were combing flour out of their hair for days afterward, everyone enjoyed the Carnival.

Alpha songsters, under the capable direction of Brother Al Love, placed in the Greek Sing for the third straight year, tying for third place with Phi Gamma Delta. In a break with established tradition, Alpha elected to wear costumes appropriate to the song title, "Sloop John B." Results were amusing and very successful.

Due to the combined efforts of actives and pledges, the Shelter is looking better than it has in some time past and special efforts are being made to have it in tip-top shape for Parents Week End, which is almost upon us. Next will come help night and the usual treasure hunt, prior to initiation of pledges on May third. The spring semester will be rounded out by our spring formal, closely followed by the inevitable final exams.

ROBERT W. MCCREARY

Auburn

The Delts at Epsilon Alpha opened up this spring quarter with the following officers serving in an administrative capacity: Brother Dewitt Burns was elected president; Ken Stephens, vice-president; Bill Martin, corresponding secretary; Brother George Hoyt, recording secretary; Charles Webb, treasurer; and Roy Redderson, assistant treasurer. We feel this fine selection of men will prove to be the best administration to take office since our founding in 1952.

Rushing activities led off this quarter with the brothers at Auburn staging three grand affairs for rush. The main high point of the rush week was a banquet at which Brother Philip Graves, from Beta Alpha Chapter at Indiana University, spoke. Brother Graves addressed the chapter and rushees on the "Value of the Fraternity to a Professional Man." As a result of this hard work and effort, a group of five men were pledged. These men will greatly aid the active chapter in fall rush and will really be an asset to Epsilon Alpha.

All the brothers here at Auburn look forward eagerly to the house party

Refreshment time at Auburn's spring rush party.

scheduled for the week end of the eighth, ninth and tenth of May. This house party promises to be the best outing the Delts have had all quarter. It will have to be to better the "Roaring 20's" party of last quarter.

Brother Bob Lynn, one of our numerous BMOC's, was chosen to head Village Fair, Auburn's open house for high school students. Bob is responsible for co-ordinating activities which cover the entire campus and making this a week end representative of the Auburn spirit.

We Delts are, as usual, "up to our ears" in campus politics. Our chapter, one of the smaller on campus, has controlled important student government positions and many publication posts in the last four years. Our latest additions are Sonny Clingan, editor of our yearbook; Frank Price, business manager of the *Plainsman*, and Dick Roll who is running for the position of editor of the *Plainsman*, our student newspaper. George Blue Lee is serving as battalion commander of the armored unit of the Army ROTC.

As spring quarter progresses the men here at Epsilon Alpha look forward to scholastic improvement, more fabulous parties, and to enlarging our chapter in any and every way.

JIM SHIPMAN

Baker

The Delts, as usual, dominate the spring varsity sports scene, including track, golf, and tennis. Lyle Haberbosch, defending KCAC high hurdles champion; Bob Jones, medalist in the KCAC golf circuit; and Jim Kean, second-place high jumper in the KCAC last year, head the list. Other returning

lettermen include Don Weber, Charlie Windsor, and Phil Jones in track; Pete Johnson, Don Langford, and Bud Spear in golf; and Keith Smith in tennis. Pledges and initiates keep the Delts leading in all three sports. Promising trackmen include Kent Covell, Brock Baker, Doug Roberts, and John Walton. New golfers are G. D. Blackwood, Jr., and Roger Popkess. Initiate Lewis Roller is now playing third man on the tennis squad. In summary, the list shows six of the first eight men on the Baker golf team, the second and third ranked tennis players, and several probable blue-ribbon winners in track.

As for intramurals, it looks as if the Delts here at Baker will walk away with the sweepstakes trophy again this year for the seventh consecutive time. Recent victories include first in swimming, first in track, first in doubles ping-pong, and second in singles ping-pong. As of now there have been nine intramural trophies given away and we have won seven of them. There are only three sports left—tennis, golf, and baseball—and by all indications we seem to be quite powerful in these.

On April 7, members of Gamma Theta who are in the Baker choir, were privileged to attend the inauguration of Dr. Don W. Holter, *Gamma Theta*, '27, as first president of the newly formed National Theological Seminary, in Kansas City, Missouri.

The Delts at Baker were well represented in the spring play, with Sam Higdon getting one of the lead roles in Christopher Fry's play "The Lady's Not for Burning." Other Delts in the cast were G. D. Blackwood, Jr., and Chuck Caywood.

Baker Delts crowd Snoopy's doghouse at "Charlie Brown" party.

After a slow start in the grade department, the Delts, after the establishment of active study table, surged to the front of Baker national fraternities.

The "Charlie Brown" record was well worn by the end of the 1959 pledge-initiate party, an informal party with the theme of "Charlie Brown," taken from both the comic strip "Peanuts" and the popular (?) record. Bermuda shorts were worn by the party goers and the weather co-operated for this mode of dress. The last official co-operative function of the pledges and initiates was quite a success, with all enjoying the short skit and unique decorations of giant comic strips on the walls.

G. D. BLACKWOOD, JR.

Bowling Green

With the softball season under way, the Delts have swept through their first three games with ease. Dale Huston, in his fourth year as pitcher for the Delt team, has allowed but three hits and struck out 21 in two games. In the annual indoor track meet, the Delts finished third. We teamed with the Delta Gammas to win first place in the cheering contest that was carried on throughout the track meet.

Bowling Green swept all three winter sports titles and members of Delta Tau Delta figured prominently in doing so. On the championship wrestling team, of which Brother John Smith was captain, three Delts paved the way for the crown. Smith was the Mid-American champ at 137 lbs. and Jim Stag was runner-up in the 123-lb. class. George Letzner, 130, garnered valuable points by finishing high in the championship.

For the third straight year, Delts have paced the championship swimming team. In March, Brothers Keith Miller and Howard Scarborough took important seconds in the conference meet. Scarborough also finished as one of the top 12 free stylists in the country.

KEITH MILLER (left) and JERRY DEWEY are two of three Delts on BG's conference swim champs.

JOHN SMITH, JIM STAG, and GEORGE LETZNER wrestle for BG's conference winning team.

The spring calendar is always crammed with social events at Bowling Green. We are making plans for our annual spring formal and mom's week end. We are getting set for Delta Upsilon's bike race, which is run continually for eight hours. Greek Week is always looked forward to by the Delts, and this year the week is

highlighted by the carnival and dance. Dale Huston is one of the finalists for Key King, contest sponsored by BG's yearbook.

With the semester nearly gone, all the members of Delta Tau Chapter would like to wish all a very profitable summer.

THOMAS LINDY

Brown

The Delts welcomed the spring season with their traditional jungle party. The decorations and costumes were again the talk of the campus, but Johnny McTigue and Ken Crossland's efforts outshone us all. Spring week end is eagerly being prepared for. The well-traveled "Brunotes" are scheduled for a jazz concert at the Shelter Friday afternoon. We expect many alumni to take part in this event.

Many Delts are out for spring sports. Doug Dysart is on the varsity rowing team, which just defeated a powerful Boston University crew. Norm Enman just returned from a trip to Duke, where the Bruin lacrosse team showed quite well. Norm is a defensive stalwart, being considered for all-East honors. Joe Kelly, Dave Walles, and Harry Usher are all making a bid for a powerful, veteran Brown nine.

Rushing season will be over the week after spring week end. We have a strong nucleus and have high hopes of taking a class equal to the fine freshman class we pledged last year.

JOHN D'ENTREMONT

Butler

The first semester was a very busy one for Beta Zeta, this second semester is proving to be even busier. We have already participated in "Geneva Stunts" and are now preparing for "Spring Sing." We have won the latter event 18 out of 24 times. John Anthony has worked up fine arrangements of "Smile Awhile" and "Tico, Tico." Seven members from last year's "Spring Sing" group are back this year.

We were fortunate to have been chosen hosts for the Northern Division Conference. Approximately 25 schools from the midwest were represented. A formal initiation was held in Sweeney Chapel. A dance at Atherton Center and a party at the Shelter followed the initiation. The sororities who provided girls for the dance were very impressed by the men of Delta Tau Delta.

Beta Zeta was happy to have two members elected to school offices. Dave McCormick is senior class president and Pledge Ron Schmuttler is freshman class vice-president. Brothers McCormick, Ron Davis, and Phil Duke were initiated into Blue Key. Brothers McCormick, Walt Hap, George Cottrell, Tom Siurek,

and Ralph Gennarelli made the Dean's List for the first semester.

One junior and five sophomores were elected to office in January. Sophomore Tom Simmons is our new president. Junior Ralph L. Gennarelli is vice-president. The following officers are all sophomores: treasurer, Owen Muir; recording secretary, Byron Schoolfield; corresponding secretary, Bob Parsons; and sergeant at arms, John Ross. Charlie Spiher was appointed rush chairman. Brother Spiher has already made plans for an extensive summer rush program. Our new social chairman, George Mitchell, has his hands full. The first big project confronting George is the third annual Delt Tricyclotron. This, since it is the last Tricyclotron that will be held at our present Shelter, will be the biggest and best to date.

A great deal of progress has been made on our new Shelter, which will be available for summer rush. It is located just around the corner from our present one. Many plans are already being made for our fall house opening.

Coach John Demaree is expecting another good season in intramural baseball. Back from last year's team are John Ross, Dave McCormick, and Tom Siurek. Missing from last spring's team are Ralph Gennarelli, who hit a league leading .643, Shortstop Bob Parsons, and Catcher "Doc" Dorsey. All three joined the labor force. Brother Demaree is planning on using Jim Craig, Owen Muir, and Pledge Kim Leech as his pitchers.

Our intramural football team fared rather well. Our record of seven wins and two defeats garnered us second place. Dave McCormick, Jim Piotrowski, and George Russell were named to the intramural all-star team. The pledges defeated the actives 2 to 0 on Bob Parsons' bad snap from center. As a reward for the victory the pledges received a turnabout day, which was enjoyed by all. Beta Zeta's intramural basketball team placed second in the league. Jim Piotrowski, John Demaree, and Tom Simmons were the leading scorers.

Brothers Schaffner, Cooper, Ken Hunt, and Dick Mead are now in service. Brothers McCormick, Davis, Furnish, Cottrell, Siurek and Hap will be graduated in June. Their presence will be sorely missed. These men played a great part in making Delta Tau Delta No. 1 at Butler.

With the school year nearly over, Beta Zeta has good reason for expecting another successful year.

BOB PARSONS

California

Beta Omega Chapter is presently enjoying one of the most successful and interesting periods of its history. Many

accomplishments have been made this year, both scholastically and socially.

Probably the most significant accomplishment was the great improvement the chapter made in respect to its scholastic standing on campus. Under the able leadership of our scholarship chairman, Bill Ausfahl, the chapter improved its rating from 34th to eighth out of 52 fraternities on campus. The work of the scholarship committee and the serious approach toward scholarship by the entire chapter were both key factors in our improvement.

Another equally significant accomplishment was the completion of our project. Under the guidance of Bill Gasset, house and grounds committee chairman, the brothers worked hard to complete a new volleyball, badminton, and basketball court. Stu Manners, an alumnus adviser, was quite instrumental in the success of its completion. Its completion assures us of a fine recreational environment and will undoubtedly be an asset in our future accomplishments in intramural sports and social activities. As a result of this, we are having a huge dedication party this spring, with the theme and activities centered about the project.

Dan Duckhorn, social chairman, has arranged a rather rigorous and exciting spring semester for us. Our "overnight" is planned for May 2 and it, as usual, promises to be one of the high lights of our social season. This year we are going to Denton's Mountain Inn, a resort motel located in the Santa Cruz Mountains, and the entire inn will be at our disposal. The success of this event, judging from past experience, is inevitable, and we are

eagerly awaiting the arrival of that date.

Dick Thinger was awarded the annual Mother's Club scholarship award at a recent luncheon. Dick is a senior and is active in many campus activities.

We were fortunate enough to have the privilege of hosting Ken Penfold, Western Division vice-president, at the Shelter. Ken was on business in San Francisco, but had the opportunity to visit the chapter and observe its appearance and meet its members. Needless to say, it was a great honor for Beta Omega to host our Western Division vice-president.

We, at the University of California, have truly enjoyed a very successful season, and a great part of this success is rightly due to the combined efforts of Jerry Christie and Dick Dumke, chapter president and vice-president, respectively. Their hard work and genuine interest have provided the chapter with the support needed to reach its present position.

JOHN HENROTIN

Cincinnati

Once again Gamma Xi brought home a new addition to the trophy case. This time our pledges did the honors by winning the scholarship award for the year. Their average was best of 18 fraternities on campus.

The brothers have caught the excitement of another spring, and are working industriously toward another Sigma Sigma carnival winner, the spring sing, and, looking a little farther, the 50th anniversary celebration next fall.

The past month the brothers worked hard toward a repeat of last year's campus king victory, but saw the independents organize in greater strength and win a victory for their dorm.

The new addition to the Shelter has been all but completed and the brothers are proud of the fine new quarters.

On campus our brothers have been working toward new successes. Frank Podlipec was elected president of Alpha Kappa Psi with John Muntz and Ron Ashdown initiated into the same. Phil Leech has had a busy year. In addition to his high scholarship in architecture, he was elected to his college tribunal, initiated into Scarab, national architecture fraternity, and won first place for his exhibit at the art show.

Our spring rush brought several new men into the Shelter, these being Craig Devine, Dezio Czismadia, Kent Rhinehart, Bill Strawbridge, Don Schror, and Denny Wake.

The results of the election found Dale Heckmann our new president; with Dick Foley and Jim Sackenheim as vice-presidents; Harold Whitney re-elected treasurer; Blaine Cunningham and Hank

President of IFC at Colorado is DAVE BELOTE.

Schroder as assistant treasurers; John Alig and Phil Leech as corresponding secretaries; and Jim Hyde and Bob Elliott as recording secretaries. Jerry Hoffmann and Roy Boling were elected guide and sergeant at arms.

With the many projects facing our chapter we can look forward to many new successes this spring.

JOHN ALIG

Colorado

Certainly one of the outstanding achievements of Beta Kappa Chapter this year was finishing first in scholarship among the fraternities for the fall semester, with nearly 30 of the brothers earning over B- averages. Beta Kappa was well represented at various scholastic honorary tappings, too, with President Bill Reynolds and Denny Krueger being selected for Delta Sigma Pi, business honorary, and Bill Mondt, also a CU grid star, being tapped for Eta Kappa Mu, engineering honorary. Ed Garret was elected treasurer of Alpha Delta Sigma, advertising honorary.

Along the line of campus activities the Deltas are, as usual, well represented. Dave Belote, who was last year's chapter vice-president, was just recently elected president of the interfraternity council. A junior, Swede Anderson, is in the midst of campaigning for student body president. He is the candidate on the Council of Greek Students slate. The only honor group to have done their spring tapping already is Phi Epsilon Phi, the sophomore honorary, and it included seven Deltas among its 30 pledges. One of these, Bill Weakley, was president of the newly-established freshman honorary, Silver and Gold. The outgoing president of Phi Ep Phi is Hank Brown, another Beta Kappa Delt.

Athletically, Delta Tau Delta is also strong. Probably the outstanding individual accomplishment was Boyd Dowler's all-Big Eight football team selection and his Shrine East-West game bid. Gary Gisle is a member of the Buff ski team, which won the NCAA this year.

In intramurals the Deltas are in excellent position to defend successfully the all-school intramural championship they won last year. The basketball team won the fraternity league and the ski team placed second in the school ski meet. Dave Hoff was the individual champion of the meet.

The high light of the social season was the annual Spring Formal, which was held at Estes Park.

BILL BULLARD

Cornell

Beta Omicron inaugurated the spring term with the addition of a new pledge class. This group promises to be of great

Cornell's fine pledge class.

value to the chapter and is presently in the midst of the Delt Development Program. The pledge formal, a part of Cornell's IFC week end, was based on an "On the Beach" theme. The pledges are anticipating doing a great deal of work on the Shelter and grounds for their upcoming pledge project.

A new set of house officers has been installed for the coming year: Bob Boehlecke, president; Tom Barney, vice-president; Dick Nelson, corresponding secretary; Joe DiOrio, recording secretary; Bill Huenefeld, treasurer; and Phil Schneider, steward. President Boehlecke and vice-president Barney were previously elected to attend the Eastern Division Conference and, in addition, have both been tapped by honoraries, Bob by L'Ogive, an architecture organization, and Tom by Narmid, a naval science honorary. Joe DiOrio was also honored by L'Ogive. Roy Behling was similarly tapped by the mechanical engineering honorary, a group to which Jack Evans and Junius Brown already belong. Ex-president Evans is one of two candidates for the IFC vice-presidency and was recently granted a dorm counselor's position. Neophyte Eveleth is a candidate for the Cornell Student Council, in addition to being a cochairman of the student union committee.

Social activities for the spring will include an exchange party with Pi Beta Phi and picnics in the environs of scenic Ithaca. The major social event of the year, the traditional spring week end, will be based on a "Give My Regards to Broadway" theme. Beta Omicron is constructing a float with Delta Delta Delta around the play *The Solid Gold Cadillac*. The Delt glee club is currently a bit behind schedule as pinnings continue to increase in the spring.

Our intramural teams again were outstanding as they tied for the league title

Cornell's officers are from left: BARNEY, NELSON, DiORIO, BOEHLECKE, SCHNEIDER, and HUENEFELD.

in basketball and did well in volleyball and track. Sophomore Lou Nees won the 220-low hurdles and 60-yard dash events. Lou is also out for crew, as is Tony Seaver who recently won the chapter's Warner Orvis Scholarship Award.

Recent improvements in the Shelter including a new ceiling in our library, have heightened efforts for a new house with the house corporation energetically working on all fronts. Fifth year architect and past president Pete Schneck is creating specific plans as part of his required graduating project, utilizing suggestions from brothers and alumni.

The entire chapter wishes to welcome the latest addition to the fraternity, hoping that it has equally as successful a spring as old Beta Omicron.

BRAD FRANKLIN

Dartmouth

The Delt basketball team battled its way to the quarter-finals of the interfraternity league play-offs only to be eliminated by Pi Lam in a close game. The

hockey team had a better-than-average season, at times turning in some spectacular play on the ice.

An all-Delt skimeister competition was the high light of the late winter sporting season. Thrills, chills, and spills on the slopes were followed by the healing of wounds over the warmth of a fish-house punch party.

The spring intrafraternity competition in softball will be entered by a Delt "nine," and prospects should jell if we can find a pitcher.

The annual interfraternity hum contest will be held in May. We're beginning to get in tune in preparation for another in a line of consistently good showings in this event.

Spring should be a good social season as well, especially with the recently acquired hi-fi set, donated as this year's gift from the pledge class. A Faculty-Parents Party, Green Key week end, and senior week end will be the festivities prior to alumni reunions during graduation week.

The '59 regime is being eased out by the junior class, as we have elected a new president, treasurer, and recording secretary. Plans are being laid by the new officers for an even better year in all ways in '59-'60.

THOMAS V. SEESSEL

Delaware

Delta Upsilon is proud of its new pledge class. Congratulations to Cliff Simon, Jack O'Day, Jim Wilson, Bob Marshall, Dick Bullock, Pat McClary, Pete Coakley, Dick Johnson, Jay Feldman, and Walt Price.

Delt week end highlighted the social season recently. The week end included a formal dinner-dance at a yacht club on the Chesapeake Bay, a house party that was presented by the brothers' dates, and a Sunday picnic.

The annual French Apache party was presented by the pledges. Decorations were complete with the chapter room converted into a gambling casino and the basement changed to a dimly lighted hideaway, decorated with swinging doors and appropriate murals.

The scholarship dinner delighted the epicureans this semester. At the beginning of every semester, the brothers with the most nearly similar numerical grades are matched. At the end of the semester the brother with the lower grades treats his victor to a steak dinner.

On Mother's Day the annual Parents Tea was held at the Shelter. This well attended event gave the brothers and the parents an opportunity to become acquainted with each other.

Fred Trutt, junior electrical engineering major, has been elected chapter president. In the chapter he has been treasurer, interfraternity council represent-

ative, and chairman of the rushing committee. Elected vice-president was Paul Wellborn; corresponding secretary, George Carlisle; recording secretary, Dave Heeren; treasurer, Ken Shelin; guide, John Long; and guard, Frank Davidson.

GEORGE CARLISLE

DePauw

Beta Beta Chapter has, as usual, been very active this past year. First a glance at the athletic picture. In football we placed three lettermen, including Dick Cross, who made the all-Delt team. In swimming we have two outstanding performers. Jim DeArmond won third place in the ICC diving and Jim McElwain took second in the butterfly and holds two conference records. A freshman, Gernot Doetsch, received his frosh numerals in swimming. There are two pole vaulting freshmen on the frosh track team and Letterman Dick Shaefer is on the varsity. Varsity baseball has four Delts on the team, with one returning letterman, Butch Colin. Three are out for frosh ball.

In intramurals we are currently in second place but hope to move into first place after the approaching track meet. We are doing well in volleyball and feel that we have one of the better softball teams. This is a good year for the Delts in intramurals.

Beta Beta is again above the All-Men's Average scholastically. Five of our freshmen have Rector scholarships and one of these is a member of Phi Eta Sigma, the freshman honor fraternity. Bob Evans, Pete Kreis, John Noll, and Dave Vandaveer all made the Dean's List. We are very proud to announce that a scholarship is now offered in the house. In memory of an alumnus, the F. C. Tucker Scholarship is being offered. The money can go to one person or be divided into four parts.

Our president, Joe Goddard, has been elected treasurer of K.T.K. and is active on the intramural board. Four men hold positions on the orientation staff for next year. Tom Evans is the new advertising manager for the yearbook. These are a few of the offices we hold on campus.

Through this past year we have been spurred on by the fine work of our new housemother, Mrs. Beyer. We are looking for another successful year with her.

Again on the bright side is the new addition, which is to be started this summer. We are all looking forward to its completion and the promise of a larger pledge class to help fill it.

In the midst of a successful year at Beta Beta tragedy touched the chapter. John Bertotti was killed in an automobile accident. He was the president of the pledge class and was initiated this spring. He was one of the most popular men in

the class and was on the orientation staff for next year. We all were grieved at the loss of a good Brother and a Good Delt. We are placing a plaque in his memory in the new addition.

Having finished the year in high achievement we are looking forward to another such year. The new officers to lead us are: president, Joe Goddard; vice-president, Ross Roberts; recording secretary, Art Maine; corresponding secretary, Ken Keller; treasurer, Roger Martens; pledge trainer, Mike Hicks; social chairman, Bob Blankenship; scholarship chairman, Pete Kreis; rush chairman, Bob Fauth.

KEN KELLER

Duke

The Duke Delts ended the first half of the spring semester in fine shape, and spring vacation saw many of the brothers enjoying the comforts of Florida beaches near Fort Lauderdale. Several brothers attended the Southern Division Conference at the University of Florida in Gainesville.

Typical costumes at Duke's Roaring Twenties Party modeled by Delt and Date.

The spring semester rush was a great success and the Delts came up with an outstanding pledge class. The pledges went through a very constructive pledge training program, led by Brothers Art Blackwood and Tom Wilson. They were initiated on April 28, and are now doing their share in the work of the Fraternity.

Delta Kappa's new officers were elected on March third, and took office the following week. They are: president, Ed Greene; vice-president, Lee Seybert; executive secretary, Mark Slater; corresponding secretary, Bob Dix; recording secretary, Bill Franklin; treasurer, Al Blackburn; assistant treasurer, Pat Rogers; guide, John Harrelson; and sergeant at arms, Art Blackwood. We feel that we have a fine group of men to take over the helm of Delta Kappa and are look-

Transportation to Delta Kappa's Roaring Twenties Party was provided on this venerable fire engine.

Delts and dates relax at Roaring Twenties Party.

ing forward to a successful year of growth and brotherhood.

Several brothers were elected to campus positions for next year. Gary Dickinson was elected editor of the *Duke Engineer* for next year. Lee Seybert was chosen president of the next year's junior class, and Brothers Bob Dix and Bob Stagner were elected members of the Pub Board. Jim Whitmore and Ed Dowden will again serve as Y-FAC freshman advisors for next year's freshman class. Brothers Bill Bradford and Sheldon Pinnell were initiated into Phi Beta Kappa.

The social calendar this semester was one of the best ever. March 21 was the "Roaring Twenties" party, held at the American Legion Hut. Everyone dressed in appropriate costumes, and the "Dixielander's" provided the music.

The week end of May first and second was Duke's annual "Joe College Week End." Friday afternoon we entered our float "Carrousel" in the parade. Friday nite we ate at the Saddle Club before going to the dance. Saturday afternoon we had an open house at the section before the lawn concert. Saturday

night we all ate at the Ranch House before attending the Formal Dance.

Delta Kappa spent the glorious week end of May 15, 16, and 17 at Myrtle Beach, S. C. We had the luxuries of a hotel for ourselves, and the brothers and their dates had a fabulous week end of swimming, dancing, tennis, golf, and in general "just having a great time."

Our chapter newsletter has been mailed out, and we would like to ask those alumni who didn't receive it, to please let us know. Our alumni club, *Deltay*, is proving a valuable asset to the Duke Delts. Membership is ten dollars a year; this money can be used only for chapter room improvements and to pay for the alumni newsletter. All of you alumni who haven't joined yet, send in your check to Treasurer, Deltay Club, Box 4671, Duke Station, Durham, North Carolina.

Alumni visiting Delta Kappa lately have included Gene Van Curen, Charlie Weinberg, Dave Keffer, Ken Clark, and Bob Waller. We also have heard from Dave Lower, who is with the Navy in the Mediterranean.

Scholastically, we finished this semester very successfully. We were well above the All Men's Average, where we have stayed for the past 20 consecutive semesters.

Delta Kappa is looking forward to an even more successful year next year, socially, scholastically, and fraternally. We certainly would enjoy having our alumni drop by when in Durham.

JIM WHITMORE

Emory

As Beta Epsilon nears the completion of another year, we look back over the past nine months of study, activity, and

Delt Sponsor, LOU McMILLAN

brotherhood. We won the interfraternity sing and the "Empty Stocking" drive. The pledge class won the trophy for first place in scholarship among the pledge classes at Emory. Furthermore, Beta Epsilon has remained among the top three fraternities scholastically.

The "Rainbow Ball," our winter formal, planned by Brother George Gartner, was a wonderful success. Miss Lou McMillan, our new sponsor, was crowned Rainbow Queen in an impressive ceremony in which she was chosen from her court.

Brother Brownie Flowers was recently awarded first place in the Pi Delta Epsilon short story contest. His winning story was entitled *Buddy*.

Three brothers have been given responsible positions on the *Emory Wheel*. John McKeever is executive editor, Bill Garland is feature editor, and Jimmy Cowell is assistant copy editor.

Brother Jim Underwood, because of his excellence in scholarship, has received a full scholarship to the Duke University School of Law.

Brother Nat Long, president of the student council, has done wonders for student government on campus. Pledge Joe Rainey, a council representative, has also contributed much to student government.

Brother Bill Fackler, who is vice-president of the ECA, is adding much vitality to this organization. The chapter has an outstanding representation in WTD. Several of the brothers hold prominent offices in this organization.

Brothers Marsh, Prevatt, and Seale were among those in the Emory Glee Club that recently toured Florida and Cuba.

With the Dooley's lawn decorations contest, combo parties, and everything else that comes with spring, Beta Epsilon looks forward to a great quarter.

JAMES T. PREVATT, JR.

Florida

The Florida Delts, after steady progress over the last few years, now rank first scholastically among all the fraternities on the campus.

After enduring four days of harassment, 26 men were initiated this semester. Three of the new initiates were tapped for Phi Eta Sigma, freshman honorary society: George Groom, Bill Biglow, and Bob Gilmore. Bob Gilmore was also elected managing editor of *The Florida Alligator*, our campus newspaper.

Delta Zeta was proud this year to host the 50th annual Southern Division Conference. Delegates from 12 chapters registered on Friday morning, and attended two business sessions on Friday. Friday evening a banquet was held, with Brother N. Ray Carroll, former president of the Fraternity, as an im-

Southern Division Conference delegates, hosted by Delta Zeta Chapter, engaged in one of the informal discussion session.

DeDe Brinson, Tri Delt, crowned Delt Sweetheart at Florida.

pressive guest speaker. Saturday, after a business session in the morning, the delegates drove to Silver Springs where they spent an enjoyable afternoon sunning, swimming, and seeing sights. Saturday evening it was circus time, as Delt delegates and their dates attended the Florida State University's Flying Circus in Florida Field. After the circus, delegates and dates danced to a great band at the Florida Delt house. Through the untiring leadership of Conference Chairman Buddy Taylor, and the hard work of the entire Delta Zeta Chapter, another successful Southern Division Conference drew to a close.

In intramurals this semester the Delts have won 13 out of 16 contests. We went to the semifinals in volleyball, basketball, and handball. After this fine record we now rank fourth out of 26 fraternities on campus.

N. RAY CARROLL, past president of the Fraternity, addresses Conference delegates.

Delta Zeta's IM handball players competing for another victory.

Through the fine efforts of our social committee, this has been one of our best semesters socially. During Rainbow week end, which was a smashing success, DeDe Brinson, Delta Delta Delta Sorority, was elected our new sweetheart. We are now looking forward to

May first, which brings Spring Frolics at Florida. Delts and dates will drive to Daytona Beach to spend two glorious days sunning, swimming, etc.

All in all this has been one of Delta Zeta's most successful semesters. A fine pledge class of 24 men was the end product of a good job done by Dave Carden and his rush committee. We hope to continue to improve next fall, and we feel a great year is ahead for Delta Zeta.

GARY SORRELL

Florida State

This past year has proven to be one of the most successful years in the history of the chapter. Delta Phi has received many honors and recognition for its various activities on campus.

Projectwise, the Delts received the Tallahassee Civitan Club Award for their loyal and unselfish service in the selling of fruit cakes in the city area for the benefit of crippled children. Delta Phi also received the Kiwanis Club award for aid in a local Christmas tree selling project. The chapter's social projects with sororities include a joint Christmas party with the Alpha Xi Deltas for underprivileged children, and a Mardi Gras open house combo party with Zeta Tau Alpha Sorority. Both events were campus successes. Our annual Delt Slave auction received a full page spread in the *Florida Flambeau*, the University newspaper, describing the crazy antics of the Delts when they were sold to the girls on the campus for the purpose of raising money for campus chest.

Delta Phi is very proud of Pledge Bill Welch, Florida State cinderman who topped the high hurdles in 14.9 to take first place. Welch also captured first place in the low hurdles and a leap of 6½" in the high jump earned him another blue ribbon. In this same year Bill has also broken two F.S.U. track records. Delts are well represented on the swimming and football squads. Brother Howie Fillmore just recently set the Georgia A.A.A. meet record for the 200-year orthodox breast stroke, and Don Donnetelli and Dick Perez are doing a fine job on the gridiron. Brothers Bob Woodson and Tom Lehman copped the fraternity bowling crown for Delta Tau Delta.

Brother Bernie Abbot, a leading politician on campus and a member of Phi Eta Sigma, a national scholarship honorary, was recently elected chairman of the Student Party, and Curtiss Newton, an outstanding member of Scabbard and Blade, recently received an award for being the "best shot in the state of Florida."

The Delts also received another trophy for placing third in fraternity track and were recently acknowledged for having the most members from one fraternity

in the national dance honorary, Cavaliers. Out of a total of nine men in the organization, four of these hold the major offices. Sal Lanza was elected president; John Del Vecchio, vice-president; Dale Brushwood, corresponding secretary; and Joe Dorsett, pledge trainer.

This year we are widely known as the singing and dancing Delts since the chapter took second place in the Sigma Kappa variety show with the entire chapter doing a soft-shoe routine to the tune of "Once in Love With Amy." The Delts also placed second and received a standing ovation for their performance in campus sing in March singing "Laura Lee" and "Songs From South Pacific."

Another of the big high lights of this past year was "Delt Week End." The chapter signed "Big Joe" Turner, recording star from New York, as its big name band. The week end began with a banquet for the Delts and their dates. The Rainbow Ball followed at the chapter house, which was lavishly decorated with gold and sparkled palmetto leaves. The next day the entire chapter journeyed to Mystic Lake for a day of sun, swimming, and dancing. We returned that evening for an "Arabian Nights" party at the chapter house. Tired and weary, we all attended church on Sunday and relaxed for the remainder of the afternoon.

Delta Phi is extremely proud of this year's pledge class, led by Mickey Millis. Mickey has done a wonderful job of influencing each and every pledge to join at least one outside activity. This new program was a tremendous success as the boys became well known and well represented in every campus activity.

For the purpose of promoting a more competitive spirit among the brothers and pledges, the chapter has awarded an athletic trophy and two scholarship trophies to the brother or pledge who is most deserving. This year the athletic award was presented to John Boesch, and Bill Sellars received the Best Average Award and Bob Johnson received the Most Improvement Award.

At this time the entire chapter would like to express its sincerest best wishes to our past president, Don Ayres, who is to be graduated this June. Don has been a valuable asset to the chapter throughout his four years at F.S.U. and obtained many honors for Delta Phi. These include membership in Omicron Delta Kappa and Gold Key, campus leadership honoraries. Besides being a member of Sigma Delta Psi, which he served as treasurer, secretary, and vice-president, he is also a member of Alpha Kappa Psi, men's national business honorary. Don is also treasurer of IFC at F.S.U. and is commander of the AFROTC detachment on campus. He was also selected for *Who's Who in*

Shown are some of the 28 Gamma Eta brothers stuffed into a Renault in quest of a new record in latest nation-wide collegiate fad.

American Colleges and Universities, is Sabre Air Command operations officer, and is a three year letterman for varsity track.

Yes, truly this has been a great year, a year filled with many happy and fruitful events for Delta Phi. We are all looking forward to next year when the chapter will again be outstanding in every activity and in every phase of campus life.

SAL A. LANZA, JR.

George Washington

Under the leadership of new officers, Gamma Eta has been having a fine semester. The new officers are Bill Talentino, president; Jim Jennings, vice-president; Henry Mayo, recording secretary; Art Barwick, corresponding secretary; Ed Hino, sergeant at arms; Conway Richardson, historian; Parke Avery, rush chairman; Bill Smythe, athletic chairman; Chuck Johnson, alumni relations; and Lee Potterton, scholarship.

The new initiates helped the chapter pull its scholastic average up to 2.48, placing us fifth among the fraternities on campus. The All Men's Average was 2.368. This year, Gamma Eta saw two brothers, Bill Talentino and Jack Bailer, inducted into the honorary Order of Scarlet, while Brother Jim Jennings was initiated into Gate and Key.

In the annual IFC Sing, the sing team took second place with its renditions of "Delta Shelter" and "Ezekiel Saw de Wheel" which, incidentally, was recorded

and is available on Laurel Records, either 45 or 33 $\frac{1}{2}$. Another record recently made by Gamma Eta was for "stuffing" a Renault with 28 brothers.

Getting the campus political season off to a good start, Gamma Eta succeeded in getting Parke Avery and Jack Bailer elected secretary and treasurer, respectively, of Old Men, a group which aids freshmen men. This is one election out of the way and we are now getting set to support Tim Mead in his drive for the presidency of the student council and Jim Jennings in his campaign for the presidency of IFC.

Gamma Eta was very much present as the National Capital Alumni Association held its annual Founders Day Banquet at the National Press Club. Among those alumni present were Justice Thomas C. Clark of the United States Supreme Court and Representative R. M. Simpson of Pennsylvania. As our part in the entertainment, Gamma Eta's sing team sang the two songs that won second place in IFC Sing. In other ceremonies at the banquet, Brother Bernie Degen was awarded the "Pappy Lipscombe" trophy as Gamma Eta's Outstanding Delt for 1958-59. This was followed by the awarding of the \$200 Outstanding Initiate Award to Brother Parke Avery for 1958-59.

All of us at Gamma Eta wish to express our thanks to the Maryland Chapter and Marlboro cigarettes for the new Philco TV set which was given to us through the efforts of the above two

parties. Also, we thank sincerely all of the chapters who so unselfishly came to our aid last October after the fire, and have not ceased helping us yet. Thanks, brothers.

BOB NICHOLS

Georgia

Here at Beta Delta spring has really sprung and with it all of the big spring quarter parties are making their debut on the social scene. Our social chairman, E. T. DeWitt, has made plans for anything from pizza parties to our big spring formal, so this should prove to be our biggest quarter this year, socialwise.

Intramuralwise, the Delts are fielding a very strong softball team and also hope to cop high honors in tennis, Ping-pong, and the softball pentathlon. In varsity sports, our track man, Jack Thompson, is looking forward to another banner year with the university cinder-men and Pledge Larry Choran looked real sharp in spring football practice. Our hats are off to Athletic Director Sonny Mason, who has done a fine job of leading Beta Delta in the intramural competition this year.

Elections were held recently and Ken Davis was selected to lead us in the '59-'60 college year. Backing him up will be Durward Poland, vice-president; Slick Denny, treasurer; Joe Bowden, recording secretary; and E. T. DeWitt, corresponding secretary. We have a fine slate of officers for the coming year and Beta Delta couldn't be in better hands.

We have already started making plans for our summer rush program and Dick Elliot, our newly appointed rush chairman, has come up with some real sharp ideas for the summer program. Summer rush will include rush parties, publications, personal contacts, high school contacts, and a host of other great projects. With our summer rush program as a foundation, fall-quarter rush should prove to be the biggest yet.

Initiation time has rolled around again and although we are not initiating a large pledge class we are making plans for a great initiation with fun for all, even the pledges. The pledges are in the process of taking their final pledge exams so we hope to start initiation very soon. Spring quarter rush is off to a good start and we have already pledged two sharp boys and are in the process of getting more.

A tip of the Beta Delta derby to our adviser, Charles Pettaway, who has done a great job with the Fraternity this year.

Brothers Ken Davis, Durward Poland, Dick Elliot, and Joe Bowden, recently attended the Southern Division Conference, at the University of Florida, and reported a real great time. While having a good time, the boys also learned the ropes of running the chapter.

With all of the plans made and those now in use, Beta Delta says goodbye to a great year of 1958-59 and is looking forward to a greater year in 1960.

JOE BOWDEN

Georgia Tech

Winter quarter proved to be a successful quarter for the brothers of Gamma Psi Chapter. Several honors have come to the brothers of the chapter as well as to the chapter itself, through the application of a lot of hard work.

The bowling team, coached by Pete Gissing, captured the coveted bowling trophy and the championship by beating all other teams in the school intramural program.

In the IM basketball league, the Delts continued their winning ways by placing second in the Gold league. Once tied for first, the Delts lost the play-off game by a scant two-point margin.

As a result of these intramural conquests and the excellent play of our athletes in the fall IM games, the Delts attained a total of 34 IFC athletic points, ranking them second of the 27 fraternities on campus.

Kosme Society, leading junior honor society, selected Bill Haralson for membership. Grey Hodges, also a junior, was elected president of Pi Delta Epsilon, national journalism honorary.

Gamma Psi Delts continued their leadership in publication work. Paul Hodgdon was chosen to edit the *Technique*, the school newspaper, and Grey Hodges was picked to edit the school's feature magazine, *The Rambler*. John Walker will work with Paul as sports editor of the *Technique*.

Charles McQuirt was elevated from his position as vice-president of the Wesley Foundation to replace Delt Don Brock as the president of this religious group.

The industrial management society, a departmental society which chooses only those IM's who have attained a superior scholastic average, selected Marvin Alston for membership. Brother Bob Lawler reached the ultimate goal of all college men, an all "A" grade report.

Scabbard and Blade, military honor society, selected seven Delts to add to its roll. They are Bill Abercrombie, Steve Wilenchek, Paul Hodgdon, Grey Hodges, Bill Haralson, John Colle, and Jack Morton.

As in every previous winter quarter, the chapter made its selections for the men it wants to lead it through the next year.

Jack Morton was elected to serve as president. Jack, a junior in the civil engineering school, has served the chapter in many ways during his two preceding years.

Marvin Alston, John Walker, Pat

Skrmetti, Charles McQuirt, and Charles Walker were picked to act as vice-president, corresponding secretary, recording secretary, guide, and sergeant at arms, respectively.

On the week end of February 20-22, Gamma Psi held its annual Rainbow Ball and house party. This year, as usual, the event was a big success. The formal dance held at one of the leading local country clubs saw Miss Shirlee Ury crowned queen. Her court consisted of Mrs. Sandy Heck, Miss Carol Lightsey, Mrs. Lorraine Roy, and Miss Hollis Smith.

SHIRLEE USRY, Georgia Tech's Delt Queen.

The regular Saturday night party schedule continues with renewed vigor. Highlighting the series of social events was a Go-To-Hell party, in which the brothers and their dates dressed as they pleased. During the course of the evening cave men, pirates, French men and women, beachcombers, and many more unusual characters were seen roaming around the Shelter.

JOHN WALKER

Hillsdale

Early in March, Kappa Chapter initiated into the Fraternity 13 new members. Three of the initiates, Bob Patenau, Bob Beckwith, and Jim McCall, are second-generation Delts, and their fathers were present at the ceremony to present them with their badges. Brother Denny Maxey, a former president of Kappa Chapter, was also present to see his brother, Phil, become a Delt. During their pledging period, the new initiates had endeared themselves to the actives with an unusual prank. They presented the active chapter with a "gift" of a car.

Delivery, however, was made in the living-room of the house.

The spring social whirl got off to an excellent start with the annual Dude Ranch, the spring informal. Some fine work by the decorations committee turned the house into a very good replica of a bunk house, thereby creating an authentic atmosphere, and adding to the enjoyment of all who attended. Everyone is now looking ahead to the many coming events, the Spring Formal, Mothers Day week end, Mardi Gras, and a few parties with some of our nearby Delt chapters.

As usual, many of the Deltas appear prominently on the Hillsdale College scene. Brother "Mac" Jones was recently honored for his tireless work in many campus organizations, by being recognized in *Who's Who in Small Colleges*, the "blue book" of small schools. Brother Tom Purdy was elected a short time ago to the office of vice-president of the Student Federation, the student governing body of the school.

Brothers "Butch" Nissen and Bob McLaren have just returned with the baseball team from its spring tour through the south. With Captain Tom Purdy and Brother Howard Johnson holding the first two singles slots, and together forming the No. 1 doubles combination, the Deltas are well represented on the Hillsdale tennis squad. Brother Pete Beckwith has been chosen by his teammates to captain the "Dales" wrestling team for the second consecutive year. Intramurally, volleyball and softball now claim the attention of the chapter. High finishes in both of these events would certainly aid the Deltas in their fight for the campus all-sports trophy.

In keeping with the chapter's policy constantly to improve the Shelter, a project has been started to landscape the front lawn. It has been whispered around the house that Bob Moreland, our jack-of-all-trades, has even been secretly buying copies of *Better Homes and Gardens* in quest of some new ideas.

That's it for now from the men of Kappa Chapter. See you in the fall.

JOHN BAYARD

Idaho

Delta Mu took a chance this year and pledged 23 men during the fall rush. This "chance" paid off and we had the largest initiation since the chapter's founding in 1931, with 21 of these men taking their vows on February 22. Delta Mu's pledges did well on campus also. Robert Schini, Duane Allred, and Keith Johnson were tapped for Intercollegiate Knights, a sophomore honorary; Duane Allred and Vaughn Estrick for Phi Eta Sigma, a freshman honor society. Chuck Hervey was elected president of junior

IF the undergraduate student is making a man of himself, he is doing the world's most important job. Growing and working, thinking and gaining power, reflecting and gathering insights, the student justifies his life; the future may safely be left to its own devices.

DR. HENRY M. WRISTON
Wesleyan, '11

Idaho's CLIFF LAWRENCE

IFC and Bob Henderson was chosen president of Idaho's American Society of Mechanical Engineers chapter. With all these activities, our pledges still found time to study and took the freshman scholarship trophy, two-tenths of a grade point above the nearest competitor.

The chapter managed to keep up with this very active pledge class. Scott Vaught was selected as IFC rush chairman; Jack Acree was elected president of "Hell Divers," an Idaho swimming honorary; Glenn Potter was tapped for Blue Key; a Delt quartet, the "Sneakers," won the Blue Key Talent Show; and past I.K.'s Brody Conklin and George Dickinsen, helped elect Delta Mu's remaining I.K.'s, John Fitzgerald and Bob Schumaker, to offices in the honorary.

Delta Mu's "pseudo jocks" have come through in intramurals, getting two men in the tennis finals, taking second in both A and B league basketball, missing first in both cases in a "sudden death" overtime play-off, and with a twelve-to-one win in the first softball game the chances of winning that trophy also are very good.

Representing the chapter also in varsity sports this year were Bob Walton,

basketball, Bill Scholes and Theron Nelson, football, Ron Adams, track with Glenn Potter and Freddie Ayarza track managers, and John Rosholt and Rusty Shepperd forming the better half of the golf team. Sophomore diver Cliff Lawrence did well for the team, getting five firsts out of ten meets and a third and a fourth in all-Northwest competition.

Social functions for the year included the Russian Ball and the pledge dance, "Delt Disneyland," with all members looking forward to the chapter's annual picnic at Coeur d'Alene Lake. Delta Mu will have another "first" this year on May 2 when we have a Playboy Party for our spring formal.

The Idaho Deltas have again tried and succeeded in holding down their high standing on campus this year and are looking forward to bigger and better things to come next year.

BRODY CONKLIN

Illinois

The coming of spring finds Brothers Jim Cvik and Don Harvey leading the Illini baseball team into action. Looking to the future, the freshman baseball squad highlights Bill Reno, Tom McIver, and Bob Martin. "Hap" Georlett, Beta Upsilon's contribution to the varsity golf team, finds the warm weather ideal for working out winter's kinks in preparation for the spring season.

In the IM world, the Delt junior varsity house team, labeled the "Saints," walked away with the championship. The "Saints" have established a reputation over the years as the team to beat.

The Illinois Deltas, ever watchful for good material, pledged Stan Yukovitch and Ron Day in the opening weeks of the second semester. At the same time, the chapter initiated ten new members

into Beta Upsilon. The brothers look to the new initiates to continue the honored Delt tradition on the Illinois campus.

Bruce Duff, major chairman of the spring carnival, is busy winding up the affairs of the predicted greatest week end spectacular since the start of the event. In the midst of all this activity, Brother Duff stopped long enough to be installed as an Illini Union director, following his election to this highest of all campus positions.

JERRY MANLEY

Illinois Tech

Gamma Beta Deltas celebrated groundbreaking festivities late this spring for their new Shelter. The site of the modern structure, provided by the school at no cost to us, is located on Wabash Avenue just north of 34th Street. Brothers Al Mell, '31, and John Fox, '40, architects, have been retained by the house corporation.

The Shelter, to be designed in keeping with the Mies Van Der Rohe architectural style, will house 70 men. Quarters for a housemother are included in the new plans. The Shelter will be ready for occupancy around January 30, 1960, at which time the present Shelter, the former home of Chicago's influential Armour family, will be vacated.

The campus scene this spring was highlighted by the designation of Dick Ward, present IFC president, as Tech's "Man of the Year" in an all school election. Mike Wayte has been chosen captain of the basketball team for the coming year. Ray Van Horn has been picked as IFC pageant chairman and also as a member of the student admissions advisory board. Van Horn and Dave Beal are pledging Beta Omega Nu, an interfraternity social organization. Ed Bales is IFC trophy chairman while Russell Meloche is serving on the important ITSA public relations committee.

In the competition for the all-activities trophy, Gamma Beta is locked in a three-way battle for top honors. We have won this award twice in a row and are slightly favored to win again this year. Two Deltas, Bob Yoerg and Mel Roll, are playing tennis for the school while Don Neal, Dave Gibbs, and Dave Roberts are on the IIT golf squad. Dave Maguire, Kent Johnson, and Mike Wayte play baseball for Tech. Wayte and John Olin were the top two scorers on the varsity basketball team and, along with Bill Van Santen, were initiated into Honorary I, Tech's athletic honorary.

February's rush week, an off-semester rushing period, saw the addition of four new pledges: Bill Anderson, Lowell Olberg, Jim Pesek, and Norm Varbansic. Pesek is playing with the school dance band and Anderson was on the Tech swimming squad.

"Man of Year" at Illinois Tech is DICK WARD.

Beta Alpha's STEVE COX is Tyronian King of Frosh class.

BOB YOERG briefs Illinois Tech audience on "Pajama Game."

"Pajama Game" party at Illinois Tech.

Twelve pledges became Deltas last February 22, and are now moving into school activities. Lauren Hilquist is on

the advisory committee on student activities. Jack Goodin and Clay Hayes are on the elections commission, while Hayes and Jack Henricks are pledging Alpha Phi Omega. Bob Yoerg is on the staff of radio station WIIT.

Deltas and their dates enjoyed the ribaldry of Oscar Brand in a folk music concert last March, preceded by dinner at the Shelter and followed by an open house. The social calendar this semester has also featured a pajama party, along with "Halls of Delta Tau" and "Suppressed Desires" parties. Other social activities included the IF Ball, the Rainbow Ball at the Ambassador Hotel, the alumni smoker, the pledge party, and a 50th State party.

DAVE BEAL

Indiana

During the year, many brothers of Beta Alpha Chapter obtained positions in campus activities. Bill Tanner, Beta Alpha's IFC representative, became a member of the IFC judicial board and Doug Kent, one of Beta Alpha's spring pledges, is treasurer of the Junior IFC. Phil Johnson, senior, was chosen to be a member of Blue Key. Dewain Lightfoot, Beta Alpha's RAINBOW correspondent, was appointed co-editor of the *Greek Pin Points*, a Panhel-IFC publication. Beta Alpha has four brothers in Delta Sigma Pi, a national business honorary: George Piepho, Dan Fleming, and two new initiates, Gordon Munson and David Hedges. Beta Alpha's bowling team walked away with top honors in the Falcon bowling league on the I. U. campus. The team had the highest team series and two of the three top averages out of 18 teams and 90 bowlers. The team

Beta Alpha's quartet, the Delt-Tones, and new combo.

IM bowling star at IU is Beta Alpha's AL PAXTON.

also won the top prize money, and is presently vying for honors in the spring intramural bowling league. The top scorer on the team is Al Paxton. Al is captain of Beta Alpha's bowlers and a member of Indiana Memorial Union bowling team. Other members of the team include Tom Dreihobl, Jack Boges, Dick Loman, and Tom Darnell, Beta Alpha's talented combo and quartet perform for most exchanges and other house functions. The newly formed combo is composed of John Clark, piano; Mickey Bell, guitar; Tom Darnell, drums; and Gary Chase, bass. The combo specializes in rock and roll, jazz, and calipso. The quartet, known as the Delt-Tones, is composed of Bill Tanner, Lloyd Cast, Jim Cast, and Mike Wiest, and patterns its style of singing after the Four Freshmen. The Delt-Tones have sung for many campus activities and are always well received. Beta Alpha also had the honor of having one of its spring pledges, Steve

Cox, elected "Tyronian King" of the freshman class. The "Tyronian King" is a campus contest among freshmen men, and the brothers were very proud to help Steve win.

DEWAIN LIGHTFOOT AND
GORDON MUNSON

Iowa

The "Swing in Spring" at Iowa U. is generally toward the riverbank and the outdoor sports, and this year is no exception. Only now, with the closing of the Coralville Dam and the opening of the Lake Macbride recreation area, there will be an additional 600 acres for enjoyment.

This isn't to say that *everything* stops when spring hits at Omicron, for there are many things that have been going on and many events yet to come this spring. On February 18, we held a long-awaited mortgage-burning ceremony at the Shelter. President Charles Fairall threw the old mortgage into the flames as actives, pledges, and visiting alumni looked on. Not too long after, a permanent committee was formed of seven freshmen and sophomores for the specific purpose of erecting a new Shelter, for although the present Shelter is paid for now, it is already too small and too old for our growing purposes, and each year it seems to shrink a little.

Howard Heid, one of our new initiates, made our rec room more enjoyable this spring by constructing a hi-fi from some parts of the old juke box and one of the brother's turntables.

Socially, nothing on campus can match a Delt party. Our Pajama Party was a widely talked about event and our Winter and Spring Formals were big successes, too. Coming up in the very near future is the annual French Party to be held in conjunction with our brothers from Gamma Pi Chapter at Ames. In

the future we hope to work out a closely co-ordinated rush program with the Iowa State Deltas. This was one of the topics discussed at a recent alumni meeting in Des Moines.

Individually, Deltas are showing up all over campus in activities. Keith Zastrow is currently on the men's orientation committee for the fall of next year. Last year, Charles Fairall and Jim Tilton were both on that committee, Jim being the chairman. Junior John Stoy, a member of last year's Big Ten championship tennis squad, and Junior Keith Zastrow are both playing on the squad this year. Stoy is also on a Union Board subcommittee and a student council committee. Jim Farrell, currently president of Central Party Committee, the all-University Party planning committee, was recently named chairman of Greek Week for next year. Jim Tilton was a finalist for the Most Outstanding Greek on Campus, a position held last year by past-president Don Sherk, now studying in Australia on a Fulbright Scholarship.

Song Leader Keith Linn, who is entering dental school next fall, is busy preparing the brothers for the all-University sing contest coming up shortly. Also in the near future are the French Party and the annual Mother's Day Week End. So, although spring fever does rack up its toll, we at Omicron still manage to keep busy doing something.

LEE HARKER

Iowa State

A majority of the brothers have donned their softball gloves and have cast aside their winter clothes as spring fever once again predominates at Iowa State.

Having termed the winter *Four Poster* party an overwhelming success, Gamma Pi is now preparing to have an equally successful "Orchid Formal" this spring. Deltas and their dates will meet at the Commodore Hotel in Des Moines for the formal dinner to be followed by dancing to the music of the "Esquires."

Gamma Pi will also channel her efforts on the forthcoming Veishea Parade float. Competition is unusually keen and many of the entries are true "works of art."

The Deltas auctioned their services to Kappa Alpha Theta Sorority in an effort to raise money for Campus Chest. A towering snow cat was constructed on the front lawn of the Theta house to fulfill this obligation.

IFC has claimed the services of two Deltas for the coming year. Tom Lettington was recently elected to the vice-presidency and Tom Acuff became the new rush chairman.

Bob Ross and Bob Hansen were elected to joint social council, as senior representatives. Bob Ross was elected vice-president of the organization. Tom Bolton became international students admin-

Iowa State Delts shown with snow sculpture of Theta "Cat," part of Campus Chest contribution.

istrator on the student body president's cabinet in Cardinal Guild. John Moore was initiated into the active Navy service fraternity, Order of the Sextant, and Bruce Chester took over the duties of Cy, the student body mascot, for the coming year.

Roger Barney has become the varsity tennis team captain and will lead his netmen into battle this spring.

Ralph Staudte and Jerry Kolschowsky have been seeing a great deal of action on the varsity baseball team.

JOHN MOORE

Kansas

"Green-up" time is at K.U. again and the annual volley of water bombs is filling the air. Along with "green-up" time came the yearly Pajama Party, which was held in the Shelter the first week end in April. It lasted all day long, and was the greatest. "Like, man, it really swung." The Shelter took the form of one big "pad," with favors and decorations ordered from *Playboy* magazine.

Gamma Tau has been doing more than fulfilling its social obligations, however. A number of brothers have been very busy getting their names spread around the campus. Brother Ted Hall has been selected for Schem—the senior men's honorary organization. Also, Ted has been elected to the all-student council. Brother Roger Stanton won the race for senior class vice-president, after a torrid campaign. Brother Dick Harper was elected secretary of the Young Republicans and also a member of the K.U. relays committee. Brother Dave Wilson was

chairman of the elections committee, and engineered K.U.'s first I.B.M. election. Brother Don Culp is playing on the varsity baseball team. Brother Gene Davis was honored by the architecture department for his outstanding work, and an article by Gene appeared in *The K.U. Engineer*. Brother Ed Cooper is finally hanging up the 50-pound Jayhawk that he has worn to all football and basketball games for the past four years. The Jayhawk has been a spectacle of prime interest, and Ed has received much recognition during his tenure of being the "insides" of the Jayhawk. To top off the Delt wheels on campus, Brother Bill Witt was recently selected by the yearbook staff to be a "Hilltopper." Gamma Tau will be represented in medical school next fall by Brothers J. P. Feighner and Howie Ellfeldt, who were recently accepted to the K.U. Medical School.

An unusual situation came up with the semester grades, with Brother J. P. Feighner and his pledge son, Dick Harper, both having a 3.0, or a straight-A average. Dick was the honor initiate and also received the award for the most outstanding pledge. Dick was initiated along with 15 of our new Brothers on April 5, in a very impressive initiation. Brothers Larry Weimer and Ron Michaels made like horses when they pulled the Delt chariot to second place in the Greek Week Chariot Race.

Twenty-three of the brothers went in to Kansas City earlier in the spring for the annual Founders Day Banquet, and an evening of Delt brotherhood was enjoyed by all who attended.

CHARLES WETZLER

Kansas State

The construction of a new addition to the Delt Shelter at Gamma Chi has started. Although the present Shelter is only five years old and easily the most beautiful house on campus, we have outgrown its facilities. At present there are many men living outside of the house. This cuts down on the efficiency of the Fraternity and leads to some problems. The enlargement of the house will increase its capacity from 54 men to 75 men. The addition is to be finished in time for everyone to move in under the same roof next fall.

George Washington's birthday was celebrated as usual at the annual George Party. The pledge class presented a skit. The party was a success as everyone enjoyed the evening. The social calendar for the remainder of the year shows two major events waiting to provide a good time. The next event, our annual Rainbow Ball, is the high light of the social year. This is our spring formal at which a new Delt Queen is crowned to reign for the coming year. The final function of the year will be the barbecue, another annual event which is sure to be a fine finale for the social year.

Scholastically, the Delts at Kansas State rank fifth out of 23 fraternities. We have won a plaque awarded by the Arch Chapter of Delta Tau Delta for having the greatest improvement in scholarship in the Western Division.

Gamma Chi's volleyball team was undefeated until the finals but had to settle for second place. This, however, places us second in total intramural points and close enough to come out first if all goes well in softball.

The honor of membership in Phi Kappa Phi was earned by Brothers Gary Rumsey and Larry Foulke. Two Delts have been elected to be representatives on the student council. These men are Brothers Larry Jefferies and Larry Bingham.

Blue Key at Kansas State is limited to the 13 top senior men. This past year three Delts were members of this select group. The men at Gamma Chi were elated when again, for the coming year, three Delts were tapped for membership. The brothers who received this honor are Larry Foulke, Lowell Novy, and Max Bishop.

Delts again hold several high positions in Student Union activities. Two men, Brothers David All and Beryl Stewart, have been appointed to major chairmanships. The Union governing board has three Delts as members. These are Lowell Novy, Max Bishop, and Gary Rumsey.

Twenty new Delts were initiated this year. Their parents were invited for dinner after the initiation as a surprise for the new initiates.

The rush program is coming along

well, under the direction of Rush Chairman Richard Jennings. We have had two rush week ends this year. For one of the week end parties we had a dance band play at the Shelter. Rushees, Delts, and dates all had a fine time.

Intrafraternity sing is coming soon. We have placed second for the last two years and have our sights set on the first-place trophy this year. Under the competent direction of Song Leader Larry Foulke, and with the support of the chapter, we have a good chance of winning.

The new assistant treasurer of Gamma Chi is Dennis Owen.

EDWARD REGNIER

Kentucky

Delta Epsilon Chapter of Delta Tau Delta was again first in scholarship for the fall semester among the University of Kentucky's 20 fraternities, and will receive the Keys' trophy for outstanding scholarship. Many brothers hold membership in various campus honoraries. Carleton Godsey, Bill Wagner, Kent Combs, and Bill Mullins are all members of Tau Beta Pi, the engineering honorary; Ed Thomas and Jim Hill represent the Delts in Keys, the sophomore leadership fraternity; Kent Combs is a member of Omicron Delta Kappa, the senior honorary, and Jim Hampton holds membership in Lamp and Cross. C. K. Davis and Allen Dawson are charter members of Alpha Epsilon Delta, the pre-medical honorary. Dawson is vice-president of the new AED group, and Thomas is the vice-president of Keys.

Other Delts active on the campus include Jim Hampton, editor-in-chief of UK's campus daily, *The Kentucky Kernel*, and Dan Millott, Tuesday editor of the publication. Under the editorship of Hampton, the *Kernel* received two first-place awards, in nationwide competition, for its work in promoting a recent highway safety program.

There are five brothers who are representatives to student congress; Jerry Johnson, the pharmacy representative, is the favored SC presidential aspirant in the up-and-coming campus election.

The Delts have also found time for active intramural sports participation; in close competition, we are now in second place.

To date, the UK Delt chapter has placed in every competitive campus event. The first-place trophies we have received were awards for Lances' Carnival, Mardi Gras, and outstanding scholarship. In addition, the Delts won a second-place award for the homecoming display.

Plans are progressing rapidly for an expansion in the present Shelter, and construction will probably begin this summer.

The chapter is very proud of its ad-

viser, Jim Shropshire, because of his recent election to the presidency of the Southern Division. This is only one way in many in which "Shrop" has given a lifetime of outstanding service to the Fraternity.

RALPH KING

Kenyon

Chi can look back on another year of achievement in scholarship, athletics, and campus activities.

The seven Delt starters on the Kenyon lacrosse team. Top, left to right: BILL ALLEN, JIM RIDDLE, MARK POWDERMAKER. Bottom: JOHN CLARK, JOE SKRZYPEK, DAVE BROWN, and DAVE ASHLEY.

Despite conditions which are anything but conducive to study, the men of Chi wound up with a first-semester average of 2.6—third among fraternities on campus, and well above the All Men's Average.

Not to be outdone athletically, Delts have made an impressive record in sports this year, both varsity and intramural. In winter sports, the Delt-dominated Kenyon swimming team swept to its sixth straight conference crown. Lanny Ritter, Jim Carr, Phil Mayher, and John Binder each won one or more first-place ribbons, breaking several records on their way to victory. In wrestling, Brother Dick Schori, captain of the team, went undefeated for the season and was the conference champion in the 157-lb. class, for the second time in three years. Bob Ramsey, star forward on the Kenyon basketball squad, will captain the Lord's basketball team next year.

This spring, the Kenyon lacrosse team is bolstered by Delt starters, Jim Riddle, Cocaptain Mark Powdermaker, Joe Skrzypek, John Clark, Dave Ashley, and Pledge Bill Allen. Pete Roche is holding down the center field slot in spring baseball, while Bob Ramsey is shooting consistently low for the golf team. Still in a tight race for the all-intramural trophy which the Chi-Delts have captured for the past three years, the brothers won the intramural swimming event by a close margin for the second straight year, while

the "A" team took a third and our "B" team took first in basketball. Now we are counting on our strong track and softball teams to come through and help us to retain our trophy.

Around campus, Jim Robinson has been selected a coeditor of the *Kenyon Collegian* for 1959-60. Frank Lovrien will be coeditor of the school annual, the *Reveille*, next year. Lanny Ritter has been named captain of the 1959-60 swimming team, while Dick Schori will again serve as the captain of the wrestling team.

Presently our alumni newspaper, the *Chi-Delt*, is on the presses, and should be received by alumni soon; Editor Don Price has done a fine job and deserves much credit. We at Chi are looking forward to seeing at least 100 alumni back for the June Commencement festivities. This reunion promises to be one of the best in recent years.

The spring party season has been in full swing under the direction of social Cochairmen Frank Lovrien and Dale Besire. Mrs. Dorothy Ritter played at our centennial concert on April 12, after which we had our annual faculty party. On April 14, twelve new members were initiated into the ranks of the chapter. We are all proud of this new class and expect many good things from it. Last but not least is Spring Dance Week End, which is anxiously being awaited by all. Two dances, many parties, and a trip to the "hollow" will high light the week end.

Finally, Chi would like to take this opportunity to urge all our alumni to keep the chapter informed on any and

Rush Prospects?

If there are any young men in your family, or among your acquaintances, who are planning to attend college this fall and who might be good Delt material, please use the Recommendation forms found in this issue of THE RAINBOW.

all prospective freshmen entering Kenyon next year.

DALE BESSIRE

Lafayette

Nu Chapter is, and has been, working at full speed over the past few months on vigorous social and scholastic activity. The Lafayette Delts placed second among 19 fraternities with a 77.56 average and were awarded the Eastern Division scholarship award, tying for this honor with the Beta Nu's at M.I.T. Nine men were initiated during February to bring our total strength to 50 brothers, five pledges, and a dog, Mandy, a sort of beagle, who was pledged during February.

Late in March the chapter elected officers with Bill Hagen taking the honors as president; Ron Geesey as vice-president; Pete Mitchell as recording secretary; Larry Knudsen as corresponding secretary; Dave Tamburro as guide, and Bob Duncan, the pledge of the year, as sergeant at arms. Hagen, who moved up from vice-president, is active as a member of the soccer team and junior class executive committee. He also participated in cross-country and is very active in

Lafayette first-sacker is Delt PHIL BOLLMAN.

house intramurals. Geesey, past recording secretary, is at present sophomore class president and a member of the Calumet, honorary sophomore society.

The Nu Delts sent two delegates, Bill Hagen and Dick Welshans, to the Eastern Division Conference, and they brought the 1961 Division Conference back to Easton with them. At the beginning of the semester the chapter accepted a Zenith radio as second prize in the Marlboro contest, and during basketball season the team went the rest of the way undefeated, after losing its first game.

As far as social life is concerned, the high light was the Rainbow dance, held at the Harkers Hollow Country Club in Phillipsburg, N. J. Also a tremendous ten-hour joint party with Kappa Sigma was held at the Delt house, during which

Some of the fun enjoyed at Delt-Kappa Sigma joint party.

Lafayette Delts and dates at Ft. Lauderdale beach during spring vacation.

two bands were featured. On April 10, Miss Pennsylvania, Miss Rosalie Samley, was a dinner guest of the Delts, after which she was mistress of ceremonies at Skit Nite, one of the features of the Junior Dance Week End. An open party with Sigma Chi at the Delt house followed.

Preparations are now in full swing for Spring I.F. week end, the social event of the year. Following the Interfraternity Ball on Friday night, a dance featuring Les and Larry Elgart and Kai Winding, we will journey to Brookdale-on-the-Lake, a manor in the Poconos, and on Saturday spend a pleasant afternoon enjoying the recreational facilities at the lodge. We plan to round out the week end by having a dance-party on Saturday night.

The Nu Delts extend their congratula-

tions to Tom Grant, our ex-president, and Ew Curley, who both were nominated for the Pepper Prize, an award given to the senior who most typifies the Lafayette ideal. Our congratulations also go to Phil Bollman who is starting first baseman on the Lafayette nine for the second consecutive season.

All in all, here at Lafayette the Delts have had an excellent year, both individually and as a group, and all of us hope that the coming year will bring to us as many laurels as the past.

PETER CLAUSSEN

Lawrence

In closing out a highly successful year, the brothers of Delta Nu have many outstanding achievements upon which to reflect.

The high light of our (and for that

GAAR STEINER, Phi Beta at Lawrence.

matter, the school's) second semester was Delta Nu's *Playboy* party. The Shelter was entirely transformed into a Playboy Penthouse, complete with an Oriental plaza, African den, Hi-Fi lounge, piano bar, and "Place du Bal." The evening's entertainment consisted of Carter Johnson soloing on the banjo; the Delt quartet, consisting of Doug Moland, Carter Johnson, Mike Harris, and Peter Switzer; and the Nairolei nine-minus-six playing several wastebaskets. Repercussions were great, not only on the campus, but we also received nationwide promotion when one of the pictures was published throughout the country, courtesy of United Press International.

Again the brothers demonstrated great diversification in their individual achievements. Gaar Steiner, in pulling down a straight-A average, was elected to Phi Beta Kappa this winter. Alex Wilde, following in Gaar's footsteps, also received a straight-A average for his first semester's work. Nine other brothers received high honors for the same period. In the area of student government, Doug Moland was elected president of the student body while Peter Switzer was elected to head New Student Week committee.

In the *Lawrentian*, our school newspaper, we find that Alex Wilde, Jeff Knox, and Al Saltzstein have done an excellent job as sports editors. Any one of these three boys stands a good chance of getting the chief editor's job in the spring. Air Force ROTC has been largely headed by Delt this year. In addition to Don Andler being deputy commander and Doug Moland being president of Arnold Air Society, Brothers Franke, Holsen, Hurley, and Swain are prominent.

PETE SWITZER, cocaptain of next year's Lawrence swimmers, is also Delta Nu vice-president.

Penthouse party, inspired by Playboy Magazine, enacted by Delta Nu Chapter at Lawrence.

Although we did not fare as well this year in intrafraternity sports as we have in past years, our basketball team compiled a record of 14 straight while the badminton men swept all their matches and the Ping-pong and football teams came in second and third, respectively.

On an individual basis, several other brothers proved outstanding in winter sports. Peter Switzer, for instance, not only performed brilliantly on Lawrence's swimming team, but was elected cocaptain for the coming season. In wrestling, Lee King and Chico Kauffman performed outstandingly. Chico was undefeated for the complete season. As for spring sports, Delta Nu will be represented in baseball by Brothers Franke, Dyer, and Larson; on the golf course by Harris and Switzer; on the track team by Stout and Brink; and on the tennis courts by "Handles" Huris and "Ears" Drew, both of whom are fighting for the No. 1 position.

The brothers are looking forward to repeating another winning prom king campaign and also another first in the "All Greek Sing." They will be able to return home for the summer confident that they have finished another successful year.

TOM WEBER

Lehigh

In the middle of this past February, the Lehigh Delt moved into their beautiful new Shelter up in Sayre Park. We wish to extend a sincere vote of thanks to our chapter adviser, Mr. James V. D. Eppes, who devoted so much of his time and did such a splendid job in helping complete our new Shelter. We had a housewarming for the campus on Feb-

New Beta Lambda Shelter graces Lehigh campus.

ruary 21, with the faculty and administration visiting the Shelter in the afternoon and an open house for fellow undergraduates that evening after the Pitt wrestling match, which, incidentally, Lehigh won.

In intramurals the Delt finished high in their league standing under the leadership of past Bellows High captain, Walt Schmidbauer. Intramural wrestling brought many would-be wrestlers down to the mats to try to get in some sort of physical shape; however, Barry Holmes fought his way to the all-University championship in the 150-lb. class. Barry pinned his final opponent in the second period. Our prospects for a successful softball season look very good. Ace Pitcher Elbe Blank should have a winning season by the looks of early season games. We now stand fourth out of 30 fraternities towards the capture of the all-University sports trophy, and with Carl "Fish" Tindall's swimming crew we should make some advancement.

March 22 ended a successful rushing season with Beta Lambda getting 14 pledges. Our congratulations to Jim McAdoo and Walt Krzesiewski for a fine rushing job. The following were pledged: Bill Burrows, Bill Denise, Jay Flynn, Carl Goehring, Ben Hellewell, Ron Johnson, Denis Maus, Bill Munson, Bill Nichols, Carl Petrillo, Carl Straub, Dean Taylor, Al Vajda, and Rich Vogt. Pledgemaster Bob Gaido is doing an excellent job in

instructing and orientating the new pledges.

On the varsity sports scene we have Terry Brenner playing baseball, Barry Holmes pole-vauling for the track team, and Charlie Vogt, Jack Sweitzer, Dick Eelman, and Bob Colonna playing lacrosse.

As far as Delts on campus are concerned, John Roglieri was elected to Arcadia, the student government. Jim Williams was named to Arcadia Associates and has recently assumed the position of vice-president of the class of '61.

Our best wishes to the new Epsilon Epsilon Chapter for a successful start.

BOB GAIDO

Maine

"A good job, well done," is what the Delts at Gamma Nu had to say to Brother Stan Weeks and his rushing committee. Twenty-six of the top men in the freshman class were soon wearing the Delt pledge pin. This group has the highest point average of all pledge classes on campus, and has many social and athletic standouts. To celebrate our successful rushing program, the brothers, under the leadership of Social Chairman John Greeley, put on a pledge jam session—a big social success.

The Tri-Delts pledge formal at the Delt House was soon followed by the annual Jamaican Party, complete with

Jamaican costume party at Gamma Nu looks authentic.

palm trees, coconuts, and authentic calypso music. A rather boisterous duo of Brothers Marston and Merrill took charge of the successful "blast."

Scholarship still remains the chief project here at Gamma Nu. We placed second out of the 17 fraternities on campus. This fact, along with the excellent standing of our pledge class, makes the scholastic future look very bright for the Maine Delts.

Brothers MacDonald and Woodard were our representatives in the recent campus wrestling competition. Brother

Two "Jamaican" dates attend Maine party.

Woodard lost a heart-breaker to his much heavier opponent. "Woody" will be a tough man to reckon with next year. Brother MacDonald, the defending champion, won his weight class in the amazing time of 70 seconds. Charlie will be back next year also. Gamma Nu was also well represented at the recent Division Conference by the presence of Brothers Don Small, Larry Cilley, and Dave Robinson. These men brought back many good ideas and interesting stories from the Conference.

Brothers Grey Lane, captain of the rifle team, and Ron Richardson, top point man, have led the crack University rifle team to another successful season. These men are also considered favorites in the state individual championship matches.

Work is starting on the interfraternity sing, under the direction of Brothers Lane and Robinson, and plans are under way for the spring house party. Things remain ever-busy here at Gamma Nu.

STAN ALLAIN

M.I.T.

The BN Delts have recently elected and installed new officers. The president is Joe Verderber, who is also the recently elected president of the IFC; Milt Reed is the new vice-president; Karl Sladek, recording secretary; Larry Rojahn, corresponding secretary; Dave Powell, treasurer; Nelson Stefany, assistant treasurer; Davis Gates, guide; and Steve Seligman, sergeant at arms.

Hank Wagner is now the editor of the MIT Beaver Buzz, a publication of Institute activities. Hank was recently elected recorder of the athletic association. Delt Larry Rojahn now holds the office of IFC clearing house chairman. Joe Verderber and Dave Powell have become members of Pi Tau Sigma, and Milt Reed is a newly elected member of Tau Beta Pi. Jim Wishart and Joe Verderber have recently been given special administrative awards by the A.A.

IFC President VERDERBER has privilege of presenting IFC Scholarship Award to NELSON STEFFANNY, also of Beta Nu.

The BN Delts are finishing the year well up on the sports ladder. At present seven freshmen have earned numerals: Bob Fisher, Gary Helmig, Terry Bray, Steve Smith, Karl Sladek, Davis Gates, Nick Kneen, and J. C. Crissman. Joe Verderber received a varsity letter for fencing; Nelson Stefany and Bob Brooker, who have collected a total of seven swimming medals this season, also received letters. Gary Helmig is captain of the freshman sailing team. Earlier in the year Delta Tau Delta won the intramural foot-

Beta Nu and Beta Mu party at MIT.

Another look at Beta Nu-Beta Mu party.

ball and wrestling championships, and recently the Delt hockey team won a league championship.

Everyone has been hard at work remodeling the basement into a recreation room, which should be finished sometime during the spring. Beta Mu had a second party with Beta Nu on Saturday, April 11. The party, held at the Beta Nu Shelter, featured a small combo for dancing. Several beach parties are planned for the spring.

Beta Nu received two trophies for outstanding scholarship in the Eastern Division last year. These were the scholastic improvement and the general scholarship trophies. Bob Larson, a junior pledge last term, was one of the few people in the Institute who achieved an all-"A" average during the first term of this year.

S. S. THRASH

Michigan

Spring semester is always a very active one for Delta Chapter, and this year is no exception. There are three main fields of activities on the Michigan campus for the spring, and the Deltas are strong contenders in all of them.

Each year the University alternates two special events. Last year we celebrated Michigras by winning first place in booth competition, and again this year the Deltas, working with Kappa Kappa Gamma, are front-running contenders for honors in spring week end, consisting of Skit-night, field events, and booth competition at the dance. Under the direction of Chairman Pete Schott, Jerry Coon, Jim Phelps, Joel Boyden, Gordy Murray, and Jerome LaFountain have led their committees to very successful operations.

The interfraternity sing is always the high light of Greek Week, another spring activity, and the brothers can be heard practicing chromatic scales in all parts of the Shelter. The sing is a favorite event of Delta Chapter, and the brothers are out to regain the cup this year, under the direction of Jim Phelps.

The third area of campus activity of the spring is intramural sports. Getting off to a good start last fall, the brothers have kept up the enthusiasm and hard work this spring, and coupled with the spring sports events, should place very high athletically this year.

These campus events in addition to the usual chapter activities, such as serenades, exchange dinners, and the legendary theme parties spell another active and particularly successful year for Delta Chapter.

JACK O'BRIEN

Michigan State

Iota Chapter is awaiting the spring season on top of the fraternity all-sports standings, with the potential to grab the

Blue Key president at Michigan State is RUSS PEPPET.

title for the entire year. Winter term was a very successful one in that we took first place in badminton, led by Warren Kellog, Ron Henry, and Dave McCaffree; a second in our block in basketball; and a second in fraternity swimming attempting to capture first place for the third straight year. Bo Miller was again a standout for the tankmen, winning both the 100- and 220-yard freestyle events.

Three seniors from Iota closed out their varsity careers on the Spartan swimming team: Dee Edington, Dave McCaffree, and MSU's No. 1 diver, Tony Kaufman. Incidentally, Dave McCaffree's father, Coach Charles McCaffree, Jr., has been selected head coach for the United States swimming team for the upcoming Pan American games and will be directing the Pan-Am trials to be held here in East Lansing this summer.

In other activities, the men of Iota combined forces with the women of Kappa Kappa Gamma to capture second place in the all-university winter carnival, Spartacade. Chairman Rook Shank did a fine job of co-ordinating, and our booth, "For Heaven's Sake," which presented a Salvation Army type front as a cover up for the dive, complete with stage show within, won high praise from all judges.

Singularly high recommendation should go to our current treasurer, Russ Peppet, who was recently elected president of Blue Key, one of the top honor societies on campus. Besides the duties mentioned above, Russ, who is a junior from Chicago majoring in mathematics, also is in the advanced Army ROTC program here at State and was just elected president of the Officers' Club. Recently selected for membership to Blue Key

from our chapter were Juniors Mark Harold and Jim Hermann.

Nine new members were initiated at the beginning of spring term and with the ten men who went active this past winter our total for the year stands at 19 with spring rush still in progress "as we go to press." Jim Draves is presently rush chairman and doing a commendable job.

Looking ahead a little, hopes are rising at Iota Chapter that we may have a new Shelter in the near future. We'd like to extend our wish for a very enjoyable and profitable summer vacation to all undergraduate chapters.

TERRY BRAVERMAN

Minnesota

The ensuing year will certainly be another banner year for Beta Eta. Our officers for the coming year are: president, Rolf Bjelland; vice-president, Tom Johnson; corresponding secretary, Ken Ruble; recording secretary, Jon Wicklund; treasurer, Dick Grosgebauer; assistant treasurer, Ron Robertson; sergeant at arms, Bob Farrington; guide, Tobe Jones. With the fine performance shown by these men in the past, Beta Eta is certain to continue as a leader on the campus.

Attending the Northern Division Conference at Indianapolis, Indiana, were Brothers Rolf Bjelland, Tom Johnson, Jack Heen, and Jack Mulvena. Their experiences and the ideas they have brought back have been, and will continue to be, a source of knowledge for our entire chapter.

On May 1, the annual Founders Day Banquet was held at the Normandy Hotel in Minneapolis. Attending were graduate and undergraduate Deltas representing

BILL COMSTOCK, Minnesota swim star.

many of the 76 years of Beta Eta. Meeting and greeting Delts from other years was an enjoyable experience for everyone.

Beta Eta has Delts participating in just about every athletic field at the University. Brother Ron Johnson has been elected captain of the 1960 basketball team. This past season Ron was the second highest scorer in the Big 10, a member of the all-Big 10 first team, and an honorable mention for All-American honors. Undefeated in swimming dual competition this year was Brother Bill Comstock. Bill set a National AAU record in the 100-yard breaststroke and participated in the National AAU swimming meet at Cornell. Our intramural teams have been piling up points also, and at present we are in third place in the over-all intramural competition.

During spring vacation a number of brothers journeyed to Florida where they soaked up sunshine. It was certainly an enjoyable time, made even more enjoyable by the friendships with Delts from other chapters throughout the country. The welcome mat at Beta Eta is always out so please drop in and see us whenever you can.

KENNETH D. RUBLE

Missouri

Spring is here! The coming of the new season was highlighted by the initiation of five new brothers.

Savitar Frolics, the all-campus musical, is over and the Delts and Alpha Chi took a close second. As usual, we had one of the biggest parties Mizzou has ever seen to climax over three months of hard work. Hats off to Directors Tom Williams and Bill Zander.

The Gamma Kappa Delts took a third in volleyball. Jim Ritter has his softball squad working out, and is expecting to improve the team's second-place finish of last year.

Delts from Missouri are dominating the Missouri varsity baseball squad, with the first three hitters in the line-up coming from the Shelter. Returning Lettermen Gary Star and Steve Lewis and Sophomore John Meives have led the Tiger nine to a 9-0 record thus far. Paul Knopf is adding to the Tiger pitching reserve.

On Friday evening, April 10, the chapter split and attended alumni banquets in St. Louis and Kansas City.

Several weeks ago the Mizzou Delts cleaned up the Columbia USO. Several other projects, such as this, are planned later this spring.

Rush Chairmen Bill Kennedy and John Silver have planned a high school week end for the last week in April, and our rush program is well on the way. We are looking forward to a fine spring.

PAUL KNOPF

Nebraska

Traditionally, Beta Tau began the spring semester with the election of new officers. Chosen as president was Harold Stuckey, while Bud Hodges was picked for the vice-presidency. Other new officers include Bill Lindgren, treasurer; Bob Wright, assistant treasurer; Dick Hodge, recording secretary; Sam Hall, corresponding secretary; Jerry Trupp, guide, and Bob Harry, sergeant at arms.

Tom Neff, outgoing president of Beta Tau, was initiated in Phi Beta Kappa. Tom is also treasurer of the IFC, a member of Innocents, senior men's society and is active in the student council.

The just-ended basketball season found Delt Bob Harry holding down a starting position in the Cornhusker varsity line-up for the second straight year. Bob, a junior, hauled down many rebounds and proved a defensive headache for the opposition. Tom Simmons and Joe McWilliams were on the freshman basketball squad.

The coming of spring has meant spring football and baseball practice for a number of the brothers. Expected to shine on next year's gridiron are Monte Kiffin, Dallas Dyer, and Fred Henning. Pat Tooley, Jerry Bean, and Steve Smith have been trotting around the paths of the baseball diamond. The intramural docket will find the Delts ready to defend their hole-in-one golf championship. In addition, it looks like Beta Tau has a strong contender for the fraternity softball championship. During the state basketball tourney here in Lincoln, the Beta Tau Delts entertained a host of high school seniors as weekend guests in the Shelter. When an unseasonal blizzard struck, the Delts opened their doors to over 100 stranded basketball fans.

Socially the Delts are preparing for the annual French Party and annual Squab Scramble at Linoma Beach. Something new this year will be a week end bus trip for Delts and their dates to Brother John Higgin's cabin on the Platte River. Activities will include horseback riding, a barbeque, hunting, fishing, boating, and a Bohemian dance. Of primary concern are the Ivy Day festivities. Brother Jerry Trupp is busy molding together a vocal group to compete in the Ivy Day Sing. During Greek Week the Beta Tau Delts will be out to defend their chariot race championship.

Brother Roy Neil is a candidate for student council from Teachers' College. Dick Stuckey and Jim Samples have held down positions on the junior IFC. Gary Parker is busy with play practice as he has the leading role in the spring production of the University Theatre.

Six new brothers were initiated April 10 in Omaha. The Omaha alumni chapter

hosted the Delts at the Blackstone Hotel and all had an enjoyable evening.

The Sunday following initiation, the Delts held an open house and jam session for the campus. Plans call for an end to extracurricular activities in time for the brothers to knuckle down to studying for final exams and then get busy with the rushing program.

SAM L. HALL

North Dakota

February saw the Delts packing snow, molding figures, and painting them for the annual King Kold Karnival snow sculpture contest. We received a lot of favorable comments on our entry and felt disappointed when we didn't place.

Delta Xi's entry in North Dakota's King Kold contest.

Brothers Dick McKelvey, delegate, Dick Lapp, Ed Schwartz, and Chapter Adviser Gordon Bennett attended the Western Division Conference at Austin, Texas.

April 5 was a big day in the hearts of eight men who now proudly wear the Delt Badge. Following the initiation ceremonies, a banquet was held at the chapter house with parents of the initiates, Delt Sweetheart Jeanine Bieri, and alumni as honored guests. President Darrell Wood acted as master of ceremonies with the high light of the banquet being an address by Merritt L. Welch, former chapter adviser.

On May 10 the Delts and Kappa Alpha Theta Sorority are planning their annual trip to Fargo to spend several hours with orphan children at the North Dakota Children's Home.

Headed by Pledge President Duane Sanderson, is a pledge class of seven for the second semester. Although the pledge class is small, we feel that it is an outstanding class and look forward to its members' future brotherhood.

Delta Xi is planning its annual spring banquet and formal May 23 in honor of the graduating seniors: George Bennett, Harvey Hodges, Arnold Johnson,

Gary Muralt, Felix Vondracek, and Jim Winter. Brother Johnson was selected to receive the Outstanding Senior of the Year award, given to the outstanding senior in electrical engineering by the Institute of Radio Engineers. Brother Johnson also received the Charles Boise Scholarship given annually to engineering students who appear most deserving by reasons of intellectual promise, general interest, and University activities.

Brother Winter received recognition for his scholastic standing in the class of graduating seniors. He was among the top ten per cent, scholastically, in business and public administration.

Brother Vondracek was elected to Phi Alpha Theta, honorary history fraternity for scholastic achievement in history.

MARINO S. MELSTED

Northwestern

Beta Pi Delts raced through winter quarter with many distinctions and honors. First of all in the scholarship realm, Beta Pi was ninth among 28 fraternities on the campus with respect to grade-point average. This put us above the All Fraternity Average for the second straight quarter. The brothers are very proud of this accomplishment and plan to raise their average even higher this quarter.

In the athletic arena, we accumulated more points toward our goal—the intramural sweepstakes trophy. Our quest for this was aided when we took a first place in the swimming meet, with John Glerum breaking the all-school diving record. We also took a second in the all-school track meet, in the basketball free throw contest, and wound up second in our league in basketball with Jim Maggart shining on the court for us this year. This spring our league champion volleyball team plans again to capture the title, as does our baseball team headed by Steve Manta. In varsity athletics, Bob Bartels is currently on the freshman baseball team and Jerry Tanselle seems to have earned a sure spot on the varsity golf team.

Our social calendar looks very promising for a well-rounded life here in the spring. A pajama party will kick off our social activity, to be followed by our annual Spring Formal. In between these events various functions such as beach parties, picnics, and sorority exchanges are planned to relieve the brothers from boredom. We will host all of the house-mothers on the campus at a banquet at the Shelter, reviving fond memories of college dating as the brothers escort them to a night "out on the town."

A fine array of new officers was elected recently: George Platz, president; Kent Maquist, vice-president; Jim Maggart, recording secretary; Bob Serhant, corresponding secretary; Don Vacin,

Northwestern's officers, left to right: VACIN, MAGGART, PLATZ, SERHANT, MAQUIST, and VANA.

treasurer; Tom Vana, guide; Tom Marzec, sergeant at arms. These officers, along with newly appointed committee chairmen, plan for a bright future for Beta Pi and a most successful rush week next fall.

John Maselter will handle summer rush, along with Jim Maggart. Any help from others who may know of fellows who plan on entering Northwestern next year will be duly appreciated by the brothers. We plan for an extensive rush program and have high hopes of getting another top-notch pledge class in the fall. Events that the brothers can look forward to next year include our annual Pajama Race, the first all-campus social event of the year and in its 31st year of existence here at NU, a Viking party, and the traditional pledge-active blast. Graduating this year is a fine senior class and the chapter will certainly miss its fine spirit and active participation in many of our affairs. We only hope that these brothers continue to serve our Fraternity and remain as vital elements as they have been in the past.

BOB SERHANT

Ohio

Enthusiasm is running high here at Beta Chapter, as shown by early work on J-Prom. Cochairmen Butch Sheppard and Navarre Perry are energetically leading the brothers toward a hoped-for victory. Dave Spreng is our candidate and our theme is "Spreng Is Here."

Under the guidance of Dave Miller, rush chairman, Beta Chapter staged one of its most successful rush programs in recent years. Twenty-five outstanding men were given pledge buttons, the

limit under campus rules. They are: Hank Arbaugh, Jerry Bannister, Neil Blaauboer, Bob Blank, Jim Bruck, Jack Edmund, Jim Finnegan, Chuck Gardner, Dick Gatchel, Tom Howell, Jim Hughes, Tim Kirkpatrick, Fred Kocher, Al Kochsiek, Fred Larson, Jeff Miller, Bill McPhetridge, Dave Paul, Jim Plummer, Rick Reeves, Doug Ryan, Bob Stewart, Rick Stock, Phil Shaeffer, and Larry Watson.

Jim Weeks, pledgemaster, and Jim Anderson, workmaster, will lead the pledges toward their goal: being good Delts.

The Delt bowling team compiled a sparkling 23-1 record as it swept to the all-fraternity bowling title and another trophy for the house. Members of the team are Ed Szep, Dick Lewis, Navarre Perry, Toby Spaulding, and Neil Willis.

Beta Delts, traditionally famous for their fine glee clubs and winners of the campus Torch Sing in two of the last three years, surprised President John C. Baker's wife with a serenade on her birthday. The serenade was arranged through President Baker as a surprise for his wife. The 50-member Delta Glee Club, under the direction of Dave Stockman, sang three numbers. The first, "Aura Lee," a Harvard song, was dedicated to Dr. James Conant, former President of Harvard and U. S. Ambassador to Germany, who was visiting with the Bakers. "Beloved Ohio" and "My Delta Queen" were the other two selections. Roses were presented to Mrs. Baker.

Delts made the big news at OU's annual Military Ball. Bill Forloine and Mike Brown were tapped into Scabbard and Blade, an honorary organization of

These new officers will direct Beta Chapter.

Twenty-five Delt pledges at Ohio.

Air Force and Army ROTC cadets. They were considered on leadership, character, and scholarship.

Six men were initiated into the chapter last month, bringing the chapter total to 63 actives. Bill Forloine was chosen "outstanding pledge" and Larry Colbert received the \$25 scholarship award.

President Steve Phimister and Assistant Treasurer Terry Russell attended the Northern Division Conference and brought back to Beta Chapter much wisdom concerning pledge education, financing, scholarship, and Fraternity affairs.

Our annual Shipwreck Party was held on the night of March 7. Under the di-

rection of Social Chairman John Willse, it turned into one of the best parties of the year, with entertainment provided by the sophomores.

The Delt volleyball squad, which has won the fraternity title for five of the last six years, again looks strong. With Ed Szep coaching the team and whole-hearted chapter support, we look like the team to beat!

Twenty-three Beta Delt's drove down to Fort Lauderdale for a rollicking spring vacation.

Dave Brueckner, who has a 3.867 accumulative average in chemistry, was elected president of student council in April. Brueckner is a member of Phi Eta

ED SKEEN escorts LINDA HALDERMAN, honorary colonel at Ohio's Military Ball.

Mrs. BAKER, Dr. JAMES CONANT, President BAKER, and Beta's BILL FORLOINE during Beta Chapter Serenade.

Ohio's volleyballers practice for another winning season.

Sigma, J-Club, Cutler Society, past president of the sophomore class, and OU debate team. Last semester he achieved a 4-point.

The second annual Delt Regatta is scheduled for April 18. The brothers will compete against each other.

in homemade boats over the 2-mile course, the swift Hocking River. It looks like another "wet week end."

All the brothers here at Beta Chapter would like to welcome our new chapter, Epsilon Epsilon at the University of Arizona. Good luck to our 88th chapter!

NEIL WILLIS

Ohio State

The 1959 Founders Day Banquet, participated in by both Beta Phi Chapter and Mu Chapter of Ohio Wesleyan, was held April 14 at the beautiful Lincoln Lodge in Columbus, Ohio.

Among the distinguished alumni present were Chief Justice of the Ohio Su-

Mr. JOHN GALBREATH

preme Court, Carl V. Weygandt, Justice of the Ohio Supreme Court and former Governor of Ohio, Thomas J. Herbert, "Mr. Baseball" and General Manager of the Pittsburgh Pirates, Branch Rickey, and John W. Galbreath, Columbus realtor and nationally known financier.

Others among the many distinguished guests in attendance were Mark McIlroy, Attorney General of the State of Ohio, Charles Flick, member of the Distinguished Service Chapter, Kenyon Cambell, Executive Secretary of the Ohio State Development Fund, and Rusk Whipps of Columbus.

John Raine of Mu Chapter and Larry Brake of Beta Phi Chapter arranged and directed the evening's program. Beta Phi Chapter was quite proud to introduce to the assembled Deltas, as having contributed much to the chapter's success, the following men: O. Allan Gulker, chapter adviser; Frank Mallet, faculty ad-

Mr. BRANCH RICKEY

Ohio Supreme Court Justice HERBERT, left, being introduced by KENYON CAMPBELL.

CHARLES FLICK, left, ROY SMITH, and RUSK WHIPPS chat prior to Beta Phi Founders Day dinner.

viser; and William Moore, treasurer of the Beta Phi house corporation.

The recent formation of the Delt council, comprised of representatives of the Mother's Club, The Alumni Club, The Delt Wives Club, and the chapter, insures that the next few years will see even greater co-operative action by Beta Phi in all facets of its operation.

We are proud to report the membership of two brothers, Larry Fullen, and

George Baughman in the exclusive "Ohio Staters," an all-male service organization, noted as one of the finest of its type in the Midwest. Two chapter members, Gabe Hartman of Troy, Ohio, and Don Young of Dayton, Ohio, are presently battling for a first-string berth on the Ohio State Buckeyes football team. Brothers Gary Milliken and Phil Keller are currently playing varsity baseball for Ohio State. Brothers Jim Milliken, former President of Beta Phi, and Jim Meyers have recently been initiated into Phi Beta Kappa.

George Baughman, mentioned before, is also general chairman of the forthcoming 1959 May Week at Ohio State. This is considered the top position possible for anyone in campus activities. Recent awards include second place in the all-campus Interfraternity Sing, placement of a member on the Greek-Week King Court, first place in the intramural basketball competition, and placement among the finalists in the intramural indoor track.

Brother Bob Winters is currently rehearsing for the dancing lead in the spring musical production, "Showboat." This is Bob's 13th consecutive lead in campus theatrical productions.

RON K. MILLER

Ohio Wesleyan

Mu Chapter of Delta Tau Delta recently reached a new high in its role of campus leadership. Running a very successful campaign, the chapter placed two men on Ohio Wesleyan's student council. Juniors Dick Smith and Bryce Collier were elected by a popular majority to the positions of student body

President-elect Collier explains platform to interested coeds.

treasurer and student body president, respectively. Brother Collier thus regains the position held two years ago by Brother Jim McHolland, who accomplished a very commendable job in the office.

In the field of student government, the chapter has several men holding key positions as committee chairmen. Merritt Rudolph, Dave Yutzey, and Bob Olson are retiring from their chairmanships, while Steve Whitehead, Dave Fisher, and possibly a few others, are expected to assume new responsibilities in these positions.

In the field of publications, Delts continue to dominate a great percentage of the top positions. Denny Appleyard is the new editor of the *LeBijou*, Ohio Wesleyan's yearbook, while Bruce Buchanan will serve as the new *LeBijou* business manager, replacing Bryce Collier. Brother Jack Batty is retiring as the editor of the *Transcript*, Ohio Wesleyan's weekly newspaper, while Blake Schubert is moving up as business manager of the same paper, replacing Dick Smith. Dave Yoder, Jim Conley, and Ted Lindley have held other high positions in the publications field over the past year.

Dave Rees has recently been selected to serve as chairman of the interfraternity council's rush committee, in which he has been very active over the past year.

Perhaps the most important item in the past few weeks was the election of Mu's new officers for 1959-1960. Vick French, president; Bob Olson, vice-president; Jerry Child, recording secretary; Merritt Rudolph, guide; and Bob Miskelly, sergeant at arms, are the new slate of officers, while Steve Whitehead was re-elected to the position of corresponding secretary.

Mu Chapter initiated 17 new members during O.W.U.'s gala winter homecoming, held on the week end of February 14. Among those alumni present was Mu alumnus and National President Francis Hughes.

Delts are continuing their role of dominance in the area of athletics. All-Ohio end, Dick DeHaven, who will serve as captain of next year's football team, also participates on both the indoor and outdoor varsity track teams, and was instrumental in O.W.U.'s recent first-place finish in the Ohio Conference indoor track meet. Ed Metz and Chuck

Poster party at Mu Chapter preparing signs for Bryce Collier's campaign for student body president.

Hansen have been consistent winners in wrestling matches this season, helping the wrestling team finish with a 9-4 mark.

Several Deltas have been recognized on campus by selection into various honoraries. Don Saliers, Chuck Hansen, and Jack Batty are all members of Omicron Delta Kappa, while Don Saliers was recently selected to join Phi Beta Kappa, national scholastic honorary. Meanwhile, Dave Yoder, president of Pi Delta Epsilon, national journalism honorary, is busy preparing for the annual Pi Delta Epsilon banquet.

Socially speaking, the chapter is by no means standing still. A recent dessert party with the Kappa Alpha Theta Sorority and our annual "Gangster Party" have served to keep the chapter socially active. Of course, our annual Spring Formal is also rapidly approaching, and we are constantly practicing to perfect songs for the serenade to our pinmates, which is a significant part of our formal.

Although engaged in every phase of campus activity, the chapter continues to maintain its high interest in scholarship. Illustrating this is our IFC scholarship trophy, which we have won for four consecutive semesters, and our first-place scholarship finish among all chapters of Delta Tau Delta.

Beneath these activities and interests in which the chapter has excelled, our rush chairman, Terry Ross, assisted by Denny Appleyard, has been constantly at work in formulating plans for next fall's rush week. Firmly believing that a chain is only as strong as its weakest link, the chapter hopes to secure another fine pledge class to follow upon the heels of last fall's class, which is already beginning to excel in many areas of campus life.

To sum up all the preceding statements, the chapter is experiencing one of the most successful, if not the most successful, years on the campus of Ohio Wesleyan, and is constantly at work in maintaining the role of leadership and respect which it has always held.

STEPHEN WHITEHEAD

Oklahoma

Delta Alpha is completing another successful year at Oklahoma University. The Deltas are the proud possessors of the coveted intramural trophy and are working together for a strong finish so that they may become the first fraternity to win the intramural championship two successive years. This spring the Deltas captured their ninth consecutive intramural boxing championship. Brother Bob Scott was named the outstanding intramural boxer of 1959. The Delt "A" volleyball team grabbed second place and three Delt basketball teams placed in the finals. The "A" and "B" softball

ROY LOVE, and date, at Delta Alpha's "Delt Dive" party.

teams won intramural trophies last year and look headed toward their championships.

The chapter has also maintained its high scholastic standing. An interfraternity scholarship trophy for remaining above the All Men's Average for three consecutive semesters was retired this spring by the O.U. Deltas. Last year Delta Alpha was second academically among the 26 fraternities, and again this year will be in close contention for the scholarship trophy. The Delt spring social calendar has been highlighted by the "Delt Dive" costume party, the Spring Formal, and numerous house parties. Also on the social calendar is the all-University sing held each Mother's Day. The Deltas have won 15 of the last 20, and are looking forward to another victory.

Many new honors have been bestowed on individual members. Buzz McDaniel,

BOB SCOTT (right) Oklahoma's IM boxer of '59.

a senior class presidential candidate, and Richard Ryerson were recently named to Omicron Delta Kappa, national honor fraternity, as were Robert Owen and Richard Sinclair to Phi Eta Sigma, freshman honor fraternity. Ed Buchner, recipient of the Tate Fry award as the outstanding Delt sophomore, has been selected as next year's director of the University's annual variety show, Sooner Scandals, while ever-popular Jerry Tubbs has received the largest vote from the student body for the second consecutive year in the student senate election and is the newly chosen parliamentarian of the interfraternity council.

This brief review of the recent activities of Delta Alpha proves the year an overwhelming success. The Deltas at O.U. are looking ahead to rush week and again pledging the best men on campus.

JED JOHNSON

Oklahoma State

Delta Chi is proud to report the initiation of five outstanding men this spring. The pledge class had an over-all average of 2.56, which was one of the highest on the campus. It represented the Deltas in Phi Eta Sigma, national honorary scholastic fraternity, Air Force drill team, engineer's toastmasters, and others.

The Deltas, after capturing first place in the league in intramural football, went on to win basketball and volleyball league championships. The softball team, also last year's league champions, is just beginning the season by winning the first game played. The team, coached by Jerry Marlow, and spearheaded by Slugger Andrew Cummins, and one of the best pitchers in the league, Warren Bennett, who pitched a no-hitter last season, has high hopes of taking all-college this year.

In varsity track, Vernon Haddox is running on the highly rated relay team which set several national records last year and is undefeated so far this year. Vernon is also competing in the upcoming Texas Relays, running in the 440- and 880-relays, and probably the low hurdles.

The Deltas are also represented on the varsity baseball team this year with Sophomore Marvin Kline, majoring in physics, playing alternately the third and second base positions.

Scholastically, the Deltas at OSU have moved from tenth to eighth among the 20 fraternities on the campus, largely through the efforts of Scholarship Chairman, Kendall Johnson. David Kelley, senior majoring in housing and interior design, won the Bob Cox award this year for his fine work and leadership throughout his college career.

Partywise, the Deltas honored "Cupid" with the annual Valentine's Party. In May, the chapter is looking forward to

HOLLIS, PHILLIPS, MOORE, and MOYER, of O.S.U., inspect "skin" won from Florida State Delts.

its Orchid Ball, which is the time we crown our "Delt Queen."

Other honors bestowed upon Delts recently are the promotion of our chapter adviser, Dr. John Venable, to the head of the department of Veterinary Anatomy and the initiation of Kendall Johnson into Pi Mu Epsilon, honorary mathematics fraternity.

The men at DX Chapter wish all Delt chapters lots of luck in their summer rush program and the coming school year.

JERRY SPENCER

Oregon

As another school year comes to an end for the men of Gamma Rho, they can look back with pride at the achievements reaped in a most successful year.

Again the musical talents of the Oregon Delts shone brightly. Taking a second place in the barbershop quartet contest held during winter term, the Delta Four went on to win sixth place among all quartets in the Gay Nineties Festival and Barbar Shop Ballad Contest held in Forest Grove, Oregon. Quartets from across the nation were entered, and the Delta Four were the highest placing college quartet. The Delta Four is the first group from the University of Oregon to make the finals in a number of years.

As this copy goes to press, the Oregon Delts are eagerly awaiting the all-Campus Sing, which we took a second in last year. All indications point to a victory this year.

Oregon sports were well represented by Delts this year. Again Marlan Holland starred as Oregon's star fullback during football season. Frosh sports saw Bill De Young sparking the basketball team and Clayton Morse was a standout on the wrestling squad. Varsity wrestling was dominated by Delts, with Bob McCullough, Gary Parks, and John Parker showing well. John Parker received the Coaches Award for outstanding athlete on the wrestling squad.

Again the high light of winter term

SUE WILBUR, Oregon's Delt Queen.

was the Delta Queen contest, held annually. The 1959 Delta Queen is Miss Sue Wilbur, a freshman Theta who quickly captured the hearts of "her men." Queen Sue attends most of our functions and is an invaluable aid in rushing.

Individual accomplishments among Oregon Delts were many. Among the most outstanding was Warren Rucker's appointment to business manager of the *Oregon Daily Emerald*, student daily newspaper, and Al Winter's election to IFC presidency.

WARREN RUCKER

Pennsylvania

Omega Chapter at the University of Pennsylvania can be proud of its many accomplishments the last few months. Most outstanding, aside from Tom Wayne's election to Phi Beta Kappa, is the Delts capture of the all-University intramural basketball tournament. Omega Chapter came out on top of some 50 teams with 14 wins against no defeats. This undefeated season looks even better when it is placed back to back with last year's record of 13 wins against one defeat, the defeat coming in the finals. Seniors Gordon Achilles, Jack Windolf, and Tim Heidelbaugh were ably backed up by Bill Gray, Bruce Cummings, Dave Gunderson, Dick Welham, Dave Robinson, Tim String, Pete Shantz, and Ted Irvine.

Varsity sports evidence almost the same contingent of athletes. Omega sportsmen include: Bob Ayres, lacrosse captain; Crew Members Tim Heidelbaugh, Tom Wayne, Tim String, Tony Palms, Al Doering, Bob Borer (light-weight captain), and Dave Robinson; Trackmen Ed Smith, Bob LaRouche,

and Barney Berlinger; Lacrossemen Bruce Cummings and Jack Hanlon; and Baseball Members Gordon Achilles, Dave Gunderson, Bill Gray, and Bunky McPherson. Achilles led the league in home runs last year. Jack Connolly recently formed a Parachute Club at the University and has already entered international competition. He has been jumping regularly for four years.

A few extracurricular activities deserve merit. Bob Holt, Larry Turns, Jim Guthrie, John Wright, and Bill Bassett went to Puerto Rico over Easter vacation with the University Glee Club. They were fortunate to hear a few pieces by Pablo Casals at a private concert at his home.

Omega Chapter hosted the Eastern Division Conference, which saw participation by 23 chapters. The banquet was held at the Warwick Hotel in Philadelphia. National President Francis M. Hughes was the main speaker. Also in attendance were Edwin H. Hughes, Hugh Shields, and many Philadelphia alumni.

Preparations are now being made for the Spring Formal, the culmination of a successful social season.

EMLIN C. HEIDELBAUGH

Penn State

With another school year coming to an end, the seniors are looking forward to being graduated and the rest of us to summer jobs and vacations. This has been a busy semester at Tau, with an even busier eight weeks ahead.

Starting in March, we had a social with the Delta Gammas to acquaint their new pledges with ours; it proved to be advantageous to the brothers as well. Our house party theme for IFC week end was St. James Infirmary. The atmosphere of a New Orleans saloon with swinging doors and raised bandstand was artistically captured by Fred Taylor, decked out as the Mississippi gambler. The dixieland was provided by the Xmas City Six. Rounding out March, before

Playing varsity lacrosse at Penn State are BEHNE, BULLOCK, and ERWIN, shown with their coach.

Tau Chapter's IM basketball team in action.

the Easter vacation, the Gamma Sigs from Pitt came up from a week end with their dates. Unfortunately, the athletic contests between the two chapters were rained out.

Looking forward to April and May socially, we at Tau are busily working on our float and skit for spring week. The major theme is "Stories Through the Years" and our entry is going to be *A Streetcar Named Desire*. Combining with us for spring week activities is Beta Sigma Rho, and we should be definite contenders for top honors. Also included in our spring schedule is Greek Week, the Mother's Day Banquet, and a social with Alpha Chi Omega.

Tau Chapter is enjoying a tremendous semester in intramural sports. Our basketball team finished very strong and placed near the top. Fifty fraternities entered the swimming competition. Our team, led by Bob Pulver, lost by one point in the semi finals to Phi Kappa Psi. The wrestling team finished fourth, with Fred Keck winning the 157-pound class and Earl Kohlhaus taking third place in the heavyweight class. Also finishing high in their respective classes were Dellie Kreiser and George Campbell. The bowling team is still rolling and has a good chance for a trophy, as does the volleyball team, which is undefeated so far. We are looking forward to winning teams in softball, soccer, tennis, and golf.

In varsity sports, Tau is also doing its share. John Behne is captain of the lacrosse team and playing with him are Dick Bullock and Dave Erwin. Gene Raiford will be playing varsity soccer

again this spring, and Earl Kohlhaus begins spring practice for football, in which he has earned a starting position at guard for next season.

With deferred rushing in effect for the first time at Penn State this year, many new problems were faced by fraternities. But the test was met at Tau, particularly by Rush Chairman Skip Reeder and new Rush Chairman Bob Dockety. So far 17 bids have been accepted out of 17. No other house here has accomplished such a record.

Another Tau Delt making the headlines is Jack Crosby, who has been nominated for junior class president.

The new officers of Tau Chapter are: Dave Espenshade, president; Skip Reeder, vice-president; Bob Schimmel, treasurer; Roger Kent, corresponding sec-

BILL ABBEY, Tau's entrant in IM diving competition.

retary; Charlie Richardson, recording secretary; Sam Bowman, sergeant-at-arms; Dave Mooney, guide. Congratulations to the old officers, who did an invaluable job and set quite a precedent to follow.

June will see nine of our seniors donning caps and gowns. Their presence will surely be missed come next September. Those being graduated are: Dick Wilson, Dan Rees, Harry Barton, John Behne, Lee Swank, Bob Mills, Bill Abbey, Dick Drayne, and Thur Young. Thatcher Swartz will be graduated in August. Needless to say, we hope to see them back frequently.

J. ROGER KENT

Pittsburgh

Gamma Sigma recently elected its officers for 1959. Jim Donahue, formerly our social chairman, is our new president. The other officers are: Tony Richardson, vice-president; Paul Herwick, treasurer; Barry Kent, assistant treasurer; Bill Peckman, recording secretary; Gene Burns, corresponding secretary.

Fraternally and scholastically, Gamma Sigma has recorded many achievements worthy of note since the last publication. Brothers Dave Brunero, Tony Richardson, and Pledge Fred Ikler were honored for scholastic excellence at Spring Convocation. We are also well represented in campus politics, for Brother Jim Groninger has been elected to the Pitt IF judicial commission and Brother Chuck McDermott chosen secretary of Men's Council. The past semester has proven to one of the most successful in years, socially.

The Kappa-Delt Faculty Reception, the Winter Week End at Hidden Valley Ski Lodge, our annual week end visit to Tau Chapter and a liberal number of weekly parties, served to enhance our reputation on campus.

Led by Brothers Donahue, Durban, and Gaskeen, Gamma Sigma became the first fraternity within recollection to repeat as champions in IF football, and the basketball team, led by Tim Sheerer, is in the finals. These victories, plus active participation in all other IF sports, have made 1959 a memorable year indeed. In varsity competition, Brother Kent earned his letter in swimming, Brother Joy is currently Pitt's starting right fielder, and Brother Bannow is the No. 1 hurdler on the track team.

Currently, we are emersed in preparation for Spring Carnival, and, in conjunction with Kappa Kappa Gamma Sorority, we have high expectations for upholding the Delt tradition of excellence.

JIM KINNEY

Purdue

Early this spring, Gamma Lambda became the envy of all the Greeks on cam-

Purdue Delts say, "Who says dates can't work?"

pus when it walked away with a pledge class of 32 fine men, largest class by far on campus. Thanks to the never-ending hard work of Rush Chairmen Dave Hull and Kent Garvens, rush this year was the best organized and most successful that Gamma Lambda has ever had. Our traditional campus rivals were extremely envious, but we demonstrated what a chapter working together can accomplish.

In our new pledge class is represented every phase of activities, from athletics such as track, golf, wrestling, and crew to Union activities such as IFC and Student Union. The pledges have already proven themselves socially, for they have successfully "kidnapped" the DG and Theta pledge classes for an evening of dancing and socializing. Their spirit and enthusiasm at the two all-house "pledge" functions, our Valentine's Day Party and the "Night in Reno" gambling party gives us every reason to be justifiably proud of our pledges.

The "Delta Queen" sailed at Purdue under the capable leadership of Rich Downie. Assisted by Dominic Fatta,

Gamma Lambda's social chairman, and by Tom Kaminski, Rich supervised the transformation of our Shelter into an 1890 paddle wheel river showboat. Saturday afternoon before the dance the wood flew, as the Delts and their dates put the final touches on, and our work was well rewarded in having one of the best decorated, most successful dances in years.

On Friday, February 13, we welcomed three new brothers into the chapter hall. Already these men have established themselves on campus. Bob Mueller, a sophomore, is now working as program director for ASME, and is running for president of that organization. Jack Buckman, a junior, is one of the outstanding men on Purdue's drill team, which in early April captured national honors at Washington, D. C. Dennis Winstead is the Delts' contribution to the arts, for he is a member of Purdue Players and has appeared in three of the Playshop's major productions.

In January the chapter elected new house officers. Gil Churchill was elected president; Bill Walker, vice-president; Dick Moll, treasurer; Dominic Fatta, recording secretary; and Dan Carsello, corresponding secretary. It's interesting to note that although the largest state representation at Purdue is from Indiana, our house officers are all from Illinois, four from the Chicago area.

Gamma Lambda Delts really cleaned up this spring in the various campus honoraries. Initiated into Arnold Air Society were Joe Lung and Al Thieler, two of our outstanding sophomores in the Air Force ROTC program. These men both hold ranks previously reserved for upperclassmen. Joe is presently working on the Sophomore Field Day

committee. Quarterdeck, the naval ROTC honorary, took Hal "Rebel" Crain, Dennis Winstead, and Bob and Dick Berg into its membership. Bob and Dick are identical twins, and are probably even more confusing to their opponents on the tennis courts than to the brothers. Skull and Crescent, the sophomore activities honorary, tapped the Bergs for their athletic achievements. Jim Livesey, of the interfraternity council, was also tapped.

The IFC selected Jim as publicity chairman for the coming year, and chose our chapter vice-president, Bill Walker, as new editor of the *Purdue Greek*. Dan Carsello was rewarded for his hard work on the *Exponent* staff with the position of night editor for our daily newspaper.

Gimlet, the senior men's activities honorary, included in their spring pledge class two Delts, Dom Fatta and Jon Reynolds. Jon is active in the Purdue varsity glee club, and also a member of Skull and Crescent. Dom, who won a major letter in wrestling this year, is one of Purdue's outstanding grapplers.

The various scholastic honoraries find their ranks well represented by Delts. Gil Churchill was our representative to Pi Tau Sigma and Dick Moll was initiated into Sigma Gamma Tau. Tom Thomas, our lone forester, pledged Alpha Zeta and Chi Sigma Pi. Tau Beta Pi, the national all-engineering honor society, pledged and initiated three of the brothers: Jerry Churchill and T. J. Hall, seniors, and Dick Moll, a junior. The pledge class had four men in Pershing Rifles, and representatives in Phi Eta Sigma, Drill Team, and the Dolphin Club.

Presently the chapter is preparing for Penny Carnival, part of our Greek Week festivities. Working closely with the DG's, our partners, are cochairmen Jack Buckman, Dave Carpenter, Bob Mueller, and Dan Carsello. Steve Kozak, as our Greek Week representative, is keeping us well informed on the plans for this Greek recognition week. Jon Reynolds, our song leader, is drilling us in the finer points of choral singing in preparation for University Sing, which is on Mother's Day.

Earlier this semester our chapter, and the entire campus, was stunned at the death of T. J. Hall, III. Tom was one of the most active men on campus, being president of the interfraternity council, associate editor of the *Exponent*, and having a myriad of other responsibilities. Tom was highly respected, and the chapter felt its loss most strongly.

DAN CARSELLO AND DICK MOLL

Santa Barbara

Social life reached a high point this spring semester here at Delta Psi. Several house parties and TGIFs were climaxed by our annual "Viva Zapata"

Purdue Shelter transformed into "SS Delta Queen."

party in March. It was so successful that we even rated a write-up in the *Los Angeles Times* and captivated the front page of our school paper *El Gaucho* for a two week period. High lights of the party were the reading of the opening proclamation by Bill Reigle, mass exodus into "Zapata's Love Den" where refreshments were served and the friendly switching of dates which was called for in order to make possible several games which were participated in throughout the evening. As in last year's "Viva Zapata" party, popular Cleo Torrez was again chosen as our Zapata Queen.

One of the outcomes of this much talked-about party was the formation of the new East Beach Athletic Club under which title we are entered in intramural sports. In volleyball, we ended up very near the top and are now strongly competing for honors in intramural baseball. Our team has already won the first two games and stands to win the championship, according to Head Coach Jansten and Coach Mike Rubber.

In varsity sports, we are and have been well represented. Delt Ted Harder finished his last year of college football, Jimmy Joe Hezlep is doing some good hurling for the baseball team, "Easy" Ed Haertel is doing outstanding work on the basketball team, and the swim team is represented in both swimming and diving.

Pledges showing outstanding athletic prowess are John Soth, Bruce Jones, Mike Gainor, and Tom Martin. John, although only a freshman, has been beating most varsity members of the swim team. Bruce is showing great promise on the basketball court, and Mike and Tom are holding down the waters off-campus on their surf boards.

Keeping up our good record in scholarship, we finished in second place last semester. This semester looks promising and could net us another first-place trophy.

Our spring formal looks to be very successful as it will be honored by the presence of California alumni commemorating the tenth anniversary of Delta Psi. As in the past, a Delt Queen will be chosen from several sorority girls vying for the honor.

With the help of the University, we are looking forward to a successful rush next fall.

RICK BEGUELIN

Sewanee

The new year has brought considerable activity for Beta Theta. First off we proudly announce the February initiation of 13 new members. The night after initiation saw all the Deltas enjoying a Rainbow banquet, climaxed by a farewell address from our out-going

chapter adviser, Dr. G. B. Meyers. Following the banquet the new Deltas were honored guests at a Rainbow ball at the Shelter. Taking over as chapter adviser is Frank A. Juhan, retired Bishop of Florida, and director of development for the University. We are indeed happy to have Bishop Juhan assume this position and hope for a long and mutually rewarding relationship. The chapter awarded Dr. George Meyers, retiring adviser, a citation in appreciation for his long and faithful service to Beta Theta. He and his wife have given invaluable assistance in the past and will continue to do so in the future. The formal installation of Bishop Juhan took place at a special meeting on April 14.

The election of new officers for the coming year resulted in: Bill Bullock, president; Sam Swann, vice-president; Charles Powell, treasurer; Park Ticer, recording secretary; and Charles Rond, corresponding secretary. These new officers were formally installed in February at the first meeting following the initiation.

Deltas continue to take the foreground in campus activities. The forming of a new German Speaking Union at Sewanee saw Brother Charles A. Powell elected as its first president, and Brother Bill Bullock took over as vice-president. The Shelter has been the scene of the new club's meetings on several occasions. The French Speaking Club chose Brother Walter Wilmerding as its new vice-president. Brother Gordon Peyton was recently awarded a medal by the AF-ROTC department at the University for his outstanding scoring record on the Cadet rifle team. March saw the chapter winning the interfraternity Help

South Dakota's top debater is DICK FRIEBERG.

Week project, sponsored by the local Women's Club. A silver tray was awarded which continues to pass from winner to winner in succeeding years. The Delt glee club is now hard at work preparing for the Blue Key Interfraternity Sing to be held May 17. Brother Charles Kiblinger is our accompanist and director.

An alumnus of the chapter, W. Dudley Gale, of Nashville, Tenn., will be honored by the University this spring. Mr. Gale gave the school a magnificent 56-bell carillon, which was hung in Shapard Tower of the new All Saints' Chapel. It was played for the public for the first time at its dedication on April 12 by its designer, Arthur L. Bigelow. It will be played again on June 4 during Commencement Week by internationally famous Belgian carillonneur, Staf Nees.

We mark with regret the death of our brother, Gareth Moultrie Ward, Beta Theta, '60, of Memphis, Tenn.

ALLEN SATTERFIELD

South Dakota

With second semester and spring well on the way, Delta Gamma is brimming with activity.

With many alums planning to be present, and the honor of Field Secretary Jack McClenny as featured speaker, our Founders Day, April 19, looks like a real occasion. The following week end, April 24, continues the activities of Delta Gamma with the annual Spring Formal at the Izaak Walton Club in Sioux Falls. This is the social high light of the year and we are planning on 75 couples taking part.

Capably leading us this spring has been newly-elected President Bob Daughters. Bob was recently elected vice-president of U.S.D.'s interfraternity council.

The usual political fracas on campus found Brother Don DeBolt leading the Progressive party to victory. With this Greek victory, Dave Reeder and Dan German gained top positions as Dakota Day's chairman and assistant chairman, respectively, for next fall's homecoming.

Recently Brother Dick Frieberg, top U.S.D. debator, was nominated for the international competitive debate team. The finalists of this competition will tour Europe on the international team. We know Dick will be an able representative of Delta Tau Delta and his school.

Also receiving top recognition on this campus was Jerry Armstrong, newly pledged to Dakotan's, men's campus service organization.

Delta Gamma remains strongly in contention for the all-campus intramural trophy, with our bowling team coming out first. The sensational finish they displayed, is why Delta Tau Delta remains at the top on this campus. Also in intramural sports, Brother Gib Schwartz, with

Delta Gamma's bowling champs are: Rear, SANFORD, EBERLE, and FINGERSON. Front, RYAN, McKEON, and KEARUS.

two firsts and a second, led us to a second-place finish in the annual swimming meet. With tennis, softball, and intramural discussion still on the calendar we are still very much in the running for that coveted all-campus trophy.

Brother Doug Leafstedt recently attained the honor of being named to Phi Eta Sigma, freshman men's scholastic honorary. Doug also was cited as the outstanding freshman chemist at U.S.D.

The newly-initiated freshmen have really been a tower of strength to Delta Gamma, and with a second-semester pledging of ten top men, this spring will really be the climax to a successful year, and we are all looking forward to an even stronger Delta Gamma next year.

DAVE REEDER

Stanford

As the year is coming to an end Beta Rho Chapter has distinguished itself. Led by the sophomore class, we have had a good year scholastically. Mark Peery, an outstanding scholar, is headed for Stanford-in-Germany this summer, where he will study for six months.

Stanford Deltas have also honored themselves in athletics with basketball Captain Paul Neumann, an honorable mention All-American, a fourth round pro-draft choice. After a good wrestling season two Deltas, Art Speigel and Dick Denny, were elected captains for next year. Trevor Grimm, one of the coast's outstanding heavyweights, was one of the captains of the boxing team, with

Brothers Tal Ray and Canvasback Gertmainian performing yeoman service. Stanford's rugby team had a good year with another brother, Armand Jaques, proving himself easily the most valuable rugger on the field. Deltas Armand De-weese and Jerry Winters are showing themselves extremely valuable to the track team. Many of the Deltas are "getting in shape" for football this spring, led by Chris Burford, an All-American end last year and next year's captain.

In other campus activities, the Stanford Deltas have shown well. The Beta Rho Chapter is on its way to an all-University IM title by taking the touch football championship, placing two teams in the basketball championship tournament which has yet to be played, and by having Glen Hayden take the heavy-weight wrestling championship.

During Greek Week the Beta Rho Deltas won the prize for the most original chariot in the Chariot Race. After last year's rise to naval superiority of Lake Lag, the chapter is preparing for any threats to its supremacy. We are looking toward Spring Sing and hoping for a first place. Interfraternity elections are approaching and there is good chance that the next president may be a Delt. Plans are also being made by Social Chairman Jack Carter for a spring overnight at Lake Tahoe. Rod Sears and Bill Stivers have been devoting their Wednesday nights to instructing young people in dancing at Sweets Ballroom.

Beta Rho Chapter is also emerging

successfully from the closing rush season. We have so far pledged 20 with several more hopefuls. The pledge class is an outstanding and well-rounded class which contains two of the frosh basketball tri-captains, John Windsor and John Fontius, several frosh footballers, an outstanding student in Mark Sisk, who just returned from Stanford-in-Germany, and John Northway, a frosh miler.

We at Beta Rho Chapter wish that all the Delt chapters may have had as prosperous a year as this has been for us and that all the brothers enjoy the summer.

JOHN BUTLER

Stevens

With the spring term about half gone, Rho Chapter is in the midst of another successful season socially, athletically, and activity wise.

On the social side, the Rho Deltas have enjoyed the vast number of parties held to date, and are anxiously looking forward to the other great events such as Spring Sports Week End, and also the annual Father and Son Day, where the "old" generations shows up the "new" in softball.

Athletically, nothing much could be added to the chapter to improve it. We won the IFC basketball championship, placed second in IFC Ping-pong, losing by the slim margin of one match, and have clinched the all-sports trophy for the ninth year out of the last ten. Varsity participation is also great. Joe Kaminski was elected cocaptain of the basketball team in the recent elections. In lacrosse, Deltas are well represented with Bob Schwab, Bob Sinatra, Bob Leahy, Paul Terreri, and Frank Calderazzo being five of the ten starting players. With only three games played, Bob Schwab is leading the team with nine goals and three assists, with Bob Sinatra second with eight goals. Our contributions to the baseball team are Joe Kaminski, Dick Klee, Bob Koudelka, and Al Smith, all starters. In the two games played thus far, Pitchers Kaminski and Klee have shared the honors with a win each.

The Deltas on campus are leading the way in activities as well as honor societies. Ed Dalton was recently elected editor in chief of the *Stute*, our weekly campus publication, while his twin brother, John, was elected managing editor. John was also elected president of the Newman Club and was selected as a member of the John Henry Newman honorary society for his extraordinary work in furthering the ideals of the Newman Club on the Stevens campus. Brother Ed was recently joined by John as a member of Pi Delta Epsilon, national honorary journalism society. And while on the topic of tappings, Kemp "Buddy"

Roedema was recently tapped by the Arnold Air Society.

In scholarship, the Delts were above All Mens Average and placed fourth among the fraternities for the fall term.

So what more can be said. Adding everything together, the Delts are still tops on the Stevens campus.

BOB SINATRA

Syracuse

Having successfully weathered the storm of finals, the Delts embarked on the new semester. The initial step was to prepare five pledges for initiation. This, of course, meant that the boys would have to go through "Goody Week," as it was affectionately labelled by the brothers. This led to the first big social event of the new semester, the Initiation Banquet and Dance. After an excellent meal and an exceptionally gifted speaker, Al Hembrough was presented the Outstanding Pledge Award and John Dean was cited for his participation in various campus activities during his four years at Syracuse.

The Delts made their presence known in both intramural and varsity athletics. The basketball team fought its way into the division finals; however, the boys lost out in a hard-fought battle. The bowlers and the Ping-pong men also gained their share of victories before bowing out. Varsity-wise the Delts were exceptionally strong. George Kosboth was a consistent point getter on the varsity fencing team. George's understudy, Eddie Siedlick, was the leading scorer of the frosh squad. Another varsity-frosh combination sparkled in swimming competition. Bob Lubracki climaxed an outstanding four-year career as second high scorer. Mike Radz, following the example of his big brother, was third high-point man on the freshman squad. John Dean will be holding down the starting midfield assignment on the varsity lacrosse team. Following the pattern, Pledge Bob Varney is a starter on the frosh roster.

New officers were recently installed. Lynn Usher was chosen president; Bill Bode, vice-president; Bill Wetzel, recording secretary; Mike Radz, corresponding secretary; Bob Fenske, treasurer; and Art Bowen, guide.

Five Delts, by virtue of 2.0 or better average, earned a place on the Dean's List. Usher, Kosboth, Roy Lagerwall, Radz, and Fernald were the high scholastic men in the chapter.

Delt week end and graduation are the main events remaining on the Delt schedule. Our week end has all the signs of being the top social event of the year. The 12 seniors in the House are buckling down to make sure that when Commencement arrives, their names will be on the list of graduates.

MIKE RADZ

Tennessee

Delta Delta Chapter continues to increase its ranks. Recent pledges include Bob Redding, Bill Helton, and Tom Buchanan.

Newly elected officers were recently installed. Assuming the presidency is Chris Clements. Other officers include Bill Kampmeier, vice-president; Fred Gentry, treasurer; and Jerre Haskew, recording secretary. Delta Delta was well represented at the Southern Division Conference. Clements and Kampmeier were accompanied by Bill Bennett and Bill Spielmann.

The Tennesseans are beginning to make their mark in intramurals. Gary Sanders was named most valuable player in the basketball league, holding the highest point average, twenty-one points per game. The softball team has completed "spring training" and challenges all comers. A good showing in the horse-shoe tournament is expected.

Freshman Pledge Bill Padgett holds down the centerfield slot for the Vol yearlings' baseball team.

Delta Delta recently received the Fire Prevention Week trophy for having the safest house on campus. House Manager Bill Bennett, largely responsible for this honor, also represented the Delts in another contest, the Greek God competition.

Emphasis on scholarship continues. Brothers Clements, Gentry, and Haskew were named to Cum Laude and recognized on the Dean's List.

Social Chairman Gale Downs is organizing plans for parties every Saturday night for the remainder of the school year. The most recent party, "The Thirtieth Anniversary of the Roaring Twenties" saw 100 per cent attendance. The Shelter basement seems highly popular with the panhellenics, presently being graced every evening by the Tri-Delts, the Delta Gammas, or the AOII's, practicing their Carnivus skits.

A special committee is making plans

Tennessee's "Roaring Twenties" party.

For a Founders Day banquet to celebrate the 35th year of the chapter. Special guests will include the living founders of Delta Delta.

With the pledges hard at work planning next fall's homecoming display, the brothers of Delta Delta are looking forward to even greater progress during the remainder of 1959.

JERRE HASKEW

Texas

Gamma Iota Chapter at the University of Texas is nearing the completion of one of its most successful years. Following years of leadership in campus politics, athletics, and scholarship, our chapter was enriched by a fall pledge class of 38 outstanding boys. Among this group were high school all-American Mike Cotten, recently named all-Southwestern Conference freshman quarterback, who will probably lead the team next season, and Neil Unterseher, who is ranked seventh in the nation in his class in tennis.

The grade average of this pledge class was phenomenal: five had better than a 2.5 average and Keith Hansen, Sam Guyler, Bob Venable, and Joe Lynn made Phi Eta Sigma, freshman honorary scholastic fraternity.

The Delts won the all-intramural trophy for the second year in a row last year, and are high on the list this present term. Robert McIntyre won the outstanding athlete trophy. This was an award given in competition with 7,000 other boys on campus. Ranking second and third were Frank Nagle and Buddy Voelkel, also Delts.

Bud Toole was elected editor of the University annual, *The Cactus*, Jay LeWallen is head cheerleader, Jerry Herring is a cheerleader, Bruce Bell is vice-president of the freshman class of the B.B.A. school, and David Caldwell was president of the Student Party. Finally, there are 12 Delts in the Cowboys and Silver Spurs, honorary organizations for outstanding campus leaders.

Last month the Delts played host to the Western Division Conference. Delegates from all over the western part of the United States attended. We were told that we are the only chapter in the Western Division that has stayed above the All Men's Average in scholarship for the past 20 years.

To sum it all up, Gamma Iota, in spite of spring fever, bull sessions, card games before finals, "blanket parties," and serenades, is still on top in campus relations, in athletics, in scholarship, intramural-wise, socially, spiritually, and (almost) financially.

JOHN JENKINS

Texas Christian

Epsilon Beta Chapter is well into what

JIM LIVERGOOD and date at TCU pin serenade.

is already a terrific spring semester. The TCU Delts recently took the intramural basketball championship, to go along with our football championship from last fall. We won a three-way play-off for the title. To prove our versatility, the pledges and neophytes walked off with the trophy from the Greek Review, which is an annual charity review for Campus Chest. We presented a satire of a bullfight with a "ballet" entitled *Bolero*. Brothers Phillip Walker and Dan Fleek directed the show. The crowd went wild with laughter when Brother Paul Youngdale, the student congress president, walked down the aisle "selling" tamales.

Spring parties are coming thick and fast. An Easter egg hunt was held with the Alpha Delta Pi sorority, and 30 orphans had a wonderful afternoon searching for the eggs. The Delts and A. D. Pi's had a big afternoon searching for the kids. In the near future we are having a Shipwreck Party and our annual Spring Formal.

Seven new pledges were taken in spring rush. They are John Tillinghast, Ronnie Jones, Paul Russell, Greg Ellis, Dwight Hudson, Alfred Heizer, and Wayne Brown.

We are very proud of our actives, who were second in the over-all fraternity grade averages.

Two of our actives, James Livergood and John Cantrell, are playing important parts on the varsity track team. Alfred Heizer, a new pledge, is being counted on for freshman track.

In spring intramurals, Epsilon Beta has high hopes in baseball, track, and swimming. We are nearing the point of winning the interfraternity council's trophy for over-all athletic supremacy for the second consecutive year.

If things continue as they have been going, it looks like 1958-'59 will end as Epsilon Beta's greatest year.

LEWIS MONDY

TCU Delts and ADPi's combine on Easter party for orphans.

TCU Student Body President YOUNGDALE sells tamales at Greek Review.

Texas Tech

The second semester at Texas Tech got off to a good start with Epsilon Delta electing new officers for the coming year. Holding office are: president, Norris Green; vice-president, Pat Fletcher; recording secretary, Sonny Price; corresponding secretary, Tommy Sanders; treasurer, Ham Jenkins; and sergeant at arms, Grady Clark.

We also initiated 15 new members. Those new members holding positions in the chapter are: Nelson Sager, IFC; Greg Wilemon, rush; Ed Ratliff, publicity; Jerry Beeler, activities; Carl Hyde, assistant lodge chairman; and Lee Roy Whitley, assistant pledge trainer.

Epsilon Delta took a very fine spring pledge class of 19. They are John Arden, John T. Brown, Denton DeWitt, Kent Foerster, Jerry Gaspy, Jack Hensley,

JACKIE SHATLEY, president of Epsilon Beta.

Epsilon Delta in Sing Song.

Tim Kirk, Barclay Ligon, John Little, David Markham, Keith May, Scotty Morris, Gerald Murff, Carl Quisenberry, Don Rutledge, Bobby Switzer, Gene Tobin, Pat Tunnell, and John Werhane. They have elected officers and they are: president, Gene Tobin; vice-president, David Markham; secretary-treasurer, Bobby Switzer; and sergeant at arms, Kent Foerster.

The Delts took second place in the annual interfraternity sing-song here at Tech. The selections sung were "A Toast to Dear Old Delta Tau" and "Ye Watchers and Ye Holy Ones." Our thanks and appreciation go out to song leader Tommy Sanders for a job well done.

Activitywise this has been and will continue to be a busy semester for the Delts. We have already had several

Epsilon Delta mixed with DG's.

Epsilon Delta Queen BETTY ANN CALLOWAY.

lodge dances, including one honoring the new pledge class. We have had one mixer with the Delta Gammas and one with the Sigma Kappas and our social chairman, Don Davis, tells us that several more are being planned.

Our Delt Queen was crowned at our annual Rainbow Formal on the 18th of April. She is Miss Betty Ann Calloway, a sophomore bacteriology major. The queen was escorted by Jerry Lobdill and was presented with the traditional bouquet of 11 white roses and one gold rose, and a silver engraved tray. Miss Calloway is historian in Sigma Kappa Sorority, president of Le Cercle Francais, the French honorary sorority, and a member of the Modern Dance Club. We are very proud of our new queen.

Intramural baseball is under way here on the Tech campus and the Deltas are making their power felt. We are expecting good things out of our team, coached by Ken Bass.

Our annual retreat was held April 24-26th in Cloudcroft, New Mexico. A new pledge system as well as other items of importance were ironed out and the brothers all reported a fine time.

This indeed was a busy semester for the Deltas at Texas Tech. Already we can feel ourselves being pushed to the top of the ladder in fraternity circles. Big things are about to happen and watch out for the Deltas.

ED RATLIFF

Toronto

Things at the Delta Theta Shelter have been very quiet of late. No more do you hear the cries of eager Deltas as they go to classes, the bridge tables are deserted, the clinking of quarters in the machine is never heard. What has brought about this complete reversal? Examinations! However it is not really too hard to take after the social events of the past term. Things were started off by the formal which was well attended by both actives and alumni. The great event was held at the exclusive Granite Club. We were sponsored by Brother Kirk Thompson.

After the formal was over we threw a Valentines party, the Founders Day banquet, a Bohemian party and a Casino party, interlaced with the usual informal get-togethers on the in-between week ends. Looking back, the year's social activities were a staggering success.

Academically we have maintained our high standard and are looking forward to 100 per cent passing. As an added incentive to study we have next year's activities to look forward to.

Brother Dave Harvey, who was a sure winner in the intercollegiate diving competition, encountered some hard luck when he had his appendix removed, followed closely by a severe injury to his

BRUCE FAULKNER and date clean bus window before leaving for Delta Theta formal.

leg. We are sure that Dave will make up for this next year.

Summer rush will again be handled by Brother Ross Butters who did a tremendous job last year and plans to do equally well this summer.

The brothers at Delta Theta would like to wish everyone "best of luck" in their examinations. We want to extend an invitation to come and visit us in the future as several men have done in the past.

FRED THOMPSON

Tufts

The Beta Mu Deltas started second semester with the addition of 28 new pledges. Second semester rushing proved to be a big advantage for us while our house average went to 2.5, which is the highest in years.

During the year many brothers received honors. Brothers Mayer, Wilson, O'Brien, DeLeone, Leckie, and Hervey are in *Who's Who in American Colleges*. Brother Bob Coli was elected to Phi Beta Kappa and Brother Karl Benedict was elected to Tau Beta Pi. Brother Tom O'Brien was elected president of the interfraternity council. Brother John Hervey was appointed as manager of the Tufts radio station and is editor in chief of the 1959 yearbook.

Parties and spring week end kept us moving and we had a Parents week end and an alumni tea. We celebrated our 70th birthday on April 11 and many alumni came back to help us celebrate.

At the time of this writing, spring athletics are just starting but chances look good for our regaining the tennis, golf, and softball championships while Spring Sing is also in the near future. In varsity sports co-captains Jack Leckie and Dan

Toronto Delt studying for exams.

JOEL REYNOLDS, Past President of the Fraternity and TUFTS adviser, right, helps cut Chapter's 70th birthday cake.

Murphy led the lacrosse team to another successful season. We are all hoping Jack makes All-American this year.

With initiation and the big week ends, the rest of this year promises to be great. Everyone is waiting for next year when our pledges have completed their improvements on the grounds of the house and our firetruck is completely done over.

AUSTIN CROWE

Tulane

With its initiation banquet, Beta Xi brought to a close its Greek Week activities. Greek Week was particularly profitable to our Shelter, since several rooms were painted and landscape work was done. The new initiates also profited from this week, as they learned quite a lot about the Fraternity. Field Secretary Bill Earnshaw's visit during this week was enjoyed and appreciated.

A particularly good year is anticipated with Jim Kincaid as our new president. Charles Chassignac was elected vice-president; Kirk Webster, recording secretary; Charles North, corresponding secretary; Ronnie Reso, guide; and Mickey Michel is our new sergeant at arms as well as rush chairman for the coming year. Bill Witte and Bob Clark are, respectively, our senior and junior representatives to the Pan-Hellenic Council.

In March, Beta Xi held its annual Rainbow Formal at the Monteleone Hotel with Papa Celestin's Band. Everyone was happy over the Rainbow Court and its two queens, Jackie de Ben and

Mary Fuller. The Court consisted of Elsa Claverie, Serda Doyle, Joan Girot, Charmaine Grinnell, and Diane Hollifield. At the formal it was announced that Kirk Webster was selected as "Best Pledge" and Byron Ruth as "Most Outstanding Senior." The dance and the reception at Sam Rosamond's home were certainly enjoyed by all.

Some of the new initiates have recently taken honors on the campus. Bob Clark, with straight-"A" first semester work, and Charles North were initiated into Phi Eta Sigma, the freshman honorary

scholastic fraternity. Eta Sigma Phi, the classical fraternity, initiated Justin Ansel and Glenn Gatipon.

During the Easter holidays members of Beta Xi enjoyed a vacation on the Mississippi Gulf Coast. Fun and relaxation were the keynotes of this week end.

Beta Xi is looking forward to Campus Carnival in the near future. Having won this activity for the past two years, we are anticipating another winning entry with Henry Harris acting as our Campus Carnival chairman. Several parties are also being planned by new Social Chairman Pat McElroy and his assistant, Justin Ansel.

President Jim Kincaid, John Wharton, and Chapter Adviser Phares Frantz represented Beta Xi at the Southern Division Conference in Gainesville, Florida, in the early part of April.

The new president of our Mothers' Club is Mrs. Chris R. Ansel. We thank the Mothers' Club for the generous work it has done to beautify our house and lawn, and we appreciate its support.

Beta Xi extends its best wishes to its graduating members: Paul Fallone, Jeff Koonce, Jim Larose, Sam Rosamond, and Byron Ruth.

CHARLES NORTH

U.S.C.

Last semester with Rush Chairman Steve DePatie leading the way we took 18 new pledges. Among these was Swimmer Lance Larson, world record holder in the 100-meter butterfly and two-year National A.A.U. champion in the 100-yard freestyle. As one of the best in the nation he will be traveling to Japan on a swimming tour and will represent the

Beta Xi's new initiates.

Rainbow Court and escorts at Beta Xi.

United States in the Pan-American games. Another new pledge, Dennis Devine, was on S.C.'s varsity squad. This semester Rush Chairman Mike Normanly took six new pledges.

Three brothers were on S.C.'s first-string basketball team: Jim White, John Werhas, and Bill Bloom. This was the backbone of S.C.'s team and all are juniors. Not only were these brothers starters, Jim White was voted most inspirational player, John Werhas was most valuable, and Bill Bloom was honorary captain of the team. Werhas was also chosen for the all-C.I.F. basketball team. Earlier in the year with S.C.'s shortage of quarterbacks, Coach Don Clark took Bloom off the basketball team to suit up. Bloom was all-C.I.F. quarterback in high school, but prefers basketball to football. With basketball season now at an end, Werhas will go out for baseball. He is a cinch for first string with his outstanding batting record. Brother Jerry Persinger was another stalwart in S.C.'s grid program. He played fullback and did a tremendous job. Persinger also is a junior. In water polo, Brothers Fred Tisue and Dick Byyny were first string as the team went on to win the P.C.C.'s, defeating the University of California for the first time in many years. Brother Pete McGeagh was S.C.'s top breaststroke swimmer this year. John Graye was an outstanding gymnast on S.C.'s gym team. On the S.C. Crew, Bob Clarke and Fred Walker are outstanding varsity members on one of the best crews in S.C.'s history. In interfraternity athletics, Lee Crissell is pacing Delta Pi in a strong bid for S.C.'s interfraternity "Iron Man" trophy. Delta Pi won volleyball, reached playoffs in basketball, and has good prospects in tennis and baseball.

Brothers Bart Porter and Jim Clifton are leading the way in student activities. Porter is a member of S.C.'s songfest

committee and junior class council member. Porter and Clifton are active in organizing a model United Nations on S.C.'s campus. Parke Turner is on the sophomore class council. Dave Gaon is running for sophomore class president with Bart Porter managing his campaign. We have big hopes for this boy.

Not enough thanks can be extended to Tom Turner, Delta Pi's adviser, for completely remodelling our chapter room. He has also done a lot to get the house in shape.

On the social scene, with Brother Bob Lee as social chairman, we have had many outstanding parties. The high light of the fall semester was the formal at Las Vegas, Nevada, which was a huge success for the second year in a row. Coming in the near future is Delta Pi's famed Mardi Gras, with Fire House Five-Plus-Two. This is our biggest party and is expected to be a big success.

We are proud to announce that Fran Hughes, President of the Fraternity will be guest speaker at our initiation ceremony next week. We are sure this will be inspirational.

With Mason Fenton as president and Mike Gingrich as rush chairman, Delta Pi expects to continue its high spirit, outstanding achievements, and fine brotherhood.

RICHARD BYNYN

Wabash

Thirteen new Delts were initiated March first in the Shelter of Beta Psi. They joined their pledge brother, Al Witt, who was initiated by Beta Psi's initiation team before the entire assembly of the Northern Division Conference. The entire initiation program included the Rite of Iris the night before the actual ceremony, on Sunday morning, and the banquet following the induction.

Two weeks after initiation the members of the sophomore, junior, and senior classes, under the supervision of the social chairman, transformed the house into a pirate's paradise, including sand-covered floors and cannons, for the annual Initiation Dance. This costume affair was the most successful social event of the year. Janet Graver, president of the Butler Pi Phi Chapter copped the award for the best female costume. Bob Kryter, vice-president, was awarded the prize for the best male costume. The brothers and their dates danced to the music of Larry Liggett and his Three Flips and a Flop.

During the intermission, President John Johnson announced that Bill Wead and Denny Greathouse were chosen "Best Pledges" of the 1958 class while Al Witt was named recipient of the pledge scholarship award.

In other social activity, the Wabash Delts worked diligently throughout the month of April planning and preparing the decoration booth for the annual Pan-Hellenic Dance, May 8-9. The coordination of the many hours of work was aptly handled by Dave Rose, sophomore social chairman, who with the help of his committee designed the decorations in keeping with the "Las Vegas" theme. It was a large job to construct a top-notch booth since the Delts won the decoration's trophy in 1958. The dance week end had a variation of music as Richard Maltby played the first night and Larry Liggett's big band played the second night.

At the publication of this issue of THE RAINBOW our chapter has just completed its spring rush program. Rush this spring consisted of three highly successful parties. The first, March 7-8, was planned to familiarize the prospective freshmen with the Wabash campus. The second Delt week end, April 11-12, included an action-filled slate. In the morning, after a speech by Professor Mark Van Doren, noted editor and critic, the trustees of the College dedicated the new Lilly Library. That afternoon, everyone attended the annual Wabash Relays and then, Dizzy Gillespie and his quintet culminated the eventful day with a jazz concert that evening. After a most successful party, the total number of new pledges was brought to four. The third and last of the spring parties was May 16-17, and featured an informal type get-together consisting of a picnic at Turkey Run State Park with hiking and softball on the agenda. Thanks go to the new co-rush chairmen, Brent Sutton and Bob Templin, who have done their utmost in spring rush.

Templin and Sutton are taking over the job of rush from Sophomore Tim Conlon who has been chosen the new Delt representative for the interfraternity

council. In viewing other campus elections Junior Dan Remley is now a member of the senior council, the campus governing body. Delta Phi Alpha and Sigma Pi Sigma recently announced that Brother Dave Bohlin has been pledged to both honoraries. In still further Delt representation, Jim Johnson, freshman, recently relieved Bohlin as corresponding secretary of Alpha Phi Omega. Otto Schug, junior and vice-president of Young Democrats, copped three positions in the Political Affairs Forum, including the vice-presidency.

The Delts have received many honors on the athletic field, first of which were received by Larry Warren and Al Witt. Al and Larry, both freshman wrestlers, were honored with two wrestling achievements. Larry was elected captain of the team while Al captured the Little State championship in his division. In spring sports, John Johnson, junior, Dave Rose, and Terry Anderson, freshmen, are members of the Little Giant tennis squad. The Delts also have three men on the track team: Butch West, senior sprinter; Wayne Cobb, sophomore distance man; and Bob Templin, freshman high jumper.

In athletics of the intramural type, Beta Psi's men won the intramural championship in basketball, to place them at the top of the all-IM standings. If the Delts win the softball championship, which has just started at the time of this writing, they have a very good chance of winning the all-College intramural championship for the third year in a row.

TIM CONLON

W. & J.

One Fifty E. Maiden St. became the new home of nine W&J freshmen as they assumed the responsibilities of pledgeship. These men are James DeLozier, John Douglas, Eugene Best, Gordon Garrison, Robert Kabo, Watson McGaughey, Michael Matzko, William Shaw, and Byron Singer. Hindered by strict rushing rules, the rushing activities were handled by James Bibb. The new pledges are undergoing their training with George Penn as pledgemaster.

Assuming new leadership in Gamma Chapter are Alan Allen, president; Gerald Cooke, vice-president; Bruce Rathke, corresponding secretary; Kenneth Ross, recording secretary; James Gilson treasurer; Dave Petry, assistant treasurer; John Caputo, steward; and James Karaman, student council representative. Under their guidance the chapter is looking forward to a successful year.

During the first semester Gamma Delts earned a 1.73 average, making them the fourth ranking social group scholastically on campus. This average was .20 above the All Men's Average.

W. & J.'s spring pledge class.

Gamma Chapter practices for IF Sing.

Having completed successful intramural seasons in Ping-pong, water basketball, and track, W&J Delts are looking forward to a good softball season. At the present time the house is hard at work preparing for the interfraternity sing contest. Denny Nason received prominence in wrestling by taking third place in the 130-pound class in the Presidents Athletic Conference. This was the first year for wrestling at W&J and was therefore Nason's first year on the mats. Currently, Delts are participating in the varsity teams of track and baseball.

Soon to enter the ranks of alumni of Gamma Chapter are the members of the class of 1959. The men who are spending their last semester at the Gamma Shelter are William Boesman, Dennis Nason, James Cochran, Walter Terpin, James Giambroni, Harry Sydor, James Bibb, Dale Johnston, and James Welsh.

The brothers of Gamma Chapter are looking forward to the end of the year, a profitable summer, and the return to the Shelter next fall.

BYRON SINGER

W. & L.

Phi Chapter proudly announces the election of its new officers: Mac Patrick, president; Bob Lathrop, vice-president; Reg Smith, treasurer; Charles Comey, house manager; Jack Lemon, recording secretary; John Towler, corresponding secretary; Leigh Allen, sergeant at arms; and Jerry Hyatt, guide.

The house elections were followed by the initiation of 18 new brothers—the largest number of initiates for Phi Chapter in several years. From this very fine group of new Deltas, Tom Luthy achieved the highest average of the pledges and the actives besides receiving a letter in swimming; Danny Dyer broke the intramural cross-country course record; and Ned Hobbs, Bill Wheeler, Terry Fohs, and Steve Suttle lettered in varsity football. We are quite proud of all our new Fraternity brothers and expect many great achievements from them in the future.

Delts and dates at Phi prepare for spring house party.

Springtime is traditionally party-time in the South, and the swingin' Deltas of Phi Chapter are planning one of the most elaborate spring house parties ever to hit this campus. Doing a most outstanding job in arranging the plans are Brothers Leigh Allen and Don Thalacker. Our theme of "Polynesian Tropics" will find palms, Japanese lanterns, bamboo, coconuts, pineapples, and floating gardens lending to the atmosphere. Thanks to the recruiting talents of Ken Beal and Leigh, the band and refreshments will be of top quality for this affair. Brother Thalacker, by popular demand, is handling the decorations. Once Don starts to work on something, nothing can stop him from achieving the height of his goal. With the help of the brothers, Don has arranged for an outdoor barbeque dinner with halved coconut shells to replace glasses.

Our talented decorator's abilities don't end with parties, for under Don's inspired leadership Phi Chapter has won the

homecoming decorations first prize for the last two consecutive years. Some Thalacker originals include an enormous tiger stretched from the Shelter's roof to the ground, trying to escape the hand that held it by the tail; and a giant climbing down from the top of the Shelter on a vine—only to be chopped up by an Ajax giant meatchopper!

Phi Chapter unreservedly welcomes back Stan Atwood, who recently completed his tour of duty for the U. S. Army in Germany, and has returned to this campus to complete his college education.

Intramural sports certainly isn't a weak spot in Phi Chapter's varied and active participation in all of the campus activities, for led by IM Ned Ames, the Deltas have taken over the first-place spot with only three sports left for the year. Bart Dick sparked the wrestling team with a win in the 177-pound weight class, and the spirited play of Bill Young and Mike Monier led the volleyball team to a 3-1 record in league play. As we are in second place in the intercollegiate team participation, Phi Chapter stands a very good chance of winning the over-all trophy given for the best combined intercollegiate and intramural score.

Phi Chapter sees nothing but smooth sailing ahead for the rest of the semester, both socially and academically. We certainly would like to have our alumni make it to Lexington for finals dances.

JOHN C. TOWLER

Washington

Gamma Mu began spring quarter with a new slate of officers. They are Dave Cortelyou, president; Bob Montgomery, vice-president; Fred Putney, corresponding secretary; Jim Moore, recording secretary; Phil Barr, guide; and Larry Henshaw, sergeant at arms. Several new committee chairmen were appointed, including Dave Kinley, who will be rush chairman.

April tenth and eleventh turned out to be a big week end for the Deltas. On Friday night, following the initiation of 11 of the pledges, we had a very successful Founder's Day banquet. Initiates Dan Seaholt and Jerry Lee were honored as outstanding pledges. On the eleventh we held our spring formal, which wound up this year's highly successful social program.

Recently we had seven more Deltas initiated into Scabbard and Blade, national military college honorary, bringing the total to 13 active Delt members. Jim Flint, one of these initiates, was elected its president for the coming year.

In the interfraternity role we had two Deltas win positions. Jim Moore is the IFC office manager and John Rohrbeck is the JIFC vice-president. Lee Kueckelhan, former IFC treasurer, is chairman of the University's May Day ceremony. Lee and Tom Vaught, old members of Pi Omicron Sigma, welcomed Gary Dan-

Providing leadership at Epsilon Gamma are, from the left, front row: Chapter President JIM JOHNSON; Past President LEROY ROACH; and Past President CHUCK MAC-KENZIE. Standing are: STEVE FITZSIMMONS, former Northwestern president; TOM ASKEW, former Epsilon Gamma president; and BOB BALLYNTYNE, former Michigan State president.

ekas and John Tharp into the IFC honorary.

Two Delts were recently initiated into Tau Beta Pi, engineering honorary. They are George Ringer, an electrical engineering major, and Shelly Dahlgren, a metallurgical engineering major. Both men have been active in all phases of college activities as well as maintaining high grade points.

Bob Thomason, our past chapter president, was named outstanding senior in general business at the University. Carl Olson, a varsity baseball player, was recently elected a member of Purple Shield, which is the University's underclassmen's activities honorary. Lee Kueklehan is a new member of Phi Beta Psi, an accounting honorary.

As for spring house activities, songfest and intramurals are progressing rapidly. Our water polo team, twice runner-up, is out for the trophy this year. With most of the old team back we are banking heavily on them.

All in all, we of Gamma Mu can again proudly say that, "the Delts have had another successful year."

FRED PUTNEY

Washington State

At Washington State College (a university as of Sept. 1, 1959), the newest fraternity on campus is headed for the top. The Delts have literally skyrocketed from the ranks of average fraternities. Epsilon Gamma is in a new Shelter this year with a greatly expanded membership and is very active on campus. Some of the more active Delts are Bill Lind, president of interfraternity council; Jim Estes and Ray Kronquist, active committee chairmen of the IFC; and Curt Hedges, Eric Lee, and Steve Rodgers, active in the junior IFC. Max Bolte and Rod Ochs brought the house honor and glory by winning the intramural debate trophy; Bill Priest and Ray Kronquist were very successful on the varsity debate team; Tom Askew is on the varsity swim team; George Gleason played frosh football; and Dave Selk is on the frosh track team. On February 22, the annual Jazz at the Cub music show was put on and featured several Delts—Roger Milnes, Mike Durkee, Jim Johnson, and Tom Askew who gave a Jazz reading. Roger Milnes wrote the J.A.T.C. Blues, and he and Mike Durkee arranged some of the other numbers on the program. Some of the other well-known musicians from the Delt house are Leroy Roach, Ken Nielson, and Steve Rodgers.

At the end of February Jim Johnson and Jim Estes represented Epsilon Gamma at Austin, Texas, for the Western Division Conference. They came back full of new ideas for next year.

Leading Epsilon Gamma for the year of 1959 are Jim Johnson, president; Roger Milnes, vice-president; Ted Car-

rat, recording secretary; Ray Kronquist, corresponding secretary; and Max Bolte, guide. Leading the pledges this semester is Ken Neilson, with Curt Hedges, John Shenk, and Eric Lee to help share the load.

We are planning a big rush next fall with many new traditions to start during the school year, 1959-60. Recently, Epsilon Gamma was honored by a visit by Ed Hughes, who said he enjoyed his visit very much and liked Eastern Washington's weather a little better than Indiana's. All in all the school year, 1958-59, was a successful one, and we are looking forward to an even more successful year next year, during which we hope to cement firmly our position as one of the top fraternities on W.S.U.'s campus.

STEVE RODGERS

Western Reserve

Zeta initiated 12 men into the chapter on February 20, 1959, in Amasa Stone Chapel on campus. Jack Waslyn was named "Honor Pledge" and Steve White won the pledge scholarship improvement award. On March 13, 1959, the actives and new initiates attended the annual Founders Day banquet of the Cleveland Alumni Chapter at the University Club of Cleveland.

Pat Walsh, treasurer of the student senate, has been elected president of that all-University governing body for next year. Tom Reichert is the newly elected recording secretary of the student senate. Al Robinson, treasurer of the Adelbert Student Council is a candidate for president of that organization for next year. Gary Deonise, the Adelbert Council Student Union representative is a member of the newly established Student Union advisory committee.

Bob Weaver has recently been elected president of the Union Party which combines the four top fraternities on campus into an effective political organization.

There were many Delts participating in Greek Week this year. In the cast of the all fraternity show "Tea and Apathy" were John Gigax, Tom Reichert, and Bob Sielaty. Rex Hyre was the assistant stage manager and Joe Macys, Ed Crum, Jack Waslyn, Charley Zernechel, and Jerry Lane were on the stage crew. Mike Ostergard was in charge of the first annual Greek Week fraternity workshop.

Zeta is currently leading in the race for the intramural all-sports trophy. Under the guidance of Intramural Chairman Joe Macys, we have won the undergraduate championship in basketball, badminton, and handball. With good showings in football, volleyball, and bowling, and with softball and tennis coming up, the chapter is in an excellent position to win the trophy. With two wins already credited on the trophy we

can permanently retire it with a victory this year.

Members winning numerals and letters for participation in varsity sports include Bob Weiss, Terry Wenger, Dave Michel, and Jack Waslyn for freshman basketball; Nick Schrock for varsity wrestling, and Jerry Lane for freshman wrestling. Ed Crum plays outfield on the varsity baseball team and Terry Wenger and Dave Michel are on the freshman baseball team.

Mike Ostergard, Ed Crum, and Rex Hyre represented the chapter at the Northern Division Conference in Indianapolis on February 27 and 28, 1959. It was announced at the Conference that Zeta had won the Northern Division Scholarship Improvement Award for 1957-58.

Social Chairman Greg Copeland has organized excellent parties this semester with more planned. Of note were the western party at the "Golden Delt Saloon" featuring the "Golden Delt Girls" and the pajama party.

Thus, Zeta is at the top of all Western Reserve fraternities with its members in many varied activities and the chapter doing well in all phases of campus activity.

REXFORD C. HYRE, JR.

Westminster

Delta Omicron fell below the All Men's Average by a bare three-tenths of a point for the past two semesters. The addition of Jim Vaughn, straight 4.0 student, and the loss at semester of pledges with low grades is expected to raise the chapter to as high as second or third on the campus this semester.

On February 22, Delta Omicron initiated 13 of its original 19 pledges.

Don Otto, class of 1959, was recently awarded a Woodrow Wilson Fellowship for the 1959-60 year. Don plans to study toward a master's degree in political science at Washington University in St. Louis. Don was also chosen as a member of *Who's Who in American Colleges and Universities*.

(Continued on Page 227)

JOHN TAYLOR and BOB BLOOM, outstanding initiates at Westminster.

THE DELT ALUMNI CHAPTERS

Boise Valley

President Chuck Daigh's term of office came to a successful close at the March meeting when the 1959 officers were elected. The new officers are: Patrick O. Day, president; Max C. Durall, secretary-treasurer; and M. E. Byrne, corresponding secretary.

Recently, Bill Hedges visited in Boise. He heads up a wholesale jewelry firm in Spokane, Washington. Our sympathy goes to Howard Ahlskog, whose wife died recently.

Plans are under way for the annual Delt picnic in Boise, held in honor of local Delt rushees and actives. We want to thank Chuck Daigh for his able guidance during 1958. Due to his leadership we feel that we have enjoyed one of our most successful years.

M. E. BYRNE

Chicago

Henrici's Restaurant was the scene of the 100th anniversary Founders Day banquet on March third.

A splendid address, exemplifying the philosophy of our founders, was given by former Northern Division Vice-President Gordon L. Jones.

A standing ovation was given to Distinguished Service Chapter members, Francis F. Patton, Charles F. Axelson, and John H. Hutchinson, who have de-

voted their lives to the good of the Fraternity.

In addition to the undergraduate chapter reports of Presidents George Platz of Northwestern and Bob DeLacluyse of the Illinois Institute of Technology, House Fund Corporation Presidents Robert E. Nord of Northwestern and Ralph R. Tullgren of I.I.T. told us about the building programs and plans now in progress on their respective campuses. It is evident that each chapter earnestly needs the support of its alumni. The generous and tax deductible gifts needed from the alumni will be a direct aid to education in relieving the schools of the great financial burden of housing and will provide the means of furthering the Delt program of building better men and better citizens.

Congratulations to Harold C. Woodward, who was appointed by Governor Stratton as judge of the Superior Court of Cook County.

We were pleased to see so many new faces at the banquet and at the weekly Monday luncheons. The welcome mat is always out Monday noon, Hardings Restaurant, The Fair Store, Dearborn and Adams—so come aboard.

HUGH A. SOLVSBERG

Denver

This year the Founders Day banquet was held at the Martinique Restaurant.

We had 35 alumni in attendance and 65 from Beta Kappa Chapter in Boulder. In the absence of Dave Dellinger, president, Spike Frisbie acted as master of ceremonies. Short talks were made by Allen Beck and Phillip Van Cise, followed by some professional entertainment which was well received by all those present.

For any Deltas that may be passing through Denver, we have a monthly party at Cherry Hills Country Club every first Sunday from 4:00 p.m. to 6:00 p.m. We also have a weekly luncheon at the Denver Dry Goods Tea Room at noon each Monday.

Zach Brinkerhoff represented the Denver Alumni Chapter at the founding of the new chapter in Tucson.

We plan to have our business meeting and election of officers some time in May.

ELMER D. GRAY

Houston

Two reports enlivened our regular breakfast meeting March 19. One, by Wayne Ogden, dealt with the Western Division Conference held at Austin, Texas, Gamma Iota (University of Texas) actives serving as hosts. Wayne took the occasion, as he attended the meeting, to try to work out better alumni-active relations with Gamma Iota as well as other Delt chapters, particularly those located at Texas Christian University, Fort Worth, and Texas Technological College, Lubbock. President Harley Eaker will be asked by the Houston group to set up a committee that will stay with the problem.

Eldridge Thompson reported on the detailed work he had done looking toward a Delt active chapter at Sam Houston State College, Huntsville, Texas. A strong local, already occupying a beautiful and adequate house on "fraternity row" is petitioning Delta Tau Delta for a chapter and Brother Thompson, accompanied by Hugh Shields, paid them a visit in February. The pair went on to Austin to visit Gamma Iota after their stop at Huntsville, 70 miles north of Houston.

Bob Ives, one of our past presidents, has been named president of the Rotary Club of Houston, the second largest in Rotary International.

Members were gratified to hear that the Silver Spurs, an honorary University of Texas organization, has set up a John Fry memorial scholarship which is to be awarded in his honor each year. John, one of our past presidents and a Silver Spur officer when a student, died

CHICAGO ALUMNI FOUNDERS DAY

Banquet Speakers table, left to right, TULLGREN; VINER, Vice-President, Chicago Alumni; PATTON; JONES; PINDERSKI, President, Chicago Alumni; NORD; PLATZ, and DELACLUYSE.

following an automobile accident in November.

Houston alums will participate in rushing this summer but definite plans were not ready early enough to include in this letter.

SILAS B. RAGSDALE

Kansas City

On April tenth, the annual alumni Founders Day banquet was held at the Advertising and Sales Executives Club in Kansas City. Approximately 70 members attended. The undergraduate chapters of the University of Missouri, the University of Kansas, Kansas State College, and Baker University were represented. The dinner was arranged by the newly elected officers: Sam C. Sherwood, Jr., president; Frederick E. Beihl, vice-president; G. Donald Kaufmann, secretary; and Wendell Bell, treasurer. Martin B. Dickinson handled the program, which was highlighted by a film of the 1958 Karnea in Pittsburgh, Pennsylvania.

Undergraduate chapters are busy preparing for the summer rushing. In some instances the chapters will have high school week ends before the close of this school year. You are urged to send the names of prospective rushees to the Central Office or to the pertinent undergraduate chapter now.

Attendance has been increasing at the regular Thursday luncheon at the University Club. Remember, that's every Thursday at 12 noon.

G. DONALD KAUFMANN

La Jolla

La Jolla's alumni chapter gathered by the shores of the blue Pacific to hold its first Founders Day dinner in the penthouse of the world famed Del Charro, on March 2, 1959. Some 25 of the brethren, including oldest member, Curtis Dickens, Capt. USN (Ret.), Tufts '94, assembled convivially in the warm evening air for good talk before going in to sing "Delta Shelter."

Later on, the excellent films of the Centennial Karnea, and TV round table on "College Fraternities—Builders of

Men," were shown. Both were interesting, personal, technically well done, and made the viewers warmly aware of the national scope and importance of their Fraternity.

Elections were held during the regular monthly luncheon meeting April 7, 1959. Lowell Niebuhr, stockbroker, Northwestern, '18, handed the president's gavel to Lawyer Lee Campbell, Northwestern, '51. Kirk O'Farrell, Kenyon, '09, retired Episcopal Bishop, took Lee's vice-presidential chair, and George Gilmore, former Honolulu business and local Green Stamp Magnate, Michigan, '21, was replaced by urologic surgeon, Jim Whisenand, Oregon, '44.

The members present were then photographed by Roger Skinner, stockbroker, Kansas State, '52, as these include those most loyal in attendance, and indicate the wide range of the men of the chapter that are worthy of mention. Charles Richards, Stanford graduate, is an astronautical engineer; Sam Erwine, *Northwestern*, '11, is a retired educator. Kenneth Dame, *Pitt*, '22, is a retired realtor; Dr. Arthur Marlow, also of Stanford, is an internist at Scripps Clinic. Paul Skinner, *Kansas State*, '28, is a retired automobile dealer. John Rich, *Colorado*, '12, used to manufacture safety fuses. Dr. Ralph Roberts is a retired physician. Frank Davenport, *Lafayette*, '09, was a mining engineer; E. Harrison Powell, *Chicago*, '11, was treasurer of Sears Roebuck and president of *Encyclopedia Britannica*.

JAMES M. WHISENAND

Lexington

A good reunion of Delta Epsilon alumni for the chapter's Founders Day banquet, plus the happy mortgage-burning, kindled a fire among Delts in the Blue Grass for resumption of informal monthly meetings. One gathering during the summer is being planned, and a schedule will be drawn then for regular gatherings through the fall and winter. Interested Delts in the area (and that should be all of 'em) are invited to get their names on the list to receive meeting notices.

LAURENCE SHROPSHIRE

Long Beach

At the February luncheon meeting the members present made temporary plans to join with the Los Angeles Alumni Chapter for the annual Founders Day dinner, but not having received a notice of that banquet up to the date of our March meeting, a proposal was made to have an evening party to include the ladies and to honor those gentlemen who founded our Fraternity. At the present writing definite arrangements for such a dinner have not been made but will be in the near future.

We are planning to continue our monthly luncheons throughout the summer and to locate some outstanding high school and junior college students whom we can recommend to the active chapters of the universities which they will attend, as good prospects for membership in the Fraternity.

Our monthly meetings are held on the second Tuesday of each month at the Long Beach University Club, 1050 East Ocean Boulevard, to which any visiting Delts are cordially invited.

ROBERT B. TAPLIN

Omaha

The Omaha alumni were hosts to Beta Tau Chapter from Lincoln, Blackstone Hotel, Omaha, April tenth. Pledges of Beta Tau were initiated at the hotel prior to the banquet. James Rosenquist, *Nebraska*, '52, was toastmaster and he introduced Robert Manley, *Nebraska*, '97, president of the Omaha alumni and the first pledge in Beta Tau. After Brother Manley's remarks, President Stuckey of Beta Tau, presented scholarship awards to the top-ranking actives, and this was followed by the presentation of the William B. Webster Scholarship, for the outstanding pledge, to Richard Stuckey, who qualified with an outstanding 7.833 scholastic average. This was followed by a discussion on scholarship and its relationship to chapter activities by Ed Schwartzkopf, *Nebraska*, '47, who is a member of the advisory board for Beta Tau Chapter. The banquet was climaxed by the traditional "Walk-Around."

WILLIAM B. WEBSTER

St. Louis

The St. Louis Alumni Chapter held its annual Founders Day banquet on Friday evening, April tenth, at Ray Quinlan's Party House in Clayton, Missouri.

Numerous alumni were present, as were many undergraduates; 27 from Delta Omicron, Westminster College, and 15 from Gamma Kappa, Missouri University.

Edwin H. Hughes, III, the Editor of THE RAINBOW, spoke on the development of Delta Tau Delta in the Fraternity's first 100 years. In doing so he

La Jolla alumni are—top: CHAS. M. RICHARDS, SAMUEL D. ERWINE, KENNETH H. DAME, Dr. ARTHUR A. MARLOW, PAUL A. SKINNER, JOHN D. RICH, Dr. RALPH S. ROBERTS; bottom: GEO. M. GILMORE, FRANK P. DAVENPORT, Dr. JAMES M. WHISENAND, LEON E. CAMPBELL, KIRK B. O'FERRALL, E. HARRISON POWELL, LOWELL NIEBUHR, ROGER P. SKINNER.

pointed up how Delta Tau Delta has always been a consistent leader in the fraternity world. He mentioned that Delta Tau Delta had been a leader in the creation and development of the National Interfraternity Conference.

Both Delta Omicron and Gamma Kappa Chapters announced extensive plans for summer rushing programs. Both chapters are interested in receiving names of good prospects, either direct or through the St. Louis Alumni Chapter. Names of prospects who will be attending Westminster or Missouri should be sent to the undersigned at 647 Norfolk Drive, Kirkwood 22, Mo.

St. Louis area Delts are cordially invited to attend the weekly luncheons held every Monday noon at Mark Twain Hotel, in the Versailles Room.

ROBERT C. ZEITINGER

Seattle

The new 1959 officers of the Seattle Alumni Chapter are: president, Robert W. Beatty, *Washington* '49, and secretary-treasurer, H. Kay Pugmire, *Washington*, '52.

Under the able direction of Chairman Finn Petersen, we held our annual Founders Day banquet April tenth at the College Club in Seattle. We had about 100 Delts in attendance. Prior to the banquet 11 new Delts were initiated into the chapter at Gamma Mu. Thomas L. McQuaid, *Colorado*, '27, addressed the group. He spoke about the great opportunities for the young graduate of today and the increasing opportunities for the graduates of "tomorrow." He challenged the group with the statistics of the small number of men who rise to the top in their field of endeavor. He said that industry is looking for potential leaders, those who are willing to sacrifice and work with a desire to take on greater responsibilities. Brother McQuaid's accomplishments gave weight to his remarks. He is a vice-president of the Bank of California and the manager of the Seattle office. Very active in civic affairs, he is on the board of directors of the Seattle Chamber of Commerce, UGN, and the Central Association of Seattle; president of the Seattle Clearing House, and treasurer for the Seattle Symphony. Music at the banquet was furnished by a fine Delt trio from the chapter: Jack Bontemps, Gary Danekas, and Jim Flint. Chapter Adviser Tom Sill presented trophies for scholarship achievement. We enjoyed the renewal of old acquaintances of alumni and meeting new ones from the active chapter.

We have appreciated the support of those who attend our monthly luncheon meetings on the second Tuesday at the Olympic Grill, Parlor G, Olympic Hotel. We would like to welcome more of you alums who are in the downtown area of

Seattle. And you Delts from other chapters come on in and make yourselves at home. We are attempting to bring our mailing roster up to date. If you have moved or know of any other changes, would you forward them along with your dues to H. Kay Pugmire, at 19247 Ashworth Ave., Seattle 33, Washington.

In the near future, probably June, we will have another successful dinner-dance. If you don't hear about it, then you probably forgot to tell us where you are. We plan on having a big rushee-Delt-alum banquet this fall, prior to rush week. Give us your support with this new proposed event which we hope to hold annually. If you have any names of good prospective Delts coming to the University of Washington, please pass this information on to us. We appreciate your support and welcome any suggestions.

H. KAY PUGMIRE

Topeka

The Topeka alumni have had no special activities since our last letter. Attendance at our monthly luncheons is good and we have added some names of new Delts who have moved to Topeka. During the session of the Kansas legislature, we enjoyed visiting with three members who were Delts: Senators Theo Sanborn and Glee Smith, and Representative Tom Van Sickle, who was elected while still in school in Lawrence. Our group is made up of Delts with various interests, and we enjoy getting together. Besides our Governor, we have several who are with the state government here in Topeka, including Harry Wiles, who has just been reappointed as a member of the State Corporation Commission, John Emerson, who is an assistant attorney general, and our banker president, Anderson Chandler, who has been appointed as a member of the State School Retirement Board. Louis Howard was re-elected as water commissioner, so we have all interests represented, including several doctors, and eight attorneys. Hope any visiting Delts, or any airmen at Forbes Air Base who are Delts, will give us a call.

FRANK HOGUELAND

Toronto

The year 1959 rolled off to a good start with the annual Delt formal in January. All were in fine form as more than 40 alumni couples bumped elbows with the undergraduates in the ball room of the Granite Club.

The Founders Day festivities featured a reception at the Shelter, after which 60 undergraduates and alumni boarded a chartered bus to the Town & Country, where a delicious steak dinner awaited them. All returned to the Shelter, following dinner, for an evening of fellowship.

Elections of new officers were held at the banquet. They are: Bill Shaw, president; Gord Hueston, vice-president; Murray Kingsburg, treasurer; and Bill Seeley, corresponding secretary. Two counselors, yet to be appointed, will complete the executive staff for 1959.

Summer rushing is on us again, and Ross Butters is handling that department. Your co-operation is requested in informing him of prospective Delts. It will be greatly appreciated.

KIRK THOMPSON, JR.

Tucson

The Tucson Alumni Chapter was formed in 1957, and immediately established as its goal the formation of an active chapter on the University of Arizona campus. This goal was realized on April 11, 1959, with the establishment of the Epsilon Epsilon Chapter.

On the evening of April tenth, an alumni party was held at the Tucson Country Club, in honor of the visiting members of the Arch Chapter, with 27 alums and two guests from the University of Arizona present. We were especially pleased by the presence of the Honorable Tom C. Clark, Associate Justice of the United States Supreme Court, and loyal Delt, who managed to find time in his crowded schedule to visit the boys at the chapter house, in addition to attending the party.

W. G. COONS

Tulsa

The high light of the 1959 season was the alumni annual formal at the Topaz Room of the Hotel Tulsa on January 17. A great number of Delts, wives, and friends were on hand for the festive occasion.

The Tulsa Alumni Chapter directory was completed in February and is now available to all who wish one.

Since the enforcement of prohibition in Oklahoma, the monthly meetings at the Petroleum Club have been exchanged for meetings at different members' homes. The first, held in February, was at the home of our president, L. D. Reis. The March meeting was at the home of H. S. Trower. Both meetings were highly successful, featuring the usual "bull session" and card games.

Oklahoma was honored by a short visit with Francis M. Hughes, President of the Fraternity, who spoke at the annual Founders Day banquet at Stillwater, Oklahoma on February 17. A brother, R. P. Bates, was pleased to renew acquaintanceship while driving Mr. Hughes to Tulsa for his traveling connections.

The alumni chapter again voted to give a \$25 award to the chapters at O.U. and O.S.U., to be presented to the best pledge of each chapter.

R. B. BRADLEY

THE DELT INITIATES

Editor's Note: This department presents the chapter number, name, class, and home town of initiates reported to the Central Office from January 24, 1959, to April 3, 1959.

The Delt Chapters

(Continued from Page 220)

In athletics, defeated by two points in an overtime for the intramural basketball championship, the Deltas put one of the strongest volleyball teams on the floor and still had hopes for a title. The chess team had a 4-1 mark and needed only to win its last two matches to win that trophy. Dave Wright was named to the MCAU all-conference basketball team. The actives whipped the pledges in the annual basketball game by a 54 to 30 margin.

In campus organizations, Ben Timmerman was recently elected president of the Radio Club and Dave Wright became grand marshal of the Skulls of Seven.

The ad committee for the new year consisted of the following men: alumni, Mike Hawkins and Ken Love; publicity, Art Werremeyer; rush, Bailey Word; scholarship, Ben McDougall; house manager, Jim Vaughn; social, Ben McDougall and Fred Wright; and athletics, Lanny Larason. The pledge trainer is Mike Hawkins. Bill Bennett was elected as student council representative.

DAVE WRIGHT

Whitman

The spring semester has seen Delta Rho's dual Shelters as busily engaged as ever in school and Fraternity affairs. Being well represented on campus, Student Leader Ian MacGowan was sophomore class president and Jack Thomas was president of the Whitman Men's council. Bill Knorp was head counselor of the freshmen men's dorm and president of the interfraternity council. Two of Whitman's cheerleaders are Bill Donally and Steve Straight. George Pettibone was president of the Zen Club and Mike Rogers was made an honorary member of the Saddles. Tom Harris was elected to Phi Beta Kappa this year.

In the arts, Deltas were leaders in contributions to the Whitman literary magazine and several held leading parts in school plays; with two plays written by Deltas being produced by the Whitman Theatrical group. Musically, Kirk Prindle, Dave Coxwell, and Mike Moloso composed three of the five folksingers in a popular campus group which entertains in the area. Artist Val Lewton had a special exhibit of his works at the school.

In group activities, Delta Rho's biggest triumph was in winning the annual choral contest, which is judged by musical experts from throughout the Northwest. In scholarship, we were only three tenths of one point under the top group and are hoping to take the trophy at the end of the second semester. Socially, Delta Rho kept its above-par average

with many fine functions; highlighted by the spring dinner-dance.

Continuing a fair record in intramural sports, the Deltas have so far taken the swimming trophy and have placed well in all other events. In the field of varsity athletics, Deltas represented three of the first ten in basketball and the majority of the skiing team led by Canadian FIS Champion Bill Steavens. Bill Knorp and Jack Thomas took key positions on the tennis team while several others participated in track and golf.

YOGI BEAR

Wisconsin

Beta Gamma is winding its social season up with its annual steak fry, held in our back yard on the shores of beautiful Lake Mendota. We are perhaps the only chapter to be located on a waterfront equaled in charm and excitement only by the French Riviera. Other annual spring events are a dixie bash, held jointly every year with the Theta Deltas, and Parents' week end. During the latter a full program is planned, aimed at treating our folks like kings, and the Madison Delt Mothers' Club always comes through with invaluable assistance.

Wisconsin pajama party

Out in campus life, Brother Iverson was recently elected vice-president of the student body and Carl Giessel was named as NSA co-ordinator.

A class of 12 was initiated in April. The new brothers came through with plenty of spirit, which was evidenced in one of the most gala and rip-roaring initiation banquets this chapter has seen in years.

Having concluded second-semester rush, we find ourselves with 24 top-notch men in our pledge class.

In looking back over the year, Beta Gamma finds that one of the biggest things we have accomplished this year is the revitalization of our alumni communications. By holding an alumni week end and sending out newsletters from time to time, we have located many "lost" brothers. Most encouraging of all, though, has been the fine response of old Beta Gamma men to our program.

WALLY STOLZ

LOYALTY FUND LIFE MEMBERS

Since the establishment January 1, 1926, of Delta Tau Delta's Loyalty Fund, its endowment fund, 20,819 men have become Loyalty Fund Life Members. Two hundred twenty have been added to this group from February 11, 1959, to April 23, 1959.

Following are the names of men initiated prior to January 1, 1926, who have become Loyalty Fund Life Members upon contribution of \$50:

John L. Morgan, Western Reserve, '23
Floyd C. Freeman, Missouri, '07
Frederick H. Parsons, Maine, '25.

Notes, signed at the time of initiation, have been paid in full by the following, who are now Loyalty Fund Life Members:

BETA—OHIO

James R. Deters, '59
Duane E. Emerson, '59
Bernard D. Fassett, '58
Walter R. Jurek, '60
